Me: It's okay Pauline. Mario and Donkey Kong put aside their differences long ago. Now they are good friends.

Donkey Kong: It's true. Now we're friends.

Nico: And there's a lot more you don't know about DK.

Pauline: Really?

Me: Yeah lots of things.

Donkey Kong: Yep. And Pauline I'm sorry I did what I did back then.

Pauline: Oh I forgive you.

Donkey Kong: Thank you.

Pauline: But I'm glad you all are here.

Nico: Okay, Nicole. Who are we fighting?

Nicole: I'm glad you guys apologized. Also you're fighting Mecha Wiggler.

Nico: WHOA! I remember him.

Me: Me too. He was electrifying.

Donkey Kong: He sure was.

Mario: Mamma mia.

Nico: We better find him.

Me: I think he found us! Look!

We saw a figure on top of the tallest building and it was MECHA WIGGLER!

Me: WHOA!

Nico: Mecha Wiggler!

He came to us and he came down and faced us!

Me: This is gonna be good!

Fabia: BAKUGAN BRAWL!

She summoned Aranaut!

Nico: YEAH!

Koji: MY TURN! EXECUTE! FUSION EVOLUTION!

He turned into BEOWULFMON!

Beowulfmon: BEOWULFMON!

Nico: YEAH!

Mecha Wiggler roared!

Nico: Lets do this!

Nicole: Okay in order to beat him you have to blast those orb segments along him and then go for the head.

Nico: Got it.

Aranaut: Shouldn't be too hard!

Beowulfmon: (ECHOING) CLEANSING LIGHT!

He fired missiles and a laser and blasted the orbs.

Fabia and Aranaut fired energy waves and blasted the head.

Nico: That did it!

?: It sure did lads!

Out came Ebonwumon and a girl with blue hair, blue eyes, blue clothes and blue angel wings and a tiara with Bubble Crab on it.

Bianca Bubble: Bianca Bubble, Embodiment of Bubble Crab.

Fabia: Wow! Bianca! Looking great.

Beowulfmon: Same to you.

Bianca Bubble: Koji and Fabia! Its been a while.

Ebonwumon: (In a girls voice) (Irish Accent) Nico lad you're looking great.

Nico: Enna Ebonwu! Wow!

Nico: (gets out Quint and Angel Roidmude's Ridewatches) This claimjumper is gonna show you the power of an angel!

Nico activated them and fired waves of energy and blasted him all over.

Donkey Kong: Taste coconuts!

He fired coconuts and bashed him in the head.

Patrick: DA HA HA HA! That guy got hit in the head with a bunch of coconuts!

Mario fired fireballs.

I fired waves of energy.

Enna reverted back and was a girl with green hair and green eyes and had green angel wings and had a Black Tortoise in the middle of her forehead and had black clothes and they had Ebonwumon on them and she had a leaf bow in her hands and had arrows in a quiver on her back and on her arm was the kanji for Black Tortoise of the North.

Enna Ebonwu: Lets show this monster no mercy lads! (ECHOING)

BLACK HAIL!

She fired black crystals that rained down onto Mecha Wiggler!

Bianca: MY TURN!

She fired waves of water and destroyed the creature in fiery explosions and he was dead and we got 30 orange Power Moons!

Me: OH YEAH!

Enna Ebonwu: That was great lads!

Donkey Kong howled in victory!

Mario: YAHOO!

We high five!

Nico: How did you meet Fabia and Koji?

Bianca: I met Fabia when she was helping Dan take down some of Barodius's forces.

Me: Wow! And you're looking at the very guy that killed him. Me.

Bianca: I heard about that! Awesome job! The guy really was like Frieza.

Me: No doubt there.

Bianca: And I met Koji when he as Lobomon was taking down Duskmon.

Me: That was before Lucemon from what I remember.

Bianca: Yep.

Me: Awesome.

Enna Ebonwu: That was amazing lass.

Me: Yep. Do you have any favorite memories of Nico?

Enna Ebonwu: When me and Nico had a Shepherd's pie eating contest and he won. He loves Shepherds pie as much as I do lad.

Nico and Enna hugged.

Nico: I've missed you.

Enna Ebonwu: Same here lad.

Me: Would you two like to join us?

Bianca Bubble: We would be honored.

Me: What about you Pauline?

Pauline: I would be honored too

We left the Simulator and cheered wildly.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

The Ripping Friends, May and Sakura Knudson and Jean Poole were relaxing in their tub of Wet Cement in front of our sofa.

Crag: Man there's nothing like a nice refreshing dip in wet cement.

Chunk: You know it Crag. After a long day of working out and ripping the secrets from mother nature I can't get enough of this soggy concrete.

He picked some up and it plopped back in with a splat.

PLOP!

Me: Boy that is relaxing.

May: It sure is.

Sakura Knudson: This is the life.

The mascots were heading somewhere.

Dawn: What are you guys doing now?

Poromon: To the gym to play basketball with Lynn and Rainbow Dash.

Me: Okay. Have fun guys.

Poliwag: We will.

They went and had fun.

Rip: (Taunting) Can you not get enough kid?

Chunk: I said that didn't I?!

Rip: Well here have some more!

SPLAT!

He threw some all over him!

Chunk: (GULP) (SPITS) Darn you! Why I'll!

He was hardening!

Chunk: HEY! I'm hardening!

He struggled!

Chunk: YOU KNEW THAT WOULD HAPPEN DIDN'T YOU!?

Me: He sure did!

Slab laughed!

CRASH!

He broke out!

He grabbed some cement.

Chunk: Now I'll show you!

Rippunched the cement and covered Chunk from head to toe in hard cement!

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS) That is so funny!

Slab: (LAUGHS) Yeah!

Sakura Knudson: (LAUGHS) Yeah that is awesome!

Dr. Jean Poole: It sure is!

Me: (LAUGHS) Yeah! Here Chunk.

I punched him and got him out.

Gina Everest was in the gym with them.

Gina Everest: I'm watching the 4 of you to see you guys epic fail.

Poromon: Okay!

Rainbow Dash: You're going down!

Lynn: Bring it on!

They got to playing and it was awesome and fun!

Lynn passed the ball and just as Poromon was about to catch it…

WHAM!

He got hit in the face with it!

Armada Starscream: Yep. Epic Fail!

Poromon laughed!

Poromon: Yep.

Rainbow Dash and Lynn bested the mascots at Basketball!

Poliwag: YEAH THAT WAS FUN!

Horsea: YEAH!

Jetfire: (Australian Accent) Yeah, you had fun. And you still lost. Epic fail!

Horsea: But it was still fun.

Gina Everest: Yeah.

Rainbow Dash: Good job though guys.

Lynn: Yeah you gave it your all.

Manaphy: We sure did.

Klaus: Epic Fail!

Me: Okay guys we get the idea.

Poromon: Yeah. Thanks though guys.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Lewis Travolta and Bubble Bass, and those two gluttonous rude jerks are causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you two gluttonous rude jerks decided to make your move.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today, the next jerks are none other than Lewis Travolta and Bubble Bass, and those two gluttonous rude jerks are causing havoc.

WE GASPED!

Anala Nephthys: So, the next two jerks are the gluttons who got my restaurant shut down with their stupid antics.

Eli: Now, we can stop them and send them back to Lynn's Table to be humiliated forever.

Lincoln: Exactly, and they're among the non-cursed jerks, so we're giving those two gluttons the beatdown of their miserable lives, but first, we better take care of whatever trouble they're causing.

Nico: Right. Where are they at, Lincoln?

Lincoln: Sensors indicate they're over in Bikini Bottom and they're causing trouble at the restaurants there.

Me: Those pigs, let's get them!

Nico: And if there are Militia waiting for us there, we'll deal with them. Alright, team, let's load up and get going, we got two gluttonous jerks to clobber!

Lincoln: They're not getting away with this, they're getting such a thrashing from all of us.

Nico: Yeah!

The previous group came

Count Nocturne: Can me Samon Shakekisutanchin, Ryugu Tamatebacco, Manta Bayarsh, Dumbbelltron, Marionette Shadow, Kerbero Gangan, Stonedozer, Electropede and Black Manta go with you guys?

Nico: Yes you all can come with.

Xenia: We're going to trounce Bubble Bass and Lewis Travolta in

Bikini Bottom.

Nico: Yep.

Charge Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Bakemon next. But hopefully during the next series of Anothers it'll be Sukamon.

Me: Oh boy. Plug your noses. That one is gonna be stinky.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Clifford Zmeck A.K.A. Major Force from the DC comics, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone you're not going to like in the slightest. The figure we sensed belongs to Clifford Zmeck A.K.A. Major Force, and he's coming here to destroy us.

WE GASPED!

Cienna Cliodhna: He was once part of The Suicide Squad from what I know. Hmm, he could be a potential member of the Masters of Evil, but he won't be easy to convince, we are going to have to take him

down.

Lincoln: Right, Cienna.

Nico: Hope you guys give that tough bastard what for. Alright, team, let's go, we're heading to Bikini Bottom to take down Bubble Bass and Lewis Travolta.

Lincoln: They're heading right back to Lynn's Table to be humiliated forever, and once we get done with them, you're next, Major Force.

Cienna Cliodhna: We're all aware of the crimes you've committed long ago, Clifford, and we're not wasting this chance to take you down.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to take down Bubble Bass and Lewis Travolta and send them back to Lynn's Table shackled to posts and humiliated forever, and once we get done with them, Lincoln and Cienna Cliodhna along with me are going to take down Clifford Zmeck A.K.A. Major Force.

We were off to Bikini Bottom.

---

We arrived.

Me: Good old Bikini Bottom.

Samon Shakekisutanchin: I'll make some salmon along with the Krabby Patties!

Me: Whoa Samon the fish here may not like how you said that. But make that only for us.

Samon Shakekisutanchin: Oh yeah sorry. But okay.

We arrived at the Krusty Krab and went in.

Nico: GOOD MORNING KRUSTY CREW!

Mr. Krabs: Ahoy lads!

SpongeBob: Hey guys!

Tengu Man: Hey there, Krusty Crew!

Squidward: Would you guys like anything?

Lola: Sure Squidward. I'll have 10 Krabby Double Deluxes with extra onions please.

Squidward: Wow you're very hungry today Lola!

Lola: Long story and it's not pretty.

Manta Bayarsh: And Samon's gonna help in the ktichen to make Salmon.

Me: Only for us folks.

The fish agreed.

Samon went in.

We paid for our order and we sat at a table.

Patrick: Hey, Manaphy. Wanna play Guess What the Pictures are?'

Manaphy: Sure Patrick!

Qin: This will be fun.

Patrick got out 1 picture.

Patrick: What's this?

It was a picture of a donut.

Manaphy: That's a donut.

Patrick: And this?

It was a Krabby Patty.

Manaphy: A Krabby Patty.

Patrick got out another picture and it was his butt.

Patrick: And this?

Manaphy: That's a picture of your butt.

Patrick: Now, what's this?

Patrick showed a picture of Poromon as a Werewolf!

Manaphy: Poromon as a werewolf. That doesn't scare me anymore.

Horsea: Too little too late, Patrick.

Patrick: Oh yeah. How about this?

He showed a picture of a jellyfish.

Manaphy: A Jellyfish.

Patrick: Good. And this one.

It was a picture of May shoving Nico's face in between her breasts.

Manaphy: Nico being shoved in between mama's buxom.

Clown Man: Where did you get that last one?

Patrick: Huh? AHHHH! (Blushes) I have no idea where I found that one.

WE LAUGHED!

Nico: That was awesome.

BLANG!

Nico got hit on the head by a mallet from Nicole!

9m agoKerbero Gangan: I think that's enough pictures.

7m agoNico: OW! What did I do!?

Nicole: Do that again and I'll gouge your eyes out.

Kerbero Gangan: I think that's enough pictures.

Patrick: You're right.

SpongeBob: ORDER UP!

Thrust: Patties are ready!

We got our food and we were eating.

Lola was eating a lot.

Mr. Krabs: Lemme guess. Lana grossed her out?

Electropede: What was your first clue?

Me: Yep.

Squidward: Oh boy. So Bubble Bass and Lewis Travolta are coming.

Me: Yep. Those fat tubs of lard are getting what's coming to them.

Camie: And it's going to be painful.

Plankton: Well, might as well prepare the outside for battle.

Me: Okay.

He went and did so.

We got to eating and we were hungry.

Camie: (Eating) Mmm!

Lola: I can't believe that Bubble Bass is that stupid! And he ran up a bill that is that large.

Nico: Yeah he owes… How much does he owe?

Mr. Krabs showed a receipt and it was for 500 TIMES OF EVERYTHING ON THE MENU! Priced at $534,534,064,323!

Me: JUMPING KELP BRITTLE!

Mr. Krabs: When those Militia goons come, we'll do it like what happened on the day with Burgerbeard.

Me: Go SpongeEnger.

Nico: Huh?

Me: Mr. Krabs and friends going as Avengers style heroes.

Nico: WOW!

Plankton: I think Krabs was referring to that World War style battle.

Nico: Oh man. I heard about that.

Lily: That was nuts.

Camie: Wow.

Misfire: Militia Tanks up ahead!

Mr. Krabs: MAN YOUR STATIONS!

SpongeBob: MAN YOUR STATIONS! RED ALERT! RED ALERT! TAKE COVER!

The customers ran for cover!

We got ready and we saw the tanks were missile tanks!

Me: Here they come!

Lincoln and his harem: EARTH FINAL SMASH: STONE FIST EXPLOSION!

Lincoln and his harem fired massive explosive fists made of stone at Bubble Bass & Lewis Travolta which explode on contact.

Then, Lincoln and Alana Nephthys chained Lewis Travolt and Bubble Bass up with chains and sent them back to Lynn's Table, and this time, they're going to be there forever. Alana Nephthys holstered her massive greatsword and powered down and Alana Nephthys' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large crimson red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive fire angel wings and medium sized fire angel wings underneath are permanent.

Alana Nephthys: It's finally over for you, NO MA'AM, Bud Bundy, Kelly Bundy, Peggy Bundy, and Marcy D'Arcy, now your punishment's about to get worse, but we're not done yet.

Lincoln: That's right, now there's one last thing to do and one last loose end to tie up: Clifford Zmeck A.K.A. Major Force.

?: None of you heroes are leaving here alive!

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the twelve large planets orbiting around the Loud Sisters' legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the twelve large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the twelve large planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier that protected all of us from dark energy blasts that came out of nowhere and Lincoln suddenly absorbed the dark energy blasts and it made him even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Major Force, or we will force you out.

A figure came out, and it's none other than Clifford Zmeck A.K.A. Major Force.

Lincoln: Clifford Zmeck A.K.A. Major Force, I should've known you'd show up here.

Cienna Cliodhna: None of us are going to forgive you, and now, you will pay.

Suddenly, Cienna Cliodhna's blue eyes turned neon blue and she was surrounded by an ocean blue energy aura with stars, water, ocean waves, winds, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Exodus, she left ocean blue energy, stars, water, ocean waves, winds, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels with every step.

Cienna Cliodhna: Your crimes have gone unanswered for years, Clifford, you caused nothing but pain and suffering to too many innocent people and you also have blood on your hands, there's no way I'm forgiving that, I'm taking you down, and we're sending you to Vypra with all your bones broken!

Suddenly, Cienna Cliodhna was surrounded by a massive vortex of ocean blue energy with stars, water, ocean waves, winds, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Major Force: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Cienna is capable of, and when she gets serious, that means all Hell is about to break loose!

Then, as the vortex faded, Cienna Cliodhna emerged, but she was changed forever.

Cienna Cliodhna grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large ocean blue planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long ocean blue hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and an ocean blue energy aura with stars, water, ocean waves, winds, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Oceanus Shenron emblazoned on her forehead and Third Eye with blue iris, she has on dragon earrings with blue gems for eyes and holding the Star, Water, Wind, Dark, and Eternity Kanjis in its claws, she also has a dragon with blue gems for eyes and holding the Star, Water, Wind, Dark, and Eternity Kanjis in its claws for the second pendant on the bottom of her green dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Cienna Cliodhna felt a sharp pain on her back, and then, her massive blue angel wings with light blue tips on the large blue feathers grew much larger for her new body and medium sized blue angel wings with light blue tips grew and sprouted out underneath her massive green angel wings and she also now has eleven massive and long ocean blue wolf tails with blue tips and blue markings, Cienna Cliodhna has on her Ring of the Phoenix with large ocean blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Cienna Cliodhna's massive water greatsword with seven replicas of the Seven Dragon Balls embedded in it and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of ocean blue energy, stars, water, ocean waves, winds, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels, and when it emerged, it was transformed into Cienna Cliodhna's Cosmic Eternal Harmony Celtic Eternal Ocean Maelstrom Darkness Oceanus Shenron Celtic Darkness Cliodhna Water Dragon Phoenix God Angel Greatsword of Cosmic Eternal Harmony Celtic Eternal Ocean Maelstrom Darkness Oceanus Shenron Celtic Darkness Cliodhna Water Dragon Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded seven replicas of the Seven Dragon Balls and Oceanus Shenron and runes etched on the 7'9" massive, wide, double-edged ocean blue blade, large ocean blue dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large ocean blue gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large ocean blue dragon heads with ocean blue gems for eyes and on the bottom of the large ocean blue dragon heads is a large ocean blue dragon head with green gems for eyes and green gem in its mouth for the pommel, Cienna Cliodhna has on her brand-new large gold Bracers of The Champions of The Universe with large ocean blue gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold dragon head with ocean blue gems for eyes and green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Me: No way, did Cienna just transform?

Lincoln, Cienna Cliodhna, and I went after Major Force, and we fired extremely powerful blasts of rainbow energy, ocean blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Major Force, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Cienna Cliodhna also did the same by firing ocean blue energy slashes from her massive greatsword, and he, Cienna Cliodhna, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and that made Major Force angrier than

ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln ran at and grabbed Major Force by the neck with his left hand, and Lincoln began sucking out his energy and at the same time, Lincoln also sucked out his Dilustel Armor, Quantum field manipulation, Superhuman strength, Superhuman speed, Metamorphosis, Matter absorption, Energy absorption, Flight, Dark matter generation, Energy manipulation,

Immortality, Invulnerability, and Regeneration and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sixed whit angel wings with aurora and orange tips spread out and his large gold halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, he made a portal that led to The Masters of

Evil and he threw Major Force in. Everyone cheered wildly for what Cienna Cliodhna, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Cienna Cliodhna's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ocean blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large ocean blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive ocean blue angel wings and medium sized ocean blue angel wings underneath are permanent.

Cienna Cliodhna: You're in for a world of Hell with Vypra, bastard. Thanks for helping me take down Major Force, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Cienna.

Me: My pleasure, Cienna.

Suddenly, Cienna Cliodhna wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cienna Cliodhna's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and water behind them and we cheered wildly. Then, Lincoln and Cienna Cliodhna sucked in and absorbed the elemental forces and water and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Cienna Cliodhna and hugged us.

Luna: No kidding dudes, you guys taught that homicidal jerk a lesson.

Luan: And you sucked out all his powers and made them your own along with his energy, and you threw him to Vypra.

Me: He'll regain his powers over time, but he'll wish he was dead when Vypra gets done with him. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Ahana Laurel, Gene-Slammer and Avatar of Aromage Laurel.

Selene Emperyous: I was waiting for that moment when you chose her, and you guys are going to love meeting her, Ahana Laurel is Lincoln's Guardian Angel from Michigan, she was born with green angel wings, cosmic aerokinesis, immortality, and mastery over powerful wind magic, and she also has the powers of Aromage Laurel because she Gene-Slammed herself into Aromage Laurel. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her green angel wings to let off the scent of the laurel plants. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a wind greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem.

Qin: The laurel plants are one of my favorite smelling plants, they're amazing.

Michelle Emperyous: And Ahana hates Lisa with a blazing passion, and unlike Lori and Lola, Lisa tried to ruin the scented candle business by sending her robots to destroy their headquarters, but just like what happened to Lori, Lynn, and Lola, Lincoln put a stop to Lisa's rampage and sent the robots to the scrap yard, Lisa was caught by the police and she was forced to apologize and had to pay Verena and her partners $100,000,000 in damages for attempted destruction of property, and she earned Ahana's hatred.

Nico: Lisa, your Dark Side was a total monster from Hell!

Lincoln: Lisa's Dark Side always resorted to using her robots to get her way and cause total destruction, and a total monster from Hell was exactly what we'd called her.

Me: Oh yeah!

Goliath: That shows those two jerks.

KGBeast: Ha! Like old times with Burgerbeard, eh?

Gentleman Ghost: It must've been.

Yenaldooshi: I call dibs on the other Krabby Patties!

Mysterio: Not without me!

Me: We all can eat.

Nico: Yep. Number 4 is done. Wow! That was fun. Great job today everyone!

SpongeBob: (LAUGHS) Yeah that was great!

Patrick: You said it.

SpongeBob: (To the viewers) This was a great adventure.

Me: Yep.

We went back to the Krusty Krab and had the rest of our meal and then later went back home and enjoyed the rest of the day and went to sleep.

Alright, and for tomorrow, the match-up is for Trista Taranis, Avatar of Rage Shenron and Daughter of Taranis, Celtic God of Thunder, and she and Lincoln are going to destroy a clone of Gigantomachia from My Hero Academia.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Brazil, specifically the secret base of Caylee Chronomaly, and Caylee Chronomaly is going to show us some artifacts that she'd found: they are The Amulet of The Gods of Strength, The Amulet of The Gods and Goddesses of Fire, The Amulet of The Gods and Goddesses of Water, The Amulet of The Gods and Goddesses of Wind, The Amulet of The Gods and Goddesses of Earth, The Amulet of The Gods and Goddesses of Lightning, The Amulet of The Gods and Goddesses of Light, The Amulet of The Gods and Goddesses of Darkness, The Amulet of The Gods and Goddesses of Love and Sex, and The Amulet of The Gods of Masculinity, but what we don't know was that the artifacts she found also come with an ancient ritual that she planned to enact in order to give Lincoln the powers and strengths of those gods and goddesses. Then, after that's done, we're going after Dark Connor who's escaped and is causing havoc, but we're going to destroy him for good and end his pranking mayhem, and we're going to meet Ahana Laurel, Gene-Slammer and Avatar of Aromage Laurel, she's Lincoln's Guardian Angel from Michigan, she was born with green angel wings, cosmic aerokinesis, immortality, and mastery over powerful wind magic, and she also has the powers of Aromage Laurel because she Gene-Slammed herself into Aromage Laurel. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her green angel wings to let off the scent of the laurel plants. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a wind greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Ahana hates Lisa with a blazing passion, and unlike Lori and Lola, Lisa tried to ruin the scented candle business by sending her robots to destroy their headquarters, but just like what happened to Lori, Lynn, and Lola, Lincoln put a stop to Lisa's rampage and sent the robots to the scrap yard, Lisa was caught by the police and she was forced to apologize and had to pay Verena and her partners $100,000,000 in damages for attempted destruction of property, and she earned Ahana's hatred.

Part 5 is where we face the queen of losers Mindy and we're going to battle that loser in the Endsville Sector.

See you next time.

Me: The Digital World is looking great.

Nico: It sure is.

Qin: Yeah no kidding.

Camie: It sure is awesome. So many awesome Digimon having a good time.

Me: And no evil Digimon to wreak havoc.

Tsuyu: Thank goodness.

Himiko: That is for sure.

Lola: If there are we will rip them apart.

Varie: We sure will.

Nico: Ryotaro, I want to thank you, Fu, and your teams for coming.

Ryotaro: No problem Nico. It'll be good to help.

Willow Schnee: I'm glad to come along too. this will be fun.

Lincoln: It sure will be Mrs. Schnee.

Nico: Willow, are you happy your husband's gone?

Willow Schnee: I am more than just happy. I'm so happy he is gone for good.

Nico: So is Weiss.

Camie: Yeah what a monster.

Qin: That monster was a traitorous murderer and a heartless beast.

Willow Schnee: Yeah he sure was.

Lola: I'm glad he's gone.

Nico: (jokingly) You can always remarry. Maybe Ironwood is available.

Willow Schnee: Very funny. But I think I might take you up on that.

Lola: Yeah.

Rarity: I agree darling. Ironwood would make a much better man than your monster former husband.

Willow Schnee: That is too true.

Nico: Yeah.

Xenia: I agree.

Me: Yeah. But man yesterday was REALLY FUNNY! Wow! What a food fight on those two fat tubs of lard.

Nico: It was like the day SpongeBob met Burgerbeard

Lily: It sure was! And SpongeBob and friends looked so awesome as Avengers Style heroes.

Me: That was really awesome!

Lily: Yeah! SpongeBob and friends looked really awesome.

Nico: Captain America and the Avengers were really proud of them.

May: Boy they sure were! Tony was amazed with Mr. Krabs' Iron Man suit too.

Lily: That was so fun! Burgerbeard never knew what he was up against.

Nico: Plankton even took control of one of the Militia tanks.

Lily: Boy just like he did when he attacked us the second time.

Nico: Really?

Lily: Yeah he attacked us with a potato firing airplane, a pickle firing tank and a really cool Giant Robot that was as tall as me in my giant form.

Me: I remember hearing about that! That was so awesome!

Nico: Wow!

Me: Yeah.

Nico: Giant Form?

Lily: I can grow giant too.

Me: Like how I can.

Nico: Oh right.

May: Most of us can do that.

Nico: That is cool.

Camie: It sure is cool. Also I'm glad we put Bubble Butt and Lewis Fartvolta back where they belong.

WE LAUGHED!

Me: (LAUGHS) Those are funny names. I like those.

Nico: Should we invite Poromon?

Me: All the Digimon should come.

Nico: Good idea.

Me: First lets find out what the problem is.

Lincoln: Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: we got word that Ninjamon has been sighted.

Nico: Oh man, I remember him all too well, he was really fast and tough, he's not going to be easy to take down.

Lincoln: Same here, I still remember the trouble he gave us when we encountered him.

Me: So, if he sees you two here, he'll be out for another round.

Lincoln: But, we've evolved from the kids he encountered all those years ago. But, he's still going to put up a fight, so we'll be ready for him.

Me: That we will. And I heard that he attacked Mimi's friends Geckomon and Otamamon as well as ShogunGekkomon.

Nico: Yeah that's right. I remember that. That was crazy.

Camie: Wow!

Me: That son of a Bitch Digimon Emperor!

Lola: Yeah!

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: So, we're facing an enemy that you and Lincoln faced on separate occasions. But, we've got to watch it though.

Nico: We know, Xehanort could still send Heartless after us, but we're ready for them.

Me: Yeah but we're ready for them.

Poromon: It feels great being back in the Digital World. Also we're ready for this.

Yolei: Yeah! Me and Hawkmon will face him too.

Hawkmon: Lets do it!

Nico: YEAH!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his

abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Ninjamon) AHA! Gotcha! I just spotted Ninjamon, he's 20 yards away, but we got to watch it, no surprise attacks are going to work on him.

Me: So, we'll need a different approach.

Lincoln: Right, we'll need a different approach. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began

sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Ninjamon.

Wonder Woman heard a Pokemon cry.

Wonder Woman: Look here!

We saw a REGIFIGHT and a Regirock!

Me: WHOA! Regifight and Regirock!

Reggie MacArthur: (Australian Accent) Looks like we're going to have some awesome friends mates.

Rae MacArthur: (Australian Accent) We sure are mates.

Regina MacArthur: (Australian Accent) And the Regice we met earlier is fun mates.

Nico: It sure is girls.

Me: And the poor thing here is hungry.

Regirock: Yeah I haven't eaten anything.

We gave it some apples.

Me: There you go.

Regirock ate them.

Me: Feel better?

Regirock: Ahh much better.

Nico: Good.

Wonder Woman: Would you like to join me?

Regirock: I would be honored.

Me: Awesome.

Nico: Lets go get him.

We were flying in the air, and we saw Ninjamon standing near the river.

Lincoln: (Whispers) There he is. But, I wonder if that's a substitution or the real thing. Only one way to find out.

We landed carefully, and then, Lincoln summoned a kunai dagger in his left hand and threw it right at Ninjamon, and it hit him. But, he vanished.

Nico: It was a decoy!

Lincoln: Figures. (Sensed for Ninjamon) AHA! He's hiding right in the trees.

Lincoln threw three more kunai daggers at the trees, and he forced out Ninjamon.

Nico: Nice try, Ninjamon, but we've anticipated that. You set up that clone right near the river and we'd fall for it by attacking it.

Lincoln: But, we've dealt with you and many ninjas before and learned from our fights.

Ninjamon: It still will not save you. (ECHOING VOICE) FIRE ENBUKEN!

Ninjamon fired a fiery slash with his sword at us, but we dodged it.

Lincoln: Now, it's my turn. Magnamon, you ready?

Lincoln's Magnamon: Always ready, Lincoln.

Lincoln and his Magnamon: (ECHOING VOICE) MAGNA BLAST!

Lincoln fired a ball shaped plasma blast from his massive white angel wings and medium sized white angel wings underneath his massive white angel wings and Magnamon fired a ball shaped plasma blast at Ninjamon and they exploded as the blasts hit him.

Nico: Save some for me, Lincoln. (ECHOING VOICE) BLAZING HELIX!

Nico fired a helix of fire from his massive dark blue angel wings at Ninjamon and exploded as it hit him.

Ninjamon: I admit, you've come a long way. But, enough is enough.

Suddenly, armies of Heartless appeared, but Lincoln, Nico, and all of us destroyed them and we gained a massive power boost by absorbing the negative energy.

Tiffany Tornado: Let's take care of Ninjamon before any more Heartless, or worse, Flip's thugs show up for more.

Me: Lets get him!

Yolei: Ready Hawkmon?

Hawkmon: Lets get him!

Yolei activated the Digi Egg of Sincerity!

Nico: That's right! Too bad your buttbuddy the Digimon Emperor isn't here to back you up. Oh wait… You know why? HE'S DEAD!

Ninjamon: WHAT!?

Nico: (Smirks)

Ninjamon saw Poromon.

Ninjamon: (to Poromon) You're not like Hawkmon. Unlike him, you don't Digivolve.

Poromon: Actually I CAN Digivolve.

Nico: I just decide when he should do it.

Poromon: But I don't need to Digivolve to do this. (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him all over!

Me: Yeah a Ninja Digimon among Ninjas. You would definitely fit right in.

Qin: Yeah.

Ninjamon: I'm honored you think that.

Xenia: Yeah.

Poromon pecked him

POINK POINK POINK POINK POINK POINK!

Poromon: How do you like that!

Horsea squirted ink into his eyes.

Camie: YEAH!

Suddenly, Tiffany Tornado's green eyes turned neon green and she was surrounded by a green energy aura with stars, winds, tornadoes, phoenixes, and angels, and as she approached Ninjamon, she left green energy, stars, winds, tornadoes, phoenixes, and angels with every step.

Tiffany Tornado: I admit, you're just as tough as Nico and Lincoln say you are, but so are the rest of us. We've battled against more dangerous villains and monsters and took them out, now it's your turn, Ninjamon, and we're ending this and fast before more Heartless or more of Flip's thugs show up.

Suddenly, Tiffany Tornado was surrounded by a massive vortex of green energy with stars, winds, and tornadoes surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Ninjamon: the red eyes of judgement.

Nico: OH MAN! I THINK AN F-5 TORNADO'S ABOUT TO COME ROLLING THROUGH THE FIELD!

Me: I DID SAY TIFFANY'S A MASTER OF WIND AND TORNADOES!

Lincoln: NOW, NINJAMON'S ABOUT TO FACE THE FURY OF THE TORNADO HEAD ON!

Then, as the vortex faded, Tiffany Tornado emerged, but she was changed forever.

Nico: Vypra's going to enjoy straightening you out, Ninjamon.

Me: And if he tries anything, he'll regret it.

Lincoln: Plus, we both showed how much we'd changed from the kids he'd met years ago.

Hawkmon reverted back.

Yolei: Like old times. Eh, Hawkmon?

Hawkmon: It sure was.

Me: That was really fun.

Nico: Yeah it sure was.

Nico: Nice job Regirock!

Regirock: Thanks Nico. That was fun!

Wonder Woman: Boy it sure was.

Poromon: Want some beer?

Regirock: Oh no thanks. I drink only lava.

Me: Whoa! Likes it hot.

Lisa Loud: Very amazing.

Poromon: Wow no kidding.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Me: That was still awesome though.

Poromon: Now, let me show the Krabby Patty sculptures we made of ourselves

We saw that the mascots made life sized Krabby Patty Manniquins of themselves!

Nico: WHOA!

Eli: WOW!

Lily: Wow! Like how SpongeBob made lifesized Krabby Patty

Manniquins of Mermaidman and Barnacle Boy!

Poliwag: They're edible!

Mr. Krabs: (LAUGHS) Good job lads!

Nico: Yeah those are really well done.

Me: One sec.

I took a picture with my phone.

Me: Get in the picture for it.

The mascots did so and I took a picture of them with the manniquins.

Lily: SpongeBob did the same thing and he won this.

She pulled out the Conch Signal.

Me: The Conch Signal.

Lily: Yep. After SpongeBob misused it he entrusted it to me and only use it when trouble came.

Nico: Good idea Lily.

Qin: That is cool.

Manaphy: Go ahead and dig in.

We got to eating and we ate the whole things.

Nico: We were stuffed.

Me: Ahh! (LOUD BURP) Oh pardon me.

Xenia: That was great guys.

Lola: Yeah.

Poromon: Glad you guys liked them.

Camie: Yeah those were great.

Varie: I'll say. (LOUD BURP) Excuse me.

Nico: Yeah that was awesome. Now for business.

Eli: The Anothers. Lets see. (CONCENTRATES) Whoa! We got Another Fu (Dragonball Xenoverse), Sir Farts A Lot, Mexican Food Fart, Alchemy Beast Ouroboros the Bronze, Dark Samus, Ghor, Rundas and Gandrayda and Evil Fire Minions.

Me: Wow!

Eli: And I sense that the five anothers minus Fu are each individual people.

Me: Wow! This will be interesting.

Eli: But it's Another Mexican Food Fart, Alchemy Beast Ouroboros the Bronze, Dark Samus, Ghor, Rundas and Gandrayda and Evil Fire Minions coming first.

Me: Okay.

Nico: So Ryotaro, Willow Schnee, Johanna (Hilda), Bianca Vexxos, Sora Phaaze and Varya Visnapuu are up.

Callie Brinstar Kraid: That's right. And it's awesome.

Me: Boy it sure is.

Penelope Zebes Phantoon: Yeah it sure is. I couldn't go with Wrecked Ship because that would be weird. So I changed my middle name to Zebes.

Nico: That makes sense.

Me: Can you tell us more about yourselves?

Callie Brinstar Kraid: Sure. I'm Nico's friend from botany class and we made awesome plants together back then.

Penelope Zebes Phantoon: I'm Nico's friend from history class and we studied about the history of ships and more.

Mariah Maridia Draygon: I'm Nico's friend from science and marine biology classes and we studied about fish.

Nelanie Norfair Ridley: And I'm Nico's friend from Gym. We did all kinds of things in sports and more.

Me: Wow! That is awesome.

Nico: It sure is.

Me: By the way are the rest of the anothers friendly or hostile?

Callie Brinstar Kraid: Friendly. But the next one coming is gonna be uhhh…

Me: Uh oh. But thanks for telling us.

May: Sorry we have to do this girls.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Me: Oh yeah!

Maria: (Turns dial) ADVENTURER FURY FORCE!

She summoned Quint, Dixie Wolf, Fawn (Gnomeo & Juliet), Speciman 8, Stag (Adventure Time) and Tybalt (Gnomeo & Juliet.

Me: Yeah!

Nico: What about Another Fu?

Seline Suka: That's after me.

Callie Brinstar Kraid: We went first because we wanted to get ahead of her because of her stench.

Nico: Oh.

May: Lets get to it then!

We separated her and fired energy waves and blasted the Another and I caught the Wonder Ride Book.

Me: YEAH!

Nico: THE STINK IS STILL THERE!

Qin: YEAH!

Me: THAT'S why we're going to make sure she gets a bath when we get home!

Nico: EXACTLY!

Me: Right now lets focus.

I put on a nose plug.

Me: (Nasally) Lets hope our noses survive.

Then we saw ANOTHER FU!

Me: Another Fu!

Nico: This will be awesome.

Another Fu: (In a girls voice) Boy she sure stinks huh?

Me: (GASP) That voice!

She reverted back and was a girl with purple hair, purple eyes, purple clothes and had purple angel wings and had a tiara with the symbol of the Ultraman Cosmos Dopant on it and on her skirt and she had a star sword.

Me: Connie Cosmos!

Nico: WHOA! The Embodiment of Ultraman Cosmos.

Me: That's 2001's series.

Connie Cosmos: Yep that's right. Awesome to see you again J.D.

Me: Same here. Connie is a master of the stars and is a powerful warrior and more.

Fu (DBXV): Wow! That is cool! She's just like me because I fight too.

Me: Yep.

Sougo: (gets out Operation Overdrive Ridewatch) You'd fit in with Goku and the others.

Geiz: (gets out Mystic Force Ridewatch) They're fighters too.

Sougo got OperationOverdrobeRedArmor while Geiz got MysticForceRedArmor

Goku: (LAUGHS) Yeah you would make a great sparing partner for me.

Nico: I agree too Kakarot. All of us would like that.

Connie Cosmos: Yeah I know.

Lincoln: Lets separate you first.

We did so.

Me: Awesome. Lets do it!

We fired energy blasts and blasted Another Fu all over.

Nico: (gets out Fu's Ridewatch) Feel the power of a Saiyan!

May: (Gets out Mexican Food Fart's Ridewatch) CONQUIDADO ES EL STINKO!

Maria: (Gets out Dark Samus, Ghor, Rundas and Gandrayda's ridewatches) Time for the fury of Phazon!

Willow Schnee: (Gets out Sir Farts A Lot's Ridewatch) This hotsauce packs a nasty stink!

They used the powers of Fu (Dragonball Xenoverse), Sir Farts A Lot, Mexican Food Fart, Alchemy Beast Ouroboros the Bronze, Dark Samus, Ghor, Rundas and Gandrayda and Evil Fire Minions and blasted and smashed Another Fu all over.

Then Bonnie, Fung (Kung Fu Panda), Yellow Devil, Cyan Sung-Sun, Psycho Yellow and Jindiao (Kung Fu Panda) came.

Nico: WHOA! Nice team Bonnie.

Bonnie Rockwaller: Thanks Nico. It's awesome.

Star Butterfly: Cool! Now it's my turn next! This is gonna be amazing!

Nico: Damn Straight!

?: I'll say!

Bakemon came!

Qin: WHOA!

Sora and Joe screamed in fright!

Sora Takenouchi: NOT ANOTHER BAKEMON ATTACK!

Bakemon: (In a girls voice) I can tell that Bakemon scared you guys.

Nico: Jiadha Bake!? Whoa!

She reverted back and was a girl with black hair, purple eyes, black clothes, black scary wings and Bakemon on her forehead and skirt and had a deadly twin blade scythe in her hand.

Jiadha Bake: Awesome to see you again Nico. I got this. (ECHOING) NIGHTMARE WAVE!

She fired a wave of darkness and it made the Another exploded!

I caught the Ridewatch and purified it.

Me: YEAH!

Nico: That was awesome!

Brittney: I'll say!

Nico: We actually fought a horde of Bakemon last year

Me: Yeah.

Nico: And Coincidentally, they did the same thing to Joe and Sora like they did when Devimon was alive.

Jiadha Bake: Ah the Bakemon Holiday Assault. Yeah the spirits of the netherworld told me all about that.

Brittney: Wow. You would make an awesome addition to the Goths of Darkness.

Me: Yeah.

Willow: Do you have a favorite memory of Nico?

Me: Before we have you answer that…

I snapped my fingers and we teleported back to the estate and once there, May and Maria grabbed Seline Suka and rushed into the bathroom.

Me: Sorry Seline hasn't taken a bath since she was 5.

Jiadha Bake: Ah no worries.

Me: Okay now you can answer.

Jiadha Bake: When me and Nico went and destroyed evil ghosts out to terrorize a haunted house. It was fun.

Me: Cool.

Nico: Yep.

Nico and Jiadha hugged.

Nico: I've missed you.

Jiadha Bake: Same here.

We then sat down and rested.

Me: Oh no, I was hoping not to hear from that pranking madman again! Looks like he broke out of prison and he's back for revenge.

Qin: I hoped not to see that thing again! I still remembered all the pranks Connor did.

Sebastian Mendez: Your worst prank was dumping slime in my pants! (NAILS GREW INTO CLAWS)

Nico: No, his worst prank was putting a bomb full of slime in the locker, and when you opened it, it exploded and you got covered in slime.

Ryotaro: So, we got an insane prankster running loose. Hope we can stop him.

Nico: We will, Ryotaro, we've got years of payback to unleash on him for all the April Fools Day prank rampages he's forced Connor to go on. But, first, mind showing us your base?

Caylee Chronomaly: On it.

We followed Caylee to a deep part of the jungle, and we found a massive house, and we went inside, and it was filled with artifacts from all over the world, and Nicole and the other treasure hunters were in heaven.

Nicole: My God, this place is filled with artifacts and treasures from all over the world! You've been busy!

Caylee Chronomaly: I've been busy hunting treasures before and after Carly's murder at Flip's hands. Now, I want to show you the artifacts I intended to give to Lincoln.

We headed into a special kind of room in Caylee's base: it looked like some sort of ritual room with a magic rune drawn on the floor. Then, Caylee typed in a code, and then, pedestals rose up, and we saw gold amulets shaped like items representing strength, fire, water, ice, earth, wind, light, darkness, lightning, love, fertility, and sex, and masculinity.

Nicole: My God, I'd recognize those amulets: those are The Amulet of The Gods of Strength, The Amulet of The Gods and Goddesses of Fire, The Amulet of The Gods and Goddesses of Water, The Amulet of The Gods and Goddesses of Wind, The Amulet of The Gods and Goddesses of Earth, The Amulet of The Gods and Goddesses of Lightning, The Amulet of The Gods and Goddesses of Light, The Amulet of The Gods and Goddesses of Darkness, The Amulet of The Gods and Goddesses of Love, Fertility, and Sex, and The Amulet of The Gods of Masculinity, these ten amulets were said to have been created by the gods and goddesses of those domains. I've been looking for them for years.

Caylee Chronomaly: I found them, but it was on the day Carly was murdered by Flip. I hid all of them before he could get them and sell them for money, he was so enraged we got them that he murdered her. Plus, there's a reason why I intended to give them to Lincoln.

Caylee Chronomaly took out a spellbook that came with the amulets, and she turned to the page that told of an ancient ritual.

Caylee Chronomaly: I found out that the amulets I found also came with an ancient spellbook and inside its pages, it tells of an ancient ritual that I planned to enact in order to give Lincoln the powers and strengths of those gods and goddesses.

Nico: Why is that?

Caylee Chronomaly: Because… (Deep Sigh) After Carly was murdered by Flip, I was so deeply enraged and I wanted to kill him, but something told me not to. I remembered my eternal vow to protect Lincoln, if I also died, it would break his heart and Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies would finally kill him.

Lincoln: Caylee…

Caylee Chronomaly then hugged Lincoln by wrapping her arms around his waist, and then, he felt tears on his eight-pack abs: he instinctively wrapped his arms around Caylee and hugged her.

Caylee Chronomaly: (Voice Breaking) I didn't want to lose you, Lincoln. I lost my sister thanks to Flip, I didn't want to lose you too.

Me: Whoa. This is really heavy.

Nico: Her grief over losing her sister had haunted her for years and she feared the same thing happening to Lincoln.

Nicole: This really hurt her to her soul.

Lincoln: I know. Caylee, go ahead, do the ritual.

Caylee Chronomaly: Understood.

Caylee Chronomaly first painted marks on Lincoln's shoulders, chest, back, and thighs, and then, he stood inside of the circle and he then put The Amulet of The Gods of Strength, The Amulet of The Gods and Goddesses of Fire, The Amulet of The Gods and Goddesses of Water, The Amulet of The Gods and Goddesses of Wind, The Amulet of The Gods and Goddesses of Earth, The Amulet of The Gods and Goddesses of Lightning, The Amulet of The Gods and Goddesses of Light, The Amulet of The Gods and Goddesses of Darkness, The Amulet of The Gods and Goddesses of Love, Fertility, and Sex, and The Amulet of The Gods of Masculinity on while we stood to the side.

Then, Caylee lit candles and placed them around the circle and she opened the spellbook to the page with the ritual she told us about, and inside it was an ancient incantation. Then, we felt the air blow around us as the ritual began.

Caylee Chronomaly: Gods and Goddesses of Strength, Fire, Water, Wind, Earth, Lightning, Light, Darkness, Love, Fertility, Sex, and Masculinity, I beseech thee, grant the one known as Lincoln Loud your divine might. Infuse him with all of your power, wisdom, and might.

Suddenly, the magic circle glowed a very bright blue, and then, we saw all the fires from the candles suddenly leap out and into the marks on Lincoln's shoulders, chest, back, and thighs as they turned from black to blue.

Luna: Whoa!

Lucy: Gasp, the ritual's just beginning.

Then, The Amulet of The Gods of Strength, The Amulet of The Gods and Goddesses of Fire, The Amulet of The Gods and Goddesses of Water, The Amulet of The Gods and Goddesses of Wind, The Amulet of The Gods and Goddesses of Earth, The Amulet of The Gods and Goddesses of Lightning, The Amulet of The Gods and Goddesses of Light, The Amulet of The Gods and Goddesses of Darkness, The Amulet of The Gods and Goddesses of Love, Fertility, and Sex, and The Amulet of The Gods of Masculinity were suddenly absorbed into Lincoln and his deep sapphire eyes and Third Eye's rainbow iris glowed.

Lincoln: (GROWLS) I… I feel it. The ritual's working,

Suddenly, Lincoln grew from 8'9" to 9'3" in height and his abnormally massive and powerful upper and lower body muscles grew much larger for his new body and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips grew even larger and his medium sized white angel wings with aurora and orange tips grew a little larger and they spread out with his massive white angel wings reaching 17'0" in wingspan and his medium sized white angel wings reaching 10'0" in wingspan and his halo glowed and he began growing even stronger as the power was really flooding his body.

Finally, Lincoln let out a massive roar of dominance as the ritual came to an end and the circle stopped glowing.

Eli: Is it over?!

Me: It is. Lincoln, how do you feel?

Lincoln: I feel brand-new, J.D., I feel like I've been reborn.

Caylee Chronomaly: You've now become even more of a God among men. I hope you're not too…

But, then, Lincoln sped up to Caylee Chronomaly even faster than ever, scooped her up with his massive muscular arms and really kissed her hard and deeply on the lips as her hair flew up and her face turned even more atomic red as she melted into the kiss. Then, when Lincoln separated, Caylee Chronomaly had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum.

Caylee Chronomaly: (In Heaven) I can definitely get used to that.

Girl Jordan: (Turned On) Same with all of us.

Lincoln: Now, now, save that for later tonight, ladies. We've still got our job: hunt down Dark Connor and make that evil pranking mastermind pay.

Nico: I hope you squash him like a bug, Lincoln.

Lincoln: That you can count on.

We then left Caylee's base which Lincoln beamed to The World Tree Estate, and we went out to hunt down Dark Connor.

Suddenly, we saw a very beautiful and super sexy girl with long blonde hair and green headband, green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful green angel wings that gave off the scent of laurel plants, she's dressed in a green long-sleeved jacket, white long-sleeved sweater, necklace with green gem for the pendant, green skirt, black stockings, green knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, light, flowers, plants, phoenixes, and angels on the coattails and on the back is Aromage Laurel, holstered on her back is a massive lightning greatsword with angel runes etched on the 7'9" massive, wide, double-edged neon blue blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the seven girls.

Lincoln: (GASPS) Ahana Laurel, Gene-Slammer and Avatar of Aromage Laurel.

Ahana Laurel: That's right, and I got the girls away from here, Dark Connor littered the place with his lethal pranks, and I just saw the ritual, I knew Caylee was going to do that.

Nico: And she had her reasons. Alright, let's go hunt down Dark Connor before that pest comes after us next.

We flew through town and Lincoln fired blasts of rainbow super lightning that took care of all the beartraps, he even punched the ground hard with superhuman strength and removed land mines buried in the sands, and he fired energy beams that freed some bikini girls that were sunbathing but got captured and were about to be fed to the sharks, and they ran, but not before they kissed Lincoln as they jumped on him.

?: DAMN IT, NICO! WHY DO YOU AND OUR MEDDING SIBLINGS ALWAYS HAVE TO RUIN MY GLORIOUS PRANKS!

We then saw Dark Connor heading right for us, and boy was he beyond mad!

Nico: (Smirks) Angry that we ruined your pranking masterpieces and stopped your rampage?

Alicia: Too bad for you, you not-so-funny comedy has-been!

Mindy: We've had to deal with your goddamn pranks for so many years, it wasn't funny, now it's PAYBACK TIME!

Nico, Alicia, Mindy, and Connor pounced on Dark Connor and he was brutally pulverized.

Sylvester: Okay, time to beat this madman into the dirt!

Then, Lincoln swung his massive greatsword and fired a beam of light that hit Dark Connor and incinerated him and finally sent him to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Adios, Dark Connor, your pranking rampage ends here forever. (To Ahana Laurel) And it's so good to see you again, Ahana.

Ahana Laurel: You too, Lincoln, it's been seven years since we last met.

Suddenly, Ahana Laurel had her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Ahana Laurel were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Ahana Laurel: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Ahana Laurel and hugged her, and Ahana Laurel is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ahana Laurel: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Ahana Laurel, Gene-Slammer and Avatar of Aromage Laurel, she's Lincoln's Guardian Angel from Michigan, she was born with green angel wings, cosmic aerokinesis, immortality, and mastery over powerful wind magic, and she also has the powers of Aromage Laurel because she Gene-Slammed herself into Aromage Laurel. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her green angel wings to let off the scent of the laurel plants. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a wind greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Ahana hates Lisa with a blazing passion, and unlike Lori and Lola, Lisa tried to ruin the scented candle business by sending her robots to destroy their headquarters, but just like what happened to Lori, Lynn, and Lola, Lincoln put a stop to Lisa's rampage and sent the robots to the scrap yard, Lisa was caught by the police and she was forced to apologize and had to pay Verena and her partners $100,000,000 in damages for attempted destruction of property, and she earned Ahana's hatred.

Nico: Sheesh, this trumps the $1,000 Lori and Lola each had to pay for defamation and the $1,000 Lynn had to pay for destruction of private property.

Lincoln: Lori, Lynn, and Lola only had to pay $1,000 each for what they did, what Lisa did was way worse, and because of her funding, that's why we charged her that amount. Be grateful I didn't increase it beyond, and now that you're here, Ahana.

Lincoln leaned his head down the right side of Ahana Laurel's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also

kissed where he bit her.

Ahana Laurel: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ahana Laurel with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Ahana Laurel: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ahana Laurel.

Ahana Laurel had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ahana Laurel's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ahana Laurel had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Aira Namegawa, Amane Minamibuchi, Matoi Kiritsubo, Mikoto Yuutenji, Misaki Ootorii, Riri Ikutsuki, and Tsubomi Mizubashou from KISS700 Kiss Tantei.

Lincoln: Oh wow, it's Aira Namegawa, Amane Minamibuchi, Matoi Kiritsubo, Mikoto Yuutenji, Misaki Ootorii, Riri Ikutsuki, and Tsubomi Mizubashou from KISS700 Kiss Tantei.

Nico: Oh man, thank goodness your Guardian Angel got them away from my brother's Dark Side, knowing him, he would've done something horrible to them.

Lincoln: You said a mouthful. Are you girls okay?

Aira Namegawa: Yes, we're okay, thanks to you.

Then, when Aira Namegawa and the other six girls saw who it was that saved them from Dark Connor, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command, Strategist, And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos, and Master of Elemental Forces, The Storms, Mythological Animals, Animals, Phoenixes, and Angels", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji on his left forearm that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" and a kanji on his right forearm that said "Lincoln Loud, Saiyan Avenger and Destroyer of Frieza", and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar,

Aira Namegawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aira Namegawa: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aira Namegawa, Amane Minamibuchi, Matoi Kiritsubo, Mikoto Yuutenji, Misaki Ootorii, Riri Ikutsuki, and Tsubomi Mizubashou with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they heard of what happened with Caylee's ritual and what happened to Lincoln, and they were also shocked to find out the villain we went after was our old enemy, Dark Connor.

But, when Lincoln showed what Nico, Alicia, Mindy, and Connor did in beating him up and all of us joining in and thrashing him and finally Lincoln killing him with a beam of light and sending him to The Black Gates, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Ahana Laurel have a lot of catching up to do, now that they're back in town.

Maria: I honestly thought we were finally done with Dark Connor, but he didn't know when to quit, and when Caylee told us about what happened to you, she certainly wasn't kidding.

Lincoln: Nope, she wasn't.

Nico: At least, we're finally rid of that dark side of Connor for good.

Me: Good riddance to that evil pranking mastermind.

---

After the ritual Caylee Chronomaly performed on Lincoln and Lincoln and all of us beat down Dark Connor and sent him to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ahana Laurel saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ahana Laurel: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ahana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ahana Laurel: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Ahana Laurel: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sherlock Hound: (British Accent) I'm going to take a look in Pentagram City to see if any Heartless have been sighted.

?: Don't even bother.

Loona: Oh Hell, I'd recognize that voice. You better show yourself, I ain't fucking around.

Suddenly, we saw someone arrive: an anthropomorphic avian cat demon whose look is evocative of a magician, paired with a casino referencing playing-card theme, the sclera of his eyes are black, with yellow irises and slitted pupils, long, red eyebrows with black vertical stripes near the tips, and small black heart above each eyebrow, taupe-colored fur overlayed with white on his face, torso, feet, and upper arms, the insides of his ears are white with a red tip at the point and red heart in the center, black tuff of fluff protrudes from each, creating the appearance of small hearts, darker shade of taupe encircling his ankles, mimicking spats. long taupe tail ending with a large spray of "plume-like" fur or feathers, which are dark pink with black and white stripes, yellow-orange hearts underneath the paws on his hands.

He has large red wings with dark taupe on the undersides, and the undersides are decorated with black stripes which feature red and white roulette wheel dot markings with the outside of his wings decorated with more black stripes, which wrap around the joints and run around a row of white roulette wheel dots, black pants with black suspenders over his shoulders and a red bowtie, and black top hat that has a red hatband and golden button-like decoration: it was Husk, former Overlord of Hell and employee of The Hazbin Hotel.

Loona: Husk, I knew there was no mistaking that voice or the smell of cheap booze on your breath.

Nico: I wonder what brings you out of Hell.

Husk: Save the small talk, Nico. Just came to warn you Xehanort's already starting to cause trouble in Hell, but we took care of that.

Lincoln: Loona already told me of the fact that you were once an Overlord of Hell, but eventually sold your soul to Alastor, and you regret the choices made and you can't take it back. What if there was a way to get your soul back, and one that doesn't involve murder?

Husk: Unless you can do so, there's no way you can do that, kid.

Alastor then appeared.

Alastor: You've already proven your use to me, Husker, my dear pal. But, now that the carnage has only just begun, I think we need to rectify the situation. Lincoln, my boy, would you do the honors?

Suddenly, Lincoln's deep sapphire eyes turned blood red, and he chanted an incantation: and then, it formed the chains on Husk's soul and with it, his status and power as Overlord of Hell, binding him to Alastor through the deal, and then, with a single thought, Lincoln broke the chains.

Husk: You broke the chains.

Suddenly, Husk's soul was returned to him, and then, we saw his outfit change from the bartender's outfit back to the suit he wore when he was once an Overlord of Hell.

Husk: Now, that was some real magic, kid. You broke the chains that bound my soul to Alastor, now I'm finally back. (Sees Flip's thugs) I think I know some poor unlucky souls.

Husk walked out and challenged Flip's thugs to a card game and he promised that if they won, he'd give them untold riches, but if they lost, they'd lose their souls and force to serve him in Hell. Blinded by greed, they started to play, but Husk had a better hand and he won, and because of that and the deal they made with him, Flip's thugs lost their souls and they were now his. He returned to the World Tree Estate.

Loona: You didn't just…?! What the Hell?!

Husk: How I've missed this in a long time. Those assholes made a mistake: blinded by greed, now I own their souls. (Sinister Laugh)

Lincoln: Oh boy. Looks like things in Hell are about get really heated.

Sherlock Hound: (British Accent) I knew this would happen though, but Husk will be only be doing that to any rogue demons, and if possible, any thugs running loose on Earth.

We got a shower, and then, Lincoln, Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda are heading to Seaside Hill.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda are dressed in two-piece colored bikinis

The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Malty S. Melromarc: Wow, so this is Seaside Hill. It sure is beautiful.

Lincoln: It sure is, Universe 666 Malty, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest

which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda are in your harem, Linky.

Universe 666 Malty S. Melromarc, Universe 666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Malty S. Melromarc, Universe

666 Nadia, Universe 666 Geraldine Husk, Universe 666 Candy Sweet, Universe 666 Ice Solina, Universe 666 Bonita Bikham, Universe 666 Ariel, and Universe 666 Makeda, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Sandbar, Varie and Wendy's 3rd mission.

Nico: Anyone else want to go with Sandbar, Varie, and Wendy? Besides Lucky, Aerrow, Megan, Ruby Knight, Vergo, and Candlejack?

Jenny Wakeman: I'll go.

Titanium Toenail: So will I

Nico: Okay.

Freakazoid: I'll go too!

Goku: And me too.

Nico: Okay then!

Me: Lets go!

We were off to Japan!

---

We arrived.

Hibino: Hey guys!

Hunter: (German Accent) Guten Tag, Hibino.

Sandbar: Guys, meet Lucky, Aerrow, Megan, Ruby Knight, Vergo, and Candlejack

Lucky: LUCKY! Great to meet you. I'm Lucky and I'm the leader of the Kyurangers.

Aerrow: My name is Aerrow, Leader of the Storm Hawks on the planet Atmos.

Megan: I'm Megan McCallister, Ambassador of the Saber Kamen Riders and also Candrakar Guardian of the Stars.

Ruby Knight: I'm Ruby Knight and I'm Wendy's archenemy.

Vergo: I'm Vergo of the Don Quixote Pirates and Sandbar's archenemy.

Candlejack: And my name is Candlejack. I'm Varie's archenemy.

Amagai: Wow it's a pleasure to meet you guys.

Jenny: Pleasure too. I'm XJ9 but everyone calls me Jenny.

Titanium Toenail: I'm Titanium Toenail.

Hibino: Pleasure.

Goku: My name is Goku and it's an honor.

Freakazoid: And I'm Freakazoid!

Amagai: Wow! Pleasure.

Me: Master Goku is one of my teachers. He taught me many of my moves and powers.

Hibino: Wow that is amazing!

Titanium Toenail: I'm one of the Crimson Chin's enemies

Nico: Yep. He's a toe that is made of titanium.

Titanium Toenail: Yep.

Hibino: Wow! That is really tough metal.

Me: It sure is.

Amagai: Lucky what is the Kyurangers like?

Lucky: Well we are Sentai that govern the constellations.

Me: Yep. They came from another universe that was being ravaged and wartorn by the Jark Matter.

Nico: 2 years ago we destroyed them. Many of their enemies are now in the M.O.E.

Hibino: Wow! That is amazing.

Me: Yep.

Titanium Toenail: I'm one of the Crimson Chin's enemies

Nico: Yep. He's a toe that is made of titanium.

Titanium Toenail: Yep.

Hibino: Wow! That is really tough metal.

Me: It sure is.

Amagai: Lucky what is the Kyurangers like?

Lucky: Well we are Sentai that govern the constellations.

Me: Yep. They came from another universe that was being ravaged and wartorn by the Jark Matter.

Nico: 2 years ago we destroyed them. Many of their enemies are now in the M.O.E.

Hibino: Wow! That is amazing.

Me: Yep.

Amagai: Wow that is awesome. Thank goodness you are okay.

Lucky: I know.

Me: Yeah.

Hibino: And Jenny who made you?

Jenny: My creator is Professor Nora Wakeman. She is a scientist in the fields of robotics.

Me: Jenny is her latest and most highly advanced creation and she is an amazing hero too.

Hibino: Wow. What does she do?

Me: She does it all. Fight aliens from other planets, monsters, criminals and more while adapting to being like us humans.

Jenny: It's true. And it's really cool.

Amagai: That is amazing!

Jenny: Yep.

Amagai: Wow! Aerrow what is it like on Atmos?

Aerrow: Well it's a really amazing place. It was a world of a thousand mountain top kingdoms. Each protected by a Sky Knight against the forces of darkness. Beasts, Rogues and worst of all The Cyclonian Empire.

Me: They were always at war against them. Over the course of 2 years we helped the Storm Hawks battle and destroyed all of their major enemies. The worst of them was the leader of the Cyclonians, A ruthless tyrant named Cyclonis and she was a monster.

Nico: Yeah.

Amagai: Oh man! She must've been dangerous.

Me: She was one of the worst! A heartless and remorseless monster that had no honor at all.

Nico: Over the course of 2 years from 2020 when we first met them to the battle with Opaline in 2022 we took down the Storm Hawks major enemies including her. And finally finished Cyclonis for good in 2022.

Me: Yep.

Hibino: Wow! That is amazing!

Me: It was.

Candlejack: As for Freakazoid, let me say right now that he's like a Looney Tunes character

Freakazoid: (Imitating Froynlaven from Animaniacs) EVERYBODY down go down.

WE LAUGHED.

Me: (LAUGHS) See?

They laughed!

Amagai: (LAUGHS) He cracks me up!

Me: (LAUGHS) Yeah he makes all of us laugh.

Eli: (LAUGHS) Yeah. He's what we call the Warner Bros. Version of Deadpool.

Me: Yeah that is a very awesome and funny comparison bro.

Candlejack: I know this because I'm one of his enemies.

Me: Yeah he is Freakazoid's version of the boogeyman.

Amagai: Scary but cool.

Me: Yeah.

Amagai: Wow! Ruby Knight what are you exactly?

Ruby Knight: I'm a monster from the world of Pangaea.

Me: That was a world that was ravaged by a terrible battle.

Nico: Yeah it was horrible.

Me: We found a terrible and dark secret about the world of Pangaea. It was not pretty.

I went over what happened during that time back in chapter 1083 and it was terrible.

* * *

Me: We get that all the time. We came all the way from Earth to see what is going on here.

Monol: It's part of my story. It's one that is part of a terrible mistake that has plagued this world.

We concentrated and we were taken on a journey into the past. We saw the planet Pangaea years ago.

Monol: Once long ago, there was a planet. And on that planet only one continent. A land called Pangaea. The people of Pangaea have created an advanced civilization. No, in fact an extremely advanced civilization.

We saw that the people of Pangaea lived in a city that was thousands, maybe millions of years more advanced than anything we have on Earth right now. It was far beyond the absolute pinnacle of prosperity.

Monol: These ancients developed a technology that allowed them to create monsters in a laboratory and then store there genetic information. Sealing it in CD-Roms.

We saw them seal a baby hare into a disk and it was an amazing process.

Genki: When the world was one continent. I almost feel like I'm right there. Back in that ancient civilization.

Me: Same here.

Nico: Cool.

Monol: In time this technology became commonplace and was taken for granted. And the monsters, the miraculous result of this wondrous technology became household pets. Created and used for peoples amusement. But not only monsters were created, the technology was used to create whatever believed would make people happy.

We saw that the ancients created all kinds of amazing ships, robots and all kinds of everyday tools unlike anything we have ever seen before.

Monol: Whatever they believed would please them. At the peak of the civilization, it's people believed they were gods. But despite their technology, they were not able to foresee the disasters that attacked the land.

Not even the people of Pangaea despite their advanced civilization were safe from Mother Nature's fury. Volcanoes erupted, tornadoes blew and tsunamis swept away everything in their path.

Me: So not even the people of Pangaea were safe from Mother Nature's fury.

Monol: Correct. All their advancements and civilized conveniences were soon forgotten. The thin veneer of civilization was stripped away and the people became savage.

We saw a huge war break out between a bunch of monsters and humans and it was brutal.

Monol: Fights became battles. And battles became wars. At first it was called The Final War.

We saw an orbital laser destroy much of the civilization with a massive blast that destroyed much of the city.

Monol: But as it went on, 30, 50, 100 years, the cause of the war faded from memory. No one remembered why they were fighting. Only the bitter feelings transferred from one generation to the next and the war continued.

The war raged on with incredibly and indiscriminate fury between monsters and humans like no other.

Monol: One day, countless years after the war had begun, a new monster was created. It was called Moo.

We saw a huge dragon monster and it was a terrifying monster called MOO!

---

Master Moo (also known as Moo) is the main antagonist of the Monster Rancher anime series and Monster Farm Lagoon. His original form is a furred, colossal dragon-like behemoth. Moo is an evil being that was never meant to exist due to him being a collective hatred of sentient beings that was given physical form.

Original Form

Moo's original form is a Dragon-type monster with black skin, white and pink reddish fur, and three-digit claws. He has a pair of golden horn which curved in the same manner with bulls. He has a squat face with a mouthful of sharp fangs (which get even sharper when he has gone berserk) and a pair of bat-like wings upon his shoulders. His tail is long and white, with a red tip, resembling that of a fox's. All in all, Moo resembles a mammal more than he does a reptile due to his form looked like a cross between Godzilla, gorilla, and a fox.

## Humanoid Form

After possessing Holly's father, Moo takes on a more humanoid appearance, but is still quite large, nearly bigger than Golem. His appearance in this form resembling General Durahan, except with gold armor with brown highlights, a red and black cape which tied just below his neck and the Baddie Crests rests upon the knot, long white hair, a pure black face with red eyes, a helmet with a single brown spike, and two orange bull-like horns. This "face" is later revealed to be a sort of mask.

## Final Form

Moo's final form as result of fusing Durahan and his minions to form a new body resulting him taking appearance of unique variant of a Durahan-type monster called Ruby Knight, massive animated suit of red armor which size were closer with his second form. While his original powers still remains, he can access Durahan powers includes typhoon blade and V-Slash.

## Powers and Abilities

Being engineered from Dragon-Type monsters, Master Moo originally had a variety of typical Dragon-Type monster's typical abilities. However, darkness within Moo eventually gave him various dark powers exclusive to him and him alone, fueled by hatred and malice from sentient beings.

Fire Breath: Moo can unleash a stream of fire from his mouth.

Energy Blast: Moo can unleash a powerful beam of concentrated heat at will, be either from his breath or hands.

Flight: In his dragon form, Moo can fly at will.

Limited Aerokinesis: With his wings in his dragon form, Moo can unleash a destructive gust of wind.

God-like Strength: In any form, Moo displayed godlike strength as a dragon.

Claws: In any form except his Ruby Knight form, Moo possesses razor-sharp claws as weapon to tear his foes.

Air Blast: In his humanoid form, Moo can release a focused concussive blast of wind.

Reflex: In his humanoid form, Moo displayed great reflex.

Durability: Moo possesses uncanny ability to shrug off punishments.

Speed: Moo is unnaturally fast that made other monsters except Suzaku the Phoenix looked pale in comparison.

Hatred Manipulation and Absorption: Moo's hatred for his creators for turning him into a living weapon somehow made him gain new powers, that are literally fueled by the hatred within the hearts of sentient beings, within himself.

Corruption Inducement: Moo can brainwashed regular monsters into Baddies at will.

Hatred Empowerment: Moo can channel and feed on other sentient beings' hatred for both nourishment and increasing his powers tenfold.

Dark Resurrection: Moo's hatred-based powers allowed him to turned Lost Disks into Baddies at will.

Ball of Darkness: Moo can conjure a huge destructive ball of concentrated hatred that can destroy a mountain.

Background

Moo is a gigantic Dragon-Type monster that scientists of Pendant

Civilization engineered for war centuries ago and intentionally engineered as the most powerful out of all genetically enhanced monsters. As with the rest of monsters in series, Moo was based on monsters that had powers of their own, but amplified and enhanced by scientists for war. However, Moo's bitterness from experiments that turned him into living weapon, and the fact that the said experiment driven by hatred within his creators, led him turned against his masters. For the same reason, his hatred gave him new powers to sense and channel negative emotions from other sentient beings as well as turned regular monsters into first Baddies.

Desperate, scientists from both sides join forces to ask the all-powerful Phoenix called Suzaku for help. Suzaku decided to lend them a hand to stopping Moo, but before that, he had the scientists modify his body so his abilities enhanced to the point where he can exorcise the entire planet of Baddies.

Suzaku fought Moo valiantly, but they ended up trapped in a seemingly everlasting battle, which forces the scientists to make a device to turn all monsters into Mystery Disks called Final Gate. Though aware with risks from the device, Suzaku and the scientists agreed that they had no other choice. So to ensure the success of the device, Suzaku used himself as the beacon to lure Moo into the device's range. Once the device activated, all rampaging monsters turned back into Mystery Discs, whereas Moo become separated with his body as his soul confined within one of Pendants' inactive flying castles alongside his own troops. Suzaku the Phoenix however, suffer greater loss: His spirit that separated from his body split into 5 and separated, with each residing within 5 Mystery Discs that later become main monster protagonists, namely Mocchi, Suezo, Tiger, Golem, and Hare.

## Possessing Holly's Father

Eventually, Holly's father found the Mystery Disk containing Moo, and Moo was merged together with him and gained humanoid form. He then gathered several followers, each bearing a crest called the Baddie Crest. The Baddies were the evil monsters that served Moo. The strongest of Moo's servants were the Big Bad Four: Pixie, Gali, Gray Wolf, and Naga. Afterwards, Moo searched fort the Magic Stone as he terrorized the world (which was in the possession of

Holly) and wanted to use it to find and regain his original body.

The Searchers (the protagonists, consisting of Genki, Holly, Mocchi, Suezo, Golem, Tiger, and Hare) fought Pixie, and she eventually switched sides. Afterwards, Moo found and kidnapped Holly to take the Magic Stone. Although the others rescued her with the help of Vulcan and the Pirate Dragons, Moo found the way to his original body and arrived at the area.

## Retrieving and Return to Original Body

While the Baddies dug through the ice for Moo's original body, the Searchers fought Gali and Gray Wolf. Gali was killed by Mocchi using his Mocchi Cannon attack, and Gray Wolf was killed in 1 on 1 combat with his brother Tiger, who sent his horn through his Baddie Crest. Right after Gray Wolf's defeat, Moo found his original body. His Baddies dug the dragon-like body free of the ice, while Naga attempted to kill the Searchers.

By the time Moo merged with his original body with both Final Gate and the storyteller monster named Monol, the Searchers had already fought Naga, resulting in Naga getting hit with a Mocchi Cannon, hanging onto the edge of his castle on the cliff, and letting go and falling to his death. Moo attempted to invade a village, but was weak against sunlight due to his original body not get used with sunlight and has frozen for so long. When the sun rose, he was seriously weakened, and retreated back to his hideout.

For most of the following episodes, Moo remained severely injured inside his hideout, and sent Evil General Durahan after the Searchers. Many of Durahan's servants were defeated, but he wanted the Magic Stone for himself. Once he got the stone, he betrayed Moo and nearly killed him, but by this time Moo was almost back at full strength. However, his assistant Lilim betrayed him for Moo. The Searchers and Durahan and Lilim fought on Durahan's ship, and in the end, a Weed got the stone and took it to Moo. Durahan's troops, who now served Moo instead of Durahan, shot down Durahan's ship. Durahan killed Lilim before dying himself when the ship crashed.

## Rematch with Suzaku the Phoenix

Moo got the Magic Stone and became immune to the sun. He attacked the Searchers just as they found the frozen Phoenix, and mortally wounded Pixie, but was prevented from killing her in a bizarre turn when he saw the true evil of his soul, after absorbing too much hatred. Moo completely lost his mind (symbolized by his original form being trapped in darkness and destroyed, and his eyes turning yellow) and began to go berserk, destroying everything in sight, even his own castle and the Baddies. Pixie was healed when Big Blue fused with her to form Granity, sacrificing his existence in the process. Monol informed the Searchers that the Phoenix was really Mocchi, Suezo, Golem, Tiger, and Hare, and so Genki fused them together.

The Phoenix fought Moo and grabbed onto him. Seeming to regain a part of his mind, Moo realized that he and the Phoenix were destined for eternal combat, and that he couldn't let the Phoenix nor himself exist. At this, the Phoenix and Moo destroyed each other, vanishing in an explosion of light.

## Resurgence and Final Battle

In Season 3, the role of antagonist shifts to General Durahan, who is resurrected as a head by a Weed (who in turn becomes a cyborg), and attempts to absorb Moo's soul, which was trapped inside a disk after his death. In the final episode of Season 3, Durahan and his servants, Gobi, Mum Mew, Poison, and Weed, are fused with Moo's soul to form a gigantic warrior, with Moo dominant. Moo sucks the Searchers and Holly's father inside him, during which Mocchi, Suezo, Golem, Tiger, and Hare fused into the Phoenix again. Moo still seemed able to gain the upper hand, but when Durahan and the others give the Phoenix their energy, he is able to attack Moo's soul within, destroying it. The evil is last seen rising into the air and exploding. Thus, Moo was destroyed for good.

## Legacy

Although Moo is gone for good, a sample of his DNA revealed to still preserved somewhere in Pangaea as revealed in events of Monster Rancher EVO. People from Warp Dimension later took Moo's DNA and created the cybernetically enhanced clone of him, Second Moo. The creator of Second Moo also stole an artifact originally intended to control original Moo-an anima recorder called Moo's Horn. They then set Second Moo loose on protagonist and he/she must defeat him as the final level boss.

---

Moo was a monster of unimaginable power and terror.

Me: Whoa!

Genki: Tiger is Moo really that big?

Tiger: He is huge and he is terrifying. Someone to stay away from.

We saw the monsters fight Moo. Moo fired a blast of fire from his mouth and obliterated the planes with ease.

Monol: Moo's strength could not be matched. Although he was a living being, he had been created for no purpose but to destroy the enemy. It was thought that whoever achieved control of Moo would win the war.

But then we saw Moo turn on his creators and he blasted them all to smithereens.

Monol: But Moo became his own master. He obeyed no other commands but his own. He had learned how to draw forth and amplify the darkness in the hearts of other monsters.

The monsters under his control were poisoned with his evil and he created his army of minions.

Monol: The scientists who had survived turned their efforts to the creation of a creature capable of stopping Moo. That creature was the Phoenix.

We saw them create a new creature and in a vortex of fire arose the creature of good: THE PHOENIX!

---

Phoenixes are already powerful enough, but the wisdom and power of the Phoenix from the anime series surpasses all others. More than likely, this Phoenix is Suzaku, the legendary Phoenix lord who has been mentioned in legends all over Pangaea for thousands of years.

Legend states that early on in Pangaea's history, before the the Dark Times started, there was a powerful firebird called the Cinder Bird who lived somewhere in Brillia. It was known to show up in times of trouble to help stop powerful monsters who were out of control. The Jills called on it for help when one of their kind became cursed and went on a killing spree. The Cinder Bird came to them and showed the evil Jill the kindness in its heart, turning the Jill good once again and igniting the bird. Many believe that each time the Cinder Bird would help someone, it would burn brighter and longer (Jill tells the Searchers this story in Episode 46).

Another legend says that a mortal king called upon Suzaku to save his ailing daughter. She had a peculiar talent-the ability to communicate telepathically with monsters. Suzaku saw fit to heal the girl using his blood, but made the king promise that if he ever needed her help, the princess would be at his disposal.

## Coming of The Dark Lord

Not too long after, a powerful monster calling himself the Dark Lord tried to rise to power using humans' technological modifications on monsters. This was Xevion, who hundreds of years later tried to rise again. What he hadn't counted on was that Suzaku chose this time to call in his favor from the mortal princess. Together, they raised an army of monsters and humans that opposed Xevion and sealed him in a disc (This story is revealed in Monster Rancher 4).

## The Dark Times

Unfortunately, this showed humans the capability of using monsters not just as pets, but as weapons of war. Seeing his error in bringing humans into the monsters' quarrel, Suzaku approached the king about his daughter's safety. Together they agreed, and Suzaku sealed the princess inside a mystery disc and hid it away to keep her safe. This disc was found hundreds of years later by a young Shrine master named Cesare, who unlocked it and raised the girl as his daughter, Rio. Unfortunately, nothing could prevent the natural disasters that occurred around the world, creating tension between the existing clans.

Soon, the humans and monsters began fighting territory wars against each other, and it escalated so much that the Pendant civilization began creating more powerful monsters to use as weapons. Moo was their last and most powerful attempt, but he proved to be too much for them. Instead of fighting for their side, he began amassing his own army, using the monsters' hatred for their captors to fuel his cause. Knowing that Suzaku was their only hope, the scientists begged for his help and the Phoenix lord agreed. He allowed them to modify him for the battle, making him a beacon for the Final Gate to latch onto. The Phoenix faced Moo in combat, long enough for the scientists to separate Moo's mind from his body. Unfortunately, that meant that the same happened to Suzaku, and because he was the beacon, his soul recieved the most damage, being split into five pieces. It was believed that the five pieces of the Phoenix's soul fell from the sky and embedded themselves in five mystery discs, which later were revealed as Mocchi (the Phoenix's courage), Suezo (Phoenix's pride), Golem (Phoenix's kindness), Tiger (the Phoenix's anger), and Hare (Phoenix's intelligence). They fuse together into the Phoenix 's frozen body to bring it back to life.

## Defeating Moo

But even for this, the Phoenix had a plan. Even though the king from long ago had fallen in the battle against Moo, Suzaku entrusted his descendants with several magical relics called Gaea Stones that would allow them to reunite the pieces of his soul if he was ever again needed. One of these descendants was Holly, who listens to the legends of her people and follows one of the stones throughout the anime series on a quest to revive the Phoenix to stop Moo's new reign of terror. She is finally able to reunite the pieces of the Phoenix, and finds its body frozen in a glacier in Brillia. Using Genki's courage, they ignite the legend once again and battle Moo until their bodies burn up and their souls revert to their previous forms.

After the battle, the Phoenix's essence continued to live inside the five monsters, until it was used to destroy Moo's soul at the end of the anime series. Holly believed that Suzaku's essence was burned up in the battle, but true to form Suzaku rose once again during the events of Monster Rancher 4, being summoned by Rio to help prevent Xevion's return.

---

It was beautiful and majestic. The baddies battled it but they were helpless against its power.

Monol: But Moo and the Phoenix did battle.

It was a powerful battle.

Monol: The scientists created The Final Gate, the way to separate Moo's mind from his body. It was a dangerous machine, one that would affect all monsters. But the people believed they had no choice. It was the only way to stop Moo.

Me: So this was a last resort.

Monol: Yes. The ancient people of Pangaea had a terrible decision to make. If they were to rid themselves of Moo, they knew their solution would harm all monsters. But they had no choice. Otherwise they would all be destroyed.

They activated the machine and it fired a massive blast of rainbow energy. The blast hit Moo and the Phoenix.

Monol: And so Moo's body and mind were separated.

We saw a black blob of darkness come out of Moo's body through his mouth.

Monol: He was destroyed. But so was the Phoenix.

We saw a blob of rainbow light come out of Phoenix as well.

Monol: And all the other creatures.

The machine overloaded and fired a massive blast of energy into the sky and it sent powerful waves that turned all the monsters back into disks.

Monol: The cost was incomprehensible.

But the machines power was so strong that it destroyed much of the land in a massive apocalypse of cataclysmic proportions. Destroying much of Pangaea and obliterating all traces of the ancient civilization. The earth shook, volcanoes erupted everywhere and much of the continent sank beneath the sea.

Monol: That is my story.

Me: Holy shit.

Nico: Unbelievable.

Vince: That is terrible.

Lincoln: This is the price they paid for letting their pride cloud their judgement.

---

When it was done everyone was shocked! Amagai was crying.

Me: Yeah it was awful.

Nico: Moo destroyed countless lives back then.

Eli: Yeah that was awful.

Nico: Yeah.

Hibino: My god. I'm so sorry.

Ruby Knight: It's okay. At least Moo is gone.

Me: But he may return one day. And when he does we'll give him the Black Gates.

Nico: Yeah. So what's been going on since last visit?

Hibino: Well

The alarm sounded and we went to the computer and we saw ARIGERA Attacking!

---

Entering Earth's atmosphere, the space monster Arigera came to attack the earth. Despite GUYS and Ultraman Mebius being deployed to stop it, its sheer speed was more than enough to make the space monster versatile and uncatchable by both heroes, until the monster was shot down into the ocean by GUYS Ocean.

Noticing that Arigera can emit frequency waves, GUYS used it to locate and trap the monster. Working together with GUYS Ocean, a game of "cat and mouse" is set up to drag the Arigera onto dry land in hopes of finishing it off. Once Arigera was marooned onto dry land, it refused to go down without a fight proceeded to try and take down both GUYS' ships with its energy balls. Ultraman Mebius returned and both Ultra and monster fought to a standstill. Ultimately, Mebius won by pulling out his Mebium Blade and slicing Arigera right down the middle. The two halfs floated for a second before exploding

---

Me: Arigera! I remember him!

Nico: He was tough!

Lucky: Where is he right now?

Hibino: In the countryside of Kyushu!

Me: Lets get moving!

Nico: YEAH!

We were off to Kyushu.

---

We were flying.

SEIZA CHANGE!

Lucky: Star Change!

He transformed.

Nico: YEAH!

We saw him and we were ready for him.

Eli: Time to call in some Kaiju power! KING GHIDORAH COME FORTH!

He held up his hand and then a massive explosion blasted out of the ground and went high into the sky as a massive fireball and it exploded numerous times and formed into KING GHIDORAH!

King Ghidorah called and landed and Eli got on his middle head.

King Ghidorah: So Arigera next. This will be good.

Lucky: Time to test your luck!

Me: And your luck is about to run out!

Goku: BIG TIME!

He went Super Saiyan 2!

Me: YEAH!

King Ghidorah fired Gravity Lightning blasts and they hit him and exploded all over.

KRABBBBBOOOOOOOOMMM! KRABBBBBOOOOOOOOMMM! KRABBBBOOOOOOOMMM! KRABBBBBOOOOOOMMM! KRABBBBOOOOOOMM! KRABBBBBOOOOOOOMMM! KRABBBBBBOOOOOOOOOMMM! KRABBBBBOOOOOOOOOOMMM! KRABBBBOOOOOOOMMMM!

Nico: YEAH!

Hibino: MEBIUS!

He turned into ULTRAMAN MEBIUS!

Me: This is gonna be good!

Goku: (Cups hands) KAAAAAAAAA MEEEEEEEEEEE HAAAAAAAAAAA MEEEEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAAAA!

Goku fired a Kamehameha Wave and it hit Arigera and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

When the smoke cleared one of Arigera's wing arms was blasted off!

Eli: Take that!

Me: That really hurt him!

Lucky got out his Rouse Card for Acrobat and he did amazing flips and moves and kicked Arigera all over!

Me: Take that too!

Then a massive webbing wrapped up Arigera.

Me: What the!?

?: Take (GRUNT) That!

We saw a girl with purple hair and red eyes and black angel wings and black clothes appear and she had a tiara with Ultimate Spidermonkey on it.

Me: (GASP) Calla Arachnus!

Nico: WHOA! Ultimate Spidermonkey's embodiment.

Calla Arachnus: (Grunts) Yeah! Just thought I'd wrap him up for you.

Calla lost control and spat web at Titanium Toenail.

Titanium Toenail fired blades of titanium and slashed the webbing.

Nico: WHOA!

I fired an electron energy blast and it injected the antidote into her.

Nico: There.

Me: Hold on Calla!

Calla: (GRUNT) I'm trying!

Jenny charged at her and fired laser blasts and blasted her.

Jenny: How do you like that!

Calla: (GRUNT) Can't fight it!

?: (ECHOING) BRONZE CANNON!

A beam of energy was fired and it hit Calla and knocked her down.

Me: WHOA!

Baihumon came!

Me: Baihumon!

Nico: Wow!

Baihumon: (In a girls voice) This is gonna be fun.

Nico: Bella Baihu! Wow!

Baihumon: Awesome to see you Nico.

Arigera tried to punch Candlejack. But his punches went right through him and didn't affect him at all.

Candlejack: I am a ghost after all.

Me: Yes he is.

Freakazoid fired waves of energy and blasted Arigera all over

Nico: Take that!

Arigera tried to punch Ruby Knight.

But he dodged the punch.

Arigera: TYPHOON BLADE!

He fired a wave of wind from his sword and blasted him down.

Bella reverted back and was a girl with purple hair and had purple eyes and grey clothes and had purple angel wings and had a white tiger in the middle of her forehead and Baihumon on her shirt and skirt and she had the kanji for White Tiger of the West on her arm and she had a gold scythe.

Bella Baihu: We got to stop this now.

She fired blades of energy and blasted Calla down and the antidote took effect and she was cured. Her eyes were back to blue.

Calla: (GROANS) That really hurt.

Me: You're back to normal now.

Arigera tried to punch Vergo but he dodged it.

Vergo: Nice try.

King Ghidorah fired Gravity Lightning blasts and blasted Arigera.

Jenny used her Rouse Card for Black Spider and blasted him all over with laser blasts.

Goku used his Rouse Card for Bui and fired energy blasts all over.

Aerrow got out his Rouse Card for Vortex.

He fired a wave of lightning and electrocuted Arigera.

Megan got out her Rouse Card for Living Laser and fired a laser blast and smashed him.

King Ghidorah fired Gravity Lightning blasts and they hit him and exploded all over.

KRABBBBBOOOOOOOOMMM! KRABBBBBOOOOOOOOMMM! KRABBBBOOOOOOOMMM! KRABBBBBOOOOOOMMM! KRABBBBOOOOOOMM! KRABBBBBOOOOOOOMMM! KRABBBBBBOOOOOOOOOMMM! KRABBBBBOOOOOOOOOOMMM! KRABBBBOOOOOOOMMMM! KRABBBBBOOOOOOOOMMM! KRABBBBBOOOOOOOOMMM! KRABBBBOOOOOOOMMM! KRABBBBBOOOOOOMMM! KRABBBBOOOOOOMM! KRABBBBBOOOOOOOMMM! KRABBBBBBOOOOOOOOOMMM! KRABBBBBOOOOOOOOOOMMM! KRABBBBOOOOOOOMMMM!

Nico: Take that.

Me: Lets finish him.

Me and Mebius: ULTRA SPECTRAL BEAM!

We fired a wave of energy and blasted Arigera and he exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

He was dead!

Me: YEAH!

Nico: Arigera you have failed this world!

King Ghidorah: Yeah he has!

Bella Baihu: Good riddance.

Nico: Nice job!

Me: That was awesome!

Bella Baihu: It sure was.

Me: Do you have any favorite memories of Nico?

Bella Baihu: I sure do. When me and Nico were at the zoo and we befriended the tigers.

Nico: That was awesome.

Me: Wow that is cool.

Nico: Yep.

Nico and Bella hugged.

Nico: I've missed you.

Bella Baihu: Same here.

---

We later arrived back home.

May: How did it go guys?

Nico: Awesome!

We told everyone everything and it was cool.

May: WHOA! That is awesome!

Nico: Yeah it sure was.

Samus: I'll say!

Nico: Next time, Evelyn, Touma, and Kazuma should come

Nicole: Awesome idea!

Lola: Yeah.

Nico: Yep.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Poromon: We made something awesome.

Cindy Richards: Oh boy. What have you guys done now?

Poromon: Watch this.

Poromon pulled out a purple ray gun and it fired a beam of purple energy and it hit May.

May: WHOA!

We saw nothing happen.

Me: Is something supposed to happen?

Poromon: Wait for it…

Then…

May: (SNEEZES) (LOUD BELCH) (FARTS AND EXPLOSIVE DIARRHEAS AND VOMITS!)

Nico: WHOA!

Qin: GEEZ!

May: WHAT THE FUCK WAS THAT!?

Manaphy: Sorry mama.

Poromon: This is our new Sneeze-Fart-Belch-Diarrhea-Vomit Ray. It makes you do all that at the same time.

Qin: WHOA! That is amazing!

Lana: VERY cool!

Taylor: Why did you make that?!

Poliwag: To use on bad guys.

Me: Awesome and it really works.

May: Yeah now I got to clean up!

She went and did so.

Me: That is one awesome ray.

Poromon: At least we know it works. We made one for all of us.

Nico: Nice.

We all got one.

Swindle: We should sell this to people!

Armada Starscream: Swindle do you know how dangerous this would be if people would use it on others?

Swindle: Oh yeah.

?: That was really cool though.

We then saw a girl with red hair and blue eyes and purple clothes and orange angel wings and had a tiara with the symbol of Magna Centipede on it.

Marina Centipede: Marina Centipede, Embodiment of Magna Centipede.

Flare: Been a while Marina!

Stella Zhau: You sure are.

Marina Centipede: It has been a while Flare and Stella

Sunstreaker: How did you meet Flare Corona and Stella?

Marina Centipede: I met Flare during the Grand Magic Games and helped her become a better person and join Fairy Tail. Also I helped her confront her evil inside her and destroyed it.

Nico: WOW! That is amazing.

Marina Centipede: Yep. And I met Stella when she was having problems with her stage fright and I helped her conquer it.

Nico: Wow that is cool.

Stella Zhau: It sure is and she is really inspirational.

Me: Nice. Would you like to join us?

Marina Centipede: I would be honored.

May: Manaphy, please don't use that on me again.

Manaphy: Sorry mama.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Mindy, Endsville's Queen of Losers, and she's back and causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you decided to make your move, loser.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today, the next jerks are none other than Mindy, Endsville's Queen of Losers, and she's back and causing havoc.

WE GASPED!

Savannah Nephthys: Endsville's Queen of Losers? Too bad none of us have no claim to her miserable life.

Mandy: But, we do. Even though many kids would want her gone, she's not worthy of death. We'll be throwing her in The Xaikora Prison.

Lincoln: Right, and she's among the non-cursed jerks, so we're giving that loser the beatdown of her miserable life, but first, we better take care of whatever trouble she's causing.

Nico: Right. Where are they at, Lincoln?

Lincoln: Sensors indicate she's in Endsville.

Me: Then, that's where she's going to fall once 's get them!

Nico: And if there are Militia waiting for us there, we'll deal with them. Alright, team, let's load up and get going, we got a loser queen to clobber!

Lincoln: She's not getting away with this, she's getting such a thrashing from all of us.

Me: You got that right!

The previous group came.

Brass Knuckles: Can me, Pyro, Dirty Bubble, Titanium Titan, Chemistro, Goliath, KGBeast, Gentleman Ghost, Yenaldooshi, and Mysterio go with you guys?

Nico: Yes you all can.

Lola: Mindy is back and we're going to thrash her all over.

Nico: She's going to the Xaikora prison for her crimes.

Me: Yep.

Spectra Phantom: Nico, which Gene Slammer do you think you'll meet next?

Helios: I hope it's a big one!

Nico: I'm hoping for Angemon next.

Me: Whoa! Angemon!

Qin: Wow!

T.K.: Yeah! That will be awesome to see.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than a clone of Gigantomachia, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone you're not going to like in the slightest. The figure we sensed belongs to a clone of Gigantomachia, and he's coming here to destroy us.

WE GASPED!

Trista Taranis: The real one's already in the Masters of Evil, so we're going to destroy the clone and you're going to absorb him.

Lincoln: Right, Trista.

Nico: Hope you guys give that tough bastard what for. Alright, team, let's go, we're heading to Endsville to take down Mindy.

Lincoln: The Queen of Losers is heading back to prison to be humiliated forever, and once we get done with her, you're next, clone of Gigantomachia.

Trista Taranis: We're all aware of the crimes you've committed long ago, and we're not wasting this chance to take you down.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Endsville and take down Mindy and send her to The Xaikora Prison to be humiliated forever, and once we get done with them, Lincoln and Trista Taranis along with me are going to take down the clone of Gigantomachia.

We were off to the Endsville Sector

We went to Billy's house.

We arrived at Billy's house

Grim: There's me trunk!

He pulled out the Phone of Cthulhu!

Nico: THE PHONE OF CTHULHU!

Nicole: OH NO!

Brontes: What is the Phone of Cthulhu again?

Grim: That is the Phone of Cthulhu, an ancient and terrible being that can drive men mad just by speaking to them. If anyone ever made a call on that phone, it would awaken the ancient slumbering creature known as Cthulhu and if he is awakened he will rise from the murky depths AND DESTROY THIS WORLD!

Grim had his eye sockets on fire again.

Camie gasped in shock!

Grim: IT BURNS! IT BURNS!

Billy pulled out a jug full of rocket fuel!

Billy: Here Grim! Douse it with this!

Grim poured the rocket fuel on him and then his head bursted into flames and he screamed and then ran to the bathroom in Billy's house and he pushed Harold out and dunked his head into the toilet and he sighed in relief.

Grim: Ahh. Much better!

Harold: Hey! I wasn't done in there!

Mysterio: What Heartless robots should I summon for this?

Me: In a minute, he's about to do the grand finale.

Sebastian Mendez: YOU ARE ABSOLUTELY THE SCUM OF THE EARTH, YOU'RE A PILE OF TRASH WHO KNOW NOTHING ELSE BUT TO HARASS INNOCENT PEOPLE AND BRING OTHERS DOWN WITH YOU! YOUR MOTHER IS A POLAR BEAR! (HEAD SPINS 180) YOUR FATHER IS A FIGURE SKATER WHO SMELLS LIKE MOLDY BARNACLES! (ROARS AND SPEWS DARK FIRE AT THEM AND SHE WOUND UP GETTING BURNED)

Mindy: Ouch.

She shook off the soot, but now, she was pissed!

Mindy: (ENRAGED SCREAM) I'LL KILL YOU!

Suddenly, Billy's eyes turned neon green and he was surrounded by a green energy aura with stars, snot, green slime, phoenixes, and angels, and as he approached Mindy, he left green energy, stars, snot, green slime, phoenixes, and angels with every step.

Billy: We've had it up to hear with you, Mindy! None of us are letting you leave here alive, get ready to eat dirt!

Suddenly, Billy was surrounded by a massive vortex of green energy, stars, snot, and green slime surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Mindy: the red eyes of eternal death.

Nico: Uh oh!

Me: Okay, now things are really is going to get ugly!

Lincoln: With Billy transforming, I can already tell it's not going to end well!

Then, as the vortex faded, Billy emerged, but he was changed forever.

Suddenly, Billy felt a sharp pain on his now wider and more muscular back, and then, massive orange angel wings with green tips on the large orange feathers grew and sprouted out of his back and medium sized orange angel wings with green tips grew and sprouted out underneath his massive orange angel wings, and he now has eleven massive and long orange wolf tails with green tips and green markings, Billy has on a Ring of The Phoenix with orange gem with heart-shaped gem embedded in it on his large right ring finger and his Blue Lantern Corps ring on his large left ring finger and Stone of Gelel embedded in his left hand and green fingerless gloves with a skull, Phoenix, and Angel on the back of his hands with gold-armored claws covering his fingers and small planets orbiting around his fingers like rings.

Then, Lincoln chained Mindy up with chains and sent her to a cell in The Xaikora Prison, and this time, she's going to be there forever. Billy and Mandy holstered their weapons and powered down, and their new bodies, clothes, weapons, jewelry, 28th Century Miracle Box Backpacks, eleven massive and long wolf tails, large gold halos with four large orbiting gold rings on each corner behind their heads, twelve large green and black and red planets orbiting around their legs, smaller planets orbiting around their fingers, and massive orange and blonde angel wings and medium sized orange and blonde angel wings underneath are permanent.

Nico: Good riddance, Mindy, I hope you suffer forever, you loser!

Lincoln: With the Gessius Flores' Vengeance Curse on her and everyone wanting revenge on her for everything she's done, she's in for Hell. Now, there's one last thing to do and one last loose end to tie up: the clone of Gigantomachia.

Lincoln formed a massive indestructible diamond barrier that protected all of us from giant punches that came out of nowhere and the barrier stood strong.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, clone of Gigantomachia, or we will force you out.

An extremely tall, massive, and muscular giant came out, it was the clone of Gigantomachia.

Lincoln: Even if it's just a clone of Gigantomachia, he's still as dangerous as the real one.

Trista Taranis: We'll find out who it was that made this clone when you absorb him, Lincoln.

Suddenly, Trista Taranis' blue eyes turned neon blue and she was surrounded by a neon purple energy aura with stars, bolts of lightning, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached the Gigantomachia clone, she left neon purple energy, stars, bolts of lightning, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels with every step.

Trista Taranis: Even though you're just a clone of the real Gigantomachia, you're still as dangerous as the real one, and we can't let you run free any longer. This is where you die.

Suddenly, Trista Taranis was surrounded by a massive vortex of neon purple energy with stars, bolts of lightning, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at the Gigantomachia clone: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Trista is capable of, and when she gets serious, that means all Hell is about to break loose!

Then, as the vortex faded, Trista Taranis emerged, but she was changed forever.

We were amazed by Trista Taranis' Super Angel-Rage Shenron Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the Gigantomachia clone saw it, he tried to flatten her, but Trista Taranis fired a massive barrage of neon purple energy, stars, bolts of lightning, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels which hit the Gigantomachia clone, he got back up, but he was enraged.

Me: No way, did Trista just transform?

Lincoln: She did, now, we can tear the clone of Gigantomachia apart and make him pay for everything.

Lincoln, Trista Taranis, and I went after the Gigantomachia clone, and we fired extremely powerful blasts of rainbow energy, neon purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Gigantomachia clone, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Trista Taranis also did the same by firing neon purple energy slashes from her massive greatsword, and he, Trista Taranis, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and that made the Gigantomachia clone angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln turned the tips of his eleven massive and long wolf tails into Cell's stingers and he stabbed them into the Gigantomachia clone and he began absorbing him and he was also assimilating the Gigantomachia clone's Gigantic size, Immense strength, Immense speed, Immense durability, Immense stamina, Immense endurance, Converting morale into physical energy, Immunity to pain, Size enhancement, Enhanced smell and hearing, Saving energy in body, Hardened muscles, Immense digging and burrowing, and Indomitable Will and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sixed whit angel wings with aurora and orange tips spread out and his large gold halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of the Gigantomachia clone and he banished it to The Black Gates. Everyone cheered wildly for what Trista Taranis, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Trista Taranis' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large purple planets orbiting around her legs, smaller planets orbiting around her fingers, and massive purple angel wings and medium sized purple angel wings underneath are permanent.

Trista Taranis: Reap what you have sown. Thanks for helping me take down the Gigantomachia clone, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Trista.

Me: My pleasure, Trista.

Suddenly, Trista Taranis wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Trista Taranis' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and lightning behind them and we cheered wildly. Then, Lincoln and Trista Taranis sucked in and absorbed the elemental forces and lightning and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Trista Taranis and hugged us.

Luna: No kidding dudes, you guys taught the clone of that giant brute a lesson.

Luan: And you absorbed him and assimilated his powers.

Me: He deserved it. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Maria Majoram, Gene-Slammer and Avatar of Aromage Majoram.

Selene Emperyous: I was waiting for that moment when you chose her, and you guys are going to love meeting her, Maria Majoram is Lincoln's Guardian Angel from Michigan, she was born with black angel wings, cosmic umbrakinesis, immortality, and mastery over powerful dark magic, and she also has the powers of Aromage Majoram because she Gene-Slammed herself into Aromage Majoram. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her black angel wings to let off the scent of the majoram plants. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a darkness greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem.

Qin: The majoram plants are one of my favorite smelling plants, they're amazing.

Michelle Emperyous: And Maria hates Luan with a blazing passion, and unlike Lori and Lola and just like Lynn and Lisa, Luan tried to ruin the scented candle business by using her very lethal pranks to destroy their headquarters, but just like what happened to Lori, Lynn, Lola, and Lisa, Lincoln put a stop to Luan's rampage and cleaned up her pranks, and Luan was caught by the police and she was forced to apologize and had to pay Verena and her partners $500,000,000 in damages for attempted destruction of property, and she earned Maria's hatred.

Nico: Sheesh!

Lincoln: Luan was crazy because of her dark side, and that amount of money was perfect for her.

Suddenly, Lincoln then found something right near the ground: it was a gold amulet with a gold male bodybuilder for the pendant.

Caylee Chronomaly: (GASPS) That's The Amulet of Min, it's an amulet that has the powers of Min, the Egyptian God of Virility. What's it doing here?

Lincoln: I don't know.

Suddenly, Lincoln put on The Amulet of Min, and like what happened with the ritual on his rescue, The Amulet of Min was suddenly absorbed into Lincoln and his deep sapphire eyes and Third Eye's rainbow iris glowed.

Lincoln: (GROWLS) I… I feel something happening.

Suddenly, Lincoln's eleven massive and long white wolf tails with rainbow tips and rainbow markings grew larger and longer for his new body, and his eight-pack abs suddenly changed, and he now had shredded ten-pack abs, and he suddenly had a massive increase in confidence and virility. When his harem saw the result, they jumped him and kissed him all over, and he had an In Heaven look in his eyes and his face had an atomic red blush, as we almost busted out laughing.

Nico: Looks like Lincoln's in for some fun tonight. But, I can't help but get the feeling our next enemy for his rescue is someone Caylee knows.

Me: Yeah I have that feeling too.

Mole Man: So much for that loser.

Magneto: Loser is right!

Jack O Lantern: Either way, she won't bother anyone again.

Toad: No, she won't.

Me: Yeah. Now she has all of eternity to think about her crimes in the Xaikora prison.

Qin: Yeah that is for sure.

Camie: Good riddance.

Melter: Let's celebrate at Billy's house!

Me: Yeah!

Nico: Great job today everyone.

Billy: (To the viewers) Now Mindy is gone for good.

Me: Yep.

We went to Billy's house and celebrated and had a great meal. We then went back home and enjoyed the rest of the day and went to sleep.

Camie: How did that happen again?

Me: Well it was back after we destroyed the Horned King in the world of The Black Cauldron.

I went over what happened at the end of chapter 755

---

Outside we were enjoying ourselves and relaxing by the lake and Nico caught a Bonsly and a Bronzong.

Maria: I just realized that this date was when I joined you guys.

Me: That's right. It was 1 year ago today.

William: Yep.

Suddenly a massive blinding flash of light illuminated the whole planet and we shielded our eyes. But then when the light faded, we saw an incredible and absolutely unbelievable sight. The planet Earth was now completely different and totally changed beyond all form of imagination. We saw 3 moons in the sky and one moon had rings around it and the sky was illuminated with the dazzling display of the aurora. We saw that the trees had crystal clusters all over them and there were two ruined castles and monsters and strange creatures were all over the place and so were mermaids, sprites, fairies and more. We saw strange landscapes and more. Our planet was now completely unrecognizable!

Me: Whoa! What happened to the whole planet!?

Zoe: (Gasp) I… I… I can't believe it! The worlds of Mewni and Earth are now fully merged together!

We gasped in sheer amazement! Our worlds were now one!

Laney: Our world and Star's world are now one!?

Me: How did this happen!?

Zoe: Star must've done this. She told me that she was gonna destroy the magic. For eons, the World of Magic dimension has been causing a lot of trouble for Mewni and the dimensions across the cosmos that it knows.

Brittney: Is that even possible?

Me: We better go see if she's all right.

We went to the ruined castle and we saw that it was still standing but ruined.

Me: Hello?

Laney: Is anyone here?

Zoe: Star? Marco? Lady Moon?

Star B.: Guys!

We saw Star and Marco.

Me: Star!

Me and Star hugged.

Me: Thank goodness you and Marco are okay.

Star B.: Thanks J.D.

I saw that Star's Heart marks on her face are totally gone.

Me: Your heart marks on your face are gone.

Star B.: I destroyed the magic. I used the Whispering Spell and destroyed the whole world of Magic.

Me: That's incredible!

Marco: She did it.

Me: She really did it.

I saw bandages on Marco's stomach.

Me: Are you all right Marco?

Marco: I got stabbed in the stomach by a unicorn horn.

We gasped.

Me: Thank God you're all right Marco. A wound like that would've killed you.

Moon: (British Accent) It would've.

Me: Queen Moon?

Zoe: Lady Moon!

Zoe went over and hugged her.

Zoe: Thank goodness you're all right.

Moon: Yes I'm fine Zoe. Star did it. She saved our worlds.

Me: And she merged both our worlds into one. Lady Moon it's such an honor to meet you.

Moon: You too J.D. Thank you so much for taking care of Star.

Me: It was our pleasure your majesty. Team Loud Phoenix Storm is like a family always looking out for each other and helping people in need.

Mina: Then you will die before you are done!

We turned and saw MINA LOVEBERRY!

Zoe: Mina!

Zoe fired a massive blast of energy at her and completely obliterated her in an instant.

Zoe: You are never welcome in our worlds again Mina Loveberry.

We met Eclipsa and her daughter Meteora and we met Globgor. But we got a surprising shock when we found out that Meteora is really Ms. Heinous whom we killed when we destroyed St. Olga's. But we're glad she's on the right path of redemption. Even though the magic is destroyed she still has her powers given to her from the Sun Fireball of Helios. But we now have a whole new world merged with ours and it was gonna take an extremely long time to get used to it.

FLASHBACK ENDS

Camie: WOW! That is amazing!

Star Butterfly: Yeah that was a huge sacrifice. But it was awesome.

Marco Diaz: It sure was.

Camie: That is awesome.

Nico: Star, I want to thank you, Bonnie, and your teams for coming

Star Butterfly: No problem Nico. This is gonna be so fun.

Bonnie Rockwaller: It sure will be.

Camie: Yeah.

Marco Diaz: I'm really looking forward to this one too.

Zoe Weather: I know. Me too. But that was an amazing thing Star did back then.

Lola: I agree Zoe.

Camie: Yeah.

Nico: I'll never forget that.

Qin: Wow!

Star Butterfly: I know. But I was shocked after hearing that the Butterfly Dynasty did more harm than good.

Me: Not all of what they did was bad Star. You accomplished so much and that shows that you are a hero.

Star Butterfly: That is true.

Twilight Sparkle: Yeah and Star you and Marco have done a lot of amazingly good deeds and that shows that you and Marco brought two amazing planets together.

Me: Yeah just like all of us have.

Star Butterfly: That is also true.

Marco Diaz: Yeah that's right.

Nico: Marco, have you and Star made wedding plans?

Marco Diaz: Uhh! (BLUSHES) I don't think we got that far yet.

Me: Nico he's still too young for that. Give him a few more years for that.

Nico: Sorry.

Marco Diaz: But I'll let you know if we do.

Star Butterfly: But going on all those adventures with Marco was really fun.

Brittney: It sure was awesome.

Nico: J.D. I never asked this but how did you guys meet Star and Marco?

Me: That was a fun adventure. It was back in the teams old days. The final stages.

I went over what happened in Chapter 334 and it was awesome.

---

It starts at Royal York Elementary. Mrs. Johnson was getting ready to start class when we come in.

Me: Morning everyone.

Lincoln: Hey buddy. You ready for another good day of school?

Me: Sure am buddy.

I high-five everyone.

Mrs. Johnson: Okay class. I have an announcement. We have a new student joining us today so please give a warm Royal York welcome for Timothy Mack.

A kid with black hair, blue eyes, sunglasses, black leather jacket, brown shirt, blue jeans and sneakers.

Tim: Pleasure to be here.

Mrs. Johnson: How about you sit next to Lincoln and Clyde?

Tim: Sure.

Tim took his seat.

Me: Pleasure to meet you Tim. I'm J.D. Knudson.

Tim: Awesome! I heard so much about you man. Your adventures have been awesome.

Me: I get that all the time.

Lincoln: I'm Lincoln Loud.

Clyde: I'm Clyde McBride.

Tim: Pleasure to meet you guys. I heard you have a huge family.

Lincoln: That's right. I have lots of sisters and brothers. Biologically and non-biologically.

Me: I treat Lincoln and his huge family like my own family. They are like my brothers and sisters.

Tim: That's cool man. But how come you like coming here to the Elementary School?

Me: Lincoln has had some problems with bullies here so I have a special permit that lets me come here to watch after Lincoln and his little sisters.

Tim: That's a big job.

Me: It sure is.

Later at Lunch as Tim was about to get his lunch he bumped into someone.

Tim: Oh man! I'm sorry. I… (Stammering)

Tim had bumped into Rachel and he was entranced by her beauty. Cupid's arrow had hit him and he was in love.

Rachel: Um… Are you all right?

Tim: (Acts like a malfunctioning robot) RED ALERT! RED ALERT! DOES NOT COMPUTE! (Gets a Gushing Nosebleed)

Me: Uh oh!

I snap my fingers and he reverts back to normal.

Me: Are you all right Tim?

Tim: I think so. What happened?

Me: You were acting like a malfunctioning robot and got a nasty nosebleed after you caught sight of Rachel here.

Tim: Why?

Me: You've been struck by Cupid's arrow and developed a huge crush on her.

Lincoln: It's true Tim. Clyde has a huge crush on my oldest sister Lori and it gets really awkward.

Clyde: Yep. I know just how you feel. (Pulls out a photo of Lori) This is Lori.

Tim saw the photo of Lori looking at him in fear.

Tim: She's beautiful. I didn't know that this is what happens when I'm around a girl I like.

Me: It happens man. Lori already has a boyfriend. Her fiance Bobby Santiago.

Clyde: Yep.

Me: Rachel is already getting married to me soon. But not for 10 more years.

Rachel: He's been placed into a special ordinence where he can take on more than one wife.

Me: Yep.

I show him a copy of the document that made it official.

Me: This is a copy of the Ordinence.

Tim read it.

Tim: That's really interesting. I wish I was under an ordinence like this.

Me: (Chuckles) Wouldn't we all. But it doesn't work that way. You have to get special permission from the Governor or the President of The United States to have this.

Lincoln: That's right.

We sat down and ate our lunch.

Lincoln: J.D. I've been wanting to ask this for a while.

Me: What is it Lincoln?

Lincoln: How did you learn how to do that to break Clyde out of his Malfunctioning Robot mode when he's around Lori?

Me: That is a question I haven't been asked in a long time.

Tim: Really?

Me: Yep. It was back when I was in 1st grade 8 years ago.

---

Me: (Narrating) I was having my lunch in the cafeteria at my school in Colorado when I saw a kid bump into a girl. He was struck by Cupid's arrow and was acting like a Malfunctioning Robot. Imaginary sparks and stars flew out of his head and his eyes were spinning.

Past me: Oh man!

Me: I went over to him to calm him down before he had a seizure and I shook him. But that didn't work. So I snapped my fingers and somehow it worked. I knew right then and there that whenever someone has a breakdown from love, all I had to do was snap my fingers.

FLASHBACK ENDS.

Lincoln: That's amazing.

Laney: So that's how you learned how to break people out of that malfunctioning robot mode.

Me: Yep. It's been with me since then.

Lola: I had no idea that you learned about that out of the air like that J.D.

Lana: That is really cool!

Lucy: It sure is. Sigh. The meaning of love is an endless struggle.

Me: I know Lucy. (To the Viewers) Lucy broke up with Silas and she has been sadder than normal. It was sad when we heard that.

Lily: I'm sorry about Silas, Lucy. But don't worry there's plenty of fish in the sea. Metaphorically speaking of course.

Suddenly Zoe came in and she had a shocked look on her face.

Zoe: J.D.!

Me: What's wrong Zoe?

Zoe: Star Butterfly is going through a terrifying change. She's going through something called (Dramatic Voice) MEWBERTY!

Thunder and Lightning crashes.

Me: What's Mewberty?

Zoe: It's not like Puberty. It's completely different from it. When a Mewman girl goes through it they have an insatiable lust for boys, become a strange creature with six arms, wings and antennae. Once they enter this state there's no telling what they will do and they are stronger than a human.

Me: Oh man.

Lincoln: We got to get over there!

Laney: Yeah.

Rachel: Right!

Me: Lets go!

Tim: I want to come with. I want to see everything in action.

Me: Are you sure Tim? It could get really dangerous.

Tim: I know but I want to see this to believe it.

Me: Okay. Lets go!

---

We went to Royal York High School and in the halls we saw purple vines covering the halls and we saw that they lead to one of the lockers and it had what looked like a giant heart shaped coccoon.

Laney: What is that?

Zoe: That's Star's Mewberty Coccoon.

Me: I've got a really bad feeling about this guys. Stand back.

I go Super Angel.

Tim: Whoa! So this is your Super Angel form.

Me: It is.

I walk up to the coccoon and put my hand on it.

Me: It's squishy. But Star is definitely in here. I feel her energy and it's growing stronger and stronger.

A hand inside it was on the shell of the coccoon and I saw 5 more hands. Star had glowing heart eyes and six arms.

Lori: What's happening?

Zoe: It's the final stage of Star's Metamorphosis. We have to get the boys away from here and fast!

Laney: Right.

Lola: We're with you Zoe!

Lana: Lets go!

Lila: Right!

They hid all the boys in the gym of the school and closed the door.

The coccoon started to crack open. I stood back and saw Star sprout wings. She flew into the air and she was in her Mewberty form.

Me: Whoa!

Zoe: This is really bad guys! We have to stop her!

Varie: Yeah.

Star saw me and she was consumed with Lust for me.

Star: BOY!

She flew at me and I went at her and we clasped hands. I grabbed her four extra hands with my octopus arms.

Me: Star listen to me! You got to get a hold of yourself!

Star: BOY!

Star threw me away and I stopped.

Me: Star you have to stop this now!

Star fired a blast of purple heart slime at me and I dodged it. She fired another blast and I caught it and threw it back to her.

Lori: Is there any way to stop her Mewberty Zoe?

Zoe: It should go away at 3:57 PM.

Luna looked at her watch.

Luna: That's only 10 minutes away dude.

Luan: This is not gonna get pretty. We have to help J.D.!

Eddy: Yeah! We have to!

Lynn: Lets go!

Star landed on the ground and Lynn grabbed Star and tackled her to the ground and Lucy, Lola, Lana, Lila and Lisa held her down.

Lily held down her legs.

Tim: I got this!

Tim then shocked us by touching the ground and out of it came dark bramble vines and they shackled her to it.

Me: Whoa!

Lucy: Gasp!

Varie: Tim you have Dark Powers?

Tim: I do. I was blessed by the Black Flower of the Morrigan, the Celtic Goddess of War and Darkness.

Me: Oh wow! That's a big gift.

Tim: Yes. I was given these powers 10 years ago.

Varie: That's awesome.

Cody: It sure is.

Tim: Yes.

Me: How much time is left?

Luna checked her watch.

Luna: It's 3:56. One minute left dude!

But suddenly Star broke out of the restraints and flew up into the air.

Luna: It's time dudes!

When it hit 3:57 PM purple hearts came down meaning that they all flaked off and an object fell and crashed into the lockers.

Marco: Star!

Star got up and she was back to normal.

Star: (Groaning) What happened?

Me: You went through Mewberty.

Zoe: It's over now Star.

Star: Thank goodness.

A fluttering sound was heard.

Ember: What was that?

Star looked behind her and she had a pair of vestigal wings on her back.

Me: You have a small pair of wings Star.

Suddenly a beam of sunlight shined on Star and a golden fireball flew down the beam of light and hit Star. Star was enveloped in a tornado of golden fire and light.

Laney: Another Elemental Choosing in progress!

Lila: Incredible!

Lucy: It's a powerful one.

Star's wand turned completely different.

When the tornado faded, Star had yellow butterfly wings and a Sun was emblazened on her forehead.

Star got up and she was forever changed.

Star: What happened?

Me: You were hit by a yellow fireball and it changed you. Let me see here.

I pull out my legends book and look it up. It was there that I found an interesting discovery.

Me: Here it is. This is strange. Star was given fire and light powers by the Golden Sun Fireball of Helios, the god of the Sun in Greek Myth. Once every 500 years, Helios creates a beam of sunlight on a worthy soul and throws a golden fireball at them that embues them with fire and light powers, super strength, super speed, cosmic Light Powers and Cosmic Fire Powers. But there's a major catch. That soul has to be from Mewni and has to finish going through Mewberty. And the Royal Wand will have enhanced magic because of it.

Marco: Wow! Star this is incredible!

Star: It sure is Marco. But won't I look crazy with these wings?

Me: You can have them come at will.

Star thought for a second and the wings went back into her back.

Laney: It worked!

Marco: It sure did.

Suddenly a dimensional portal opened up and out came Ludo and his army of monsters.

Me: Ludo! Boy you will never quit will you?

Ludo: No I won't now get the wand!

Me: Power up!

We went at Ludo and his army of monsters and pulverized them all into pulp.

Ludo: Blast! Retreat!

Me: What a bunch of wooses.

Varie: Yep.

Rachel: Some scum just can't take a hint.

Cody: No they won't.

Me: But nonetheless we have to tell Queen Moon about Star's new powers.

Varie: Yeah.

In Star's room we were using Star's mirror and contacted Queen Moon the Undaunted. Moon answered.

Moon: (British Accent) Star?

Me: Queen Moon the Undaunted. It's an honor to meet you.

Moon: J.D. Knudson. It's a pleasure to meet you. We've heard about all of your adventures.

Me: Yes. But the reason we called you is because we had a rather interesting development happen to Star.

Moon: What happened J.D.?

Me: She was given powers by the Golden Sun Fireball of Helios, the God of the Sun in Greek Myth.

Moon: What!? How is that possible!?

Zoe: I believe I can answer that Lady Moon. My friends here have gotten their powers here on Earth because of the blessings of Mythological Deities from myths all over the world. The List is very long but it's how they got their powers.

Me: That's right. However Me, my friend and partner Vince Pusateri and Carol Pingrey Loud here were given our powers because of Cosmic Radiation, radiation from Outer Space.

Moon: Oh my. It's good you called me. Star, this must be a huge change for you.

Star: It is mom. I have no idea how to use my powers like this.

Moon: Oh Star I'm sure someone will be more than happy to teach you how to master your powers.

Me: As a matter of fact your Majesty there is.

Aylene: I'll help teach her. I have fire powers because of the Fire Snake of Xiuhcoatl, the god of Fire in Mayan Myth.

Luan: I got my Light powers from Sulis, the goddess of Light in Celtic Myth.

Lola: My fire powers are from the Gabija, the Spirit of Fire in Lithuanian Myth.

Sam: I got my powers because of Pele, the Goddess of Fire in Hawaiian Myth.

Moon: Oh thank you all. You all have been blessed in more ways than anyone on Mewni could've imagined.

Hercules: We get that all the time.

Me: We'll do our best to help her your majesty.

Moon: Thank you all.

Luan: You might say that she is Illuminating. (Laughs to Rimshot) Get it?

We all laugh.

Me: (Laughs) That was a good one Luan.

Moon: (Laughs) Luan is funny.

Varie: She always cracks us up.

Maggie L.: It's true.

Back in the Living Room of the Knudson-Loud-Anderson-Weather Mansion we were watching TV.

Me: So Tim what did you think of our adventure?

Tim: It was awesome! I loved how we saved all the boys from Star's Mewberty rampage.

Varie: We're glad Tim.

Tim: I am too. If it's all right with you J.D. I would like to take Rachel to the Carnival for a friendship date.

Me: That's fine with me Tim. What do you think Rachel?

Rachel: That's very sweet of you Tim. Lets go.

At the carnival, Tim and Rachel were having a lot of fun.

Rachel: Lets check out some of the games.

Tim: Okay. I know just the one.

They went to the Bottle Game where they had to knock the bottles down with a baseball to win a prize.

Tim: This is my favorite game.

Rachel: Go for it.

Tim placed the money on the stand and the carnie handed him 3 balls. Tim aimed for the bottom and threw a ball and knocked them down in one throw.

BLAM!

Rachel: Great shot Tim! Direct hit!

Tim: Yeah!

Carnie: We have a winner!

He gave Tim a stuffed Penguin.

Tim: This is for you Rachel.

Rachel: Thanks Tim.

Next they went on the roller coaster and it was an adrenaline rush. It was a brand new roller coaster called THE TRAIL OF AGONY!

Tim: YEEEAAAAAHHH! WHOOOOOO!

Rachel: THIS IS AAAAAWWWWEEEEEESSSSOOOOOOOOMMMMEEEEEEEEEE!

They went on loops, curves, bends and turns at blazing speeds of 40 miles per hour and they came down an angle and landed with a huge explosion.

KRABOOOM!

When the car stopped they got out and their hair was blown back.

Rachel: That was so much fun!

Tim: YEAH! That was a rush!

Rachel: You said it!

They heard a bell ring and saw a man slam a hammer which raised a weight up a tall tower toward a bell.

Rachel: The Strength Tester Tower! I love that.

Tim: Lets try it out.

Carnie: Slam the bell and win a fabulous prize!

Tim took the hammer and slammed it and the weight went up and stopped short of the bell and a message came out and said "Muscle hunk".

Carnie: Wow! That's really good. Good effort.

Tim: Thanks.

Rachel: Let me try.

Rachel took the hammer and slammed it with incredible force and it hit the bell so hard that it knocked the bell right off of the tower and sent it flying.

WHAM! BONG! WHEEE!

Tim: WHOA! Rachel you have to be one of the strongest girls I've ever known!

Rachel: I don't like to brag but it runs in my family.

Carnie: Congratulations young lady. You won a brand new iPad Pro.

Rachel: Thanks. For you Tim.

Tim: Thanks Rachel! I've always wanted an iPad!

Later they were on the Ferris Wheel and as it was spinning they were having a great chat about the stuff they like, what's fun and more.

When they left Tim was walking Rachel back home.

Rachel: Thanks for taking me to the carnival Tim. I had a great time with you.

Tim: You're welcome Rachel. Glad you had fun.

Rachel kissed Tim on the Cheek and he was shocked and Rachel went inside. Tim had steam coming out of his shirt and body and he was sweating like crazy which made him soaked to the bone and he had imaginary hearts popping out of his head. He fainted right there on the spot.

I saw this and picked him up and took him home.

I knock on his home door and his mom answered.

Mrs. Mack: Yes?

Me: Hello Mrs. Mack. I'm J.D. Knudson and I'm a friend of your son here.

Mrs. Mack: Oh wow. I saw all of your achievements and you've had a major impact on the planet. What happened to Tim?

Me: He took my fiance Rachel out on a friendship date to the carnival and he got a kiss from her and fainted.

Mrs. Mack: Oh hohoho. Looks like my little man has a girlfriend.

Me: Yeah.

I take him in and put him on the couch.

It was the beginning of many adventures with Tim.

---

When it was done everyone that hadn't heard about it was shocked and amazed.

Nico: WHOA! So that's how you all met. That is amazing!

Maria: Oh, c'mon. You guys have been doing shit together for God knows how long.

Star Butterfly: We've been doing a lot of stuff for a long time.

Marco Diaz: I know. It was amazing.

Me: Yeah. It sure is. But after everything you all have done these last few years you deserve to start a family.

Marco Diaz: You're right. I'll tell you all well.

Me: Okay.

Venus Butterfly: It was all really amazing for Star and I'm proud of her.

Moon Butterfly: We all are proud of her.

Me: We are too. She has come a long way since she joined us. She and Marco and her friends all are awesome.

Nico: Yeah.

Lola: That's for sure.

Nico: Yep.

Zoe Weather: And I'm glad that we destroyed many of their enemies.

Me: Yeah and some of them are now in the M.O.E.

Nico: Yep.

Camie: That is cool.

Me: Yep.

Laney: Yeah. Wow! We really socked it to Mindy.

Zoe Weather: That loser really had it coming.

Me: She sure did. Billy and Mandy really did an awesome job in putting the kibosh on her.

Nico: And let's not forget the phone

Camie: That was a scary phone!

Me: It sure was. Camie I don't know if I ever told you this but me and Renee Roberts, when we were having fun on our date, we found out that Billy and Irwin made a call on the Phone of Cthulhu and we went in after them. It's where everyone found out the reason why I never take off my shoes.

Camie: Really?

Me: Yeah. I have webbed feet.

Camie: What?

Me: Yeah it's true.

Nico: Show them.

I took off my shoes and socks and showed everyone my feet and they were webbed.

Nico: It's the reason why J.D. is a really good swimmer.

Sakura Knudson: Boy I remember that. And I think J.D. having webbed feet is cool.

Me: Yeah it sure is.

I went over what happened on May 23rd, 2021 in chapter 1406

---

At Mandy's room in the World Tree Estate, her phone was ringing and Billy was calling. She answered it.

Mandy: What do you want Billy?

She was reading a book.

Billy: (On the phone) (Falsetto) (Clears throats) This is P.U. Poopenhauser and I am conducting a national survey. Tell me, do you smell like dog doo-doo or just look like it!

Irwin: (Laughs) That's a good one yo.

Billy: (Sighs) Billy I know it's you. I have caller ID. In fact most people have caller ID. They can tell it's you calling them.

Irwin: Tell Mandy I think she's got silky hair.

Billy: (Whispers) Shh. I think she's on to us Irwin. (Resumes Falsetto) Uh I am sorry madam. I do not know this Billy of which you speak of mm-hmm.

She hung up and put her book down.

Billy is in his room with Irwin making prank calls.

Billy: Perhaps I can meet him sometime. (No Answer) Hello? Mandy? You there?

The door knocked.

Billy: Go get the door Irwin.

Irwin: All right but I still want to breathe heavy into Mandy's phone.

He went to the door and Irwin was blasted into the wall by a garden hose from Billy's house.

Billy: That's odd.

The water smashed him into the wall too and we saw Mandy armed with the hose.

Mandy: Oops. Looks like you guys wet yourselves again.

Irwin looked down.

Irwin: Aw man. I didn't think anybody would notice that.

Billy: LOOK OUT IRWIN! IT'S MANDY! RUN FOR IT! SHE'S GONE CRAZY!

Irwin: DON'T LEAVE ME!

Mandy blasted his open mouth and filled him up with water and he inflated like a balloon and Billy closed the door and Irwin popped.

POP!

YUCK!

Billy ran all the way to his house as Mandy was squirting him with water.

Billy's dad Harold was sprayed.

Harold: Now that's what I'm talking about!

Billy: (SCREAMS) (GETS SPRAYED) SHE'S CRAZY! CRAZY! CRAAAAAAAAZZZZYYYYYYYY! (See's his parents close) What are you guys doing so close together?

Mandy: I'm not through with you Billy! I'm going to drench you until you die!

Gladys: Mandy! What are you doing with that hose in my house!? Turn that water off this instant young lady!

She sprayed Gladys 3 times.

Billy: Dad? What's Caller ID?

Harold: That's easy son. It's what butt-ugly dogs wear around their hairy necks so that we'll know when we're calling on the phone. Like your mother in law. Right honey? Right?

Gladys growled and punched him in the face so hard that his big nose and eyes were thrusted onto the back of his head. He got up and looked and saw that his butt was huge as he was wiggling his buttcheeks as seals were barking.

Harold: (Muffled) Why didn't anyone ever tell me my butt was so big?

The phone rang and he answered it.

Harold: Hellooo?

Billy: (On the phone) (Falsetto) Hello Mr. Dad. This is your doctor. I'm calling to tell you that your brain is broken and it has to be removed.

Harold: Billy I know it's you.

Billy: (Falsetto) Billy? Who is Billy?

Billy was on the phone by him.

Harold: It says here on the Caller ID.

He showed it to him and on the ID it said "Name: Billy, Bloodtype: O, Occupation: Idiot, Likes: Eating Grass, Wet Boogers."

Billy: Curse you caller ID! CURSE YOU TO HECK!

Next me and Renee were having our date at Lynn's Table and we were having the Ulti-Meatum.

Renee: Mmm! (Eating) Wow! This burger is so good!

Me: Told you it was good.

My cell phone rang.

Me: I'll get that.

I saw that it was Billy on the phone.

Me: What's up Billy?

Billy appeared on a split screen and he was dressed as a chef and he was calling from Lori's phone.

Billy: (French Accent) Bonjour Monsieur J.D. I am a member of the French Chefs of Disgusting Foods Committee and we have nominated you for head chef.

Me: Nice try Billy. But I know it's you silly. My phone has Caller ID you know.

Billy: You knew it was me too!? I even used Lori's phone and dressed up as a Chef!

Me: It was a nice try though. But keep at it.

Lori: BILLY GET OUT OF MY ROOM!

Billy: Uh oh!

Billy ran!

I hung up.

Later Grim was having a bath and he was playing with action figures that looked like him as an army commando and Gladys in a smoking hot bikini.

Grim: (Jamaican Accent) (Deep Voice) Hey there little lady. How are you doing? (Woman Voice) No! Go away! You're scary! (Deep Voice) Yes my ripping biceps can be intimidating. (Woman Voice) I hate you Grim! Yet you're so powerful. Kiss me!

The Phone in the bathroom Rang.

Grim: Always when I'm bathing!

The caller ID said that it was Billy calling and it said "Reason for Call: Attempting a Prank Call!"

Grim answered.

Grim: This better be good boy!

A split screen appeared and it showed Billy who was at a Pay Phone by the Kwik-E-Mart and he was dressed as a cowboy.

Billy: (Cowboy Dorky Accent) Duh howdy there Mr. Grim. I am a member of the National Stupid Head Ugly Butt Committee and we have just nominated you for President.

Grim: I have Caller ID you know.

Billy: You still knew it was me!? I even dressed up as a stupid cowboy so I wouldn't be recognized! I HATE CALLER ID SO MUCH! IT'S RUINING MY LIFE GRIM! MY LIFE! MY LIFFFFFEEEEEEE!

Grim hung up and the split screen disappeared and Billy wound up in Grim's bathtub! Even Grim was shocked.

Billy: Grim I need to know if there's a way to beat Caller ID!

Grim: I'm sorry Billy but almost every phone nowadays comes equipped with it. Now go away! I have serious matters to attend to.

He pulled the drain plug and Billy got sucked down the drain as he was laughing and spinning.

Billy walked down the hall.

Billy: I need to find some way or something to beat caller ID.

A monster from the basement came out.

Monster: Dude you should totally check in there.

Billy went downstairs and looked through Grim's trunk.

Billy: Lets see. A jar of pickled pixies, a shrunken head, invisible underwear, a dragon's snout and a scroll of magic missile.

He threw said items out.

Billy: AUGH! There's nothing in here that will help me beat Caller ID!

Then a strange glow hit him.

Billy: I said nothing!

Billy didn't see the glow.

It faded and came back.

Billy: I SAID NOTHING WILL…

He saw that the glow was coming from a strange phone that looked like a skull and the receiver was in its mouth and the skull had a weird symbol on its forehead and the dial was its left eye! Billy went to reach for it but Grim stopped him.

Grim: BILLY! What are you doing! Stay away from that phone!

Billy: But Grim I just wanted to see if that phone had Caller ID on it.

Grim: BILLY! THAT IS THE MOST DANGEROUS PHONE IN THE UNIVERSE!

He had fire in his eye sockets.

Billy: But Grim, Phones are our friends. They take us to magical places. Hong Kong, Hawaii, Japan, Greenland, Iceland…

Harold had a phone bill at his home.

Harold: Alaska, Guatemala, Jamaica, Korea!? HEY! WHO'S BEEN CALLING ALL THESE PLACES!?

Nico came down.

Nico: Hey what's all the commotion about?

Grim: Billy was about to make a call on that phone.

Nico: What's so bad about that?

Grim: That is not an ordinary phone mon. This is the Phone of Cthulhu, an ancient and terrible being that can drive men mad just by speaking to them. If anyone ever made a call on that phone, it would awaken the ancient slumbering creature known as Cthulhu and if he is awakened he will rise from the murky depths AND DESTROY THIS WORLD!

Grim had his eye sockets on fire again.

Nico gasped in shock!

Nico: WHOA MAN! That phone is an artifact of doom!

Nico ran upstairs.

Billy: Uh Grim your eyes are still on fire.

Grim: (SCREAMS) Help Me Billy! Help Me! Quick! Get me something to put my eyes out with!

He handed Grim a pot full of coffee and he splashed it on himself!

SPLASH!

He screamed in pain from the scalding hot coffee!

Grim: (SCREAM!) Get me something else! Quick!

He shook his head and Billy handed him a bottle of hot sauce and Grim poured it on his face and he screamed in pain.

Billy: Here Grim! Try this!

He handed Grim a barrel full of acid and Grim put it on his head and he shook and screamed in pain as it burned him!

Grim: IT BURNS! IT BURNS!

Billy pulled out a jug full of rocket fuel!

Billy: Here Grim! Douse it with this!

Grim poured the rocket fuel on him and then his head bursted into flames and he screamed and then ran to the bathroom in Billy's house and he pushed Harold out and dunked his head into the toilet and he sighed in relief.

Grim: Ahh. Much better!

Harold: Hey! I wasn't done in there!

Later Billy took Irwin to the basement.

Billy: Come on Irwin it's down here.

Irwin: Uh I don't know Billy. This Kahlua guy might not find prank calls very funny yo.

Billy: First of all Irwin it's not Kahlua it's Cocka-Juju! Second of all it doesn't matter if he finds it funny or not. It only matters if it's funny to us. Come on.

They went downstairs and saw the phone.

Billy: There it is Irwin. (Points to the Phone Of Cthulhu) The Phone With No Caller ID. (Picks Irwin Up) NOW GO!

He threw Irwin and he crashed into the wall and talked on the phone after knocking it off the wall and it hit him on the head!

UH OH!

Irwin: Hello? Is Joe there?

Man: (Incoherent Babbling)

Irwin: Jo mama?

Then Octopus tentacles popped through the phone receiver and went for Irwin!

Irwin: BILLY HELP!

They grabbed him and pulled him through the phone and his shoes popped off!

BURRRPPP!

The Phone Receiver burped.

Billy: IRWIN! IRWIN WHERE'D YOU GO!?

The tentacles came back and grabbed Billy!

Billy: (Screams) WHAT'RE YOU DOING! NO! NOOOOOOOO!

The tentacles pulled him into the phone and his shoes were popped off too.

The next morning Grim was coming out of the bathroom and the monster came out of the basement.

Monster: Dude! Some crazy stuff went on down there! HA!

Grim wondered what he meant by that.

Receiver: The time allowed for you to call has expired. Please hang up and dial again.

Grim saw that the Phone of Cthulhu was tampered with.

Grim: Oh no! They didn't!

He saw that it was REALLY true and that Billy and Irwin's shoes were there.

Grim: They did! NOOOOOOOOOOOOOOOOOOOOOOOOOOOO! (CRYING)

Me, Nico, Renee and Mandy came.

Me: Grim what's wrong!?

Renee: What happened!?

Nico: Yeah what happened!?

Mandy: All right what's all the screaming about?

Grim: Oh guys! You're never gonna believe what happened! Billy and… and his ugly friend, they made a phone call during the week and I only have a limited number of weekday minutes! That's so evil mon! And I know evil. I'm the Grim Reaper!

Me: Grim calm down. I'm sure it's not a big deal.

Mandy: Yeah get ahold of yourself. They were probably just playing around with your phone making phony phone calls. Where are they anyway?

Nico: That's what we're wondering.

Grim: Oh I don't know. They probably got sucked through the phone into another dimension beyond space and time and… Yadda yadda yadda. And we're all doomed because they have awakened the great Cthulhu because he'll probably destroy the universe.

We gasped in shock!

Me: Those peabrain idiots!

Nico: This is what happens when you mess with forces you have no idea of understanding.

Renee: Who is Cthulhu?

Me: I'll tell you all about him later Renee.

Grim: Yeah. Lets go watch television.

Me: Grim this is serious!

Nico: Yeah!

Mandy picked up Billy's shoes.

Mandy: Why didn't their shoes go too?

Grim: Shoes can't fit through the phone silly. They are way too big.

WHAP!

Mandy whacked him in the face with them.

Mandy: We better go in after them.

Grim: Do we have to? I mean the world is already doomed. Why can't we watch TV instead?

I grabbed Grim.

Me: Grim get ahold of yourself! The world will never be doomed as long as Team Loud Phoenix Storm has anything to say about it. And besides Billy has been through a nightmare because of Professor Dick and us kicking him out because of him. We got to get him back.

Grim: Oh I guess you're right.

Me: Nico you keep an eye on the team while we're gone. Me and Renee will go with Mandy and Grim to find Billy and Irwin.

Nico: Right!

I called the world of Cthulhu on the phone and answering it was an orange dinosaur monster with long hands and purple striped horns and a big red mouth. He talked to me in beatbox language.

Mandy: Hi is this Cthulhu?

A split screen showed us on the right and the monster on the left.

James Silverman: (In Beatbox) No, this is James Silverman. What's up?

I used my language translator.

Me: Do you know of two kids that came through the phone recently?

James Silverman: If you're talking about the new interns you'll find them in the cafeteria.

Mandy: Thanks.

We got sucked through the phone and our shoes came off.

* * *

We were in the dimension of Cthulhu. It was a wicked ugly and terrifying dimension. It was freaky and scary.

Me: Whoa! So this is the dimension of Cthulhu.

Renee: It sure is an ugly place.

I saw that my shoes popped off.

Me: Shoes are too big.

Renee: Yeah my shoes popped off too.

Mandy: Same here.

Me: Lets get searching.

We walked around.

Grim: It's no use guys. We've searched for hours and still can't find any sign of Billy and Irwin. I say we just give up and head on home. Come on. I'll drive.

Me: I don't give up that easily Grim.

Mandy: First of all, we got sucked here through the phone. Secondly we've only been here for 5 minutes.

Me: And we've only just begun our search.

Grim: But lets face reality guys! We'll never find them! We could look and look and look and look and look, but it's pointless all right! Billy is nowhere to be found so we might as well give up and call it a day!

Billy then appeared.

Grim: Oh hey Billy. 'Cause you're making me miss my favorite show!

We looked at Billy and gasped! Grim screamed!

Me: WHAT THE FUCK!?

Billy had an ugly squid-like nose and he had an ugly lamprey-like mouth!

Billy: I love that show!

He ran.

---

Back at home, everyone was watching TV.

Jessie: (Pokemon) I wonder if J.D. and Renee are back from their date yet. Let me give them a call. (about to touch her phone)

Soundwave: Jessie don't touch your phone.

Jessie: What's the problem?

Nurse Joy then came and she had torn up clothes!

Nico: Nurse Joy are you all right!?

Nurse Joy: I just had a dangerous encounter!

Laney: I think we're seeing it right now!

They saw monsters that were ugly and full of tentacles running around and spreading terror all over the city.

Nurse Joy: It's not just in the city. The people in the Pokemon Center are being turned into monsters too!

Brittney: This is not good! This is the work of Cthulhu!

Nico: Cthulhu!? Oh man! I hope J.D. and Renee, Mandy and Grim can stop him.

Lola: They will. We have to give them faith in this.

Lana: Yeah!

Nico: We need to block off the phones!

Vortex: Soundwave, block all phone communications. NOW!

Soundwave: Affirmative!

Soundwave cut off all the phone lines and communications.

Nico: I hope J.D. and the others find and stop Cthulhu.

---

In the dimension of Cthulhu, Me, Grim, Mandy and Renee were walking to Cthulhu's cafeteria.

Mandy: We saw Billy run in here after you freaked out Grim.

Grim: I guess I should be used to weird stuff coming out of Billy's nose.

We went in.

Renee: I didn't know that you never take your shoes off J.D.

Me: Well I was born with webbed feet and it's the reason why I never take my shoes off.

The camera shows my feet and they were webbed feet.

Me: It's pretty weird but I'm also a great swimmer with them.

In Cthulhu's Cafeteria, Billy was in line for lunch and he was being served by a green monster with 8 mouths and 15 eyes.

Green Monster: What'll you have kid?

Billy: What do you got?

Green Monster: Well we got goop, we got glop, we got goo, we got slop, some slime with slather, roast face with lather.

Billy: Whoa! I'll take something gelatinous.

Green Monster: You got it kid.

He scooped out some blue slop and put it on his tray.

Billy: Thank you.

He left for his table.

A blue monster with 6 mouths and 19 eyes came.

Blue Monster: I'll take one of everything.

He must be really hungry.

We arrived in Cthulhu's Cafeteria.

Mandy: Cthulhu's Cafeteria.

Me: Wow. Look at all the monsters.

Renee: There's a lot of them.

Grim: I'm going for the calamari.

The monsters did not like what Grim said.

Me: Lets focus Grim.

Mandy: Yeah lets just find Billy and get out of here.

Grim: Oh all right. Now where could that little loaf be?

We looked around.

Me: Is that him over there? (Points to a table)

Grim: Over there? There's Billy. I think.

We went over.

Billy: Hey guys.

Me: Billy you look weird.

Mandy: Yeah what happened to you? You look disgusting.

Grim: I have to admit, it is a bit of an improvement.

Billy: Ain't it sweet? Cthulhu liked our prank call so much that he gave us a job making prank calls for him. I'm living the American dream guys. I'm doing what I love for a living.

Me: I didn't know Cthulhu ran a prank call enterprise.

Renee: Yeah that's new.

Mandy: But your nose looks like a cuttlefish.

Billy: Chicks dig cuttlefish.

Me: I don't think Squidward would like it.

Billy: Maybe.

Mandy: And your mouth looks like a big disgusting sucker.

Billy: Chicks dig…

Grim: Don't go there.

Renee: Yeah your mouth looks like that of a lamprey.

Me: Yeah just don't bite me with that.

Billy: Yeah. (Giggles) And I've got a tentacle growing out of my chest.

He scooted back and lifted up his shirt and we saw that he had an ugly pink octopus tentacle growing right out of the middle of his chest.

Me: Yuck! I'm gonna need serious therapy after today.

Renee: Me too.

Billy: (Giggles) Actually I'm still in the larval stage. But if I keep eating this crud…

He hit his blue food with his fork and it formed into a ghostly structure and screamed horrifically.

Me: EW! I've eaten weird stuff on different planets but that is the weirdest I've ever seen.

Renee: No kidding.

Billy: I know but I'll grow as big and strong as Irwin.

Me, Renee, Grim and Mandy: Irwin?

Billy: Sure! Yo! Irwin!

We heard a weird screech and we a huge purple tentacled mouthed monster with glasses and it was Irwin!

Me: Irwin!? YIKES!

Irwin: (Through translator) It's great you guys are here!

Me: Same to you Irwin.

Later they got back to work and the phone calls were spreading all over the planet like wildfire and turning many people into ugly tentacled monsters.

Billy was dialing.

Me: I got to admit, using a telemarketing ring to transmogrify everyone into Cthulhu creatures is genius.

Renee: It sure is.

Mandy: This is getting out of hand. We had better put a stop to it.

An old woman taking a shower came up on the screen.

Old woman: Hello?

Billy: I'm with the United Cosmetologist Salivation Donations. Do you have any small boxes? (Snickers)

Mandy: That's it. Grab him Grim.

Grim: Oh not yet. I love this one.

Me: I want to see how they do it.

Old woman: Is that you Barney?

Billy: I'm asking for donations for the councilman. Do you have any small boxes?

The water stopped and pink tentacles came out of the shower head and wrapped around her.

Old Woman: Oh my!

They covered her and turned her into an ugly yellow 3 mouth monster with 5 eyes.

Grim and Billy laughed.

Me: I got to admit that is cool.

Renee: It sure is.

Me: But Grim lets stop this madness.

Grim: Oh very well. Billy, lets go. The fun is over.

He laughed and his nose lifted up and popping out of it came little Billy headed creatures with little tentacles.

Grim: On second thought, go on with your fun. (Laughs Nervously) I mean who am I the fun police?

Numerous little Billy creatures came out and screamed ferociously and they went at Grim.

Billy: Tickles. (Laughs)

Grim screamed as they chased him and mauled him all over.

I blasted the creatures with fire and incinerated them.

Me: I think I'm gonna be sick.

Renee: Me too.

Grim: Someone answer the phone.

Me: (Gets an idea) I have an idea.

Back at the estate, everyone was watching TV.

William: (to Maria) Hey, Maria. While we're waiting for J.D. and Renee, you wanna make out?

Maria: You bet I do!

They got to kissing.

The Phone of Cthulhu rang on the emergency line.

Nico: I'll get that.

Nico went to the Phone of Cthulhu in the basement and answered it.

Nico: Team Loud Phoenix Storm basement. Nico Speaking.

Grim: Nico thank goodness you're all right mon.

Nico: Same to you Grim.

Nico then saw a head stick through the phone receiver and he backed away and saw Grim come through it.

Nico: WHOA! Grim are you alright?

Grim: I'm fine.

Me: (On the phone) Grim are you through?

Grim: Yeah I'm here.

Me: Good. We're going after Cthulhu and we're going to make sure he never harms anyone again. We are going to make sure he pays for his crimes before he wipes out the entire human race.

Grim: Just remember: Never look directly into the face of Cthulhu or he will drive you mad.

Me: I get pretty mad already. But if I don't make it, tell Nico to lead the team in my place.

Grim: Will do mon.

I hung up.

Billy: Break time guys! Lets have a cup of mud and get really wired!

Mandy: They let you drink coffee?

Billy: No just mud.

He drank it.

Me: Ew. Billy lets go meet Cthulhu. We have to stop him.

Billy: Okay.

We went to a golf course and there we saw CTHULHU!

---

Cthulhu is the main antagonist of the Season 5 episode "Prank Call of Cthulhu" in the cartoon series The Grim Adventures of Billy and Mandy.

Prank Call of Cthulhu

He was awoken by Billy and Irwin when they were making prank calls to the Endsville citizens. When he was awoken, he pulls the two boys into his world, but when he realizes how good they were with making prank calls, he gives them the job of sending cursed phone calls to people throughout Endsville, and they were all turned into horrible tentacled monstrosities as a result. When Mandy discovers this predicament, she goes to Cthulhu's world and confronts him. Cthulhu was shown casually playing golf at the time of her visit and he immediately tried to attack her after she had infuriated him. Mandy tricks him into hearing his own cursed message, and he's sucked into the phone himself. He attempted to get through a phone while Grim was on it, but Mandy stops him, and Grim smashes the phone to bits, thereby causing Cthulhu to be trapped in the phone lines for eternity. However, Cthulhu didn't seem as upset over his situation, since he continued to play golf as if nothing had happened.

---

Billy: That's him guys! That's Cthulhu.

Me: He sure is ugly looking. But he's nothing like the one I saw in the books.

Renee: Yeah no kidding.

Me: I will say this though. He is a really good golfer.

Renee: Yeah.

Me: All right leave this to me and Renee.

Renee: Lets get him!

Me and Renee fired a massive energy blast and completely obliterated him from existence forever and super-hakaiing him from existence forever.

Me: YEAH!

Then the cursed calls of Cthulhu were stopped and everyone that was cursed was back to normal.

Billy: YEAH! Way to go guys!

Irwin: We're back to our normal selves again yo!

Me: Thank goodness. Sorry you guys had to go through all this. Lets head home.

I pulled out my phone and called home and we were pulled through the phone and we were back home.

We crashed onto the floor.

Me: OOF! Ow.

Renee: Man that was close.

We came back into the living room.

Nico: You're all okay!

Gears: Please tell me that you guys took Cthulhu out.

Me: We sure did. This was an epic adventure.

Lola: Boy no kidding.

Twilight Sparkle: Thank goodness you're all okay.

Sunset Shimmer: Yeah.

Rainbow Dash: J.D. you have webbed feet?

Me: Yeah it's the reason why I never take off my shoes. I was born with webbed feet. But thank goodness you all are okay.

Lori: What was Cthulhu like?

Me: The ugliest creature I've ever seen. But he was a great golfer. If he weren't so evil he would make a great golfing partner for you Lori.

Lori: Wow! I didn't know he liked to golf.

Me: Yeah.

Renee: But thank goodness he will never bother anyone again.

Nico: Yeah thank goodness.

Mandy: And Billy?

SMASH!

Mandy punched him in the face.

Mandy: That's for endangering the world.

Me: Mandy he has been through enough already.

---

When it was done everyone that hadn't heard about it was shocked!

Camie: WHOA! That is crazy that Cthulhu did all that.

Me: I know! We were shocked that Cthulhu ran a prank call enterprise.

Xenia: Wow! That was crazy.

Camie: That is crazy.

Me: Yep.

Nico: Right now, let's enjoy the peace and quiet.

Me: Yeah.

But then our peace was interrupted by the load sounds of cacophonous music!

CACOPHONY MUSIC!

IT SOUNDED LIKE A MONKEY GRINDING ITS FINGERS ON A CHALKBOARD!

Nico: WHAT THE FUCK IS THAT!

Lola: (SCREAM!) THAT HURTS MY EARS!

May: WHO'S DOING THAT?!

Me: Wait! I know that nightmarish Keytar playing anywhere. Look!

We saw Oskar Greason.

Nico: Who's he?

Me: Oh that's Oskar Greason. We met him before when we had the humiliations for Peter and Lois. He sits in his car and plays music.

Nico: Wow! I think I met him once.

Me: Yep.

We went over.

Me: Hey Oskar!

Oskar Greason: Whasup J.D.!?

Me: Not much. Just here having some fun and having a great rescue.

Oskar Greason: Cool Cool. Want to hear a song?

Nico: Sure.

Oskar: [singing]

Mom, don't tell me what to do

I don't have to listen to you

I don't have to follow your rules

I'm gonna live in my car at the school, hey, hey!

[plays keyboard solo with his tongue]

Nico: That's good. But why is it about his mom?

Me: Oskar hates his mom for some reason and I don't know why. But it's none of my business. He said he doesn't like to talk about it.

Nico: Oh.

Me: Yeah.

Oskar: What do you think guys?

Me: Rockin job dude! Sorry we haven't seen each other in a while. You know how busy we are saving the world and the universe.

Oskar: It's cool

Nico: Yeah. If I may ask and I know you don't like to talk about it but why don't you like your mom?

Oskar Greason: Trust me. You don't want to know.

Nico: Okay. I understand.

Me: What's been happening with you these last few years?

Oskar: Oh been busy making my songs. It's good money.

Me: Awesome.

Oskar: Yeah. Heard you guys have been taking care of the jerks running loose.

Me: Yeah we sure have.

Oskar Greason: For now, just be glad you got rid of Mindy.

Nico: Yeah thank goodness.

Me: Yeah. See ya round Oskar.

Oskar Greason: You too guys.

We walked on.

Marco Diaz: Star once had a crush on him before me.

Nico: Really?

Marco Diaz: Yeah. It was crazy.

Star Butterfly: Yeah. But that's in the past.

Lincoln: Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: Sam, are you familiar with someone by the name of James?

Sam Simpson gasped in shock.

UH OH!

Sam: Oh no. Not him. No.

Me: Sam?

Nico: Sam…?

Lincoln saw tears in her eyes.

Me: Sam are you okay?

Lincoln: Sam, what's wrong?

Sam: I think I should tell you about him, Lincoln. But, I know you're going to get pissed off at him.

Sam proceeded to tell Lincoln and all of us about James, and he was one nasty piece of work: apparently, he was Sam's ex-boyfriend, but he was absolutely pure evil, he manipulated Sam into stealing the invisibility formula and left her heartbroken as soon as he revealed his true colors.

---

James appeared in "Evil Boyfriend", posing as a foreign exchange student at Beverly Hills High. After failing to steal an invisibility liquid from a top secret military installation, he manipulated Samantha into stealing it for him, attempting to kill Alexandra and Clover.

Alex and Clover caught up to the duo and forced James to reveal himself as the true villain. He hurt Sam's feelings by saying "I'd never date someone so pathetic." Samantha felt betrayed and said, "You're not a criminal, you're my boyfriend", showing denial.

After revealing his plan, he drank the invisibility serum and became invisible to abduct the President in Washington D.C. while the girls pursued him. James successfully found the President and as he was confronted by the girls, he took the President hostage by forcibly making him drink the invisibility serum and escaping. The girls manage to fight him in the fountain while he is still invisible and his naked body is translucent. He is ultimately defeated by the spies in combat. At the end of the episode, Jerry arrives with the antidote to make James visible again which is administered while Clover and Sam hold him back. After Samantha calls him pathetic like he called her when he thought his plan was reaching fruition, James is arrested and led away to a WOOHP van to be sent to prison.

---

When Sam was finished, we were pissed off.

Me: That motherfucker!

Applejack: WHY THAT LOW-DOWN MONSTER!

But, Lincoln, HE GRITTED HIS TEETH SO HARD, HE CLENCHED HIS HANDS SO TIGHT, HIS GOLD-ARMORED CLAWS DUG INTO HIS PALMS AND DREW ACID BLOOD AND DROPS OF IT HIT THE GROUND AND SIZZLED, AND HIS BODY TURNED RED WITH ANGER, AND THEN… !

STEAM WHISTLES!

TTTTTTTTTOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

STEAM BLEW OUT OF HIS NORMAL EARS AND LARGE WOLF EARS ON TOP OF HIS HEAD, AND THEN, HE LOST IT!

Me, Nico, Eli, Varie, Qin, Camie and Zarya: UH OH!

Leni, Luna, Laney, Lucy, Luan, Lola, Lisa, and Rita: UH OH!

Lincoln: (WOLF GROWL) (ENRAGED SCREAM) HE DID WHAT?! WHY, THAT HEARTLESS, TWO-FACED, BACKSTABBING, HEARTBREAKING, SIDEWINDING, VILE, DEPLORABLE PIECE OF SHIT! HOW DARE HE MANIPULATE ONE OF MY FUTURE WIVES FOR HIS OWN EVIL SCHEMES! I'M GOING TO TEAR THAT FUCKING BASTARD TO SHREDS FOR THIS, BUT NOT BEFORE I LAY DOWN THE LAW ON HIM IN A NASTY SEBASTIAN STYLE VERBAL ASSAULT! ONE THAT'LL MAKE HIM BLEED FROM HIS BUTT! (WOLF ROAR)

CLANG! CLANG! CLANG!

MY JAW, ELI'S, AND NICO'S JAW DROPPED TO THE FLOOR, AND SO DID LUNA, LANEY, LUAN, LOLA, LISA, LENI, LUCY, AND RITA'S JAWS, AND ELI CLOSED OUR JAWS!

Luna: Oh no. Now, he's gone and done it, after what she told us about that jerk, our bro's rage has now gone atomic!

Laney: James manipulated one of his future wives to do something like that, that's more than enough to piss off Lincoln!

Lola: (GULPS) And he's also serious about what he said, he's going to pulverize that jerk into the ground and give him a nasty Sebastian style verbal assault!

Me: UH OH!

Nico: From what we heard from the last verbal assaults from his mouth against NO MA'AM, Bubble Bass, Lewis Travolta, and Mindy, what Lincoln's got for that jerk, it's going to make him bleed from his butt! (SHUDDERS)

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: Along with hearing him yell like that, and I can't believe Sam's evil ex-boyfriend would do that to her. I hope you make his butt bleed with what you're going to say to him, Linky.

Lincoln: Let's go find that jerk and tear him apart!

Me: YEAH!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more

stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for James) AHA! Gotcha, you jerk! I just spotted James, he's 20 yards away and he's looking for Sam to get revenge on her.

Me: Nice. Now, let's head on over so you can punch him in the face and tell him off!

Lincoln: Let's get that jerk! (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and

powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on James.

Zoe Heard a Pokemon Cry.

Zoe: Hey guys look here!

We saw a Dachsbun!

Me: A Dachsbun!

Nico: Wow!

May: Oh it's so cute!

Dachsbun: I am really hungry.

We gave it some apples.

Me: There you are.

Dachsbun: Thank you.

She ate them.

Nico: Feel better?

Dachsbun: I sure am. Thanks to you guys.

Zoe: Want to come with us?

Dachsbun: Sure!

Me: Awesome.

Zoe: Great!

We were flying in the air, and we saw James, and he was looking for Sam to get revenge on her for foiling him.

Lincoln: No need for me to approach this cautiously, now that I'm this pissed off at that jerk, time to resort to brute force. (YELLS AT THE TOP OF HIS LUNGS) HEY, YOU JERK!

Lincoln fired a rainbow energy ball with elemental forces at James, and it exploded as it hit him, and he fired rainbow super lightning which electrocuted him, and that angered James as soon as he saw us land, and Lincoln was really really pissed off at him after what Sam told him about her evil ex-boyfriend.

Sam: I should've known you'd show up here, James. Looks like Xehanort broke you out to help in his schemes.

James (Totally Spies): Yes, now I can get revenge on you for ruining my schemes and throwing me in prison!

James ran at Sam to punch her, only for Lincoln to grab his left arm with his left hand, and he tightened his grip and made James feel pain.

Lincoln: DON'T YOU DARE LAY ONE HAND ON MY FUTURE WIFE, YOU PIECE OF SHIT!

Lincoln reeled his right arm back, clenched his right fist tight, and then… !

POW!

LINCOLN PUNCHED HIM HARD IN THE FACE AND GAVE HIM A BLACK EYE!

James (Totally Spies): AGH! YOU OVERGROWN FREAK!

Lincoln: (GROWLING FEROCIOUSLY) (DEEP SAPPHIRE EYES TURN RED)

Lincoln: YOU ARE ABSOLUTELY THE SCUM OF THE EARTH, YOU'RE A PILE OF TRASH WHO USES INNOCENT GIRLS FOR YOUR SELFISH SCHEMES AND DUMPS THEM LIKE A BROKEN TOY! YOUR MOTHER WAS A POLAR BEAR! YOUR FATHER WAS A FIGURE SKATER WHO SMELLS LIKE LYNN'S DIRTY OLD GYM SOCKS AND SMELLY GYM CLOTHES!

AND JUST AS LINCOLN SAID, HIS NASTY SEBASTIAN STYLE VERBAL ASSAULT MADE HIM BLEED FROM HIS BUTT AS BLOOD SPEWED OUT! BUT THAT DIDN'T END THERE!

Lincoln: (ROARS AND SPEWS FIRE AT HIM AND HE WOUND UP GETTING BURNED)

WE FREAKED OUT AND DID MASSIVE WILD TAKES!

James (Totally Spies): Ouch.

Sam was rolling on the floor laughing hysterically, and so was Clover and Alex.

Sam: (LAUGHING HYSTERICALLY) OH! OH MAN, NOW THAT WAS ONE AWESOME AND REALLY POTENT RANT! YOU TELL HIM, LINCOLN!

Clover: (LAUGHING HYSTERICALLY) THAT, OH MAN, THAT WAS WAY TOO HILARIOUS!

Alex: (LAUGHING HYSTERICALLY) NOW, THAT'S WHAT I CALL PAYBACK!

Loona: Holy… shit.

Tayuya: That… was… so… FUCKING AWESOME!

James (Totally Spies): YOU! YOU!

Sam: Alright, looks like you're heading on a one-way ticket to Painsville, James. You better be ready for Hell.

Me: And it's going to hurt! Big time!

Nico: I have something to say to you from your mother.

James: (Totally Spies) My mother?

Nico: (Clears throat) (YELLS AT THE TOP OF HIS LUNGS!) YOU HAVE A GIANT BUTT!

He was blown back by Nico's voice and smashed into a rock.

Suddenly, Sam's emerald green eyes turned neon emerald green and she was surrounded by an emerald green and orange energy aura with stars, fire, flames, wolves, phoenixes, and angels, she unholstered her massive Wepwawet's Emerald Fire Sword of Espionage Justice from her back, and as she approached James, she left green and orange energy, stars, fire, flames, wolves, phoenixes, and angels with every step.

Sam: I'd hoped never ever to see your stupid face again, James. But, of course, Xehanort has a way of always trying to piss us off to no end. Well, I've had enough of you, I hope you're ready for the buttkicking of your miserable life.

Suddenly, Sam was surrounded by a massive vortex of green and orange energy with stars, fire, and flames surrounding the vortex, there are wolves, phoenixes, and angels flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at James: the red eyes of eternal judgement.

Lincoln: WHOA!

Me: Last time Sam transformed was against Sabertooth, now she's transforming against her evil ex-boyfriend. Just remember this, you jerk.

Me, Qin, and Nico: PAYBACK'S A BITCH!

Then, as the vortex faded, Sam emerged, but she was changed

forever.

We were amazed by Sam's Super Angel-Fire Wolf-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when James saw it, he went ballistic and charged at her to kill her, but Sam fired a massive barrage of green and orange energy, stars, fire, flames, wolves, phoenixes, and angels which hit James and he got burned badly, he got back up, but now, he was really mad.

Sam: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Emerald Inferno Firestorm Almighty Wepawawet True Immortal Egyptian Blaze Fire Wolf Phoenix God Angel and Divine Cosmic Eternal Harmony Emerald Inferno Firestorm Almighty Wepawawet True Immortal Egyptian Blaze Fire Wolf Phoenix God Angel Love) That's just for starters, James, you messed with me and now you're going to get burned.

Ophelia Orb: Along with getting your ass kicked hard by us.

Suddenly, Ophelia Orb's dark blue eyes turned neon dark blue and she was surrounded by a dark blue energy aura with stars, the forces of nature, phoenixes, and angels, and as she approached James, she left dark blue energy, stars, the forces of nature, phoenixes, and angels with every step.

Ophelia Orb: After everything that Sam told us about you, I wasn't surprised that Lincoln went apeshit on you and told you off in the most violent way possible, you make me sick to no end, now you're about to get your just desserts, you piece of crap.

Suddenly, Ophelia Orb was surrounded by a massive vortex of dark blue energy with stars and the forces of nature surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at James: the red eyes of eternal death.

Me: HOLY SHIT! Now, Ophelia's going to transform!

We were amazed by Ophelia Orb's Super Angel-Ultraman Orb Embodiment-Orb Avatar-Ultraman Orb Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic blush on my face, hearts in my eyes, and my nose was bleeding. But, when James saw it, he charged at her to kill her, but Ophelia Orb fired a massive barrage of dark blue energy, stars, the forces of nature, phoenixes, and angels which hit James and exploded and sent him flying into a tree, he got back up, and now, he was madder than ever.

Ophelia Orb: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Ultraman Orb Embodiment Nature Force Fury Ultraman Orb Dopant Avatar Phoenix God Angel and Divine Cosmic Eternal Harmony Ultraman Orb Embodiment Nature Force Fury Ultraman Orb Dopant Avatar Phoenix God Angel Love) Now, all that's left is for Regina to transform.

Regina McArthur: (Australian Accent) And then, we can get started with kicking your butt and sending you to someone who's going to enjoy tearing your hide into pieces.

Suddenly, Regina McArthur's blue eyes turned neon blue and she was surrounded by a blue energy aura with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels, and as she approached James, she left blue energy, stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels with every step.

Regina McArthur: (Australian Accent) After everything that Sam told us about you, I wasn't surprised that Lincoln went apeshit on you and told you off in the most violent way possible, you make me sick to no end, now you're about to get the beating you deserve, you piece of crap.

Suddenly, Regina McArthur was surrounded by a massive vortex of blue energy with stars, snow, ice, snowflakes, and ice crystals surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at James: the red eyes of eternal death.

Nico: HOLY SHIT! Now, Regina's going to transform!

Qin: I hope she gives that piece of shit a really nasty case of frostbite!

Then, as the vortex faded, Regina McArthur emerged, but she was changed forever.

Regina McArthur grew to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large ice blue planets orbiting around her legs, she has the body of a goddess, she has light blue highlights in the bangs of her long ice blue hair and large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon blue eyes and a blue energy aura with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Regice emblazoned on her forehead and Third Eye with blue iris, she has on phoenix earrings with ice blue gems for eyes and holding the Star, Snow, Ice, and Eternity Kanjis in its claws, she also has Regice with ice blue gems for eyes and holding the Star, Snow, Ice, and Eternity Kanjis in its claws for the second pendant along with the gold dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace below her ice blue dragon-shaped Element of Harmony with ice blue crystal links from her merged Crystal Necklace of the Buddha and ice blue gems on the gold flame links and she has on a white and gold-accented Elemental Dragon Choker of Eternal Love on her neck. Regina McArthur has on a sleeveless ice blue vest, sleeveless ice blue crop top, ice blue skirt, ice blue pants, ice blue legwarmers, dark blue sneakers, and long sleeveless white trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails and on the back is Regice surrounded by snow and ice and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a ice blue gem with neon glowing ice blue lights equipped with recognition of her and fits an infinite number of items and components for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Regina McArthur felt a sharp pain on her back, and then, her massive blue angel wings with light blue tips on the large blue feathers grew much larger for her new body and medium sized blue angel wings with light blue tips grew and sprouted out underneath her massive blue angel wings, and she now has eleven massive and long ice blue wolf tails with neon light blue tips and neon light blue markings, Regina McArthur has on a Ring of The Phoenix with ice blue gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on black fingerless gloves with gold-armored claws on her fingers and smaller planets orbiting around her fingers like rings.

Suddenly, Regina McArthur's greatsword and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of blue energy, stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels, and when it emerged, it was transformed into Regina McArthur's Cosmic Eternal Harmony Arctic Snow Ice Storm Fury Regice Phoenix God Angel Greatsword of Cosmic Eternal Harmony Arctic Snow Ice Storm Fury Regice Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded ice blue gems and Regice etched on the 7'9" massive, wide, double-edged gold blade, large gold phoenix heads with blue gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large blue gems embedded in the foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of The Magic of Friendship, longer midnight black handle, four large gold phoenix heads with blue gems for eyes and in their mouths and large gold phoenix head with blue gems for eyes and large blue gem in its mouth on the bottom of the gold phoenix heads for the pommel, she has on her new large gold Bracers of the Champions of The Universe with dark blue gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on the left gold Bracer, large gold Belt of Elemental Bravery with a gold version of Regice's head with blue gems for eyes and large blue gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. Nico: Feel better, Sam?

Sam: I sure am.

Me: Awesome.

Sam: Lincoln, thanks for telling that jerk off. I hated him so much for what he did.

Clover: We all hated him for what he did.

Alex: Vypra's already going to handle him. But, now we know who we're facing later today.

Lincoln: That murderous psychopathic spoiled brat, Mandy. I'm going to tell her off in the same way I told James off, I still harbor anger towards her for what she did to you three years ago, so I'm really going to let her have it.

Me: Nice.

Nico: Make that bitch's ears and her butt bleed, Lincoln, she deserves no fucking mercy for all the crap she's done in the past.

Lincoln: You can count on that.

Nico: Yeah!

Qin: Mandy is going to pay for her crimes.

Star Butterfly: That is for sure!

Me: But I did not expect James to summon an army of robots and mercenaries and bounty hunters.

Nico: Me neither.

Samurai Jack: It was just like old times.

Me: Yes it was.

Nico: Even Amaretto cake?

Dachsbun: I LOVE Amaretto cake.

Nico: Wow!

Poromon: Good enough for me.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Me: That was still fun though.

Nico: Grim, how exactly did you, Billy, and Mandy get out of that clown head?

Grim: (Jamaican accent) Some things are not meant for the ears of immortal or mortal beings.

Billy: We got out by going through its butt!

WHAP!

Mandy slapped Billy across his face and knocked out a tooth

Mandy: But yes. It's true

Nico: (Disgusted) Ew.

Grim: (sighs) Yes, Mon. It's true.

Me: Oh boy.

Qin: Yuck.

Nico: Nothing to be ashamed of, Grim.

Grim: You're right mon.

Qin: We still had fun though.

Nico: Jerry's having WOOHP agents search for Mandy right now. He'll tell us if he's found anything

Me: Okay. And when he does we'll be on our way.

Xenia: Yep. Watch out Mandy.

Me: Xaikora has a special cell in solitary confinement with your name on it.

Camie: Yep.

Nico: But when we finds anything, he'll WOOHP us to his office

Sam: That will be awesome and fun.

Stacy Bolton: That is my favorite thing about it.

Camie: That is cool.

Qin: Yep.

Maria: Should we be worried about what Mandy might pull?

Nico: She's a wanted fugitive. What's the worst that can happen?

Me: Please don't ask that question.

Nico: Sorry.

Me: No worries.

Nico: It's a good thing we got rid of that phone, huh?

Me: No kidding.

Qin: Yeah.

Xenia: That was a crazy adventure.

Me: Poromon don't even think about it.

Poromon: Oh right.

Poliwag: Can you blame him? He's made of bread!

Dachsbun: I may be made of bread but I'm still a pokemon.

Qin: Yeah.

Poromon: Oh you're right.

Poliwag: Later, me and the others are gonna run some errands

Nico: (Suspiciously) What kind of errands?

Poliwag: Oh just normal stuff.

Me: Can I come along too?

Poliwag: Sure.

Nico: Do I even want to know?

Me: (Shrugs)

Nico: (sighs) As long as you guys don't end up attracting an angry mob.

Poromon: Okay.

Nico: Good.

Eli: Now we can focus on other things. We got the anothers.

Me: Who is it this time?

Eli: (Concentrates) Whoa! We got Bonnie, Fung (Kung Fu Panda), Yellow Devil, Cyan Sung-Sun, Psycho Yellow and Jindiao (Kung Fu Panda).

Nico: Wow!

Me: So Star, Marco, Moon, Eclipsa, Venus and Meteora are up.

Eli: Yep. And the Anothers minus Bonnie are 2 people. But the Another Bonnie is 7 people.

WE GASPED!

Qin: WHOA!

Nico: The Another Psycho Yellow is probably as her monster form.

Eli: Yep.

Qin: Wow this is gonna be interesting.

Nico: Lets get ready.

Me: Okay.

Nico: There they are!

We saw Another Fung (Kung Fu Panda), Yellow Devil, Cyan Sung-

Sun, Psycho Yellow and Jindiao (Kung Fu Panda)!

Me: This will be fun.

Nico: Yep.

Another Psycho Yellow: It sure will.

Another Jindiao: (In a girls voice) Yep.

Nico: (GASP) Those voices.

They merged and split into two and reverted back and were the gene-slammers of Crocomire and Serris!

Nico: (GASP) Callie Norfair Crocomire and Ellie Aquas Serris!

Me: Wow! The gene-slammers of Crocomire and Serris.

Ellie Aquas Serris: That's right and it's awesome to see you again Nico.

Callie Norfair Crocomire: You are looking good.

Nico: Thanks.

Me: Can you tell us more about yourselves?

Ellie Aquas Serris: Sure. I'm Nico's friend from Marine Biology and we studied a lot about fish and the ocean.

Callie Norfair Crocomire: And I'm Nico's friend from Volcanology and we studied a lot about Earth's volcanoes.

Nicole: Awesome to meet two fellow scientists.

Callie Norfair Crocomire: Same here Nicole.

Ellie Aquas Serris: And before you ask the Another Bonnie is friendly but you are gonna be surprised seeing them.

Me: Okay.

Nico: Sorry we have to do this girls.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: Wait. Did you say them?

Ellie Aquas Serris: Yes I did. They are 7 girls merged into one Another.

Me: WHOA!

Nico: That is crazy!

Xenia: Wow!

Another Bonnie: It will be cool.

She split into seven and reverted back and it was the Embodiments of the Squirrel, Camel, Boar, Moth, Jackel, Parrot and Armadillo Dopants!

Me: (GASP) Melanie Squirrel, Chloe Camel, Bonnie Boar, Millie Moth, Jianna Jackel, Penny Parrot and Amy Armadillo!

Nico: WHOA! The Embodiments of the Squirrel, Camel, Boar, Moth, Jackel, Parrot and Armadillo Dopants.

Bonnie Boar: That's right.

Chloe Camel: Awesome to see you again J.D.

Me: Same here. These are the 7 Sisters of the Forest and they are the masters of said animals. I know technically Camels and Jackels and Armadillos live in the deserts. But they are the masters of said animals. Also they are all extremely acrobatic like Bonnie is as a cheerleader.

Bonnie: Wow that is awesome!

Penny Parrot: Yeah it sure is. Also I heard you're having problems with Sergio.

Me: Uch! Don't fucking ask. But Penny is known as the Parrot Whisperer. She can try to help Sergio get himself under control.

Nico: Whoa! That's cool!

Qin: That party bird needs to cool down.

Me: Yeah.

Penny Parrot: I'm the girl for the job.

Me: Awesome.

Zocks: (gets out Donbrothers gear) Did Swartz promise you anything?

Kaito: Because we can grant it instead. Zenkaiju Gear!

Kaito donned his Zenkaiju armor and Zocks got a Donbrothers blaster.

Bonnie Boar: No he didn't.

Jianna Jackel: We threatened to release the fury of the animals if he didn't let us go.

Me: Ooh nice.

Qin: Yeah.

Sougo (gets out Zenkaiger Rudewatch): I wish you luck in getting Sergio to behave.

Geiz (gets out Donbrothers Ridewatch): Because we WILL kick him off the team if he tries one more thing funny!

Sougo got ZenkaizerArmor while Geiz got DonMomotaroArmor

Nico: That's up to me only. But yeah Penny. Good luck.

Penny Parrot: Thanks. But I won't need the luck. I've dealt with thousands of parrots like him.

Me: It's true.

Nico: Wow! Okay then.

Lincoln: Lets separate you first.

We did so and Another Bonnie was separated.

Me: Lets do it!

Nico: (gets out Bonnie's Ridewatch) Time for cheerleader spirit!

May: (Gets out Yellow Devil's Ridewatch) These blocks pack a punch.

Maria: (Gets out Psycho Yellow's ridewatch) I'm Yellow and ready to smash!

Marco: (Gets out Fung's Ridewatch) HI-YAH!

They used the powers of Bonnie, Fung (Kung Fu Panda), Yellow Devil, Cyan Sung-Sun, Psycho Yellow and Jindiao (Kung Fu Panda) and blasted the Another all over.

Then El Jefe, Frank Archer, Evil Danger Mouse, Hurricane, General Woundwort and Paddywhack came.

Nico: WHOA! Nice team El Jefe.

El Jefe: (Spanish Accent) Gracias Amigo.

Nico: Denada.

Me: Sweet!

Keiichiro: That means my team is next!

Me: Yep.

?: Awesome!

Then Angemon came!

Nico: Angemon!

Angemon: (In a girls voice) That's right.

Nico: Angela Ange! Wow!

She reverted back and was a girl with brown hair, blue eyes, blue clothes, White Angel Wings and had a light spear in her hand and had Angemon in the middle of her forehead and on her skirt.

Angela Ange: Yep. Awesome to see you again Nico. I got this! (ECHOING) HAND OF FATE!

She fired a wave of energy and blasted the Another down and I caught the ridewatch and purified it.

Me: OH YEAH!

Gatomon: It's nice to meet you.

Angela Ange: Same here Gatomon.

Marco: Do you have any favorite memories of Nico?

Angela Ange: I sure do. When me and Nico went to the planet Aether and battled the powers of darkness there.

Me: WHOA! That is amazing.

Nico: Yep. It was cool.

Samus: Just like when I battled the Ing and Dark Samus the first time. That is awesome.

Nico: Yeah.

Nico and Angela hugged.

Nico: I've missed you.

Angela Ange: Same here.

We went back home

Caylee, Carly, and Lincoln have dealt with him before, and they also know he's wanted for the murders of dozens of people throughout the United States and the world, and the reason why he's known as an evil treasure hunter is because he's tried to steal many ancient treasures and acquire their power and continue on his murderous rampages, but his plans were ruined every time by Lincoln, Caylee, and Carly.

But, six years ago before Carly was murdered by Flip, Caylee, Lincoln, and Carly caught up to Josh, but before he could be caught, he made a hasty escape and disappeared never to be seen again. Now, a year later, we got word he's returned and he's after another treasure: a massive collection of necklaces called The Jade Necklaces of Shangdi. But, Lincoln and his harem are going to get to them, and then, we're going to pulverize Josh Trevino and take him back to the court to face trial for his crimes, and finally, death for all of the murders during his rampage.

Lincoln: Whoa, we're here in a treasure hunter's camp in China, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're not only there for a treasure hunt: but we're also going after an old enemy of me, Caylee Chronomaly, and Carly Chronomaly.

Caylee Chronomaly: (GASPS) You don't mean…?!

Lincoln: Yep.

Me: Who are you guys talking about?

Lincoln: Our old enemy is Joshua Trevino.

Nicole: Oh God, I knew it was him.

Caylee Chronomaly: And the rest of you aren't going to like this monstrous bastard one bit. Joshua Trevino is an evil treasure hunter and he's also the most cold-blooded murderous psychopath ever.

Carly, Lincoln, and I have dealt with him before, and he's wanted for the murders of dozens of people throughout the United States and the world.

Lincoln: And the reason why he's known as an evil treasure hunter is because he tried to steal many ancient treasures and acquire their power and continue on his murderous rampages, but his plans were ruined every time by me, Caylee, and Carly.

Me: That bastard's definitely a pile of garbage.

Lincoln: You said a mouthful, and six years ago before Carly was murdered by Flip, Caylee, Carly, and I caught up to Josh, but before he could be caught, he made a hasty escape and disappeared never to be seen again.

Star Butterfly: What a monster.

Lincoln: You said it, and now, a year later, we got word that Josh Trevino's back, and the treasure we got to get away from him is a massive collection of necklaces called The Jade Necklaces of Shangdi.

Nicole: I've heard of them. According to legend, Shangdi, the all-powerful god of Chinese mythology created a beautiful collection of jade necklaces and only a purehearted man can acquire the Jade Necklaces of Shangdi and gift the rest of the necklaces to his harem as a sign of his eternal love. So, that is what Josh is after. We need to get them before that bastard does.

Caylee Chronomaly: But, I have the one thing to help us get to the necklaces.

Caylee Chronomaly took out a Jade carved key.

Caylee Chronomaly: Follow me, I know where the Jade Necklaces of Shangdi are at.

We rushed to an ancient shrine, and Caylee Chronomaly put the key inside the keyhole and turned it, and when she did, the doors opened, and there we saw a massive collection of necklaces with jade beads and coiled dragon pendants carved out of jade: The

Jade Necklaces of Shangdi.

Lincoln: The Jade Necklaces of Shangdi.

Suddenly, The Jade Necklaces of Shangdi glowed with green light and went to Lincoln and his harem, and then, the necklaces wound up putting themselves on Lincoln and his harem, and they suddenly gained Shangdi's powers over light.

Lincoln: Whoa. Now, that was incredible, now we can hunt down Josh Trevino and make him pay.

We left the tomb to go hunt down Joshua Trevino and make that cold-blooded murderous evil treasure hunter pay for his crimes.

Nico: Now, where would Josh be hiding?

Lincoln: He won't be able to hide though, we're about to run into the next girl who's probably done something to piss off Josh and get him really mad.

Caylee Chronomaly: I've been waiting to get rid of that bastard for a very long time, now justice will be done and we won't have to see that monster again.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and black headband, yellow eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings that gave off the scent of majoram plants, she's dressed in a black long-sleeved jacket, white long-sleeved sweater, necklace with black gem for the pendant, black skirt, black stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, flowers, plants, phoenixes, and angels on the coattails and on the back is Aromage Majoram, holstered on her back is a massive darkness greatsword with angel runes etched on the 7'9" massive, wide, double-edged neon black blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the ten girls.

Lincoln: (GASPS) Maria Majoram, Gene-Slammer and Avatar of Aromage Majoram.

Maria Majoram: That's right, and I got the girls away from that psychopath. Once he had The Jade Necklaces of Shangdi in his possession, he was going to kill them to slake his thirst for blood.

Caylee Chronomaly: Sounds just like Josh to do something like this.

?: NO! THE JADE NECKLACES OF SHANGDI! GONE! YOU LITTLE BITCH, YOU, THAT WHITE-HAIRED FREAK, AND THAT BITCH SISTER OF YOURS ARE FUCKING DEAD FOR THIS, YOU HEAR ME! DEAD!

We heard a super mega enraged voice in the air, and we saw someone heading our way, it was a male with wild and crazy dark brown hair, tattered clothes, and he had red eyes of absolute insane hatred, murder, and powerhungry madness: it was Joshua Trevino, the evil treasure hunter and most wanted murderous psychopath.

Sylvester: Okay, time to beat this madman into the dirt!

Then, Lincoln tied him up with a rainbow energy straitjacket. We cheered as we holstered our weapons and powered down.

Josh Trevino: YOU THINK YOU'VE WON, YOU THINK THIS IS ALL OVER?! I'LL ESCAPE AND I'LL BE SURE TO DESTROY YOU ALL!

Lincoln punches Josh Trevino in the face and knocked him down.

Lincoln: Shut up already, Josh. Alright, let's get back home.

We got back home and Lincoln dragged Josh Trevino to the courthouse to stand trial for all of his crimes. In the end, the jury found him guilty and sentenced him to death. Lincoln dragged him outside and he tossed him into the air and fired a beam of light which incinerated Josh Trevino and sent him to The Black Abyss.

Lincoln: Good riddance, Josh Trevino, I never ever want to see your face again. (To Maria Majoram) And it's so good to see you again, Maria.

Maria Majoram: You too, Lincoln, it's been seven years since we last met.

Suddenly, Maria Majoram had her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Maria Majoram were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Maria Majoram: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Maria Majoram and hugged her, and Maria Majoram is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maria Majoram: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Maria Majoram, Gene-Slammer and Avatar of Aromage Majoram, she's Lincoln's Guardian Angel from Michigan, she was born with black angel wings, cosmic umbrakinesis, immortality, and mastery over powerful dark magic, and she also has the powers of Aromage Majoram because she Gene-Slammed herself into Aromage Majoram. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her black angel wings to let off the scent of the majoram plants. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a darkness greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Maria hates Luan with a blazing passion, and unlike Lori and Lola and just like Lynn and Lisa, Luan tried to ruin the scented candle business by using her very lethal pranks to destroy their headquarters, but just like what happened to Lori, Lynn, Lola, and Lisa, Lincoln put a stop to Luan's rampage and cleaned up her pranks, and Luan was caught by the police and she was forced to apologize and had to pay Verena and her partners $500,000,000 in damages for attempted destruction of property, and she earned Maria's hatred.

Nico: Sheesh, this trumps the $100,000 Lisa had to pay for destruction of private property.

Lincoln: What Lisa did was worse, but what Luan did, it trumped Lisa's rampage and because of her funding, that's why we charged her that amount. Be grateful I didn't increase it beyond, and now that you're here, Maria.

Lincoln leaned his head down the right side of Maria Majoram's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Majoram: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Maria Majoram with black gems on the gold lightning bolts and black crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented

Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Majoram: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Majoram.

Maria Majoram had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Maria Majoram's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Maria Majoram had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Airi Minakami, Karina Suzunone, Maika Ado, Makina Natsuyama, Noki Matsuyama, Rifure Shioran, Riri Nakayuma, Serika Tsumori, Stella Sachizuka, and Youko Hino from Feibaritto Sweet!

Lincoln: Oh wow, it's Airi Minakami, Karina Suzunone, Maika Ado, Makina Natsuyama, Noki Matsuyama, Rifure Shioran, Riri Nakayuma, Serika Tsumori, Stella Sachizuka, and Youko Hino from Feibaritto Sweet!

Nicole: So, those were the girls Josh was going to kill once he had The Jade Necklaces of Shangdi?! What a bastard!

Lincoln: He was the cruelest and sickest of my enemies, so glad we're rid of him. Are you girls okay?

Airi Minakami: Yes, we're okay, thanks to you.

Then, when Airi Minakami and the other nine girls saw who it was that saved them from Josh Trevino, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his

hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable

planets orbiting around his waist and an immense rainbow protective aura with swirling elements around him.

Airi Minakami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Airi Minakami: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Airi Minakami, Karina Suzunone, Maika Ado, Makina Natsuyama, Noki Matsuyama, Rifure Shioran, Riri Nakayuma, Serika Tsumori, Stella Sachizuka, and Youko Hino with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they heard of what happened with Lincoln and his harem acquiring The Jade Necklaces of Shangdi, and they were shocked to find out the villain we went after was evil treasure hunter and murderous powerhungry psychopath, Joshua Trevino.

But, when Lincoln showed what we all did in beating the crap out of him and bringing him to trial and then executing him after he was found guilty and sent to The Black Abyss forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Maria Majoram have a lot of catching up to do, now that they're back in town.

Maria: We just caught the trial on TV, we had no idea that you, Caylee, and Carly dealt with a murderous powerhungry piece of crap like him.

Lincoln: He was that dangerous, and he was one of my most vile and depraved enemies.

Nico: Was he even worse than J.D.'s old enemy, Oliver Talbol?

Lincoln: He was just as bad as Oliver Talbol minus having magic powers, but he was just as insane and powerhungry.

Me: Damn, Josh really trumped Oliver Talbol in terms of hunger for power and madness. Serves him right, he deserves to die.

---

After Lincoln and his harem acquired The Jade Necklaces of Shangdi and Lincoln and all of us beat down Josh Trevino and sent him to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Majoram saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven

massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maria Majoram: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Maria Majoram: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the

really big, really strong, and really powerful man we know today.

Maria Majoram: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: I took a look at Pentagram City, and just like Husk said, Xehanort had been sending Heartless to Pentagram City, but he and the others had taken them down and drove The Heartless out of Hell, and I even saw that Husk and Angel Dust gave the Heartless the finger.

Husk: You guys have given many fuckheads the finger and said way worse.

Nico: No complaints there, we sure did give many of those bastards the finger and cursed them out.

Me: True, you're right about that one.

Husk: But, none more so than Lincoln. And I thought I had a rotten mouth.

Selene Arcangela: Yeah, well brace yourself, Husk, Lincoln's got a lot worse to say to that spoiled brat, Mandy, later on today, and I wouldn't be surprised if Lincoln goes demonic on her.

Eli: If that happens, it's going to be a bloodbath.

Nico: From what we saw Lincoln do to James today, I can guess it.

Me: We'll keep an eye out, and I know it's going to get bloody.

Lori: Let's test it out.

Lori made a clone of Dark Lori who then threw a dagger at Selene Arcangela's face.

Dark Lori Clone: SUCK ON THAT, BITCH! AND ONCE I KILL YOU, THAT FUCKING TWERP IS NEXT AND SO ARE ALL OF YOU BITCHES! ALL WHO DEFY ME DESERVE TO FUCKING DIE! (LAUGHING INSANELY AND MALEVOLENTLY)

Lincoln saw it, and he was getting pissed.

Lincoln: (Demonic Voice) WHAT MAKES YOU THINK YOU CAN TREAT MY GUARDIAN ANGELS LIKE THAT?! EVEN WORSE, TREATING ME LIKE YOUR GODDAMN SLAVE! I'VE HAD IT, I'M GOING TO TEAR YOU TO SHREDS!

We saw Lincoln's sclera turn from white to bright red with slit pupils and his long wild shoulder-length white hair turn even wilder, and he went at the Dark Lori clone and he viciously tore at the Dark Lori clone and he really tore her apart and sent her soul to The Black Abyss, and he was covered in blood. Then, as soon as he was done, his bright red sclera changed back to white and his slit pupils changed back to round dots, and he continued his workouts and Selene Arcangela's cut on her cheek healed.

Me: Well, that proved Selene's point.

Vaggie: He's just as vicious as you when you turn into that, Charlie.

Charlie Morningstar: Only when I get that mad when someone does such cruel things to those under my care. But, wow, seeing it for myself, even I get scared myself.

Angel Dust: Which is something you might want to get used to if you want the hotel to draw in more business.

Me: If the yearly extermination comes, we'll get all the demons to The World Tree Estate, and the angels you described, will pay for what they've done.

Vaggie: I know. They need to answer for the destruction caused.

Nico: And they will. They're not like the angels we know, they're just genocidal monsters.

We got a shower, and then, Lincoln, Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta are heading to Wave Ocean.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Simulator Mistleteinn: Wow, so this is Wave Ocean. It sure is beautiful.

Lincoln: It sure is, Mistleteinn, and it's perfect for our first date. Shall we?

Lincoln, Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta are in your harem, Linky.

Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Mistleteinn, Simulator Lune, Yubina, and Universe 666 Delta, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Frosta: Another of Freakazoid's bad guys?

Nicole: Nope. We covered most of them. This timeis different. He should be in the City park.

Nico: Okay.

They went there and they saw SEA GOING SAM from the episode of Looney Tunes called Buccaneer Bunny.

Nico: Sea Going Sam!?

Nicole: Yep.

Tommy: He's a pirate, right?

Sea Going Sam: That's right! I'm a pirate! Sea Going Sam! The bloodthirstiest, shoot-em-firstiest, doggone worstiest buccaneer that's ever sailed the Spanish Main.

Nico: Oh yeah? Well here's an advanced notice: We're taking your treasure!

Me: And we're going to kick your big ugly fucking ass!

Sea Going Sam: WHY YOU STUPID VARMINT! I'LL KEELHAUL YOU FOR THAT!

Nico: Argh, matey!

Sea Going Sam: OOOOH! I'LL BLAST YOUR HEAD OFF FOR THAT!

Nico: Oh yeah? Come and try it Redbeard!

Nico went into a building and closed the door.

Sea Going Sam went and opened the door and he was greeted by a cannon in front of his face.

KRABANG!

It blasted him.

Nico: (From another building) YOOHOO Mr. Pirate!

He went to the building only for another cannon to face him.

KRABANG!

It blasted him too!

He was burned all over.

Nico: (From another building) Oh Redbeard!

Sam went to the building and thinking he was gonna fall for the same trick opened the door from a distance only for the door to reveal nothing. Then the other door opened and then…

KRABANG!

Another cannon blasted off in front of him and burned him bad!

Sea Going Sam: (ENRAGED SCREAMING!)

Me: (LAUGHS) That never gets old!

Nicole: Yeah good times.

Bugs Bunny: (LAUGHS) Yeah those were good times back then.

Tommy Himi: This is so fun!

Nico: YEAH!

Nico and Sea Going Sam clashed.

Tommy Himi: Time for some ice fun! EXECUTE! SPIRIT EVOLUTION!

He turned into Kumamon!

Kumamon: KUMAMON!

Frosta: Count me in!

?: (ECHOING) YELLOW CIRCLE!

A massive wave of earth slammed into Sea Going Sam and smashed him down.

Then out came Huanglongmon and a girl with yellow hair and blue clothes and had blue eyes and blue angel wings and had a tiara with the symbol of Volt Catfish on it and had a lightning sword in her hand.

Valerie Volt: Valerie Volt, Embodiment of Volt Catfish!

Kumamon: Wow! Awesome to see you Val!

Frosta: Yeah looking great!

Valerie Volt: You too Tommy and Frosta! Been a while.

Huanglongmon: (In a girls voice) Especially when it's one of my favorite characters running around.

Nico: Hailey Huanglong! Wow!

Huanglongmon: Yep. Awesome to see you again Nico.

Nico: (gets out Bonnie and Fu's Ridewatches) Time for this cheerleader to show some Saiyan power!

He activated them and fired energy blasts and smashed him all over.

Kumamon: (ECHOING) BLIZZARD BLASTER!

He fired snowballs from his rocket blaster and smashed Sea Going Sam all over.

Frosta fired waves of ice and blasted him all over.

Kumamon: Chill out!

Sea Going Sam: (ENRAGED SCREAMING) OOOOH! I'LL BLAST YOUR HEADS OFF FOR THIS!

Valerie Volt: Not this time!

She fired a wave of lightning and electrocuted him.

Hailey reverted back and was a girl with yellow hair, yellow eyes, yellow clothes, yellow angel wings and had a golden dragon in the middle of her forehead and Huanglongmon on her shirt and skirt and along her arm was the kanji for Golden Dragon of the Center and she had an elemental sword in her hand.

Hailey Huanglong: This will he awesome.

She fired blasts of fire and it hit Sea Going Sam and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOMMMM!

He was burned and waved the white flag of surrender and they got 30 moons.

Nico: YEAH!

They all high five

Nico: How did you meet Tommy and Frosta?

Valerie Volt: I met Tommy in the Digital World when he was battling Arbormon the first time and I helped him get the Wood Spirits back. Arbormon put up a big challenge.

Nico: Wow!

Tommy Himi: Yeah it was awesome though.

Valerie Volt: Yeah. And I met Frosta when she and the princesses were battling Hordak and his forces. It was awesome.

Nico: Nice! That is cool. Hordak and Skeletor are both dead and given the Black Gates now.

Valerie Volt: Good riddance.

Tommy Himi: Yep. Hailey what's your favorite memory of Nico?

Hailey Huanglong: My favorite is when me and Nico helped the Wizard Kamen Riders and we battled, I think it was Chigukaden Buildjick.

Eli: WHOA! That's the monster from the Magiranger VS Dekaranger movie.

Hailey Huanglong: That's right and it was fun.

Nico: That is cool! Yep. That was awesome and it was awesome.

Haruto: I remember that! That was cool!

Nico: Yep.

Nico and Hailey hugged.

Nico: I've missed you.

Hailey Huanglong: Same here.

Nico: Would you two like to join us?

Valerie Volt: We would be honored.

They came back and we cheered wildly for them.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and

soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Me: Okay we're off.

Cragger: Have fun with those errands!

Poromon: We will.

We went down to the surface.

Me: Okay what are you guys really up to?

Poromon: We're going werewolf hunting.

Me: Whoa! Wait. The next full moon isn't until the 26th, on the anniversary of the battle with Thanos.

Horsea: Yeah? Then explain why there are reports of werewolves.

Me: Good point. These must be werewolves that can appear at anytime with or without the full moon.

Horsea: Yep.

Me: Then it's time to go nocturnal.

I growled and turned into J.D. THE NOCTURNAL!

Me: (Beastly voice) YEAH!

We got to searching for werewolves.

We looked around and got into the forest and saw a bunch of werewolves!

Me: There they are.

Poromon: ATTACK!

We went at them!

Sobek Crocodile: I wonder how those errands are going?

Nico: Well it must be important. (MASCOT SENSES TINGLING) Uh oh. Mascot Senses tingling!

May: Uh oh!

Poromon: I survived being a Werewolf! I won't have anyone else suffering the same fate!

We slashed and mutilated and butchered the werewolves all over.

Nico: Lets go see what the mascots are doing.

They were off.

They arrived at the forest and heard a howl and a wolf roar.

Offroad: You guys hear that?

Nico: This way!

They got to the fight and saw us killing werewolves.

Nico: WHOA!

May: Werewolves in the day!?

Nico: These must be werewolves that appear at anytime even with or without the full moon.

Camie: Yeah.

Nico: And wait I heard there were reports of savage maulings of mysterious origins happening all over the city. So these must be them.

We killed the last of them.

Me: WHEW!

Nico: Errands huh?

Poromon: We can explain!

Me: Poromon filled me in and it was crazy. He didn't want anyone suffering the same fate like he did when he was a werewolf.

Nico: Good explanation there.

Lola: Yeah! But wow!

Nicole: I remember watching those movies Jack the Giant Slayer and Hansel and Gretel Witch Hunters. You guys have turned into Poromon and the Mascots the Werewolf Hunters.

WE LAUGHED!

Me: (Laughs) Hey that's perfect for them. We're sorry the mascots lied. But they didn't want people to suffer what Poromon went through.

Sideswipe: Still doesn't answer where those werewolves came from.

Me: I can answer that.

I went over to a corpse and showed a symbol on his shoulder. It looked like a Moon with the Sigil of Lucifer on it.

Nico: (GASP) Der Kult des Dunklen Wolfsmondes!

Me: It's a Werewolf Cult that I have been trying to find for a long time. They are from Germany and have the power to transform during the day and during the night with or without the full moon. Also their hideout was here in the forest. Poromon and the mascots found it.

Spring Man: Jerry should've reported in by now.

Poromon: Every second he waits is one more person Mandy hurts

Nico: Lets head back. But awesome job in taking down these werewolves.

Poromon: Thanks.

We went back to the estate.

---

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than the spoiled brat, Mandy, and she's causing havoc once more. When we saw it, we knew it meant trouble.

Lincoln: So, you decided to make your move, loser.

The alarm sounded.

Me: Uh oh.

Computer: Call from Jerry.

Me: Here we go!

Sam Simpson: It's WOOHPing time!

We were sucked in through the floor from a vacuum and we were heading to Jerry's office!

Stacy Bolton: WEEEE!

We crashed into the office.

Me: OOF!

Jerry: (dressed as Santa) Ho ho ho! Merry Christmas!

Nico: (laughs) You know what? I don't care if it's early. You look great dressed like that!

Jerry: Thank you Nico.

Me: Hello Jerry. Sorry we haven't talked in a while.

Jerry: No worries. But I just thought you should know that we found your old "Friend" Mandy. she's in Beverly Hills.

Me: In Sam, Clover and Alex's old neck of the woods.

Nico: Fitting and not surprising there too.

We saw the office decorated for Christmas.

Nico: Huh. The office already has Christmas decorations.

Eli: Nice.

Jerry: Yes you know how festive I like to be.

Me: So we see. We got your alarm before Lincoln could tell us his vision and mission. But I think we pretty much know what it's gonna be.

Lincoln: That's right. We're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today, the next jerks are none other than the spoiled brat, Mandy, and she's causing havoc once more.

Nico: Yep.

Me: Just as that jerk, James, said.

Nico: We get rid of Endsville's Queen of Losers, and now, Beverly Hills' Queen of Losers shows up to cause havoc once more. That's not going to happen. Lincoln, before we tear into her, you lay down the law on her in the same way you laid down the law on James.

Lincoln: You got it, Nico. I've been wanting to lay down the law on her for a very long time, now she's about to suffer dearly.

Jerry: Yes I heard about James escaping. I'm glad you caught him and Sam I'm sorry he hurt you like that.

Sam: I'm okay. Thanks to Linky here.

Me: Yeah. Now we can focus on Mandy.

Sam: She's been asking for it for a long time.

Clover: You said it.

Alex: We've had it up to hear with Mandy.

Caitlin: I hope Lincoln tears her apart verbally.

Dominique: And we broadcast this to the world along with our remaining jerks and Xehanort watching from the darkness.

Nico: Now, that's a great idea, Dominique. Looks like we're needing in good ol Beverly Hills, 90210.

Me: Then, that's where she's going to fall once and for all!

Nico: And if there are Militia waiting for us there, we'll deal with them. Alright, team, let's load up and get going, we got another loser queen to clobber!

Lincoln: She's not getting away with this, she's getting such a thrashing from all of us.

Nico: YEAH!

The previous group came.

Jack O Lantern: Can me, Pinky & The Brain, Black Adam, Kite Man, Jet, Golden Glider, Mole Man, Magneto, Toad and Melter go with you guys?

Pinky: I love the decorations here!

Nico: He sure did a great job and yes you all can come with.

Xenia: Yeah.

Camie: This will be good.

Clover: If anything we're going to the mall to face her.

Me: Fitting as well.

Strut: Nico, which Gene Slammer do you think you'll meet next?

Nico: This is gonna be a big one. Whamon next.

Me: WHOA!

Lola: Wow!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Shan Bu from World of Warcraft, the leader of the Shan'ze clan of Mogu and a herald to the return of Lei Shen, the Thunder King, and he's come to get revenge on us for killing Lei Shen. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone you're not going to like in the slightest. The figure we sensed belongs to Shan Bu, the leader of the Shan'ze clan of Mogu and a herald to the return of Lei Shen, the Thunder King, and he's come to get revenge on us for killing Lei Shen.

WE GASPED!

Lola: Uh oh. I should've known that with Lei Shen's death, one of his loyal minions are coming after us for revenge.

Phoebe Phthisis: Like Hell am I going to let him get away with this, we're taking him down after we take care of Mandy.

Lincoln: Right, Phoebe.

Nico: Hope you guys give that bastard what for. Alright, team, let's go, we're heading to Beverly Hills to take down Mandy.

Lincoln: The Queen of Losers is heading back to prison to be humiliated forever, and once we get done with her, you're next, Shan Bu.

Phoebe Phthisis: We're all aware of the crimes you've committed long ago, and we're not wasting this chance to take you down.

Me: Yeah. Anyway Jerry we're on our way.

Jerry: Good luck everyone.

Nico: Won't need it.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Beverly Hills and take down Mandy and send her to The Xaikora Prison to be humiliated forever, and once we get done with them, Lincoln and Phoebe Phthisis along with me are going to take down and destroy Shan Bu.

We were off to Beverly Hills, California

BEVERLY HILLS, CALIFORNIA

We arrived in Beverly Hills.

Black Adam: Here we are!

Me: Good ol Beverly Hills, 90210.

Nico: Yep.

Kit Taylor: I've always loved coming to Beverly Hills from time to time. It's my favorite thing to do whenever I'm not fighting bad guys as a Kamen Rider.

Nico: Really? Wow.

Me: Yeah it's always fun.

Sam: I hope our moms are doing good.

Clover: Yeah I missed my mom.

Mab Lobs: We should visit them to make sure they're okay.

Me: Good idea.

Nico: Yeah.

Laney: Look there!

We saw posters on the stores with Mandy's face with a no-sign in front of it.

Me: Whoa! So they banned Mandy from going into stores ever again.

Nico: Wow!

Sam: Yeah after her scheme with The Inventor she was officially made the most HATED monster in Beverly Hills and banned from everything.

Nico: WHOA! Geez!

Me: I'm not surprised. After everything she did, no one should ever sell or do anything for that monster lowlife ever again.

Nico: Yeah. If it were Lynn Loud then I would rip that sign down.

Lynn: Thanks Nico.

Stella (Totally Spies): Thank goodness you're here. Mandy is…

Clover: We know mom. Mandy the terrible is back.

Me: We got the message about 20 minutes ago.

Camie: We're going to send her to the Xaikora prison.

Carmen (Totally Spies): Xaikora prison?

Orla Orthros: It's a prison we built for Spoiled Brat mean girls.

Me: Yep.

We went in and talked.

Shred Naught: Thank God you guys are okay!

Carmen (Totally Spies): Yeah she hasn't touched us.

Me: Good.

Gabriella: And Lincoln how is our awesome future son in law?

Lincoln: Busy as always but doing great.

Golden Glider: Wanna help us stop her?

Gabriella: We would be honored.

?: Let us help too.

We saw Norman - Clover's little cousin and Madison - The daughter of the President of the United States. They had deadly laser weapons with them!

Norman: Agents Norman and Madison reporting for duty!

Nico: Glad to see you both in the field.

Clover: Madison and Norman are now spies too!?

Nico: It's okay Clover. Norman and Madison are now working for the O.S.S. They are now part of the C.I.A. Junior Spy Program.

Bad Juju: Didn't see that coming.

Nico: Yeah you usually don't when it comes to the C.I.A. I was right around Norman and Madison's ages when I started out for the C.I.A.

Madison: Yep. We're ready.

Nico: Okay. Lets go get spoiled brat charlatan!

Norman: YEAH!

Clover: Oh yeah!

Eli: She's heading for the mall.

Nico: Lets go. And stay alert for any militia.

We were off.

Melter: Stay close to us and stay away from anyone older than you!

Madison: Don't worry we got a lot of training in.

Me: Awesome.

Qin: Nice.

We were walking and kept our eyes out.

Grounder: I see some Militia troops… that look like the robots Jack fought before?

Scratch: Actually they are!

Grounder: I thought we fought them…

BLANG!

Grounder: OUCH!

Scratch hit him on the head.

Scratch: We did fight them before you dumbbot!

Me: Lets get them!

Nico: Everyone clear away! This is gonna get ugly!

Everyone got out of the way!

Star Butterfly: MAGNA NARWHAL BLAST!

She fired a huge energy blast and it formed a massive narwhal and bashed them all over!

Nico: YEAH!

Star Butterfly: HONEYBEE TORNADO SWARM!

She fired a massive blast of honey and bees and blasted the robots all over.

She fired a wave of yellow energy and it hit a bunch of Robots and exploded in powerful flowers!

Nico: YEAH!

He fired a massive wave of lava and melted the robots.

He fired a blast of Force Lightning and short circuited them and blew them to pieces!

Nico: NICE!

Camie: YEAH!

Marco: HIYAH!

He slashed and cut numerous robots all over.

Samurai Jack and Ashi slashed and destroyed numerous robots all over.

Magneto: This is too easy.

Magneto smashed them apart!

Nico: Take that!

The robots were all destroyed.

Me: That's it for those robots. HA! Nice try MAN-DAY! You're going to have to do a lot better than that.

Norman: YEAH!

Madison: That conniving witch!

Merrick: Let's read the memory of one of them to find out where Mandy is.

Lisa Loud: Already on it.

Lisa did so and we found her in the mall.

Lisa Loud: She's in the Beverly Hills mall.

Me: Lets go then.

Nico: Yep.

We went to the mall. We went in and looked around. Then we saw her and numerous people were scared of her as she was growling like a ferocious animal!

Jet: EVERYONE GET TO SAFETY!

Everyone ran.

Me: ENTRANCE TIME PEOPLE!

Nico: YOU HEARD THE MAN!

We went at her.

Mandy roared ferociously!

Mandy: WHERE ARE YOU LOSERS! I WILL KILL YOU!

Then the spirits of the spies of the world appeared and swirled around her.

(SAILOR MOON TRANSFORMATION THEME PLAYS)

The spirits swirled around her and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and a phoenix cry was heard and then we landed.

Me: Hello Mandy the Bitch!

Sam Simpson: It's Payback time!

Clover: YEAH!

Marvel Loki: (British Accent) I hope you don't mind. We let ourselves in.

Mandy: YOU! YOU STUPID MONSTER LOSERS! YOU WILL PAY FOR EVERYTHING YOU DID TO ME! YOU RUINED MY LIFE! I HATE ALL OF YOU SO MUCH!

Our auras flared up with tremendous force!

Nico: Thanks for the power boost you ugly disfigured old hag!

Mandy growled in rage and she ran at Nico and May punched Mandy in the face and knocked out some of her teeth!

May: NO ONE LAYS A HAND ON NICO!

KICK!

She kicked Mandy in the face and punched her in the stomach and kneed her in her nose!

KROW! BOOF SMASH!

Kite Man: See how you like this, bitch!

POW!

He punched her in her face!

Sam Simpson: YOU MAKE ME SICK MANDY!

POW!

She kicked her in the face and knocked out more of her teeth!

Disk Wars Silver Samurai: See how you do against my sword!

He slashed her all over the place.

May kicked Mandy in the face and knocked her down.

May: Using your family's reputation and your high class society lifestyle to get what you want and trading in on your looks? Read a book sister. That passive aggressive number went out long ago. Chicks like you give us women a BAD NAME!

Mandy jumped away and she punched at May and May dodged all of her punches!

May kicked her in the stomach and kneed her in the stomach and punched her in the nose and May kicked her in her stomach and Mandy belched out a huge amount of blood!

Me: Caitlyn, Dominique? Do you have anything you want to say to Mandy? Your former Best Friend?

Caitlyn: As a matter of fact, we do!

Dominique: Yeah! We got something to say to this hyena!

Brain: Your former friend's head is devoid of grey matter.

Lincoln: (confused) What?

Brain: (sighs) Her head is empty!

Caitlyn: Good one! But yeah!

Mandy growled!

Mandy: YOU MONSTER TRAITORS! I GAVE YOU EVERYTHING! I TREATED YOU 2 LIKE MY SISTERS! AND YOU BACKSTABBED ME! I GAVE YOU POPULARITY! I GAVE YOU POWER!

Mandee: They're sorry to disappoint you then!

While this was going on, Patrick was eating ice cream.

Caitlyn: You were NEVER our friend Mandy! You treated us like your slaves!

Dominique: You only cared about your needs! You didn't love us like sisters! We were slaves to you!

Mandee: That is not TRUE FRIENDSHIP! We learned that you have to treat all friends equally! And you have to show love and compassion and generosity to them! You only showed nothing but cruelty, hate and greed to get them!

Me: That is not what friendship is Mandy! Someone as heartless as you can NEVER Understand what TRUE friendship is!

Nico: That's right!

Me: You only thought of people beneath you as trash! You are no better than that MUTANT CHEAPSKATE FLIP!

Maria: Mandee's saying this because her name is pronounced the same as yours. It's actually funny when you think about it.

Nico: Except it's SPELLED differently.

Mandee: That's right! I have 2 E's in my name.

Mandy: I DON'T CARE! NO ONE TALKS TO ME LIKE THAT! I WILL KILL YOU FOR EVERYTHING YOU DID TO ME!

Me: You have no conscience Mandy.

Nico: You really are a heartless Psychopath!

Qin: You have no love for anyone but yourself.

Xenia: You should have been born penniless instead of rich!

Mandee: Also, I'm a much better friend to Caitlyn and Dominique than you!

Nico: YEAH!

Mandee: I treat them with love, kindness, and respect and treat them equally!

Mandy: YOU TRAITORS!

?: THE ONLY TRAITOR IS YOU!

We saw Mandy's mom Phoebe! But she was in tattered clothes and looked horrible!

Gabriella: Phoebe!

Me: Oh my god! You're homeless now!?

Mandy: WHAT!? MOM!? WE LOST EVERYTHING!?

Phoebe Luxe: THAT'S RIGHT! WE LOST EVERYTHING BECAUSE OF YOU MANDY! I SHOULD HAVE DISOWNED YOU BACK THEN FOR BEING AN ABSOLUTE EMBARRASSMENT!

Me: You already did disown her remember?

Phoebe Luxe: Oh yeah. Right.

Me: How did you lose everything?

Phoebe Luxe: It was because of this brat here! She tarnished everything! I should have realized that I was spoiling her rotten and she should have been treated better and should have been a better person. It's all my fault she became like this. Because of that she destroyed our family's reputation and we lost EVERYTHING! (CRYING)

Spoiled Rich went over to her.

Spoiled Rich: Oh it's okay Phoebe. I can help you get back on your feet. But we'll talk later after that.

Diamond Tiara: After we take care of this monster that was your daughter.

Me: Yeah. Mrs. Luxe, you're not to blame for how your daughter turned out. She became this way on her own accord. She made her bed, now she has to lay in it.

Nico: And the only way to do that is to send her to the Xaikora Prison!

Nicole: That's right!

Superman charged at her and punched her in her face and knocked her teeth out!

They fired waves of water and drenched her all over.

Sam punched her!

POW!

Sam: That was for all the times you humiliated us!

KROW!

Clover kicked Mandy in her face!

Clover: That was for framing me for shoplifting!

Alex kicked her square in the face and kneed her in the chin!

Alex: THAT WAS FOR SWITCHING MY REPORT CARD WITH YOURS AND ALMOST SENDING ME TO BOARDING SCHOOL IN ENGLAND!

Juran: Those 2 things happened?!

Sam: Yeah they did! It was before we joined you guys.

Me: SHIT!

Harry: (British Accent) If that happened, I would've gladly invited Alex to Hogwarts!

Alex: Thanks Harry. But to be honest I don't think I would have made a good wizard.

Nico: It's okay.

Harry: STUPEFY!

He used his magic and made Mandy dress up like Snape with stupid clothes!

WE LAUGHED HYSTERICALLY!

Qin: (LAUGHS) That is funny!

Nico: See-More, Mirror Master, Johnny 13, Absorbing Man, Bonz, Dayu, MetalSeadramon, Harpymon, David Cain and Zavok!

See-More: The one similarity between Mindy and Mandy is that they like to call people losers.

Johnny 13: Another similarity is that they're both going to be in the same jail.

Absorbing Man: Damn right!

Nico: YEAH THAT'S RIGHT!

Bonz: (to Nico) We heard you fought Sam's ex.

Nico: Yeah and we gave that jerk what for!

Mirror Master: (to Zoe Orimoto) You should take care of that Dachsbun

Zoe Orimoto: Oh I will.

?: I know you will!

A figure came out and it was HADES BEASTMAN BERSERKER KING GLÚM DO BRIDON from the Magirangers movie Bride of Infershia!

---

Seeking battle even in death, their undying souls cling to their King's armor. As Infershian legends say, should the King of the Hades Beastman Berserkers and a pure-hearted human girl marry, all the spirits trapped in the armor would be resurrected into the world.

Glúm kidnapped Yuka Yamazaki to be his bride in order to bring his army of Hades Beastman Berserkers into the world. He used the Puppet's Ring that absorbed the souls of humans to put Yuka under his control and make her love him. He wore a helmet that concealed his hideous face. As the type of Hades Beastman he is, once he becomes furious, spikes shoot out from his armor, even from his face plate and his strength and defense doubles. During the wedding, he wore a cape. He wielded a glaive that could also turn into a sword or gun.

His marriage would have been successful, if Kai Ozu hadn't intervened. He was consumed by his minion Ultra Hades Beast Living Sword to become Sword of Glúm, only to be killed by SaintKaiser, with MagiDragon and Magical IronMan Travelion's aid.

---

Eli: WHOA! Hades Beastman Berserker King Glúm do Bridon! I remember you! You kidnapped Yuka to be your bride to bring your army of Berserkers into the world.

Me: Wow! An unadapted movie villain! That is cool!

Qin: Yeah it sure is.

Me: We've been battling Japanese Power Rangers Movie villains these last couple of days. It sucks knowng how many monsters didn't make the cut here in America.

Hades Beastman Berserker King Glúm do Bridon: I know! What a rip!

Me: Tell me about it.

Hades Beastman Berserker King Glúm do Bridon: Too bad I wasn't adapted in America.

William: It would've been nice for Nick and his team to fight the American versions of the Berserkers.

Nick Russell: I know! What a rip!

Me: Yeah no kidding! That would have been so awesome.

Nico: Yep. Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

We got the battles underway!

We were amazed by Phoebe Phthisis' Super Angel-Rage Shenron Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Shan Bu saw it, he fired blasts of lightning at her to kill her, but Lincoln absorbed the lightning blasts and it made him stronger than ever, and Phoebe Phthisis fired a massive barrage of dark green energy, stars, haze, pollution, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels which hit Shan Bu, he got back up, but he was enraged.

Me: No way, did Phoebe just transform?

Lincoln: She did, now, we can tear Shan Bu apart and make him pay for everything.

Lincoln, Phoebe Phthisis, and I went after Shan Bu, and we fired extremely powerful blasts of rainbow energy, dark green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Shan Bu, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Phoebe Phthisis also did the same by firing dark green energy slashes from her massive greatsword, and he, Phoebe Phthisis, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and that made Shan Bu angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon

Lincoln turned the tips of his eleven massive and long wolf tails into Cell's stingers and he stabbed them into Shan Bu's chest and he began absorbing him and he was also assimilating Shan Bu's lightning powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sixed whit angel wings with aurora and orange tips spread out and his large gold halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Shan Bu and he banished him to The Black Gates. Everyone cheered wildly for what Phoebe Phthisis, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Phoebe Phthisis' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large dark green planets orbiting around her legs, smaller planets orbiting around her fingers, and massive dark green angel wings and medium sized dark green angel wings underneath are permanent.

Phoebe Phthisis: Reap what you have sown. Thanks for helping me take down Shan Bu, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Phoebe.

Me: My pleasure, Phoebe.

Suddenly, Phoebe Phthisis wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Phoebe Phthisis' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and haze behind them and we cheered wildly. Then, Lincoln and Phoebe Phthisis sucked in and absorbed the elemental forces and darkness and haze and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Phoebe Phthisis and hugged us.

Luna: No kidding dudes, you guys taught the clone of that lightning bug a lesson.

Luan: And you absorbed him and assimilated his powers.

Me: He deserved it. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Ramona Rosemary, Gene-Slammer and Avatar of Aromage Rosemary.

Selene Emperyous: I was waiting for that moment when you chose her, and you guys are going to love meeting her, Ramona Rosemary is Lincoln's Guardian Angel from Michigan, she was born with blue angel wings, cosmic hydrokinesis, immortality, and mastery over powerful water magic, and she also has the powers of Aromage Rosemary because she Gene-Slammed herself into Aromage Rosemary. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her blue angel wings to let off the scent of rosemary. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a darkness greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Ramona hates Chandler with a blazing passion, and unlike Lori and Lola and just like Lynn and Lisa, that sewage bastard tried to ruin the scented candle business by using his weapons that he'd gotten from his father to destroy their headquarters, but just like what happened to Lori, Lynn, Lola, Lisa, and Luan, Lincoln put a stop to Chandler's rampage and he and the other Guardian Angels beat the shit out of him and handed him over to the police and he was forced to apologize and his mother had to pay Verena and her partners $500,000,000,000 in damages for attempted destruction of property, and like with many of Lincoln's Guardian Angels who really hated Chandler, he forever earned Ramona's hatred.

Nico: Damn!

Me: I still remembered that incident all too well. Chandler really went way too far that day, and he really pissed his mother off when the news reached her.

Lincoln: And his sister was really angry at her brother even more, and she almost got that close to slapping him in the face.

Dayu: That'll show that loser.

Me: Yep. Good riddance. Now she has all of eternity to think about her crimes in the Xaikora prison

MetalSeadramon: And the Spies' moms weren't kidnapped.

Harpymon: No, they weren't.

Jerry: Good job today everyone. Another mission well completed.

Me: Thanks Jerry. That was awesome.

David Cain: We might as well celebrate here in the mall since we're here.

Zavok: Good thing Zomom isn't here to hog all the food.

Me: Yeah. No kidding. That's Number 6 of the jerks taken care of. Soon we'll face Xehanort and then our biggest mission will be complete.

Nico: Just hold on for 6 more days guys. Great job today everyone.

Sam Simpson: Yeah and Lincoln that was so awesome how you delivered an amazing verbal beatdown on Mandy and James!

Lincoln: Aww thanks Sam.

Lola: Yeah that was fun. (To the viewers) You mess with a girl's heart or their feelings and you're going to get your UGLY BUTT KICKED!

Me: Yeah you said it Lola!

We had a good celebration and then we went back home and rested and enjoyed the rest of the day before going to sleep.

Nico: Good ol Canterlot.

Lola: Yeah.

Nico: Awesome seeing this place.

Nicole: Yeah it sure is

Nico: Keiichiro, I want to thank you, El Jefe, and your teams for coming.

Keiichiro: Anytime Nico. This will be fun.

Inspector Gadget: It sure will be fun.

Nico: Inspector Gadget, remember when we first met you?

Inspector Gadget: How can I forget. That was a fun adventure.

Me: Yes it was. Especially because I had an old score to settle with Dr. Claw.

Sakura Knudson: I loved watching Inspector Gadget back when I was a little girl. So fun.

Camie: That was awesome.

Inspector Gadget: Yes it sure was. And Claw got away from me every time.

Me: Not this time. Now he is gone forever.

Nico: Yeah. Although we did fight him last December.

Qin: We sure did.

Me: Yeah. But that was still fun. And Wade said that Inspector Gadget was voiced by the legendary Don Adams.

Nico: That's right. He died back in 2005 right?

Me: Yep. He will never be forgotten.

Nico: Yeah.

Lola: I loved watching Inspector Gadget.

Me: Popular back during the 80s.

Xenia: Yeah. Inspector your niece Penny is one awesome and gifted girl.

Inspector Gadget: That she is Xenia.

Me: Yep.

Nico: Yeah. Man yesterday was awesome! We really socked it to Mandy!

Camie: Yeah we sure did!

Lola: Lincoln REALLY Laid down the law on that conniving witch!

Nico: We had fun fighting Mandy yesterday.

Me: We sure did.

Qin: Now she's in the Xaikora prison forever with Mindy.

Me: I was not expecting her former mother to be there though.

Lola: Or the Phantasm!

Nico: Yeah! And she didn't kidnap the Spies' moms like she did before.

Qin: Thank goodness.

Me: Yeah at least she didn't do a repeat performance like last time.

Camie: What was the first time?

Me: It's what got her sent to prison permanently. She worked with an evil mad scientist named the Inventor. Long story.

Camie: Oh.

Nico: Yeah. But I did not expect Phoebe to lose everything because of Mandy.

May: Karma REALLY bit them hard in the butt.

Nico: Yeah. How's Phoebe right now?

Apple Bloom: Spoiled Rich gave her a lot of food and an amazing job working for Diamond Tiara's dad. She's getting back on her feet and slowly earning all the money she lost back.

Nico: That's great! I guess she learned a really huge lesson.

Xenia: Yep.

Me: Yeah no kidding. Oh guys Drakus found an X-Squad version of Mandy and had her put into the M.O.E. I hope that's okay with all of you.

Nico: Canterlot sure is doing great.

Qin: It sure is.

Twilight Sparkle: I agree there too.

Camie: Yeah.

Nico: Let's just enjoy the peace and quiet.

Me: Yeah. (Sees something) Huh?

I saw something in an alley and it was a poster.

Me: Equestria Badlands Bounty Hunters Convention?

Nico: Uh oh.

Me: I wonder what this is for.

Lincoln: It's for this rescue. Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: I just got word that a clone of Diamond Tiara's mom, Spoiled Rich, has been sighted, and even worse, she's placed a hit on Princess Celestia.

WE GASPED!

Me: WHAT THE?!

Nico: A clone of Diamond Tiara's mom is here, and she placed a hit on Princess Celestia?! If this was Xehanort's doing, I'm gonna… !

Suddenly, Princess Celestia arrived.

Princess Celestia: It wasn't him, Nico. I asked Lincoln to check that out.

Lincoln: Right, and I found out this clone of Spoiled Rich was created by an old enemy of mine from the past, her name is Mara Blackwell, she's a really sadistic, black-hearted, sick, twisted, depraved, cruel, ruthless greedy gangster who controls a vast criminal empire that specializes in drug distribution, weapons dealing, prostitution, human trafficking, murder for hire, and murder. We've been after her for eight years, and we brought down most of her empire, but she'd rebuilt her empire from within the shadows, and now, she's focused on getting revenge on me and pissing me off.

WE GASPED AGAIN!

NOW, WE WERE PISSED!

Eli: That bitch!

Me: I remember her all too well, of all the gangsters that lurked in the city, she was the most cruel and ruthless of all of them.

Lincoln: After we take care of that clone of Spoiled Rich, I'm going to make sure I get rid of Mara Blackwell once and for all.

Nico: Hope you make her suffer.

Me: Yeah!

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: We did, so, that ruthless gangster bitch, Mara Blackwell, was behind this. I thought she'd died at the hands of other gangsters, but she remained hidden in the shadows and rebuilt her empire. We're not letting her off easy after we deal with our current trouble.

Me: Yeah!

Camie: What's a Bounty Hunters Convention?

Me: It's where a bunch of Bounty Hunters and Mercenaries gather to discuss going after certain targets.

Princess Celestia: Yep and I'm gonna crash it.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the Spoiled Rich clone) AHA! Gotcha! I just spotted the Spoiled Rich clone, she's 20 yards away and she's heading for us right now with a bunch of hitmen to kill Princess Celestia.

Me: Let's tear her apart and tear her hitmen to pieces.

Lincoln: Then, we tear Mara Blackwell apart for that stunt that she's pulled. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Spoiled Rich clone.

Kim Possible heard a Pokemon Cry.

Kim possible: Look here guys!

We saw a Hisuian Arcanine!

Me: Whoa a Hisuian Arcanine.

Qin: Awesome!

Me: And the poor thing is hungry.

We gave it apples.

Hisuian Arcanine: Thank you. I'm hungry.

It ate the apples.

Me: There you go. Are you better?

Hisuian Arcanine: Thanks to you guys.

Kim Possible: do you want to come with us?

Hisuian Arcanine: Sure!

Nico: Awesome! Lets get moving!

We were off to the Equestrian Badlands.

We were flying in the air, and we saw a huge tent out in the middle of nowhere.

Me: That must be it.

We landed.

Princess Celestia: I'm going in.

Evil Spoiled Rich: Ever since I launched my campaign to conquer the land of Equestria, there has always been one stupid troublemaking Alicorn Menace that made me want to rip this entire planet in two!

She opened a curtain and it showed a picture of Princess Celestia!

To Insure Her Perfect Defeat, I'm Offering You Guilty Ones The Biggest Reward In Equestria's Bounty Hunter History. 100,000,000,000,000,000 Bits! Broken But Alive Or Otherwise!

Princess Celestia: Question from the crowd?

Evil Spoiled Rich: WHAT IS IT!?

Princess Celestia: I'm worth WAY MORE THAN THAT!

Evil Spoiled Rich bursted into red hot rage!

TOOOOOOOOOOOOT!

Evil Spoiled Rich: THERE SHE IS! GET HER! I WANT THAT STUPID ALICORN!

Lincoln fired orbs of many shimmering colors at the Spoiled Rich clone and her hitmen, and he turned the tips of his eleven massive and long wolf tails into Cell's stingers and he stabbed them into the hitmen and he began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sixed whit angel wings with aurora and orange tips spread out and his large gold halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of the hitmen and he banished them to The Black Gates, and this pissed off the Spoiled Rich clone big time as we all landed.

Spoiled Rich Clone: YOU LITTLE BRAT!

Then, Spoiled Rich appeared and punched her clone in the face!

Spoiled Rich: Don't you dare lay a hand on my daughter, you bitch!

Suddenly, Diamond Tiara's cyan blue eyes turned neon cyan blue and she was surrounded by a pink energy aura with stars, cutie marks, light, diamonds, Alicorns, phoenixes, and angels, she unholstered her massive Diamond Tiara's Shining Light Diamond Cutie Mark Crusader Shining Diamond Alicorn Greatsword of Shining Diamond Bravery, and as she approached the Spoiled Rich clone, she left pink energy, stars, cutie marks, light, diamonds, Alicorns, phoenixes, and angels with every step.

Diamond Tiara: You may look exactly like my mother, but you're nothing like her, you're just a greedy construct created by that murderous gangster, Mara Blackwell, and I'm going to make sure that wiseguy answers for her crimes by getting rid of you!

We were amazed by Diamond Tiara's Super Angel-Cutie Mark Alicorn Princess-Alicorn-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Clyde saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the Spoiled Rich clone saw it, she got out a gun to shoot her, but Diamond Tiara fired a massive barrage of pink energy, stars, cutie marks, light, diamonds, Alicorns, phoenixes, and angels which hit the Spoiled Rich clone and sent her flying into a wall, she got back up, but now, she was pissed off big time.

Diamond Tiara: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Shining Cutie Mark Crusader Solar Light Diamond Alicorn Phoenix God Angel and Divine Cosmic Eternal Harmony Shining Cutie Mark Crusader Solar Light Diamond Alicorn Phoenix God Angel Love) Now, I know you're nothing like my mom, she would never pull out a gun to try and shoot me.

?: But, I would, bitch! LOUD, I'M GONNA FUCKING YOU FOR RUINING MY EMPIRE, YOU SHIT FUCK!

Lincoln: I should've known there's no mistaking that foul mouth. You better get out here, Mara Blackwell!

We then saw a girl with long black hair and she was dressed in the clothes of a gangster, it was Mara Blackwell!

Mara Blackwell: You've fucking plagued my empire for the last fucking time, now I'm going to kill you all!

Lincoln fired rainbow energy chains that chained Mara Blackwell up before she got out her gun to shoot at us.

Dana Diamond Tiara: Keep her chained up, Lincoln. We'll deal with her after we take care of the instrument of her revenge.

Suddenly, Dana Diamond Tiara's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, cutie marks, light, diamonds, Alicorns, phoenixes, and angels, she unholstered her massive Diamond Tiara's Shining Light Diamond Cutie Mark Crusader Shining Diamond Alicorn Greatsword of Shining Diamond Bravery, and as she approached the Spoiled Rich clone, she left pink energy, stars, cutie marks, light, diamonds, Alicorns, phoenixes, and angels with every step.

Suddenly, Dana Diamond Tiara was surrounded by a massive vortex of pink energy with stars, cutie marks, light, and diamonds surrounding the vortex, there are Alicorns, phoenixes, and angels flying around the vortex, and in the vortex is a violet phoenix with red eyes glaring at the Spoiled Rich clone: the red eyes of eternal death.

Lincoln, Diamond Tiara, Dana Diamond Tiara, and I went after the Spoiled Rich clone, and we fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Spoiled Rich clone and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Diamond Tiara, Dana Diamond Tiara, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Spoiled Rich clone even more madder than ever and she exploded even more with extreme rage.

Lincoln fired a beam of orange energy and it hit the Spoiled Rich clone, and he sucked out all of her magic and powers along with sucking out all of her energy and life force,

Evil Spoiled Rich: I HATE THAT ALICORN!

AWhen Lincoln was done, the Spoiled Rich clone was drained completely dry of her life force, energy, magic, and powers, and as she turned to dust, he sent her spirit to The Black Gates. Everyone cheered as we holstered our weapons and powered down and Diamond Tiara's new body, clothes, weapons, jewelry, longer purple and white streaked tail, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large pink planets orbiting around her legs, smaller planets orbiting around her fingers, and massive pink angel wings and medium pink angel wings underneath are permanent, and Dana Diamond Tiara's new body, clothes, weapons, jewelry, longer purple and white streaked tail, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large pink planets orbiting around her legs, smaller planets orbiting around her fingers, and massive pink angel wings and medium pink angel wings underneath are permanent.

Nico: Awesome, now to take care of that gangster bitch.

We then turned our attention to Mara Blackwell who was thrashing at her chains, and she was mega pissed off at what Lincoln did.

Mara Blackwell: Damn you, fuck you all! You ruined my revenge! (SPITS AT LINCOLN'S FACE)

Anna Anyanova: You bitch!

Anna Anyanova punched Mara Blackwell hard in the face, and she cleaned the spit off of Lincoln's face.

Nico: What a bitch. Lincoln, please get rid of her before she does something to fuck herself up even more.

Lincoln: On it.

Lincoln fired a beam of orange energy and it hit Mara Blackwell, and he sucked out all of her energy and life force and he grew stronger, and when Lincoln was done, Mara Blackwell was drained completely dry of her life force and energy, and as she turned to dust, he sent her spirit to The Black Abyss.

Lincoln: Now, to take care of her organization.

Lincoln formed a portal that showed the underground lair of Mara Blackwell's organization, and then, he fired orange energy beams and they hit every last one of Mara's organization: soldiers, capos, captains, hired thugs, and all of their other contacts and he began to suck out all of their energy and life force, and he grew stronger, and when he was done, they were all drained dry of their life force and energy, and as they turned to dust, all their spirits were sent to The Black Abyss.

Lincoln: Good riddance for good, Mara Blackwell. Your organization's caused enough trouble.

Nico: Nice work, Lincoln. You alright after what that bitch did?

Lincoln: I'm alright, but that was still plain disgusting.

Me: What a bitch.

Selene Arcangela: She always did this: she spat at the officers and even at the prosecutors when she wound up getting caught, she was always out of control.

Anna Anyanova: But, now that bitch and her organization are gone forever. But, wait, did she become part of The Militia?

Lincoln: No, she didn't, she came after us on her own. But, when I absorbed her energy and life force and the life forces and energy of her entire organization, I found out she resurrected our old enemy, the former Ghost Zone Prison's sadistic warden, Walker.

WE GASPED IN HORROR!

Me: (GROWLS) That monstrous gangster bitch!

Luna: She deserved to get the axe after everything that she did.

Danny Phantom: But, now we know who we're going after next.

Lincoln: Right.

Nico: You're worth WAY more than what that bounty offered!

Me: YEAH! And also on the planet Valmorg this happened.

El Jefe: (Spanish Accent) Oh yeah! The Red Guy did the same thing to you guys before. He put a massive bounty on your heads.

Me: He sure did. $878,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000

Qin: JUMPING SASSAFRAS LEAVES!

Applejack: HOOWEE! That is a massive bounty!

Princess Celestia: Yeah no kidding. That's more than me or all of us.

Me: Yeah all of us together are all worth WAY More than that.

Xenia: Yep.

Nico: Nice job, Hisuian Arcanine!

Hisuian Arcanine: Aw it was nothing.

Poromon: Want some beer?

Hisuian Arcanine: No thank you. I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Maria: Also, you know what missions are after Sandbar's right?

Luan: Yeah my missions.

Brittney: Yep. Yuya is a really awesome guy when you guys get to know him.

Qin: Wow!

Brittney: Yep. Just recently I picked these up.

She showed us Predaplant and Paleozoic cards that she got from 2 more Duel Academy Duelists that she defeated.

Me: Predaplant and Paleozoic cards.

Varie: Cool!

Nicole: The Paleozoic monsters are all based on creatures that lived millions of years ago. Long before the time of the dinosaurs.

Nico: That's right.

Nicole: Yep and the Predaplant monsters are all based on beasts combined with different kinds of Carnivorous Plants.

Nico: Wow those are awesome.

Camie: Yeah.

Jaden: I wonder why I don't have a counterpart there.

Nico: (grimly) Maybe your counterpart died.

Brittney: Well no he's not dead. I found this.

She showed a card with Fusion Dimension's Jaden in it!

WE GASPED!

Brittney: They branded him as a traitor and carded him. The Professor sent his most elite Obelisk Blue duelists to capture him.

Maria: He was one of the most powerful. That's why he was captured first!

Nico: Yeah you're right.

Brittney: That's why when we meet the Professor in the future we're going to throw his ass in prison.

Jaden Yuki: That is horrible! I can't believe they would do this to me!

Alexis Yuki: YEAH! No kidding!

May: I think we can also guess the fates of the counterparts of Yugi and Yusei as well…

Nico: Yeah. The same things might have happened to them.

Qin: That's IT! I'm going to kill ALL THOSE DUELISTS!

Me: Yeah those duelists are going down!

Nico: Easy Qin easy. We'll make sure they pay for this.

Camie: What they did is an absolute insult and mockery to Duel Monsters everywhere.

Lola: Yeah no kidding.

Brittney: Me and the Goths of Darkness are going to unleash hell unto all of Duel Academy.

Me: The Atrocities they commited are more than enough to unleash the terrors of the 9 Levels of Hell unto them.

Nico: At least those that are irredeemable. Don't want to end any redeemable ones by mistake.

Me: That's why my spell will be perfect. Like how I marked those that were of the Skrulls.

Jaden: Duel Academy's supposed to be for learning how to Duel. Not for evil!

Me: And for having fun!

Nico: I agree! But J.D. what is your spell?

Me: Well I modified it by using the Cold Fire that shows if you are evil incarnate. Watch.

I showed blue fireballs and they had hearts in them that are white, light grey, dark grey and pitch black.

Me: Those that have white hearts are good. Light Grey and dark grey means they can be redeemed and Pitch Black means that they are pure evil. The pitch black ones are the ones we want to kill. I'm going to mark everyone that Brittney saw and met with blue fire auras with hearts of these colors. That way we can find out who to save and get rid of.

Nico: That's genius!

Brittney: Awesome thinking there dad.

Camie: That will make this easier.

Lola: Yeah!

Kairi: We go there in two days.

Me: Yep.

Hannah Fairchild: I better come with you all too. I have a duel disk too.

Me: Okay.

Yugi: I will go too.

Yusei: Same with me.

Camie: Good idea

Me: Cool. If Duel Academy wants a fight we'll give them ARMAGEDDON!

Nico: Yeah!

Me: (Eyes glow red) They better start making peace with their makers!

Nico: (Eyes glow red) Team Loud Phoenix Storm is not going to stand for this!

Eli: (Eyes glow red) That's right. You will never disgrace my father's legacy on my watch!

Me: Yeah!

Nico: But we'll worry about that later.

Me: Yeah. Right now we need to finish Sandbar's missions first.

Camie: Yeah.

Sandbar: Good thing this is the last one

Me: Yep.

Qin: Yeah this will be fun.

Varie: It sure will be awesome.

Lola: Yep.

Nico: Yeah. Now onto business.

Eli: (Concentrates) WHOA! We got Another El Jefe, Frank Archer, Evil Danger Mouse, Hurricane, General Woundwort and Paddywhack.

Qin: WHOA!

Lola: Awesome.

Me: So Keiichiro, Inspector Gadget, Speedy Gonzales, Roadrunner, Bugs Bunny and Daffy Duck.

Noriko Sushi: (Bows) Good to see you again Nico.

Nico: (Bows) Same to you Noriko. Noriko is one of my Cooking Class friends and she is a Sushi Chef. She makes millions of varieties of sushi.

Cat: Wow! That is my kind of chef.

Yugito Nii: Mine too.

Sly Cooper: My ancestor Rioichi Cooper is a sushi chef too.

Noriko Sushi: That is interesting.

Me: Yep. By the way Noriko is the Another El Jefe friendly or hostile?

Noriko Sushi: Friendly and she is a powerful one.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Nicole: Bomberman is going to be part of the team soon.

Noriko Sushi: Want some sushi everyone?

Me: Sure.

Me: (Eating Crab rolls) Mmm!

Twilight Sparkle: (Eating Nori Rolls) Mmm! I love this.

Pinkie Pie: (In pain) So spicy! (GREEN FIRE EXPLODES OUT OF HER MOUTH)

Maria fired water into her mouth and steam came out of her nose and mouth.

Me: Piled on too much wasabi there.

WE LAUGHED!

Nico: Awesome and delicious.

Noriko Sushi: Thank you Nico.

Qin: It's just like old times Noriko.

Noriko Sushi: It sure is.

Cat: This is some of the most delicious sushi!

Yugito Nii: Yeah it sure is.

Jackie: Those video games involve explosions, right?

Nicole: Yep.

Jackie: Cool!

Qin: Yeah.

Nico: Yeah.

We had a lot of good sushi.

Me: Ahh. Delicious.

Nico: You said it.

Me: Oh perfect timing look.

We saw ANOTHER EL JEFE!

Me: Another El Jefe!

Xenia: This will be awesome.

Nico: And you are?

Another El Jefe: (In a girls voice) Someone here to help with the Mebius team.

Me: (GASP) That voice.

She reverted back and was a girl with red hair and blue eyes and had red clothes and red angel wings and had a tiara with the symbol of the Mebius Dopant on it and on her skirt and had a Mebius Sword in her hand.

Me: (GASP) Melanie Mebius!

Nico: Whoa! The Embodiment of the Mebius Dopant.

Melanie Mebius: That's right. Awesome to see you again J.D. I heard from Hibino that you guys have been helping him and his team take down some of their enemies.

Lincoln: Whoa, we're here in Pentagram City, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're going to destroy the D.H.O.R.K.S. organization, an organization whom IMP have had problems with in the past as they tried to track down possible incidents or traces of demonic activity, and now, they've invaded Hell in part due to Xehanort, but we're ending that organization and condemning them to Hell forever.

Loona: This is going to be so awesome, now we're getting rid of those fuckers.

Me: From what you told Lincoln, these guys are a rogue organization, and I hate those guys.

Nico: Hmm, I have an idea. Instead of sending them to The Black Gates, we'll have them deal with Alastor and Husk.

Lincoln: Alastor's actually at a meeting with Rosie, Carmilla Carmine, Zestial, and Zeezi, the other Overlords, and they've known of what Sherlock Hound did in killing Vox, Velvette, and Valentino, and helping to bring peace to the city.

Keiichiro: You think they're planning to meet with us?

Lincoln: I'm going to say yes, Keiichiro.

Bugs Bunny: Let's hurry and get those maroons and get out of here, this place is giving me the creeps.

Husk: You get used to it over time. But, injure those fuckheads for me, I'm going to be the one to claim their souls.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue hair and light blue headband, yellow eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings that gave off the scent of rosemary, she's dressed in a dark blue long-sleeved jacket, white long-sleeved sweater, necklace with blue gem for the pendant, blue skirt, black stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, water, ocean waves, flowers, plants, phoenixes, and angels on the coattails and on the back is Aromage Rosemary, holstered on her back is a massive water greatsword with angel runes etched on the 7'9" massive, wide, double-edged blue blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the eight girls.

Lincoln: (GASPS) Ramona Rosemary, Gene-Slammer and Avatar of Aromage Rosemary.

Ramona Rosemary: That's right, and I got the girls away from those fuckers before they could kill them.

?: KILL THEM! KILL THE DEMONS!

We then saw our enemy, the entire D.H.O.R.K.S. organization, and they're out to destroy us.

Sylvester: Okay, time to beat those losers into the dirt!

Then, Husk worked his magic by forcing them to play him in a game of poker, and if they won, they can kill us, but if they don't, they lose their souls and serve him forever. They all agreed, but they walked into a trap as Husk won the game, and in the end, the agents lost and due to making a deal with an Overlord like Husk, they lost their souls and are now bound to him in service forever. We cheered as we holstered our weapons and powered down.

Husk: Heh, nice one. Thanks to you guys, I got some new souls in my service, but I still carry with me the lessons I learned.

Lincoln: And we just put the kibosh on Xehanort's scheme to invade Pentagram City and cause havoc, now we've angered him to no end. (To Ramona Rosemary) And it's so good to see you again, Ramona.

Ramona Rosemary: You too, Lincoln, it's been seven years since we last met.

Suddenly, Ramona Rosemary had her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Ramona Rosemary were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Ramona Rosemary: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Ramona Rosemary and hugged her, and Ramona Rosemary is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ramona Rosemary: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Ramona Rosemary, Gene-Slammer and Avatar of Aromage Rosemary, she's Lincoln's Guardian Angel from Michigan, she was born with blue angel wings, cosmic hydrokinesis, immortality, and mastery over powerful water magic, and she also has the powers of Aromage Rosemary because she Gene-Slammed herself into Aromage Rosemary. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her blue angel wings to let off the scent of rosemary. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a water greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Ramona hates Chandler with a blazing passion, and unlike Lori and Lola and just like Lynn and Lisa, that sewage bastard tried to ruin the scented candle business by using his weapons that he'd gotten from his father to destroy their headquarters, but just like what happened to Lori, Lynn, Lola, Lisa, and Luan, Lincoln put a stop to Chandler's rampage and he and the other Guardian Angels beat the shit out of him and handed him over to the police and he was forced to apologize and his mother had to pay Verena and her partners $500,000,000,000 in damages for attempted destruction of property, and like with many of Lincoln's Guardian Angels who really hated Chandler, he forever earned Ramona's hatred.

Husk: If you kept that up, you'd have bankrupted the whole family.

Lincoln: Actually, to pay for the damages, I'd used an early version of the Gessius Flores Vengeance Curse on that lowlife, Anthony McCann, and we let Mrs. Henderson viciously pulverize that piece of crap, and she got $500,000,000,000 and paid it to Verena and the others in damages to what Chandler did.

Me: I remembered that all too well, you were experimenting and perfecting the curses at that time though, and it worked perfectly, Lincoln.

Nico: And when it was ready, you used it on the jerks.

Lincoln: Right, and now that you're here, Ramona.

Lincoln leaned his head down the right side of Ramona Rosemary's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Ramona Rosemary: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ramona Rosemary with blue gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Ramona Rosemary: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ramona Rosemary.

Ramona Rosemary had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ramona Rosemary's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ramona Rosemary had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Sajuna and Shinju Inui from My Dress-Up Darling and Aya Ichinose, Chizuru Obayashi, Haruka Komori, Mako Hushimi, Nanami Mochizuki, and Patty Anderson from Shotamane Boku ga Manager ni Natta Wake.

Lincoln: Oh wow, it's Sajuna and Shinju Inui from My Dress-Up Darling and Aya Ichinose, Chizuru Obayashi, Haruka Komori, Mako Hushimi, Nanami Mochizuki, and Patty Anderson from Shotamane Boku ga Manager ni Natta Wake.

Nicole: So, those are the girls that wound up in Pentagram City. Ramona got them out of there before any demons tried anything.

Lincoln: Or those rogues could've killed them. Are you girls okay?

Sajuna Inui: Yes, we're okay, thanks to you.

Then, when Sajuna Inui and the other seven girls saw who it was that saved them from the D.H.O.R.K.S. Organization, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf

Sajuna Inui: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sajuna Inui: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sajuna and Shinju Inui, Aya Ichinose, Chizuru Obayashi, Haruka Komori, Mako Hushimi, Nanami Mochizuki, and Patty Anderson with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the enemy we went after was the D.H.O.R.K.S. organization, an organization whom IMP have had problems with in the past as they tried to track down possible incidents or traces of demonic activity and they've invaded Pentagram City and Hell in part due to Xehanort.

But, when Lincoln showed what we did in beating them all up and Husk using his power to make a deal with them that ended with them losing a poker game against him and finally their souls and forever owned by him, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Ramona Rosemary have a lot of catching up to do, now that they're back in town.

Maria: What the?! You dealt with a rogue paranormal investigation organization, and you left them at Husk's mercy.

Lincoln: With their souls forever at his mercy and under his contract, they won't bother us any time soon.

Nico: We've got a lot to learn about the Overlords from Pentagram City.

Me: We'll find out soon after what we'd heard from Lincoln and from what Sherlock Hound did in getting rid of Vox, Velvette, and Valentino last year.

---

After Lincoln and all of us beat down The D.H.O.R.K.S. Organization and they lost their souls to Husk in his deal, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ramona Rosemary saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ramona Rosemary: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ramona, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Ramona Rosemary: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Ramona Rosemary: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing

900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Eli: I don't know what that gangster, Mara, was even thinking in trying to attack us while we are dealing with Xehanort.

Lincoln: Mara was always a bitch, Eli. She hated me and my Guardian Angels for years, and she was nothing but a heartless criminal and she didn't deserve to live.

Me: She won't be the last, we're bound to run into others who still want you dead, Lincoln.

Lincoln: My other Guardian Angels' many enemies refuse to quit even after all these years. But, no matter how many times they show up, we'll beat them down and kill every last one of them.

Nico: Hard to believe how many enemies you've made and who just hated you and want you dead.

We got a shower, and then, Lincoln, Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira are heading to Megafruit Paradise.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Mia Ono: Wow, so this is Megafruit Paradise. It sure is beautiful.

Lincoln: It sure is, Mia, and it's perfect for our first date. Shall we?

Lincoln, Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira and they hugged the girls in their abnormally massive and powerful muscular arms and Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Megafruit Paradise, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira are in your harem, Linky.

Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln

snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Sandbar, Varie and Wendy's final mission.

Nico: Anyone else want to go with Sandbar, Varie, and Wendy? Besides Evelyn, Touma, and Kazuma?

Silverstream: I'll go.

Kalin: So will I.

Me: Okay.

Lincoln: Me and my siblings will go too.

Me: Okay.

Melanie Mebius: And I'll go too as well.

Me: Nice.

Nico: Lets head out then.

We were off to Japan.

We arrived.

Hibino: Hey guys! Melanie! Wow!

Lily: And I'm Lily.

Eli: And this little guy is Leo.

Leo: Uwa.

Amagai: Wow! That's a lot of kids!

Hibino: Amazing!

Me: Yes and their mom and dad all thought it would be cute if their names all started with the letter L. (Whispers to Hibino) They also are a family that doesn't believe in condoms.

Hibino snickered.

Me: Lincoln and his siblings are some of the founders of Team Loud Phoenix Storm and they helped make it into what it is.

Nico: It's true.

Lincoln: Yep.

Hibino: It's awesome to meet you all. We heard so much about you Lincoln.

Lincoln: I know.

Hibino: Yeah.

Nico: We JUST met Melanie today!

Amagai: Really?

Me: Yeah on one of Nico's rescues. She is an amazing embodiment of you all.

Hibino: That is awesome.

Me: Yeah it sure is.

Hibino: Wow! J.D. how long have you known Lincoln and his siblings?

Me: We met back in 2016 after me and my family moved to Michigan after winning a massive Jackpot. Biggest ever they said. Ever since then we became really great friends.

Lincoln: Yep. It's true.

Amagai: That is awesome.

Eli: Yeah.

Hibino: How much was the jackpot?

Me: Over $75,000,000,000. Biggest ever they said.

Amagai: WOW! That's a lot of money.

Me: Yeah.

Sandbar: No kidding.

Amagai: Wow! Silverstream do you and Sandbar know each other?

Silverstream: Yes we do. And yes I'm one of Sandbar's classmates.

Sandbar: Yeah we go to Twilight's School of Friendship.

Me: Yep. You should see what it's like. It's awesome.

Amagai: We'll have to check it out.

Me: Yeah.

Hibino: Kazuma how did you guys meet J.D. and team?

Kazuma: I met them in the world of Agrabah back in 2021.

Me: He helped us beat Jafar there during the 20 Days of Darkness.

Hibino: 20 Days of Darkness?

Me: It was a terrible event that happened to us. From January 23rd to February 11th, 2021 we had to endure 20 of the most depressing days of our teams history.

Eli: Yeah it was not a fun time for us.

Amagai: What happened?

Me: It was terrible.

Nico: Lets just say that it involved a douchebag from my past.

Eli: Yeah.

We told them everything and it was horrible.

They gasped and Amagai cried.

Hibino: Oh man! That's awful! I'm glad you guys are okay.

Me: Yeah. Kazuma helped us back then and he is one of the riders we owe huge gratitude for. We have a huge debt with some of the Kamen Riders for helping us back then.

Hibino: Wow! That's amazing that they helped you all.

Kazuma: I know.

Kalin: And you probably met my fellow Dark Signer Roman.

Hibino: Yes we did and he is awesome.

Me: Yes he is.

Evelyn: I happen to be Kazuma's sister.

Amagai: Really?

Kazuma: We're not related by blood but we have that bond.

Amagai: Wow. That's amazing.

Me: Yeah we found out some things about Kazuma's past too and what happened during the Blade series. We first found Kazuma on a planet made entirely out of Sweet Potatoes.

Hibino: A planet of Sweet Potatoes? Really?

Me: Yeah we found a lot of food planets all over the galaxy and let me tell ya they are amazing.

Kazuma: Yeah.

We told them what happened during Kazuma's crusade against Hiroshi and the terrible things he had to endure back then and it was not pretty.

Nico: Back then, if Kazuma got close to one of his teammates, the world would've ended.

Me: Yeah but thanks to me I made sure that didn't happen. It would've been a brutal fight that would have destroyed the planet.

Hibino: That's horrible! Thank goodness you all prevented that.

Me: Yeah.

Kazuma: No kidding there.

Evelyn: Yeah.

Hibino: Yeah. Touma what are the Saber Riders like?

Touma: We are the Riders of Literature.

Me: They use these.

I showed a Wonder Ride Book.

Me: Wonder Ride Books have infinitely amazing and amazing possibilities. When you read a verse from them it literally happens.

Amagai: Wow!

Hibino: Can you show us?

Me: Sure.

I got out my the Nature's Cure of The Song of Gaia Wonder Ride Book, The Wonder Ride Book for Crysta of Fern Gully.

Me: (Reads Verse) "The Healing Powers of Nature were strong as the Magical Power of Nature healed the lands poisoned with the deadly force of Pollution and new life sprang forth in an amazing moment of beauty and color. The evil of pollution will never wither away the love of nature."

And then NUMEROUS and beautiful flowers grew all over the polluted area and all of the pollution was gone and it was amazing.

Amagai: WOW! That is amazing!

Hibino: WOW! The power of the imagination knows no bounds.

Laney: Yeah we were amazed to see this.

Me: Yep.

Kazuma: Oh and the Rouse cards you guys have been using? They belong to me.

Me: It's true.

Amagai: That is awesome!

Me: Oh and Hibino here's your legend items.

We gave him his legend items.

Nico: What's been happening here since last visit?

The Alarm went off and we saw on the computer that CHRONORM Was causing trouble in the countryside!

---

Chronorm was an alien monster that fed on time through the memories of people and aliens. As a result of its actions, Chronorm had destroyed the home planet of Alien Angel and soon found its way to Earth to feed as well. During its stay on Earth, Chronorm targeted the memories of Marina of GUYS and proceeded to travel back to the year 1999 to feed. Alien Angel, Marina, and Mirai however found themselves trapped in Chronorm's time rift and so Chronorm attacked them to prevent them from interrupting his meal. As Alien Angel and Marina tried to protect a younger Marina from the past, Mirai transformed into Ultraman Mebius to hold off the alien slug. At first, Chronorm had the advantage by beating down the Ultra with its whips and teleportation mist ability, but once the monster killed Alien Angel (it was trying to attack Marina) Marina fought back by shooting out Chronorm's eyes with her weapon. Mebius quickly took the opportunity to finish off the monster by firing the Mebium Shoot at it, destroying Chronorm and avenging Alien Angel's sacrifice.

---

Nico: WHOA!

Me: Chronorm! I remember him!

Lincoln: He is ugly!

Melanie Mebius: Yeah and he is tough.

Kazuma and Touma: Henshin!

They transformed!

The knight appears. When you side, you have no grief and the flame is bright. Ride on dragon, fight. Dragonic Knight!

They were ready!

Hibino: COOL!

Lola: Yeah!

Nico: Lets go!

We were off!

---

We were flying.

Nico: Keep your eyes peeled.

Me: There he is!

WE SAW CHRONORM!

Me: WHOA! He sure is ugly!

Hibino: MEBIUS!

He turned into ULTRAMAN MEBIUS!

Eli: Time for some Godzilla power! GODZILLA COME FORTH!

A familiar roar was heard!

(GODZILLA THEME SONG PLAYS)

Godzilla has come!

GODZILLA ROARED!

Chromorm roared when he saw him!

Godzilla: Chromorm this time. This will be deadly.

Nico: Lets go!

We went at him!

Godzilla fired his Atomic ray and blasted Chromorm all over!

MASSIVE FIERY EXPLOSIONS!

Nico: YEAH!

Evelyn got out her Rouse Card for Changkey Dragon and ffired blasts of fire and blasted Chromorm!

Absorb Queen! Fusion Jack!

Kazuma went into his Jack form

Nico: AWESOME!

He slashed and blasted Chromorm all over!

Kazuma got out his Rouse Card for Piledriver!

He punched and smashed him.

Me: YEAH!

?: YOU MOTHERFUCKING CUR!

Me: Oh great! Not an evil Sasuke!

Sure enough out came an Evil Sasuke!

Me: I don't have time to fuck around with an evil fuckup monster like you!

Evil Sasuke: MAKE TIME!

He went at me and then I unsheathed my sword and then…

SLASH!

I slashed off his head and killed him!

Me: What a waste.

Touma got out his Rouse card for Road Kamelot and fired energgy blasts and smashed Chromorm down.

Nico: YEAH! Too bad you didn't use your rant.

Me: I know. But some times are best not to use it.

Lynn: Look on the bright side. You'll have plenty of chances next year

Me: True.

Then a figure flew in and it was a girl with red hair and red eyes and black clothes and black angel wings and she had a tiara with Ultimate Wildmutt on it. She slashed Chromorm and knocked him down!

Me: (GASP) GIANNA VULPIN!

Gianna Vulpin: Awesome (GRUNT) To see you again J.D.

Me: You too.

Nico: The Embodiment of Ultimate Wildmutt! Wow!

Gianna lost control and slashed at Kalin

But he dodged her and kicked her down.

I fired an electron ray and injected the antidote.

Me: Yeah!

Godzilla fired a massive Atomic Ray and it hit Chromorm and blasted him.

Nico: YEAH!

But then GODZILLA SURGED WITH INTENSE ENERGY AND POWERED UP! He fired an enhanced Orange Spiral Atomic Ray!

MASSIVE FIERY EXPLOSIONS BLASTED OFF ALL OVER WITH INTENSE FORCE!

Nico: Take that!

Godzilla: Lets end this!

Mebius: Yeah!

They fired waves of atomic energy and energy and blasted Chromorm and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Me: Take that!

Nico: Chromorm you have failed this world.

Me: Now for Gianna.

Silverstream Charged at her And kicked her down.

Me: YEAH!

?: (ECHOING) PYRO BARRAGE!

A beam of fire hit Gianna and blasted her down.

Me: WHOA!

BurningGreymon came!

Me: BurningGreymon!

Eli: Yeah!

BurningGreymon: (In a girls voice) Looks like the fun just started.

Nico: Varie Vritra! Wow!

BurningGreymon: Awesome to see you again Nico!

Silverstream got out her Rouse Card for Goro and kicked Gianna all over.

Varie reverted back and was a girl with orange hair, orange eyes, fire angel wings, orange clothes and had BurningGreymon in the middle of her forehead and on her skirt and the Spirit Kanji for fire on her arm and had a powerful fire sword in her hand.

Varie Vritra: Time for this girl to know that she was messing with the Daughter of Vritra. (Echoing) WILDFIRE TSUNAMI!

She fired a massive blast of fire from her sword and hand and blasted Gianna all over.

Nico: YEAH!

Hibino: Lets see what this can do.

He used the Rouse card for Arishem the Judge and fired a massive blast of energy and blasted her down.

Me: OH YEAH!

Hibino: WOW! That was awesome!

Nico: YEAH!

Me: The antidote should be taking effect.

Nico: Maybe a combo blast will help.

Varie Vritra: Yeah lets do it!

Lincoln: YEAH! Come on guys! Time for a Loud House Supreme Combo!

Lori: Lets do it!

Loud Kids and Varie Vritra: ELEMENTAL GOD MEGABLAST!

They fired a massive elemental and powerful blast and it hit Gianna and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION OF INCREDIBLE POWER!

The explosion blasted her down and the antidote took effect and she was Cured!

Gianna Vulpin: (Groans) What happened?

Nico: You've been cured.

Silverstream: That takes care of that!

Me: Yeah!

Lincoln: That was epic!

Eli: Awesome way to finish with a bang!

Me: Yeah!

Hibino: That was awesome!

Melanie Mebius: Yeah it was!

Me: By the way Varie what's your favorite memory of Nico?

Varie Vritra: Mine is where we went and found my father's sword. The Sword of Vritra.

Me: Wow! That is cool.

Nico: Yep.

Me: And that is amazing that you are the daughter of Vritra, the Evil Dragon God of Fire in Hindu Myth.

Varie Vritra: It sure is.

Me: Yeah.

Nico: Yep.

Nico and Varie hugged.

Nico: I've missed you.

Varie Vritra: Same here.

Hibino: Sandbar, ever since I met you, Wendy, and Varie, I've seen you as siblings

Sandbar: Really?

Varie: Oh Hibino.

Wendy: Aww.

They went and hugged him.

Me: That makes me a brother. Me and Varie are getting hitched soon.

We hugged.

Nico: (LAUGHS) Yeah.

We later went back home.

We later came back.

May: How did it go guys?

Me: Really epic!

We told them everything.

Camie: WOW! That is cool!

Xenia: Yep.

Nico: Luan, you know you, Kairi, and Camie are up next

Luan: Yeah we know and it will be awesome.

Eddy: (LAUGHS) Yeah it sure will be.

Camie: Yep.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

The mascots then came with a bunch of chemicals and a book.

Me: What are you guys doing with those?

Poromon: Some chemical formulas we found.

Me: Cool!

Nico: Lets see them.

Tigatron: Welp, this can't end well

Poromon: Here's the first one. (Reading) "Weather Control. Mixing yellow, green and red makes a raincloud for your head."

They mixed it and then…

POOF! THUNDERCLAP

A raincloud formed above them and dumped rain and then…

ZAAAAAPPP!

They got struck by lightning!

Me: WHOA!

Nico: That was cool.

Qin: Yeah!

Poromon: Watch this one. (Reading) "Disguise. Mix up purple, red and green to impersonate the queen."

They did so and then…

POOF!

They were dressed in Royal outfits!

Mascots: OFF WITH THEIR HEADS!

Nico: Yes your majesties!

We laughed!

Poromon: Good huh.

Me: Yep.

Manaphy: Watch this one. (Reading) "Voice of Power. He who wants the loudest burp'll mix up yellow, green and purple."

They did so and then…

POOF!

They were bloated and then…

EXTREMELY LOUD BURPS!

Mascots: Excuse us.

Lindsey Exetor: This is getting interesting so far

Me: Yeah.

Qin: Boy those were powerful burps.

Poromon: Yeah. Watch this one. (Reading) "Mouse Call. Mixing purple, red and orange makes you squeak just like a door hinge."

They mixed them and then…

POOF!

MOUSE SQUEAKS!

They literally squeaked like mice!

But then they felt something in their throats and reached in and pulled out mice!

Mouse: Hey I like cheese too!

Fluttershy had the mice come to her.

Me: Okay that was silly but cool.

Nico: Yeah!

Horsea: (Reading) "Superbrain. If you would be a clever fellow, mix up orange, green and yellow."

They mixed the formula and then…

POOF!

THEIR HEADS GREW AS TALL AS US!

Me: WHOA!

Poromon: We've become staggeringly intelligent! All the worlds knowledge is ours. We can do anything.

Me: You sure can! Wow! That is awesome!

Nico: Yeah!

Eli: I'll say!

Drag Strip: Do Another!

Horsea: Okay!

Poromon: (Reading) "Fireball. Purple, orange and finally green is the recipe for acetylene."

Me: Uh oh.

They mixed the formula and then…

POOF!

RUMBLE!

Mascots: (LOUD BELCH!)

They belched out huge fireballs and we ducked behind the sofa and it hit it and exploded!

KRABBBBBBOOOOOOOOOOOOOMMM!

Me: WHOA!

The sofa was burned and charred!

Me: WHOA! That was potent!

Camie: Yikes!

I fixed the sofa.

Poromon: (Reading) "Music. Ability to play the cello is found in orange, red and yellow."

They mixed the formula and then…

POOF!

A huge anthropomorphic cello came and grabbed Poliwag and used him like a Cello Bow and played a song and then vanished.

Poliwag: That was weird.

Nico: So far so good.

Poromon: (Reading) "Hair Growth. Mixing Purple, orange and brown puts curly locks upon your crown.

They mixed the formula and then…

POOF!

Their hair grew long and they were walking piles of hair haybales!

Poromon: WHOA!

Me: WHOA! Better shave you guys!

ELECTRIC RAZOR MAGISWORD!

I shaved them back to normal.

Me: There. One more.

Poromon: Okay. (Reading) "Wealth. If poverty is what you dread, mix some brown with green and red."

They did so and then…

POOF!

A huge pile of gold, cash, jewels and diamonds fell from the sky and plopped onto them. THEY WERE FILTHY RICH!

Me: WHOA!

Nico: Now that is one way to get rich fast!

?: Boy you said it.

We saw a girl with blue hair and blue eyes and had blue angel wings and had blue clothes and a buffalo tattoo on her arm and had a tiara with the symbol for Blizzard Buffalo on it and on her skirt and she had an ice sword.

Brenda Buffalo: Brenda Buffalo, Embodiment of Blizzard Buffalo.

Robin: Its been a while Brenda.

Marinette: Yeah you're looking good.

Brenda Buffalo: You too Robin and Marinette. Been a while.

Hound: How did you meet Robin and Marinette?

Brenda Buffalo: I met Robin while he was battling Slade and I helped him and killed Slade before.

Robin: She used her powers of ice and shattered him into a million pieces.

Nico: WHOA!

Shanan: That is awesome! Well done.

Brenda Buffalo: Thanks. I met Marinette when she and her team battled that lying witch Lila Rossi.

Nico: Whoa! What did she do that time?

Brenda Buffalo: Uh I forget that part. But it was sweet justice on her.

Me: Nice. Well Lila was given the black gates.

Nico: Yep.

Apple Bloom: And we are the ones that did her in.

Sweetie Belle: That was so fun.

Scootaloo: It sure was.

Brenda Buffalo: Awesome!

Me: Would you like to join us?

Brenda Buffalo: I would be honored.

Aria Blaze: I hate to interrupt Everyone's workout but we just got a transmission from a Militia Tank. Whoever's sending it seems to want to speak with us via open channel.

Nico: Then let's give him what he wants.

Nico pressed a button on the monitor and on the screen came a familiar face.

It was WARDEN WALKER!

Walker: It's good to see you and Knudson again, Phantom. It's been a while.

Danny: Walker.

Me: Walker!

Walker: If you were expecting your muscle bound friend Lincoln to sense me, I already announced myself to you ahead of time.

Me: So we see!

Danny: You know Plasmius is already with us, right? And my evil self and Pariah Dark are gone.

Walker: But Xehanort kindly let me command a portion of the Militia Forces. Even lent me a tank of my own. If you want to see it for yourselves, why don't you go to where our whole game again? In Amity Park.

Me: We'll be there!

The transmission then ended

Nico: Looks like we got ourselves a ghost emergency.

Camie: So he was Warden Walker?

Me: Yep.

Nico: We can't make any mistakes with him.

Lincoln: No, we can't, and we alerted Clockwork about the situation and the prison's in full lockdown.

Me: Nice one.

Nico: Perfect.

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for-

Nico: For God's sake, Lincoln, Walker already announced himself to us! Might as well drop your whole premonition for today!

Me: Nico calm down.

Lincoln: I was just kidding though. I figured he would be coming that way.

Me: And without a doubt he's in Amity Park like he said.

Eli: Yep.

Luan: (nervously) Okay. He's just going to be in a Militia Tank. We've already trashed most of those. How bad can that one be?

Nico: Luan, none of the tanks we trashed were driven by any of the jerks we fought so far. If Walker's driving one, this one must be powerful.

Me: Nothing we can't handle.

Qin: Yeah.

Nico: Alright, team, let's load up and get going, we got a sadistic ghost warden to take down.

Lincoln: His abuse of the rules ends here, he's about to learn a harsh lesson in law and order.

Nico: Might as well get ready.

The previous group came.

MetalSeadramon: Can me, See-More, Mirror Master, Johnny 13, Absorbing Man, Bonz, Dayu, Harpymon, David Cain and Zavok go with you guys?

Nico: Yes you all can come with us.

Xenia: We're going to need a lot of help here.

Me: Seed: Nico, which Gene Slammer do you think you'll meet next?

Nico: Drimogemon next.

Me: Ooh cool.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Alucard's old enemy, Tubalcain Alhambra, and he's returned from the dead to get revenge on him. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to Alucard's old enemy, Tubalcain Alhambra, and he's returned from the dead to get revenge on him.

We gasped.

Alucard: Alhambra's come back for Round 2, has he? Excellent, I can't wait to destroy him again.

Husk: Don't even think about it. That fucker's mine.

Me: And he's no gambler, he uses those magic playing cards of his as weapons.

Husk: Well, so do I, along with dice that act as bombs. But, I'll show him how to really use those magic playing cards of his when I tear his fingers off one by one and shove them down his throat.

Nico: Oh boy, this is going to end really badly for Alhambra. Alright, team, let's go, we're heading to Amity Park to take down Walker.

Lincoln: He's about to learn a harsh lesson in true law and order before we hand him over to Vypra, and once we get done with him, you're next, Tubalcain Alhambra.

Husk: You still owe me a debt when you came to my casino, Alhambra, but you cheated out of paying your debt. Today, I'm coming to claim what I'm owed, you fucker.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Amity Park to take down Walker and send him to Vypra, and once we get done with him, Husk is going to kill Tubalcain Alhambra and claim what that bastard owed to the Overlord of Vice

We were off to Amity Park.

---

We arrived in Amity Park.

See-More: Here we are!

Danny Phantom: Feels great to be home.

Xenia: Amity Park is looking great.

Camie: It sure is.

Nico: Should we go to Fentonworks right now?

Me: Yes we should.

Nico: Yeah.

We went there.

We went inside.

Danny Phantom: Hello? Mom? Dad? Jazz?

Jack Fenton: Hey Danny!

Maddie: Danny we're glad you're back.

Jazz: It's good to see you here.

Ashi: Good to see this place still in one piece.

Sam Manson: I agree there.

Jack Fenton: We're ready for ghosts and we're going to make sure they are reduced to nothing.

Me: That is for sure!

Camie: Yeah!

Johnny 13: I just gotta say that I'm glad to be back in Amity Park.

Me: I agree Johnny.

Danny Phantom: I was starting to get homesick.

Xenia: I take it you guys heard about Warden Walker returning?

Maddie Fenton: We sure did and we're ready for him!

Nico: Good.

Lola: This will be awesome.

Jack Fenton: Including the Fenton Anti Creep Stick!

Pharaoh Atem:… that's a baseball bat.

Eli: I agree father. It looks like a baseball bat.

Jack Fenton: On the outside it does. Watch.

He pressed a button and it turned into a lightning prod stick!

Bonz: Quick question. Have you ever used that in actual baseball?

Jack Fenton: Well it does work like a baseball bat so it does work for that purpose too.

Nico: Cool.

Qin: Yeah.

Maddie Fenton: Yeah. We also heard all about certain ghosts appearing in Gotham Royal York over the years too.

Jazz: Yeah I told mom and dad about them.

Nico: Yeah those appeared after I moved to the city and let me tell you they were amazing to face.

Johnny 13: Yeah they sure were.

Sheep Creep baaed.

Fluttershy: Sheep Creep said that they were all fun.

Me: Yeah.

Natilee: The amazing adventure with them was when Nocturne came and we went into peoples dreams.

Jazz Fenton: Yeah that was cool.

David Cain: Heck, there have been ghosts that didn't come from the Ghost Zone at all

Me: Nope. By the way Jack have you and Vlad officially buried the hatchet after well…

Jack Fenton: Yeah we've mended our friendship again.

Me: That's good.

Qin: Yeah.

Hood Sickle: Guys, there are some tanks approaching.

Me: I see them!

We saw NUMEROUS Tanks coming.

Nico: We got company!

Jack Fenton: Lets go get some ghosts!

Me: YEAH!

Zavok: All these tanks look the same!

Nico: Walker must not be among any of them!

Eli: I sense he is coming shortly.

Me: Like in chess, in order to get to the king we must go through the pawns.

Xenia: Yep.

Nico: Lets get them!

Kerchak: With pleasure!

We went out and fired energy waves and blasted the militia all over and blew them apart.

Nico: You like that!?

We fired energy waves and blew them apart.

Harpymon: COME GET SOME! (ECHOING) WIND SEEKER)

She fired a blade of wind and blasted them all over.

Xenia: And this!

She fired arrows and blew them apart.

Lola fired waves of fire and blasted them.

Beelzemon: Have some of this! (ECHOING) CORONA BLASTER!

He fired a powerful energy blast and obliterated the Militia tanks in powerful fiery explosions all over.

Qin: TAKE THAT!

Xenia: YEAH!

Dayu: My turn!

She went and blasted numerous Militia!

Nico: Take that!

Bonz summoned his monsters and they blasted them all over.

Camie: Take that! And this!

She fired aurora blasts and blew them apart.

Weather Vane: Time to make it rain!

She formed storm clouds and they fired lightning and blasted the tanks and blew them apart and the rain shorted out many of them and they exploded!

Me: OH YEAH!

Camie: Take that!

Absorbing Man: Lemme absorb something.

He used the concrete and formed his hands into concrete hammers and then smashed the militia all over.

Xenia: YEAH!

Laney: Take that!

We then dodged a shot fired by Walker far away.

Burner Man: Ok, that does it. Entrance time!

Nico: Lets get him!

We went at Walker.

Warden Walker: No one destroys my troups. That's against the rules.

THen the spirits of law and order came and swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and then we came.

Me: We're done following your rules!

Warden Walker: Like the tank? It's an advanced model of the usual ones.

Iron Boy was in his suit scanning for a weakness.

Mirror Master: All the more better for us to trash it!'

Me: Yeah!

Qin: And besides you don't look good in a tank!

Camie: Yeah!

Danny Phantom: Yeah I'm much better to fighting you on the ground.

Warden Walker: The rules have changed. Now you fight me in a tank.

Iron Boy: Guys, the tank's got multiple shields up. Our combos should bring them down.

UA Yellowjacket: Just like how with me and Goliath during the whole Civil War back in our world!

Ash charged at him

Ash: Lets do it!

Galatea Ghidorah: This will be good!

Ash and Galatea: GHIDORAH THUNDERSTRIKE BURST!

They fired waves of lightning and blasted the tank and it weakened the shields big time!

Zoe charged at him.

Hurricail: Lets blow him away!

Zoe: You got it!

Zoe and Hurricail: WINDSTORM FURY STORM!

They fired waves of wind and blew him around in a tornado and itt damaged the shields big time.

Me: Lets see if this can damage your shields! KAAAAAAAAAA MEEEEEEEEEEE HAAAAAAAAAAAAA MEEEEEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a powerful Kamehameha Wave and it slammed into the tank! Then the shields shattered and were destroyed and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

The shields were down and destroyed!

Nico: YEAH! That did it!

Ghost Rider charged at him as the tank fired blasts at him.

Ghost Rider: Lets make this ghost feel pain.

Takeru (Ghost): You got it!

Ghost Rider and Takeru: GHOST FIRE MEGABLAST!

They fired waves of fire and blasted the tank all over.

Marinette charged at him as the tank fired missiles.

She dodged them as the missiles exploded all over!

KRABBBBBBOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOMMMM!

Marinette: Nice try!

Danica Metrois: Take this!

Palutena: Time to show the powers of the gods!

Ace charged at him and fired energgy waves.

Ace: Take that!

Bugs: Lets show him ancestral fire Doc!

Ace and Bugs: CARROT FIRESTORM BARRAGE!

They fired waves of carrot bombs and blasted the whole tank into rubble!

Walker was now without a tank!

Nico: Did that get him?

Walker leaped out of the tank. Hulk tried punching him but Walker turned intangible and the punch went right through him.

Walker: Did you really think you were gonna end the fight in one punch? That's DEFINITELY against the rules!

Me: But this isn't!

I stabbed Walker in the back with a dagger made of Ectoranium!

He screamed as his powers were Neutralized!

Walker: Like I didn't prepare for this!

He got out a pistol and shot at us.

But the bullets bounced off us!

Me: Nice try!

Nico: Yeah!

Nico fired a laser blast and melted the gun.

Nico punched him in the face and Danny punched him in the face.

Danny: That was for locking me up for a crime I didn't do!

Walker growled and got out swords.

Nico: Now it's getting interesting!

We unsheathed our swords and clashed ferociously with him.

Sparks flew all over the place.

I kicked him in the face and slashed him.

Xenia fired arrows and skewered him all over.

Batman punched him.

POW!

Batman: Even I wouldn't be as bad as you!

Xenia: YEAH!

Robin threw a birdarang at him.

SMASH SMASH!

Robin: You are as bad as the warden of Deadman Wonderland!

Xenia: Yeah!

Then Evil-Lyn, Evilseed, Lady Shiva, Dr. Destiny, Selene, Copperhead, Lythos, Hydros, Stratos and Pyros came.

Nico: Evil-Lyn, Evilseed, Lady Shiva, Dr. Destiny, Selene, Copperhead, Lythos, Hydros, Stratos and Pyros.

Evil-Lyn: Never thought you guys would see Walker again, huh?

Nico: No, we didn't.

Me: Yeah.

Evil Seed: And he brought a tank.

Dr. Destiny: Which got wrecked.

Me: Yeah that was awesome.

Selene: (to Nico) We heard you fought a clone of Spoiled Rich.

Nico: Yeah that one was modeled after Dr. Robotnik.

Shiva: (to Kim) You should take care of that Hisuian Arcanine

Kim: I will.

?: Awesome.

A figure came out and it was HYDE GENE from the Boukengers movie The Greatest Precious!

Hyde Gene was the true cause of the dinosaur extinction. In the guise of the apparently harmless Muse (ミューズ Myūzu), she slept until she felt a new superior life emerging. Once awaken, Muse asks the people on Earth to go to her in order to obtain a most valuable Precious, to which the Boukengers, some Combatant Karths and some Jaryuu Soldiers respond. The only one to make it is Satoru Akashi, who learns of Muse/Hyde Gene's intentions. But Kouichi Akashi interfered and Hyde Gene confronts the Boukengers, defeated by the Combination Crash. Mack: Man too bad you weren't adapted for us in America.

Hyde Gene: I know! That is crazy!

Me: It sure is.

Hyde Gene: I probably would've been just as powerful as Flurious and Moltor.

William: Yeah, you probably would've.

Me: Yeah.

Nico: And an awesome challenge. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Then, Lincoln slapped Ectoranium cuffs on Walker's wrists, picked him up, and sent him to Vypra via a portal that led to The Masters of Evil's HQ.

Nico: Nice one with the Ectoranium cuffs, Lincoln.

Me: Especially since we were dealing with someone like Walker.

Lincoln: I always carry them with me in case of rogue ghosts running loose. Now, there's one last thing to do and one last loose end to tie up: Tubalcain Alhambra.

?: You may have gotten rid of Walker, but now, you must face me.

Lincoln formed a massive indestructible diamond barrier that protected all of us from razor sharp magic playing cards and the barrier really stood strong against them.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you better come out now, Alhambra, or I'm forcing you out.

A figure came out, it was none other than Tubalcain Alhambra, Millennium's artificial vampire and agent.

Lincoln: Should've known you'd show up here, Alhambra, I smelled your filthy blood from a mile away, and say hello to a familiar face you've run into in Hell.

Husk then stepped out of the barrier.

Husk: You stepped out when I was about to claim your soul after you lost a game against me years ago, Alhambra. You cheated the house, and to me, that warrants a very very strict kind of punishment.

Suddenly, Husk's yellow eyes turned neon yellow and he was surrounded by a taupe and red energy aura with stars, aces, clubs, hearts, spades, playing cards, dice, darkness, dark magic, black magic, Satanic Magic, cats, demons, phoenixes, and angels, and as he approached Tubalcain Alhambra, he left taupe and red energy, stars, aces, clubs, hearts, spades, playing cards, dice, darkness, dark magic, black magic, Satanic Magic, cats, demons, phoenixes, and angels with every step.

Husk: It's been a few years since you crossed my path, the day you lost that game to me in my casino in Hell, I was about to claim your soul, but you killed my guards and you escaped and disappeared into the night. Now, I find out you've come back from the dead, you've cheated one time too many, Tubalcain Alhambra, and now, I'm here to claim what I'm owed.

Suddenly, Husk was surrounded by a massive vortex of taupe and red energy with stars, aces, clubs, hearts, spades, playing cards, dice, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are cats, demons, phoenixes, and angels flying around the vortex, and in the vortex is a red phoenix with demonic red eyes glaring at Tubalcain Alhambra: the red eyes of eternal death.

Nico: Oh boy.

Me: This… is really going to end in a fucking bloodbath.

Lincoln: Alhambra crossed Husk and escaped before he could claim his soul, but now, he's about to claim his due.

Then, as the vortex faded, Husk emerged, but he was changed forever.

Husk grew to 8'9" in height, he has metal gold braces on his biceps and thighs and he now has twelve large taupe and red planets orbiting around his legs, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has black highlights in the bangs of his tuft of hair and black top hat with red hatband and gold button-like decoration and he has a large black metal halo in the center with golden angel wings on the bottom side and four orbiting black metal rings on each corner behind his head, he has neon yellow eyes and a taupe and red energy aura with stars, aces, clubs, hearts, spades, playing cards, dice, darkness, dark magic, black magic, Satanic Magic, cats, demons, phoenixes, and angels and immense protective neon rainbow aura with all of the elements swirling around it, he has a cat, phoenix, and angel surrounding it emblazoned on his forehead and Third Eye with yellow iris, he has on silver cat earrings with red gems for eyes and holding the Star, Dark, Inferno, and Eternity Kanjis in its paws, he has on a Crystal Necklace of The Buddha with red gems on the black crescent moon links and red crystal links and a red cat-shaped Element of Harmony and on the bottom of the Element of Harmony is a cat with red gems for eyes and holding the Star, Dark, Inferno, and Eternity Kanjis in its paws for the pendant and white and gold accented choker on his neck, he has a long black long-sleeved Victorian coat with large wide red cuffs and black embroideries on the cuffs and red embroideries on the coattails and stars, aces, clubs, hearts, spades, playing cards, dice, darkness, dark magic, black magic, Satanic Magic, cats, demons, phoenixes, and angels on the coattails above the red embroideries, white gloves with silver armored claws over his fingers, white cravat, black dress shirt with decorative silver cat head brooch, black buttoned waistcoat with red embroideries, white linen cloth over the white coat with silver ring and small black at head with red gem on its head, long black pants, black and red embroidery knee-high boots with red gems and white linen cloth on the black boots, and on the back of the long black coat is a pentagram surrounded by a cat, demon, phoenix, and angel and surrounded by darkness and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with cats, phoenixes, and angels surrounding a red gem with neon glowing red lights equipped with recognition of him and fits an infinite number of items and component for his Miraculous, Familiars, and Bakugan to rest in. Suddenly, Husk felt a sharp pain on his back, and then, his large red avian wings suddenly transformed into red angel wings with dark taupe on the undersides with the undersides decorated with black stripes which feature red and white roulette wheel dot markings and the outside of his angel wings are decorated with more black stripes which wrap around the joints and run around a row of white roulette wheel dots which grew larger for his new body, and medium sized red angel wings with dark taupe on the undersides with the undersides decorated with black stripes which feature red and white roulette wheel dot markings and the outside of his angel wings are decorated with more black stripes, which wrap around the joints and run around a row of white roulette wheel dots grew and sprouted out of his massive red angel wings and his long taupe tail with large spray of dark pink plume-like fur or feathers with black and white stripes grew longer for his new body, he has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left white glove-covered hand and he has smaller planets orbiting around his fingers like rings.

Suddenly, Husk's greatsword and all the greatswords and swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of taupe and red energy, stars, aces, clubs, hearts, spades, playing cards, dice, darkness, dark magic, black magic, Satanic Magic, cats, demons, phoenixes, and angels, and when it emerged, it was transformed into Husk's Cosmic Eternal Harmony Hellish Inferno Vice Dark Magic Phoenix God Angel Mage's Staff of Cosmic Eternal Harmony Hellish Inferno Vice Dark Magic Phoenix God Angel Justice, it's a brand-new Mage's Staff measuring at 8'7" in length with a massive red orb mounted on top of four large gold phoenix heads with red gems for eyes and large red gem surrounded by a gold ring and small gold phoenix coiled around one end of the long midnight black staff and four small gold phoenix heads with red gems for eyes on top a large gold ring and large silver crescent weight with red gem for the pommel, he has on his new large gold Bracers of the Champions of The Universe with red gems on his wrists which were hidden in the large wide cuffs of his long long-sleeved white coat and Dragon Ball Bracelet and wrist computer and Omnitrix on his left gold Bracer, his new large gold Belt of Elemental Bravery with large gold cat head with red gems for eyes and large red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony holstered on his right hip and Eater of Sins revolver holstered on his left hip. We were amazed by Husk's Super Angel-Demon Cat-Hell Overlord-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Tubalcain Alhambra saw it, he threw more of his playing cards at Husk, but Husk countered by throwing his own playing cards which deflected his playing cards, and Husk fired a massive barrage of taupe and red energy, stars, aces, clubs, hearts, spades, playing cards, dice, darkness, dark magic, black magic, Satanic Magic, cats, demons, phoenixes, and angels which hit Tubalcain Alhambra, he got back up and he dusted himself off.

Husk: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Infernal Hellish Darkness Card Suit Gambler Demon Cat Overlord Phoenix God Angel and Divine Cosmic Eternal Harmony Infernal Hellish Darkness Card Suit Gambler Demon Cat Overlord Phoenix God Angel Hope) Now, it's time to play, Alhambra.

Suddenly, the skies turned red and playing cards appeared behind Husk.

Nico: Oh boy, the game has begun.

Me: But, this one is winner take all.

Lincoln: And Alhambra did run before Husk tried to take his soul as part of the deal he made with him, and that's something he couldn't stand. Cheat a deal you make with one of the Overlords, and there's a price to be paid.

Husk went after Tubalcain Alhambra who continued throwing his playing cards at the demon cat Overlord, but he countered by still throwing his playing cards that deflected Alhambra's cards, and then, Husk fired extremely powerful blasts of taupe and red energy, stars, aces, clubs, hearts, spades, playing cards, dice, darkness, dark magic, black magic, Satanic Magic, cats, demons, phoenixes, and angels at Tubalcain Alhambra and they exploded with incredible power as they hit him.

Then, Husk attacked him by swinging his new staff at him and it hit Alhambra, and he fired red energy blasts from his staff that also hit Alhambra. Then, Husk threw his dice at the vampire and they explode once they hit him.

Tubalcain Alhambra: Go to Hell, you bastard!

Husk: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Infernal Hellish Darkness Card Suit Gambler Demon Cat Overlord Phoenix God Angel and Divine Cosmic Eternal Harmony Infernal Hellish Darkness Card Suit Gambler Demon Cat Overlord Phoenix God Angel Hope) Where do you think I wound up after I died, asshole? (Smirks) Now, I think it's time to pay up.

Husk chained Alhambra up with chains, and then, he grabbed Alhambra's hand, and we saw the vampire's eyes glow green, and we knew what that was: Husk came to collect Alhambra's soul as his payment for a debt long overdue, and Alhambra's body suddenly turned to ashes leaving his playing cards on the ground. Husk powered down, and his new body, clothes, weapons, jewelry, Third Eye, longer tail, large black halo with four large orbiting black rings on each corner behind his head, twelve large taupe and red planets orbiting around his legs, smaller planets orbiting around his fingers, and massive red angel wings and medium sized red angel wings underneath are permanent.

Husk: Good riddance, asshole.

Then, Husk took Tubalcain Alhambra's cards, and we saw the back of his playing cards changed to that of Husk's playing cards.

Nico: So, Alhambra lost his soul to you, and you also claimed his playing cards as your own.

Husk: As you said, winner takes all.

Me: And Alhambra lost big time, maybe now, he should know better than to deal with a gambler. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow.

(CHINESE MUSIC PLAYS)

Suddenly, we saw a tiger made of white flame pass through the skies.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting tomorrow and in the days to come: the rest of the Gene-Slammers and Avatars of The Brotherhood of The Fire Fist Duel Monsters.

We gasped.

Nico: Then, that tiger we saw, it looked almost like the sign of Savannah's order.

Lincoln: What we saw was the sign of their group: The Sisterhood of The Fists of Fire, a powerful group of martial artists from China who were born with the powers of The Brotherhood of The Fire Fist Duel Monsters and are masters of colored flames, and their mission was to bring justice to those who sought to bring chaos to the innocent and to help us in our battles against evil.

Me: So, they're just like Savannah's order, awesome. Then, that white tiger we saw is the first of the Sisterhood we're meeting tomorrow.

Lincoln: Yep, and there's one person who has that sign: Arpina Huoqiang, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Tiger King.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Arpina Huoqiang is Lincoln's Guardian Angel from China and classmate in Gym, and she's a very powerful martial artist and master of white fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Tiger King, along with having white angel wings and intense white fire powers, and she became the leader of a very powerful group called The Sisterhood of The Fists of Fire, a powerful group of girls who were born with the powers of The Brotherhood of The Fire Fist Duel Monsters, and among the group was Panda Faye Ling, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Panda. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what we've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of white fire. Lincoln made her a powerful fire sword, and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Arpina hates Lori with a blazing passion because of her cold-hearted egotist misandrist control freak attitude and black-hearted hatred towards Lincoln, and one incident had Lincoln beaten almost to the point of death by that bitch, Lori, and that caused Arpina to beat Lori up that badly and sent her to the hospital in a full-body cast for two years, and Arpina healed Lincoln by feeding him a blood bag.

Nico: WHAT?!

Me: Oh, I still remembered that. Arpina really despised Lori for what she did to Lincoln that day, and she had to spend two years in the hospital in a full-body cast, that was even worse than what Bertha did to her.

Nicholette Torrington: You said a mouthful. But, angering Arpina was almost like angering a tiger, and when that happens, the consequences are really really painful.

Lynn: I'm also not friends with most of them because they also hated me, Lori, Lola, Lisa, and Luan for that incident Panda told them about with Lincoln.

Nico: Yeesh.

Lincoln: It almost ended with Lynn getting beaten to a pulp by them, and because of Dark Lynn, she didn't stay clear of them, and she got beaten up by them and spent a month in the hospital.

Eli: Ouch.

Copperhead: I'll give him this. He put up more of a fight.

Me: He sure did and that was fun.

Lythos: But he still went down.

Hydros: He sure did.

Me: Yep.

Stratos: Another job well done!

Me: And one less ghost to deal with.

Pyros: Let's celebrate at Fentonworks!

Nico: Good idea. Great job today everyone.

Danny Phantom: Yeah. (To the viewers) This was really fun and awesome.

Me: Yep.

We went to Fentonworks and then had a great party and then went back home and enjoyed the rest of the day and went to sleep.

Nico: Nothing like a little relaxing in the park.

Camie: You said it.

Qin: Yeah.

Varie: It's fun.

Me: You said it.

Lola: Yeah.

Qin: I think it's awesome too.

Nico: Yeah. Hannah, I want to thank you, Dartz, and your teams for coming

Hannah Fairchild: No problem Nico. It's gonna be awesome and fun.

Heidi Knudson: I agree there too. It's so fun.

Nico: Heidi, remember when you first fought Dartz?

Heidi: I sure do. And that was one of the most epic battles I've done.

Me: I was there when it happened and man was it epic.

Dartz: Yes Heidi put up an amazing fight there.

Laney: She sure did. Wow! We really made sure the Great Leviathan what for.

Camie: That was amazing!

Varie: No kidding!

Carly Atlas: Wow no kidding. Boy everyone REALLY trounced that monster.

Nico: Carly, you weren't with the others back then

Carly Atlas: No but I heard about it with you guys.

Me: And she experienced the second battle we had on April Fools Day.

Nico: True.

Misty Tredwell: That was so awesome.

Me: Yeah it sure was.

Heidi: Yeah.

Me: Yep. Man we really trounced Warden Walker.

Camie: No kidding! That tank he had was cool!

Nico: It took us a while to destroy it

Me: Yeah but a Kamehameha Wave destroyed the shields and the combos destroyed the tank.

Qin: Yep.

Nico: That was awesome. And an Ectoranium dagger made him helpless.

Camie: It sure did.

Sakura Knudson: Yeah. You know coincidentally there's also Warden Louise Walker from Holes. I hate her.

Me: No kidding and I remember her.

Nico: Coincidental that they share the same name. But yeah.

Maria: I'll give him this though. He put up more of a challenge then the other jerks

Me: Yeah the rest of the jerks didn't put up much of a fight. If this is the best Xehanort is giving us then he is sadly mistaken.

Camie: Yeah no kidding. These jerks are as slow as molasses.

Carly Atlas: (LAUGHS) Yeah that is funny and true.

Nico: Overall, that was one of the toughest fights we were in

Qin: Yeah it was.

Camie: But now the Warden has become the Inmate.

Nico: Yep. The worst kind of irony.

Lola: Yeah if it were Arkham and it was oone of their guards locked up they would laugh at him.

Me: Like how those fuckups laughed at that fucked up lunatic Lockdown.

Nico: Yeah no kidding.

Me: Yep.

Maria: I'll get us some burgers.

Me: Okay.

Maria went and did so.

Maria went to a burger hut.

Maria: Can I get some burgers?

Vender: Sure.

He gave her a HUGE Plate of burgers and Maria gave him the money.

Maria: Thank you

Vender: Enjoy.

She came back and we got to eating.

Me: (Eating) Mmm! Delicious!

Maria ate some.

Maria: (Eating) Delicious.

Me: Yeah.

Ed: You know what would go good with this? Buttered toast.

Eddy: Shut up Ed.

But then a plate FULL of buttered toast appeared by Ed.

Ed: BUTTERED TOAST!

Eddy: Um… nevermind.

Ed was eating the toast.

?: You're welcome.

We saw the Mosquitoast Gene-slammer.

Nico: Monica Toast! Wow!

Qin: Breakfast Queen Monica! Awesome!

Nico: Great to see you again Monica.

Monica Toast: You too Nico.

Nico: Didn't expect to see you here

Monica Toast: Yeah I was in the area and decided to come help out.

Nico: Awesome.

Lincoln: Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: Nico, Qin, are you and your friends familiar with the names Kyle Venderson, Toby Connors, and Logan Gunners?

Nico: (GASPS) SAY WHAT?!

Nico gasped loudly, and his skeleton came out, and it went back inside him, but it didn't end there.

THEN, NICO, QIN, AND THEIR FRIENDS GASPED IN HORROR AND THEIR JAWS DROPPED TO THE FLOOR! ELI CLOSED THEIR JAWS!

Qin: OH NO! NOT THAT EVIL THUG AND HIS ASSHOLE FRIENDS! I THOUGHT WE WERE RID OF THOSE PIECES OF SHIT!

Me: Nico, Qin, you know those pieces of crap?!

Nico: Know them?! I hate those pieces of crap! But, you guys deserve to know the story. Kyle Venderson and his friends, Toby Connors and Logan Gunners, are THE MOST EVIL THUGS ever to cause trouble. Those fuckers have been causing trouble in New Jersey for years before I moved to Michigan and Gotham Royal York, and those fucks have caused all sorts of trouble all over: everything from violent assaults to property destruction, they vandalized businesses and they even burned down churches and synagogues, they even robbed banks and they beat up a ton of innocent people who get in their way, and some of them wind up getting killed by those pieces of crap, and if that's not the worst, they even raped tons of girls all over Jersey.

WE GASPED IN HORROR AND SHOCK: THESE WEREN'T ORDINARY THUGS WE WERE GOING TO KILL, THEY'RE THE WORST KIND OF THUGS WE CALL CLASS TRIPLE-S SUPER THUGS!

Me: WHAT THE FUCK?!

Lincoln: Jeez, they're even worse than the thugs we've had to deal

with.

Qin: And it gets even worse, they beat up Nico so bad that it landed him in the hospital for a month!

NOW, WE WERE SUPER PISSED OFF!

Nico: I know! How the fuck did that happen?! I'm an expert martial artist and fully trained Saiyan Warrior who fights with honor!

Lincoln: The only way they were able to beat you down, was that they resorted to using dirty moves like Chandler in the past. I've seen many of Chandler's dirty moves, he didn't fight fair, he fights dirty.

Nico: Wait, I remember now. Those assholes used dirty moves and cheap moves on me and they were able to overwhelm me and beat me up that day. (SUDDENLY GETTING SUPER MEGA PISSED OFF) And because of it, they basically wounded my pride as a Saiyan with that?! Oh, that's it! IT'S PAYBACK TIME!

Me: No one gets away with wounding a Saiyan's pride and lives! Those three just found themselves up shit creek without a paddle!

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: We did, so, we got three thugs from your past who need to be put down, Nico.

Nico: More than that, Lori. They're getting The Black Gates, but not before we tear their fucking asses apart!

Me: YEAH!

Qin: Lets get those jerkwads!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large

orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and

our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Kyle Venderson, Toby Connors, and Logan Gunners) AHA! Gotcha! I just spotted Kyle Venderson, Toby Connors, and Logan Gunners, they're 20 yards away, but they're heading right for you, Nico, and they're not going to stop until you're dead.

Nico: Those fuckers are going to regret it, because I'm not the same person I was years ago.

Lincoln: They're heading straight for The Black Gates for everything they've done. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even

stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Kyle Venderson, Toby Connors, and Logan Gunners.

SpongeBob heard a Pokemon cry

SpongeBob: Look here guys!

We saw a Kingler.

Me: Whoa a Kingler!

SpongeBob: (LAUGHS) Looks like Mr. Krabs in Pokemon form.

Mr. Krabs: (LAUGHS) Yeah he sure does boyo.

Me: The poor guy is hungry.

SpongeBob: Lets give it some Krabby Patties.

Kingler: Okay.

We gave it Krabby Patties and they were made with love and man was she hungry and she ate them.

Kingler: (BURPS) Oh pardon me. That was delicious!

SpongeBob: You're welcome.

Maria: (laughs) I knew it would love Krabby Patties!

Kingler: (LAUGHS) Yeah.

Mr. Krabs: (LAUGHS) Aye lads.

Spongebob: Do you want to come with us?

Kingler: Sure!

Qin: Awesome.

Xenia: Yeah.

We were off to find those jerks.

We were flying in the air, and we saw our targets: three large muscular males with facial stubble on their jaws, messy black hair, red eyes of hatred, and they're dressed in the clothes of thugs, it was Kyle Venderson, Toby Connors, and Logan Gunners, and they were heading right for Nico in a fit of murderous rage.

Lincoln: There they are, now to give them a really nasty surprise.

Lincoln fired red superhot energy orbs at Kyle Venderson, Toby Connors, and Logan Gunners, and they got burned badly by the red superhot energy blasts, and that pissed them off big time and they got super pissed off when they saw us land.

Nico: HELLO JERKFACES! Remember me!?

Kyle Venderson: YOU!

Nico: That's right!

Toby Connors: How are you still alive!?

Kyle Venderson: YEAH!

Nico: You stupid motherfuckers, I thought I was finally rid of you shitheads when we sent you running for the hills after I recovered from the thrashing you assholes gave me through your dirty tactics.

Kyle Venderson: Letting you live was our fucking mistake, now we're going to kill you and rape and murder your fucking whores, dickhead!

Nico then punched Kyle Venderson hard in the face and sent him flying into Toby Connors and Logan Gunners and they all flew into a tree.

Nico: (GROWLS FEROCIOUSLY) Threatening my wife and my harem was the last straw, you fuck!

Toby Connors: THAT'S IT, WE'LL FUCKING KILL YOU ALL! DO YOU HEAR ME?!

Sebastian Mendez: Why don't you three shut the Hell up?!

When Kyle Venderson, Toby Connors, and Logan Gunners heard that voice, their faces went pale.

Toby Connors: N-no, i-it can't be… ! Not him!

Logan Gunners: T-The Dark Lord of Eternal Madness himself?!

Kyle Venderson: Impossible!

But, when they saw Sebastian, the blood in their faces truly left, and then, the memories of their past encounters came back as the current Sebastian changed into the one from the long forgotten past: the one they along with Nico, Qin, and their friends also knew and despised, the one who fell into madness and darkness and turned into the monster who terrorized all in his path and left chaos and madness in his wake as the sounds of his demonic laughter echoed in the air.

Me: Sheesh, what's got those shitheads that freaked out?!

Nico: When they heard and saw Sebastian, their past encounters with him returned and they just saw a ghost, they remembered the one from the long forgotten past.

Sebastian Mendez: The one who thanks to tragedy and the evil actions of Chase Young's Dark Side, fell into darkness and madness and was turned into the monster who terrorized all in my path and left chaos and madness in my wake as the sounds of demonic laughter echoed in the air. But, make no mistake, Kyle, I have returned, and I'm forever free from the demons of the past, but that won't save you from me.

Toby Connors: Y-you're not going to kill us, are you?!

Sebastian Mendez: A fucking plea from your sniveling throat isn't going to save your pathetic hide, Toby, and you think I'm not going to kill you three? Do you know how many I have killed who were just like you, a lot, and many of them didn't put up much of a fight because I was a vicious and destructive monster of violence and chaos.

That made Kyle Venderson, Toby Connors, and Logan Gunners super pissed.

Kyle Venderson: DIE!

They charged like mad bulls only to get slashed at by Sebastian with his massive greatsword and he fired dark fire at them and their leather jackets got burned and their tank tops also had lots of slash marks and it wasn't from his greatsword, Sebastian also turned his nails into claws.

Toby Connors: YOU BASTARD! YOU RUINED OUR OUTFITS! YOU'RE GONNA PAY FOR THIS!

Kyle Venderson, Toby Connors, and Logan Gunners got their jackets off before they burned even more leaving them in their slashed tank tops, then, they grabbed their slashed and shredded tank tops and ripped them off.

Dana Orichalcum: Alright, Sebastian, you've had your fun, now it's our turn.

I punched Kyle in the face and leg swept him and kicked him to Toby and smashed him down and then I kicked Logan in the face and knocked them down.

Nico: News flash for you jerkfaces! You should never damage the pride of a Saiyan. You're going to know the new meaning of the word pain! I'm going to make you suffer!

Qin: YEAH!

Xenia: AND IT'S GOING TO HURT REALLY BAD!

Kyle Venderson: You think we're scared of you!?

Nico: YOU SHOULD BE!

Me: LETS FUCK THEM UP!

Eli: Take this!

He fired Force Lightning and electrocuted them all over.

Camie: And this!

She fired Aurora blasts and blasted them all over.

Tsuyu used her tongue and grabbed Kyle and smashed him into Toby and Logan.

Nico was about to punch Kyle but then I saw a gumball.

Nico: Hey, gumball!

Nico went to pick it up but Logan saw an oppourtunity to throw an axe to cut his head off. May screamed in horror but to everyone's surprise, not only was Nico still alive but his body was moving on its' own!

Nico: Nice try Logan! Body kick that jerks ass!

It went and did so and smashed and thrashed him.

Kyle: YOU'RE A FREAK!

Nico: I know you are but what am I.

Qin: Yeah!

Nico: Just what the world needs huh? Another Talking Head.

We laughed!

Nico's body grabbed his head and reattached it.

Kingler charged at them and fired waves of energy..

Kingler: Take that Crabcake Faces!

Xenia: YEAH!

Optimus Prime Turned into Upgrade!

Optimus Prime: UPGRADE!

He fired lasers and blasted the 3 jerks all over.

He used the Core Medals for Evil-Lyn, Constucticon Devastator and Universe 666 Live Action Starscream.

Armada Cyclonus: Lets do it!

Upgrade and Armada Cyclonus: STAR STORM LASER BLAST!

They fired waves of lasers and blasted the three jerks all over.

Mallow turned into Wildvine!

Mallow: WILDVINE!

She threw plant pod bombs and they hit the 3 and exploded all over.

She used the Core Medals for Evilseed, Evil Poison Ivy and Evil Plant Man.

Evelyn Burmingham: Lets make this fun.

Mallow and Evelyn: PLANT FURY BLAST STORM!

They fired waves of leaves and plants and blasted the three all over.

Nico: Take that!

Me: You had this coming!

Lincoln: And now, The Dark Angel of The Orichalcos is about to transform and waste those three dirtbags.

Then, as the vortex faded, Dana Orichalcum emerged, but she was changed forever.

We were amazed by Hannah Fairchild's Super Angel-Sacred Beast Champion-Demon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but but when Kyle Venderson, Toby Connors, and Logan Gunners saw it, those fuckers went mad and got out knives to stab her, but Hannah Fairchild fired a massive barrage of dark blue energy, stars, fire, lightning, darkness, ghosts, demons, phoenixes, and angels which hit Kyle Venderson, Toby Connors, and Logan Gunners which hit the assholes and sent them flying into a wall, they got back out, but boy, were they pissed off even more.

Hannah Fairchild: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Darkness Goosebumps Monster Buster Eternal Darkness Sacred Beast Champion Ghostly Darkness Phoenix God Angel and Divine Cosmic Eternal Harmony Darkness Goosebumps Monster Buster Eternal Darkness Sacred Beast Champion Ghostly Darkness Phoenix God Angel Death) That'll teach you assholes, and Lincoln's right about what he said, the theme for us are those who have the powers of The Great Leviathan and The Orichalcos Duel Monsters or have used The Seal of Orichalcos: Dana Orichalcum and Maxxine Smythe who are the Gene-Slammers of The Great Leviathan and The Orichalcos Duel Monsters, me since my archenemy is Dartz, Heidi Knudson who sealed The Great Leviathan into her years ago, and Tea Gardner who used The Seal of Orichalcos on one of The Rare Hunters when Larry Raccoon returned to Charles Darwin Middle School.

Heidi: Right. Now, it's my turn.

Suddenly, Heidi's blue eyes turned neon blue and she was surrounded by a blue energy aura with stars, water, ocean waves, leviathans, phoenixes, and angels, she unholstered her scythe, and as she approached Kyle Venderson, Toby Connors, and Logan Gunners, she left blue energy, stars, water, ocean waves, leviathans, phoenixes, and angels with every step.

Heidi: You really are just as vile and deplorable as Nico said you are, you piles of garbage, well, there's no way you're getting out of this alive, you three are done, you will be swept away by the tides!

Suddenly, Heidi was surrounded by a massive vortex of blue energy with stars, water, and ocean waves surrounding the vortex, there are leviathans, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Kyle Venderson, Toby Connors, and Logan Gunners: the red eyes of eternal death.

Me: WHOA!

Nicole: Alright, now Heidi's going to transform, this is going to be so awesome!

Lincoln: This is really going to be good.

Then, as the vortex faded, Heidi emerged, but she was changed forever.

Heidi grew to 8'3" in height, she has gold metal bands on her biceps and thighs, she now has twelve large blue planets orbiting around her legs, she has the body of a goddess, she has red, light blue highlights in the bangs of her long flowing blue hair reaching to the bottom of her neck and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon blue eyes and a blue energy aura with stars, water, ocean waves, leviathans, phoenixes, and angels surrounding her, she has The Symbol of the Orichalcos and The Great Leviathan and phoenix and angel emblazoned on her forehead and Third Eye with blue iris, she has on phoenix earrings with the Star, Water, and Eternity Kanjis in its claws, she has on her Crystal Necklace of The Buddha with blue gems on the gold water drop links and blue crystal links and blue leviathan-shaped Element of Harmony and on the bottom is a phoenix with blue gems for eyes and holding the Star, Water, and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck, Heidi has on a blue sleeveless top, cyan blue skirt, sea foam green shorts, blue sandals, and long white sleeveless trenchcoat with stars, water, ocean waves, leviathans, phoenixes, and angels on the coattails, and on the back is The Symbol of The Orichalcos, and above their heads is The Goosebumps Monster Busters symbol and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a blue gem with neon glowing blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Heidi felt a sharp pain on her back, and then, her massive blue angel wings with cyan blue tips on the large blue feathers grew much larger for her new body and medium sized blue angel wings with cyan blue tips grew and sprouted out underneath her massive blue angel wings and she now has eleven massive and long blue wolf tails with cyan blue tips and cyan blue markings. Heidi has on a Ring of The Phoenix with blue gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand, and she has on black fingerless gloves with the symbol of Team Loud Phoenix Storm on the back and gold armored claws on her fingers and smaller planets orbiting around her fingers like rings.

Suddenly, Heidi's scythe and all the greatswords and swords she'd gotten began merging and they're surrounded in a kaleidoscope of blue energy, stars, water, ocean waves, leviathans, phoenixes, and angels, and when it emerged, it was transformed into Heidi Knudson's Cosmic Eternal Harmony Oceanic Maelstrom Almighty Seiryu True Immortal Great Leviathan Orichalcos Phoenix God Angel Scythe of Cosmic Eternal Harmony Oceanic Maelstrom Almighty Seiryu True Immortal Great Leviathan Orichalcos Phoenix God Angel Justice, it's a brand-new massive scythe measuring at 8'7" in length with a massive ocean blue curved sickle blade with The Orichalcos symbol etched on it and on the opposite side of the sickle blade is a leviathan with red gems for eyes and blue gem in its mouth and leviathan wrapped around one end of the long midnight black staff and on the other end are four large ocean blue leviathan heads with red gems for eyes and large ocean blue leviathan head on the bottom of the leviathan heads with red gems for eyes and blue gem in its mouth for the pommel, she has on her gold Bracers of the Champions of The Universe with large blue gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left gold Bracer, large gold Belt of Elemental Bravery with a gold leviathan head with blue gems for eyes and large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Heidi: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Oceanic Maelstrom Armageddon Great Leviathan Tamer Leviathan Phoenix God Angel and Divine Cosmic Eternal Harmony Oceanic Maelstrom Armageddon Great Leviathan Tamer Leviathan Phoenix God Angel Hope) Alright, now it's only Tea left to transform, and then, we can start beating you three into the dirt.

Tea: Right, and don't you dare think you're running away that easily.

Tea was right: Sebastian put up a barrier of swords to keep them from trying to run away, and it pissed them off.

Suddenly, Tea's blue eyes turned neon blue and she was surrounded by a spring green energy aura with stars, magic, light, fairies, phoenixes, and angels, and as she approached Kyle Venderson, Toby Connors, and Logan Gunners, she left spring green energy, stars, magic, light, fairies, phoenixes, and angels with every step.

Tea: I've honestly got no words to even say to you piles of garbage since Dana, Maxxine, Heidi, and Hannah have already said it, so let's call it a day and send you three on your way to The Black Gates.

Suddenly, Tea was surrounded by a massive vortex of spring green energy with stars, magic, and light surrounding the vortex, there are fairies, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Kyle Venderson, Toby Connors, and Logan Gunners: the red eyes of eternal death.

But when Kyle Venderson, Toby Connors, and Logan Gunners saw it, those fuckers went mad and got out knives to stab her, but Tea fired a massive barrage of spring green energy, stars, magic, light, fairies, phoenixes, and angels which hit Kyle Venderson, Toby Connors, and Logan Gunners which hit the assholes and sent them flying into a wall, they got back out, but boy, were they pissed off even more.

Nico: It's payback time, you miserable fucks.

Kyle Venderson: FUCK YOU, ASSHOLE!

Kyle Venderson, Toby Connors, and Logan Gunners took out bottles of green serum and they drank the serums. Suddenly, they growled in anger, and they suddenly grew to 9'10" in height and their already large muscles grew even larger and with pulsing veins, and they roared and pounded their chests in anger!

Nico: Those fuckers resorted to one last dirty tactic!

Lincoln: Well, that's just made it easy though, now it's my turn to use my own tactic.

Suddenly, the symbol of The Orichalcos appeared on the floor, and our energy auras flared up extremely even more, and our eyes turned red.

Lincoln, Nico, Me, Tea, Hannah Fairchild, Heidi, Dana Orichalcum, and Maxxine Smythe: YOU MISERABLE GODDAMN INSECTS! WE'RE GOING TO TEAR YOUR HEADS OFF AND DEVOUR YOUR HEARTS!

Lincoln, Dana Orichalcum, Heidi, Maxxine Smythe, Nico, Tea, Hannah Fairchild, and I went after Kyle Venderson, Toby Connors, and Logan Gunners, and we fired extremely powerful blasts of rainbow energy, black and red energy, blue energy, spring green energy, dark blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Kyle Venderson, Toby Connors, and Logan Gunners and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Dana Orichalcum, Heidi, Maxxine Smythe, Nico, Tea, Hannah Fairchild, and I attacked their hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Kyle Venderson, Toby Connors, and Logan Gunners even more madder than ever and they exploded even more with extreme rage.

Kyle Venderson: YOU BITCHES! WE'LL KILL EVERY LAST ONE OF YOU!

Then, Lincoln fired three red energy blasts at Kyle Venderson, Toby Connors, and Logan Gunners which hit them, and they had a red barbell tattoo on their backs: Lincoln's given them The Min's Egyptian Virility Drain Curse.

Eli: Uh oh.

Lynn: I knew he was going to do that.

Then, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Kyle Venderson, Toby Connors, and Logan Gunners. Then, the tentacles began sucking Kyle Venderson, Toby Connors, and Logan Gunners of their extremely massive muscle mass, virility, testosterone, and extremely massive physical strength and they were groaning in pain as they began shrinking in both height and muscle mass.

Then, all of the extremely massive muscle mass, virility, testosterone, and massive physical strength of Kyle Venderson, Toby Connors, and Logan Gunners began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and medium sized white angel wings spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was, the tentacles detached themselves from the pecs, arms, legs, and necks of the the three assholes and they went back into him, and Kyle Venderson, Toby Connors, and Logan Gunners were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing and disappeared.

Kyle Venderson: NO! DAMN IT! WE'LL GET YOU FOR THIS, YOU HEAR ME?!

Toby Connors: YOU'RE ALL GOING TO PAY FOR THIS!

Logan Gunners: WE WILL DESTROY THIS PATHETIC PLANET

AND KILL ALL YOU BITCHES!

Then, we'd had enough: Lincoln, Nico, and I fired three Eraser Balls at them which hit the three assholes, and then, The Seal of The Orichalcos glowed brighter, and Kyle Venderson, Toby Connors, and Logan Gunners screamed as bright light overwhelmed them, and they had their souls sucked out of their bodies and imprisoned in cards, and Nico picked them up and threw them into a portal that led to The Black Abyss.

Everyone cheered as we holstered our weapons and powered down, and the new bodies, clothes, jewelry, eleven massive and long wolf tails, 28th Century silver Miracle Box backpacks, Third Eyes, large gold halos with four orbiting gold rings on each corner behind their heads, twelve large planets orbiting around their legs, smaller planets orbiting around their fingers, and massive angel wings and medium angel wings of Dana Orichalcum, Maxxine Smythe, Hannah Fairchild, Heidi Knudson, and Tea Gardner are permanent.

?: (Six girls' voices) Aw man, looks like we've missed the fight.

Suddenly, we saw six girls appear: the first girl has long yellow hair, yellow clothes, pink eyes, blue angel wings and a crescent moon on his forehead, and a Keyblade in hand, the second girl has brown hair, green eyes, brown angel wings, brown clothes, brown angel wings, and the symbol of Hawkgirl on her forehead and skirt, and Keyblade in hand, the third girl has long blue hair, blue clothes, blue eyes, blue angel wings, and a Keyblade in hand, the fourth girl has long red hair, green eyes and green sclera, purple clothes, light green angel wings, and Keyblade in hand, the fifth girl has long pink hair, pink eyes, purple clothes, black and purple angel wings, and Keyblade in hand, and the sixth girl has long cobalt blue hair, blue eyes, blue clothes, blue angel wings, and Keyblade in hand.

Lincoln: (GASPS) Celica Tsukino, Keyblade Knight of The Moon, Shayana Thanagar, Keyblade Knight of Thanagar, Zenia Zenn-La, Keyblade Knight of Zenn-La, Galatea Tamaran, Keyblade Knight of Tamaran, Zaria Zenovia, Keyblade Knight of ZDR, and Sonia Mobius, Keyblade Knight of Mobius.

Eli: Sonia?! Wow!

Starfire: Galatea?!

Sailor Moon: Celica?!

Hawkgirl: Shayana?!

Silver Surfer: Zenia?!

Samus: And Zaria?!

Nico: Wow! And you know them, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, the first girl is Celica Tsukino, Keyblade Knight of The Moon, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of the powers of the moon and powerful force of light. She is the Keyblade Knight of The Moon and she's as powerful as 500,000 Sailor Moons, and she's the sister of Serena Tsukino A.K.A. Sailor Moon. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of the moon and she hates Chandler with a vengeance.

Eman Reynolds: The second girl is Shayana Thanagar, Keyblade Knight of Thanagar, she's Lincoln's Guardian Angel from Thanagar and she's a powerful force of epic power and a deadly force of good.

She was born and raised on Thanagar, and she's a powerful and deadly warrior and she's a powerful master of fire, wind, and birds. She is the Keyblade Knight of Thanagar and she's a very close friend of Shayera Hol A.K.A. Hawkgirl and Hawkman. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering fire and wind, and she also despises Killjoy Huggins with a vengeance, the reason why is because he tried to get Lincoln expelled and sent to prison for a murder that never happened, but instead, that backfired and Killjoy Huggins was sent to the nuthouse for a year.

Nico: Now, I'm really glad we sent that bastard to The Black Gates, what a bastard!

Selene Emperyous: The third girl is Zenia Zenn-La, Keyblade Knight of Zenn-La, she's Lincoln's Guardian Angel from Zenn-La and she's a powerful force of epic power and a deadly force of good. She was born and raised on Zenn-La, and she's a powerful and deadly warrior and she's a powerful master of cosmic rays. She is the Keyblade Knight of Zenn-La and she's a very close friend of Silver Surfer. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering cosmic rays, and she also despises Chandler with a vengeance, the reason why is because she saw him beat Lincoln to within an inch of his life and she and Girl Jordan kicked that sack of sewage slop into pulp.

Me: Yeesh, I remembered that all too well, and Lincoln spent five months in the hospital due to the injuries.

Michelle Emperyous: The fourth girl is Galatea Tamaran, Keyblade Knight of Tamaran, she's Lincoln's Guardian Angel from Tamaran and she's a powerful force of epic power and a deadly force of good. She was born and raised on Tamaran, and she's a powerful and deadly warrior and she's a powerful master of the stars. She is the Keyblade Knight of Tamaran and she's a great friend of Starfire, Blackfire and Wildfire. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the stars, and she also despises Chandler with a vengeance and she called him the worst Clorbag Varblernek EVER!

Nico: Ouch! Man, did that sting for him!

Melanie Emperyous: The fifth girl is Zaria Zenovia, Keyblade Knight of ZDR, she's Lincoln's Guardian Angel from the planet ZDR and she's a powerful force of epic power to be reckoned with. She was born and raised on ZDR, and she's a powerful and deadly warrior and she's a powerful master of darkness. She is the Keyblade Knight of ZDR and she's also a close ally and friend of Samus Aran.

She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness, and she hates Lori Loud with a vengeance.

Me: Yikes!

Laney Emperyous: And the sixth girl is Sonia Mobius, Keyblade Knight of Mobius, she's Lincoln's Guardian Angel from Mobius and she's a powerful force of epic power to be reckoned with. She was born and raised on Mobius, and she's a powerful and deadly warrior and she's a powerful master of speed and can run as fast as Sonic and friends. She is the Keyblade Knight of Mobius, and she's also a close ally and friend of Sonic and friends including Maria Robotnik and Eli. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of speed and teaching him to run as fast as her, Sonic, and friends, and she not only hates Dr. Robotnik, but she also hates Lisa Loud with a vengeance, and she told Lisa off big time and even compared her to

Robuttnik.

Nico: Wow! That's really amazing.

Lincoln: I was also amazed after hearing their stories, and it's so good to see you again, girls.

Zenia Zenn-La: You too, Lincoln, and you've really really grown into quite a tall and really buff man.

Celica Tsukino: He was very muscular when we'd last seen him seven years ago, but now, he's completely and extremely buff even more than last time.

Lincoln then marked Celica Tsukino, Shayana Thanagar, Zenia Zenn-La, Galatea Tamaran, Zaria Zenovia, and Sonia Mobius by slowly biting them on the right trapezius and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit them.

Then, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Celica Tsukino, Shayana Thanagar, Zenia Zenn-La, Galatea Tamaran, Zaria Zenovia, and Sonia Mobius with colored gems on the gold lightning bolt links with colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi and six white and gold accented Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Celica Tsukino, Shayana Thanagar, Zenia Zenn-La, Galatea Tamaran, Zaria Zenovia, and Sonia Mobius saw them and they knew they became part of his harem and are among his many future wives, and they kissed him on his pecs and lips.

Nico: Is my head on straight?

Me: Well yes but it's facing the wrong way.

Nico: Huh?

He saw that he was facing his back and he saw his butt and tail.

Nico: Why didn't anyone any tell me butt was so big and oh at least I'm seeing my tail.

Me: Nico just pop your head back in right.

Nico pupped it out and put it back on right.

Nico: There.

Me: Yeah.

Nico: Nice job, Kingler!

Kingler: Thanks Nico!

Poromon: That was fun. Want some beer?

Kingler: No thanks. Got any crab juice though?

Me: Oh sure.

I gave him some and I got some too.

Me: A toast to a good victory.

Ed: WITH LOTS OF BUTTER!

Me and Kingler drank it.

Me: (GULPING)

We finished.

Me: Ahh. Refreshing.

Poliwag did the Puppy Eyes.

Poliwag: Pwetty Please?

Nico: Poliwag that's enough.

Kingler ate some Patties

Kingler: (Eating) Mmm! Boy these are delicious.

SpongeBob: Me and Lily make them with love.

Me: SpongeBob, Lily and the Krusty Crew put their hearts and love into making Krabby Patties.

Camie: They sure do.

Kingler: I love it.

Monica Toast: Boy you guys do a great job. (Eating) Mmm! Boy that is awesome.

Squidward: Just make sure not to eat too much. I learned that the hard way

Kingler: Thanks for telling me.

Me: You're welcome.

Xenia: Yeah.

Qin: Yeah.

Nico: How many have you had?

Kingler: 10. I'm stuffed.

Nico: Good.

Xenia: If you had eaten over 10,000 patties you would have exploded.

Squidward: After it went to your thighs.

Nico: So, you're still good.

Kingler: I don't know if I even have thighs.

Qin: Oh.

Xenia: Yeah.

Nico: You do have a belly though.

Kingler: True.

Qin: Yeah.

Camie: Still be careful and don't eat too much.

Nico: Wanna continue eating?

Kingler: (BURPS) Pardon. No I'm good.

Nico: Okay.

Eddy: Nice job with your body!

Nico: Thanks Eddy! That was my first time doing that.

Xenia: That was cool!

Lola: Yeah!

May: No kidding!

Qin: Yeah!

Me: I didn't know you could do that!

Nico: Majin Buu's powers came in handy for that.

Ben: I've had one of those moments once.

Me: Really?

Gwen: Ben turned into Lodestar and he lost his head.

Me: Whoa man! That's right Biotsovortians use magnetic energy to keep their heads on.

Nico: Yeah.

Shanan: Yep. They do that. And they need to keep their heads on at all times.

Nico: The reason my body can function without my head at times is because both my head and my body weren't destroyed.

Me: Wow that is cool.

Qin: It sure is.

Nico: Yep.

May: Just don't make that a habit.

Me: Yeah.

Nico: I know. I won't.

Me: Good.

Poromon ate the remaining Patties

Poromon was stuffed.

Poromon: (LOUD BELCH)

Nico: Excuse you.

Poromon: (LAUGHS) Sorry.

Nico: Yeah.

Maria: All full?

Poromon: Yep.

All of us: (LOUD BELCH!)

Me: Oops.

Qin: Pardon.

Camie: Sorry.

Me: We're all stuffed.

Camie: Yep.

Varie: Now for the next leg of business.

Nico: The Anothers.

Eli: (CONCENTRATES) WHOA! We got Another Dartz, Bane (The Batman), The Riddler (The Batman), GrandGeneramon, Nezbitt and Mutant Tortoise.

Me: WOW! So Hannah, Heidi, Maxxine, Dana, Emily and Orichalcos Magician Girl.

Qin: Yep.

Eli: And I sense that the Anothers minus Dartz are 3 people.

Me: Wow!

Qin: Okay then.

Nico: There they are!

Out came Another Bane (The Batman), The Riddler (The Batman), GrandGeneramon, Nezbitt and Mutant Tortoise.

Another Bane (The Batman): (In a girl's voice) This will be fun.

They merged and split into 3 and they reverted back and they were the gene-slammers of Hippotatomus, Apple Pie-Thon and Cucumbird!

Nico: (GASP) Polly Potato, Aura Apple Pie and Connie Cucumbe.

Polly Potato: Awesome to see you Nico.

Aura Apple Pie: Same here.

Ed: If only we have a sack of potatoes.

Eduardo: I like potatoes.

Billy: I like Pie! PIE PIE PIE PIE PIE! PIE PIE PIE PIE PIE PIE PIE PIE! I LIKE PIE! I LIKE PIE! I LIKE PIE! AYAYAYAYAYAYAYAYAYAYAYA! PIE PIE PIE!

WE LAUGHED!

Stewie: It's a perfect day for pie!

Me: EVERY day is perfect for pie.

Qin: (LAUGHS) Yeah.

Me: Can you tell us more about yourselves?

Polly Potato: Sure. I'm a potato chef and I make all kinds of things with potatoes.

Aura Apple Pie: I am a pie chef and I make all kinds of pies.

Connie Cucumber: And I'm a Cucumber Chef and I make all kinds of things with cucumbers.

Polly Potato: We went to Nico's cooking classes together.

Nico: Yep.

Jared: Boy Connie as a Vegetable chef I would love to have a lot of salad.

Connie Cucumber: You can have as much salad as you like.

Nico: Awesome.

Me: By the way girls is the Another Dartz friendly or hostile?

Polly Potato: Friendly but she is REALLY Powerful. You'll see why.

Me: Okay.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Qin: Yeah!

Nico: Can we have some pie now?

Aura Apple Pie: Sure!

We were later having apple and Strawberry pies for dessert and Jared was having awesome cucumber salad.

Me: (Eating) Mmm! Delicious!

Nico: (Eating) Mmm! Apple and Strawberry are two of my favorites

Me: Mmm! You said it.

Jared: Mmm! (Crunch) Mmm! Delicious crunch.

Laney: Boy No kidding.

Me: Yeah.

Aura Apple Pie: Yeah I make many kinds of pies.

Nico: You sure do

We finished.

Me: Ahh. Boy that was awesome.

Camie: I'll say!

Nico: Yeah. Now for the Another Dartz.

Me: Yep.

But then our geiger counters were CLICKING FAST LIKE MAD!

Me: Uh oh! We got intense Gamma Radiation!

Qin: Wow!

Me: Boy the radiation is off the scale!

Xenia: No kidding!

Nico: Now, what could be causing that?

Dartz: I'm not radioactive!

Me: No but I think THAT is!

We saw ANOTHER DARTZ!

Me: WHOA!

Lola: WHOA! This is a LETHAL AND RADIOACTIVE one!

Camie: Yeah!

Another Dartz: (In a girls voice) I know the feeling.

Me: (GASP) That voice.

She reverted back and it was a girl with neon green hair and green eyes and green clothes and had green angel wings and had a tiara with the symbol of the Uranium Dopant on it and on her skirt and she had a radioactive crystal sword in her hand.

Me: (GASP) Yulia Uranium! Wow!

Yulia Uranium: Awesome to see you again J.D.

Me: Same here.

Nico: Wow you're intensely radioactive.

Yulia Uranium: I know.

Me: She's got enough radiation in her to rival that of 10,000 nuclear power plants. And it's as powerful as 50,000,000 nuclear bombs.

Qin: WHOA! That is lethal!

Me: Yep. And also she has the same powers as Dartz and also has the same cards and deck as he does.

Yulia Uranium: Yep.

She showed a Duel Disk like his and the same cards too.

Nico: WHOA!

Dartz: You have good taste my dear.

Yulia Uranium: Thanks. It's normally not like this. I can control the radiation. But the Ridewatch in me is making this happen.

Lola: Oh.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (gets out Battle Fever gear) Because we can grant it instead.

Kaito got a Denziman Sword and Zocks got a Battle Fever J sword.

Yulia Uranium: No he didn't.

Me: Because of your intense radioactivity right?

Yulia Uranium: Yeah because of the amount of gamma radiation I have he just sent me on my way.

Me: I'm not surprised.

Sougo: (gets out Denziman Ridewatch) Don't worry about us getting radiation poisoning.

Geiz: (Gets out Battle Fever Ridewatch) We can handle it.

Sougo got DenziRedArmor while Geiz got BattleJapanArmor

Me: We're immune to Gamma radiation.

Yulia Uranium: That's good you are.

Nico: Yep.

Lincoln: Lets separate you first.

We did so and the radiation disappeared as suddenly as it appeared.

Me: Whew!

Nico: Nice.

We got it underway.

Heidi: Let me handle the Another after you guys and the Gene-slammer have your fun.

Nico: Fair enough.

Qin: Here we go!

Nico: (Gets out Dartz's Ridewatch) Time to Duel!

May: (Gets Out The Riddler (The Batman) Ridewatch) Riddle me this, riddle me that.

Maria: (Gets out Nezbitt's ridewatch) Time for this duel to play.

Heidi: (Gets out Bane (The Batman) Ridewatch) Time for this venom to strike!

They used the powers of Dartz, Bane (The Batman), The Riddler (The Batman), GrandGeneramon, Nezbitt and Mutant Tortoise and blasted him down.

Then Quadraxis, Infernotron, Bugbear, Cerberus (MLP), Ghost Bride and Riff Raff Sam came.

Nico: WHOA! Nice team Quadraxis.

Quadraxis: Thanks Nico.

Me: WHOA! Is that a Bugbear?! The Legendary Boogeyman of British Folklore?

Twilight Sparkle: That's right. But this is more like a real literal term. It's a four-armed panda with the antennae, wings, and stinger of either a wasp or bumblebee.

Me: WHOA!

Maria: Good to know.

Nico: Talk about amazing.

Qin: Wow!

?: I'll say!

Drimogemon came!

Me: WHOA! Drimogemon!

Nico: Cool!

Drimogemon: (In a girls voice) This is awesome and fun.

Nico: Dana Drimoge! Wow!

She reverted back and was a girl with purple hair, purple eyes, purple clothes, purple angel wings, had Drimogemon on her forehead and skirt and had a spear sword.

Dana Drimoge: Let me soften him. (ECHOING) BONE CRUSHER!

She summoned a fossil and threw it and smashed him down!

Me: YEAH! Now to finish him.

We went over to him.

Me: It's over.

Another Dartz: I couldn't say goodbye just yet. (Malevolent Chuckle)

Me: You're going to be sorry you didn't!

A black smoke came out of him and it became a ferocious evil snake made entirely out of pure Negative Energy and it had a dark blue aura of pure evil!

Me: What does it take to kill this monster!?

Eli: Yeah!

Heidi: We'll find out now.

Heidi took her sword and slashed the snakes head. But the sword didn't affect it.

Heidi: That didn't work.

Another Dartz: (Echoing) So you've come to your senses and given up?

Heidi: Not gonna happen Dartz!

Me: It'll be a cold day in hell before that happens!

Eli: YEAH!

Another Dartz: Haven't you figured it out yet? All the monsters in the world combined together couldn't destroy my Leviathan. Not even you.

Me: Why is that?

Eli: Tell us!

Another Dartz: Because this creature isn't one of your little Duel Monsters. It was born from the very darkness of the human soul!

Heidi: It was created from the very Negative Energy within all humans!

Another Dartz: That's right. What I mean is the Great Leviathan was created by the hatred and rage of humans! So as long as Mankind exists, so does the Great Beast!

The evil snake's eyes glowed red with pure evil.

Heidi: You don't have any idea how wrong you are Another Dartz. That creature was created by the Orichalcos! You were lied to and you were brainwashed into believing that mankind must be eradicated. But Human beings are not the evil ones Another Dartz. It's you! Think about what you're doing. When you ruled all of Atlantis 10,000 years ago all of your people were generous and peaceful. But then the Orichalcos Stones arrived. And everything changed. Those fragments carried with them an evil force and brought Chaos, Death, Destruction and Hatred to Paradise!

Me: That's right Another Dartz. The Orichalcos is using you as a pawn in its diabolical ambition to destroy the Earth!

Eli: It will kill you in the end!

Heidi: So if you want to wipe out all of humanity you'll have to go through me!

The snake lunged at Heidi and enveloped her in a tornado of pure Negative Energy.

Another Dartz: I'm going to enjoy this!

Heidi: But you have completely forgotten about what else I can do. I live off of Negative Energy. My body converts it into Positive Energy and it makes me more powerful! I will absorb you into the darkest recesses of my mind and seal you away for all eternity! NOW DIE!

Heidi sucked in Dark Dartz and the Orichalcos into her body.

Another Dartz was being destroyed in her mind.

Another Dartz: NO! THIS IS IMPOSSIBLE!

Another Dartz and the Orichalcos were destroyed in the darkest reaches of Heidi's mind and sealed away for all eternity.

Heidi: (Sighs) It's done. It's finally over.

Me: WHOA!

Nico: YEAH!

Qin: Nice one Heidi!

Jared: Yeah!

Heidi then gagged and choked.

Me: Uh oh!

She spit out the ridewatch and I took it and wiped it off and purified it.

Me: Nice job Heidi!

Heidi: Thanks Grandpa.

Nico: Should've made sure the Ridewatch was out!

Me: Yeah.

Heidi: I know.

Qin: But Another Dartz is gone.

Dartz: Wow that was amazing.

Carly Atlas: Boy it sure was! I guess that's 3 times Heidi did that.

Jared: Yep that's right.

Camie: Wow!

Heidi: That was so awesome.

Dana Drimoge: Boy no kidding!

Nico: You did good, Heidi

Heidi: Thanks Nico.

Me: That was awesome.

Heidi: Do you have any favorite memories of Nico?

Dana Drimoge: I sure do. When me and Nico found an amazing cave made of diamonds. Made me and my family rich beyond words.

Nicole: Wow! That is cool!

Qin: Yeah!

Me: Awesome.

Nico: Yep.

Nico and Dana hugged.

Nico: I've missed you.

Dana Drimoge: Me too Nico.

Star Lord: This calls for a song.

Lincoln: Whoa, we're here in Azeroth, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to destroy the four Old Gods, C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth, and make those cataclysmic deities pay for trying to turn the worlds they infest into places of darkness and despair.

Lola: Oh boy, I knew we'd be going after them, but we got to watch it, they have immense power along with being the deities of their domains: C'Thunn is The Old God of Chaos, Yogg-Saron is The Old God of Death, Y'Shaarj is The Old God of Corruption, and N'Zoth is The Old God of Corruption as well. But, there's another Old God we've also got to deal with.

Lincoln: I know, it's G'huun, The Old God of Blood. But, something tells me we're dealing with him later on today.

Nico: So, we're getting rid of four of the five Old Gods for your rescue today.

Me: And G'huun will also be joining his brethren very soon, impressive.

Hannah: Right. Now, we should get going and take down C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth.

(CHINESE MUSIC PLAYS)

Suddenly, we saw a tiger made of white flame pass through the skies.

Lincoln: The tiger made of white flames, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with white streaks and white headband, yellow eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless white crop top, white bridal gloves, crimson red skirt, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, white fire, white flames, tigers, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Tiger King, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the five girls.

Lincoln: (GASPS) Arpina Huoqiang, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Tiger King.

Arpina Huoqiang: That's right, and I got the girls away from C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth while G'huun escaped. Now, we can get rid of C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth.

?: (Echoing Voice) You shall all pay for what you did in ruining our plans to turn Azeroth and the worlds into a place of darkness and despair!

We then saw our targets coming: C'Thunn, The Old God of Chaos, Yogg-Saron, The Old God of Death, Y'Shaarj, The Old God of Sins, and N'Zoth, The Old God of Corruption.

Sylvester: Okay, now we can take care of those monsters.

Then, Lincoln turned the tips of his eleven massive and long wolf tails into Cell's stingers and he stabbed them into C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth and he began absorbing them and he and all of us were also assimilating their immense power along with C'Thun's immense power, Yogg-Saron's Old God physiology, omnipotent evil magics, Incalculable strength and durablity, Y'Shaarj's Corruption power, Void power, Sha, and Whispers of Y'Shaarj, and N'Zoth's corruption power, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sixed whit angel wings with aurora and orange tips spread out and his large gold halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth and he banished them to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: The eons you spent trying to destroy Azeroth and turn it into a world filled with despair end here and now. (To Arpina Huoqiang) And it's so good to see you again, Arpina.

Arpina Huoqiang: You too, Lincoln, it's been seven years since we last met.

Suddenly, Arpina Huoqiang had her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Arpina Huoqiang were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Arpina Huoqiang: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Ramona Arpina Huoqiang and hugged her, and Arpina Huoqiang is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Arpina Huoqiang: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Arpina Huoqiang, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Tiger King, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of white fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Tiger King, along with having white angel wings along with having intense white fire powers, and she became the leader of a very powerful group called The Sisterhood of The Fists of Fire, a powerful group of girls who were born with the powers of The Brotherhood of The Fire Fist Duel Monsters, and among the group was Panda Faye Ling, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Panda. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of white fire.

Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Arpina hates Lori with a blazing passion because of her cold-hearted egotist misandrist control freak attitude and black-hearted hatred towards Lincoln, and one incident had Lincoln beaten almost to the point of death by that bitch, Lori, and that caused Arpina to beat Lori up that badly and sent her to the hospital in a full-body cast for two years, and Arpina healed Lincoln by feeding him a blood bag.

Nico: That still freaked me out when we heard that yesterday. Lori really pissed her off when she beat you almost to the point of death.

Lincoln: It freaked everyone else out, and of course, she stepped into the tiger's den by doing that, and she got mauled badly.

Me: Trust me, it was really ugly.

Lincoln: It taught Lori a really nasty lesson, and now that you're here, Arpina.

Lincoln leaned his head down the right side of Arpina Huoqiang's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Arpina Huoqiang: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Arpina Huoqiang with red gems on the gold lightning bolts and white crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Arpina Huoqiang: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Arpina Huoqiang.

Arpina Huoqiang had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Arpina Huoqiang's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Arpina Huoqiang had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Roxanne, Sherry, Miria, Vesta, and Rutina from Harem in the Labyrinth of Another World.

Lincoln: Oh wow, it's Roxanne, Sherry, Miria, Vesta, and Rutina from Harem in the Labyrinth of Another World.

Nicole: Thank God Arpina got them away from those cataclysmic deities.

Lincoln: She sure did. Are you girls okay?

Roxanne: Yes, we're okay, thanks to you.

Then, when Roxanne and the other four girls saw who it was that saved them from C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video

We returned to The World Tree Estate and they were shocked to find out the enemy we went after were the four Old Gods, C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth.

But, when Lincoln showed what we did in beating them down and Lincoln absorbing them and assimilating their immense power and other powers and abilities and sending them to The Black Abyss, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Arpina Huoqiang have a lot of catching up to do, now that they're back in town.

Maria: Whoa, so you guys fought C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth, and took them down.

Lincoln: And sent them to The Black Abyss after I absorbed them and assimilated their immense power and other powers and abilities.

Nico: The eons they spent trying to destroy Azeroth and the worlds and turn them into a place of darkness and despair ended with their deaths.

Me: That'll truly end when G'hunn, Old God of Blood finally dies later on today. But, he'll be wanting revenge for what happened, so we got to be ready for that.

---

After Lincoln and all of us beat down C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth and he absorbed them and sent to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Arpina Huoqiang saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Arpina Huoqiang: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Arpina, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Arpina Huoqiang: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Arpina Huoqiang: I knew it was only a matter of time before he told

everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Panda Faye Ling: And I've got a memory that Arpina had with Lincoln while he was training with her, and it led to Lori getting beaten to a pulp by her brother.

Panda Faye Ling put up a video on the big screen, and it showed Arpina training with Lincoln at the gym, Arpina Huoqiang was in a crimson red sports bra, crimson red shorts, and red knee-high boots, and Lincoln was only in crimson red gym shorts and he also had on black knee-high boots, and they were sparring with one another which ended with Lincoln taking her down with a leg sweep causing her to lose her balance and land on the mat, and he pinned her down. He got off, and he helped her up, and they really worked up a sweat.

Past Arpina Huoqiang: Phew, that was one intense sparring. You've really been improving a lot and practicing on the side without letting that angry blonde banshee with a 40-foot stick up her ass finding out, Lincoln.

Past Lincoln: Thanks, Arpina. But, I don't know how long it'll be before Lori finds out.

?: YOU STUPID OVERGROWN TWERP! I'M GOING TO KILL YOU!

Suddenly, the alarm sounded and the rest of The Guardian Angels came, and to their disgust, Lori showed up.

Past Nicholette Torrington: Again, Lori?! That's it, I'm removing that 40-foot stick you have up your butt and I'm gonna shove a stick of dynamite up your butt!

Past Lincoln: No, Nicholette, I'm taking her down, it's payback time for that beating she gave me that got me sent to the hospital for two years.

Lincoln flew out of the gym, and he proceeded to trash Lori with his martial arts moves as he punched and kicked her all over the place. Lori let out another banshee shriek and tried to scratch Lincoln's eyes out, but he dodged it and punched her hard in the stomach and sent her crashing down like a ton of bricks. Then, he grabbed her and threw her into the air as she was sent flying back to the house where she was chained up by me and Varie, and she wound up thrown in a cage again.

Past Arpina Huoqiang: That was really impressive, Lincoln! You took her down hard, you were like a fierce tiger, and that bitch stood no chance.

Past Lincoln: She unfortunately made me even stronger, and that really led to her getting a nasty dose of karma.

Then, Lincoln wrapped his massive muscular arms around Arpina Huoqiang and he leaned his head down to her face and they kissed as the video ended.

Nico: Whoa! That was really awesome, Lincoln!

Nicole: I still remembered that incident all too well, but Lori was basically asking for trouble.

Luna: It found her big time, and Nicholette was that mad at her, she wanted to remove that 40-foot stick she had up her butt and shove a stick of dynamite in it. Lincoln stopped her from doing so, but Lori was on thin ice with her.

Anna Anyanova: This was the very thing many of us Guardian Angels swore to do to Lori, Lynn, Lola, Lisa, and Luan if they dared to go after Linky one more time.

Lynn Sr.: We knew Lori was at it again when Lincoln sent her flying back to home. Oh, guys, we also got big news: your Uncle Lance, along with your Aunt Sharon and your cousins are coming over, and when I also told Lance the revelation about that stupid mutant, Flip, being the mastermind behind sending Daniel Derek Monroe to kill your Gramps and steal all of our money all those years ago, he was that mad he swore he was going to tear him apart.

Me: Whoa. He's that mad, eh? Well, what does he, his wife, and kids look like?

Lincoln summoned his phone and showed us the pic: Lance is a large man with a muscular build, a pointy long nose like his brother and father and slicked down brown hair, a matching light blue track suit with a white line on the sides and white sneakers, Sharon is a tall dark-skinned woman with black hair and she wears a white long sleeve shirt with gray pants, and the cousins, Shane, Shelby, and Shiloh Loud, Shane is the eldest son with black curly hair, a purple jacket with a white undershirt, blue jeans and gray and white shoes, Shelby is the only daughter with black curly hair tied up in buns on both sides, she wears green round-rimmed glasses and a pink sweater with Santa Claus' face, green plaid pants and dark gray boots, and Shiloh is the youngest son with black hair with a purple shirt with a dark purple stripe, gray pants, white shoes, and has a cast on his left arm.

Nico: Wow, so we're going to be meeting them and when we go after that mutant, Flip, there is going to be blood.

Lincoln: That's right, and please try to patching things up with Uncle Lance when they get here, Dad.

Samuel: That's just what I was about to tell him, kiddo.

Me: Something tells me we're in for an explanation.

We got a shower, and then, Lincoln, Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Black Maria: Wow, so this is Dolphin Shoals. It sure is beautiful.

Lincoln: It sure is, Universe 666 Black Maria, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe

666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss

Doublefinger, and Universe 666 Mikita/Miss Valentine and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Mia Ono, Juno Reyes, Sayuri, Shin Hisako, Universe 666 Mira Fallegeros, and Universe 666 Sadira are in your harem, Linky.

Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is

just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Black Maria, Universe 666 Victoria Cindry, Universe 666 Sadi, Universe 666 Solitaire, Universe 666 Baby 5, Universe 666 Zala/Miss Doublefinger, and Universe 666 Mikita/Miss Valentine, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta

appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's Metro Kingdom in New Donk City for Round 3

Me: Cool!

Samus: Me and Black Widow will go with.

Me: And me too.

Nico: Okay.

We went into the simulator and we were in New Donk City for round 3!

Me: Here we are.

Nico: Awesome.

Nicole: You guys are going to like who the baddie is for this round.

Nico: And that is?

Nicole: He's coming right about now.

Out came a space version of Yosemite Sam! It was YOSEMITE SAM OF OUTER SPACE!

Nico: Yosemite Sam!

Me: Of Outer Space!

Samus: Perfect!

Yosemite Sam of Outer Space: Time for you Earth Creatures to be blasted to kingdom come!

Me: Come and try it!

I Spread my wings and flew into the air!

Yosemite Sam of Outer Space: You think you can escape me!? YOSEMITE SAM OF OUTER SPACE!

ZOOM!

He flew after me on a jetpack.

Me: That's right follow the little birdie.

I did a flip and fired a fireball blast and it hit him and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Take that!

Yosemite Sam Of Outer Space: YOU DISGUSTING LITTLE EARTH CREATURE!

Me: (Mocking Talk)

Nico: Catch me this time!

Nico flew into the air. Little did Yosemite Sam know that I secretly switched his jetpack with a bomb.

Yosemite Sam of Outer Space: YOSEMITE SAM OF OUTER…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded and was charred and burned.

Yosemite Sam of Outer Space:… Space?

Samus: Nice try space boy.

Yosemite Sam of Outer Space: (ENRAGED SCREAM) OOOOOOOHHH! YOU ARE GONNA GET IT NOW!

Black Widow: Bring it!

?: (ECHOING) ATOMIC INFERNO!

A massive barrage of fireballs flew in and blasted Yosemite Sam all over the place.

Out came Aldamon and agirl with green hair and green eyes and green clothes and had green angel wings and a tiara with Blast Hornet on it.

Me: Whoa Aldamon!

Elaine Hornet: And Elaine Hornet, Embodiment of Blast Hornet!

Rocket Raccoon: Cool! Awesome!

Eddy: I'll say!

Elaine Hornet: Eddy and Rocket! Awesome to hear your voices again. Been a while.

Me: Lets bring the pain!

Aldamon: (In a girls voice) YEAH!

Nico: Allie Alda! Wow!

Aldamon: Yep. Awesome to see you again Nico.

Nico: Yep.

Me: Yeah!

Nico: (gets out El Jefe and Dartz's Ridewatches) Time for this tiger to duel!

He activated them and fired energy blasts and fire blasts and blasted him.

Me: Take this one!

I fired a lightning blast.

Samus fired a Hyper Missile and the blasts hit Yosemite Sam and exploded!

EXTREMELY MASSIVE EXPLOSION!

Me: YEAH!

Black Widow kicked and smashed him all over with powerful speed and strength.

Black Widow: TAKE THAT!

Elaine Hornet: And this! I float like a butterfly and sting like a hornet!

She fired an energy blast and blasted him all over.

Allie reverted back and was a girl with red hair, red eyes and red orange and yellow clothes, fire angel wings and Aldamon on her forehead and skirt and had a fire sword.

Allie Alda: This will finish him. (ECHOING) SOLAR WIND DESTROYER!

She formed a powerful ball of fire as hot as the core of the sun and she threw it and it slammed into Yosemite Sam and exploded!

MASSIVE FIERY EXPLOSION!

He was down and waved the white flag!

We cheered and got 30 more moons.

Me: Take that!

Nico: OH YEAH!

We high five!

Nico: How did you meet Eddy and Rocket?

Elaine Hornet: I met Eddy, Ed and Double D when the Kankers were causing trouble to them. They took Eddy's money in the Western Canadian Squirtgun thing and I kicked the Kankers and blasted them and threw them back into their trailer. Then I locked it with superglue.

Nico: Nice!

Eddy: (LAUGHS) Yeah she sure showed those Kankers.

Elaine Hornet: Yep. And I met Rocket when he and the Guardians were battling Ronan and I blasted him all over.

Nico: Cool!

Me: Well we killed Ronan and there's nothing left of him.

Elaine Hornet: Good riddance.

Me: Yep. Allie what's your favorite memory of Nico?

Allie Alda: When me and Nico were in weather class and we studied how fire affects the weather and makes its own weather.

Nico: Yep.

Me: Cool!

Nico: That was fun.

Nico and Allie hugged.

Nico: I've missed you.

Allie Alda: Same here.

Me: Would you two like to join us?

Elaine Hornet: We would be honored.

We left the simulator and everyone cheered were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Suddenly, we heard the doorbell ring.

Rita: Oh, they're here! Come in.

The door opened, and we saw Lance, Sharon, and their kids, Shane, Shelby, and Shiloh Loud, enter, and they're just like in the picture Lincoln showed us.

Loud Kids: Shane, Shelby, Shiloh, Aunt Sharon, and Uncle Lance!

Sharon Loud: Hey, kids!

Lance Loud: So, this is what happened to the house? Wow!

Rita: Yep, and your nephew and nieces have also grown a lot since last time.

Shelby Loud: And it's so awesome to meet you, J.D. and Nico, and all of you.

Nico: You too, Shelby.

Shelby Loud: Say, where's Lincoln.

Lincoln tapped her head, and when she turned around and saw Lincoln, she was really stunned and so were the rest.

Lance Loud: Holy cow. What on Earth has your Dad been feeding you, kiddo? You've really packed on tons of muscle mass and you're as tall as a God.

Selene Arcangela: That was our doing, we'd been protecting Lincoln from Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, and the rest off his enemies since we'd descended from Heaven, and after he'd gotten his powers from Hinon, we had gotten your nephew into working out and doing exercises along with mastering many fighting styles and got him on a diet, and all that in just seven years combined with his recently discovered hyperpuberty and really healthy genes, he'd gained the powerful and massive body that all bodybuilders could only dream of, and he'd also been hit with massive tons of cosmic radiation and you get the idea.

Shane Loud: Incredible.

Anna Anyanova: And your nephew's also a father of many kids.

Anna Anyanova also brought out Lincoln's kids and newborns.

---

The jaws of Lance, Sharon, Shane, Shelby, and Shiloh dropped to the floor at the sheer number of kids Lincoln has, and Eli closed their jaws.

Sharon Loud: Aw, aren't they so cute?

Lance Loud: Wow, I knew my brother had a lot of kids, and now, my own nephew is also the same.

Lynn Sr.: And he also has a massive harem of future wives from different worlds, along with his Guardian Angels joining in as well.

Then, Lincoln's entire harem came out, and Lance was dumbfounded.

Lance Loud: Whoa, what the?! Since when did Lincoln become a ladies man?!

Helena McTroy: He had charisma and maturity along with his really good personality, and combined with growing up to be a massive, tall, imposing muscular hunky muscle god, and this is the result.

Me: Yep.

The mascot came.

Owl: Oh dear. What are you 4 up to now?

Poromon: Watch.

They ignited their own lightsabers! Poromon had a pink blade, Poliwag's was blue, Manaphy's was aqua blue and Horsea's was green!

Nico: WHOA!

Me: You made your own lightsabers!? Whoa! That is cool!

Linn Evans: How did you guys make this?!

Obi Wan: i showed them.

Poromon: Now we're ready to slash apart bad guys.

Me: Be careful with those. Those are blades made of pure energy. They will cut through anything like a hot knife through butter

G1 Breakdown: How ARE lightsabers made anyway?

Obi-Wan: I can explain that.

He did so

Once a kyber crystal is obtained, it's time to construct the hilt. The hilt contains a few vital pieces including a power cell or energy core, a focusing ring, a blade emitter, and various controls. The power cell or energy core is what powers the lightsaber and is used in conjunction with the kyber crystal. A lightsaber is made up of five components: an emitter where the blade comes out, one or two sleeves as hand grips on the hilt, a switch to turn the saber on, a pommel to adorn the bottom of the saber, and a kyber crystal to power the blade of the saber.

Nico: Whoa!

G1 Breakdown: That's interesting.

G1 Mirage: Yoda, don't you have anything to say about this?!

Yoda: Lightsabers powerful they are. But with the proper training, powerful they become they can.

Me: Good idea Master Yoda.

Nico: Lets give them good training in the ways of the Force and the Jedi.

Eli: Yeah.

Winter Soldier: Make sure you guys don't lose those

Poromon: We won't.

Manaphy: yeah.

Qin: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than our old enemy, the Total Drama Sore Loser, Anna Maria, and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you decided to make your move, sore loser.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today, the next jerk is none other than our old enemy, the Total Drama Sore Loser, Anna Maria, and she's causing havoc.

WE GASPED!

Me: So, we're facing that sore loser, Anna Maria, huh? Perfect, out of all the sore losers from Total Drama, she's one who's about to be sent back to prison.

Nico: Without a doubt, she deserves to rot in prison. Where's she at, Lincoln?

Lincoln: Scans show she's at Wawanakwa.

Nico: Where it all started. Perfect and fitting.

Me: Then, that's where we're taking her down and sending her off to The Xaikora Prison.

Nico: And if there are Militia waiting for us there, we'll deal with them. Alright, team, let's load up and get going, we got a Total Drama Sore Loser to take down.

Lincoln: And send straight to The Xaikora Prison where she'll spend all eternity in there.

Nico: Yep.

SpongeBob: (LAUGHS) Yeah and she'll eat chum there.

Me: You got that right SpongeBob.

Xenia: Yep.

The previous group came

Evil Seed: Can me, Evil-Lyn, Lady Shiva, Dr. Destiny, Selene, Copperhead, Lythos, Hydros, Stratos and Pyros go with you guys?

Nico: Yes you all can go with.

Qin: This is gonna be awesome.

Lola: Yeah.

Alister: Nico, which Gene Slammer do you think you'll meet next?

Nico: SkullGreymon next.

WE GASPED!

Qin: Uh oh!

Me: Oh boy.

Nico: Relax guys.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: the figure is none other than G'huun, The Old God of Blood, and he's coming to get revenge on us for what we did to C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth. When we saw it, we knew it meant trouble.

Lincoln: So, you've made your move at last.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to

G'huun, The Old God of Blood, and he's coming to get revenge on us for what we did to C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth.

Lola: I knew it, now's our chance to get rid of him and make him pay.

Arpina Apollonia: No way am I going to pass up this chance to get rid of that parasite, and he's going to get absorbed by Lincoln and sent to The Black Abyss.

Lincoln: Right, Arpina.

Nico: The Old Gods tried to destroy Azeroth and plunge the worlds into darkness and despair, that's not happening ever. Alright, gang, let's go, we're heading to Wawanakwa to take down Anne Marie.

Lincoln: After everything that you've done throughout Total Drama, you deserve to rot in prison for the rest of your life, and once we get done with her, you're next, G'huun.

Arpina Apollonia: The eons you spent trying to destroy Azeroth by devouring everything can never be forgiven, your day of judgement has come at long last, you parasite!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Wawanakwa to take down Anne Maria and send her to The Xaikora Prison forever, and once we get done with her, Arpina Apollonia and Lincoln along with me are going to destroy G'huun, The Old God of Blood.

We were off to Wawanakwa Island.

* * *

We arrived.

Dr. Destiny: This is where it all began.

Qin: Yep.

Lola: Boy awesome.

Gwen: I hate this place.

Varie: It has bad memories.

Camie: Yeah.

Grinnade beeped.

Nicole: He agrees with you and it was all nothing but torture from Billy.

Nico: Soon Billy will get what's coming.

Camie: Yeah.

Chris McLean: That monster will get what's coming.

Copperhead: How about we get some grub while waiting?

Nico: Sure.

Me: I got this.

I formed a bunch of food trees and we got burgers and pizza.

Xenia: Nice one.

We got to eating.

Smoke Scream: The food here probably wasn't edible anyway

Gwen: No it never was.

Geoff: You wouldn't believe what we were eating.

Me: In other words don't Fucking Ask.

Nico: Oh boy.

Hydros: Let's just assume it was crap

Qin: Yep.

Courtney: It was crap.

Lindsey: It sure was.

Bridgette: Yeah it sure was.

Varie: Oh boy.

Camie: Yuck.

Trent: It was awful. He made us eat live grasshopper pizza with…

TRENT PROJECTILE VOMITED BUCKETS BIG TIME!

Krankenstein: C'mon, Trent! Tell Monster! Live grasshopper pizza with what?

Me: Jellyfish and anchovies.

Krankenstein: Oh. Sorry Monster asked.

Then ALL THE TOTAL DRAMA CONTESTANTS THREW UP!

MULTIPLE VOMIT HURLS!

Nico: GOOD GOD!

Eli: JEEZ!

Qin: YUCK!

Nico: WHAT THE FUCK DID BILLY MAKE YOU ALL EAT!?

Me: Like I said, Don't Fucking Ask!

Pyros: A health inspector should've visited the island!

Me: That is an understatement! Billy should have been shut down after one season.

Chris McLean: I know. But that monster has done all kinds of horrible crimes.

Xenia: He must've bribed the studio.

Me: That's a good theory.

Nico: Now Billy McLean is the most hated man in the world.

Cloud Man: Um… guys?

We saw a Sleepy Time robot with Militia robots coming..

Me: Uh oh. A Sleepy Time robot.

Plankton: One of my robots.

Nico: Oh boy.

SpongeBob: I got this.

SpongeBob fired a Bubble Torpedo and blew the Sleepy Time robot apart.

Me: Take that.

Nico: Lets get them!

We saw a bunch of Fodder Robots!

Patrick: I WILL CRUSH THEM!

Stratos: Time to blow them away!

We blasted the Fodder robots all over.

Then Ham-Mer robots came.

SpongeBob: Ham-Mer, I get it!

Patrick: I don't get it!

We blasted them.

Camie: Take that!

We saw Tar-Tar robots come too.

SpongeBob: TARTAR SAUCE! THE HORROR!

Sandy: Not as good as Texas Barbecue sauce!

We fired energy blasts and Camie fired energy and Aurora blasts and blasted the robots all over.

Dreadwind: Watch out for the tarter sauce!

Nico: These robots are nothing but tin cans.

I fired waves of fire and blasted NUMEROUS robots and destroyed them.

G-Love's came.

Nico: WHOA!

SpongeBob: Somehow I don't think he needs a hand!

Patrick: It's kind of hypnotic.

I fired a wave of energy and blasted them.

Slugfest: Come again another day!

Me: Yeah!

More and more and more robots came until we destroyed them all.

Nico: That's it for them.

Qin: Yep.

Camie: Now to take the fight to Anne Maria

Selene: I think some of these robots are in our teams.

Nico: Yes they are.

Qin: Yep.

Camie: That is awesome.

Me: You got that right.

Lola: Yep.

Buddy Pine: Let's watch our step while searching for her

Me: Right.

We went and searched.

Eli: I sense her. She's right in front of that mine where she met Freakzekial

Shiva: Really now?

Nico: Coincidental that she is there.

Qin: Yeah.

Me: I remember that mine. That was a toxic waste dump where Billy stored all that waste.

Camie: Yuck.

We then saw her.

Manterror: Entrance time!

We went at her.

Anna Maria was spraying her hair like she always does and USING TONS of cans of hairspray.

Then the spirits of Total Drama came and swirled around her. But she didn't pay attention. Then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and blew her hairspray supply away and then a phoenix cry was heard and we landed.

Me: You know you can poison the air around you with the amount of hairspray you use.

Nico: Yeah! You need to tone down on that stuff!

Carol: Boy and I thought I had trouble with my hair.

Evil Lyn: At least pay attention when we're about to kick your ass!

Anne Maria: YOU RUINED MY LIFE! NOW I'M GOING TO MAKE SURE YOU SUFFER!

Xenia: Bring it on!

Lola: Yeah!

Luna: And another thing…

She fired waves of water and drenched her and her hair was really wet!

Luna: YOUR HAIR IS REALLY UGLY DUDE!

Anne Maria sprayed Ed with hair spray

Ed ducked and smashed her on the head with a hammer.

Nico: Nice one!

Eddy: (LAUGHS) Good one Lumpy!

Camie kicked the hairspray out of her hand.

Me: Here's a better hair spray for you!

LOUD FART!

I farted right into her face!

Nico: FUNNY!

Yulia Uranium: And also you need a better hairstyle!

She fired a wave of radiation and then…

POOF!

Her hair fell off and she was bald as a cucumber!

Anne Maria saw this and screamed in horror!

Poromon got out his lightsaber.

Anne Maria: MY HAIR! NO! WHAT YOU ROTTEN LITTLE!?

She ran at us with more hair spray and Poromon ignited his lightsaber and slashed the can and destroyed it.

Yulia Uranium: Come on you know I was just helping you. You look better without that ugly cloud of hair on your head.

Me: Nice burn Yulia.

Billy: I'M TUXEDO MAN!

?: Awesome!

A figure came out and it was HONG KONG MEDIA KING YANG from the Gekirangers movie Nei-Nei! Hou-Hou! Hong Kong Decisive Battle!

---

Yang was the founder of Mechung Fu and master of Mechung Fu Antlion-Fist (銘功夫アントライオン拳 Mekanfū Antoraionken) who apparently created his special mecha Mechacannon by himself with his assistant Miranda's help. Yang kept it stored within a giant Kannon statue where it was plainly visible for the whole world to see.

In 2007, Yang used his Mechung Fu to forcibly transport Rio, Mele and the Gekirangers to Hong Kong. He teleported them directly into his compound where Miranda and his students confronted them and reveals that Yang's game is for them to fight until the death. At that point, he can absorb the most powerful challenge's Qi into himself and use his new powers to conquer the Earth. Yang himself is first seen when Miranda reports that the Gekirangers as well as Mele and Rio are ready for stage 2. For the first part of the competition, Yang remains a shadowy figure seen in a monitor room overseeing his plan unfolding. Later that night however, he greets the Gekirangers and congratulates them on their victory before telling them that power is everything and only the strong can triumph in this world. However, Rio picks up that he desires power so he reveals that he desires to conquer the world with true power and technology. When Mele challenges that they can beat him, he reveals that he believes their styles of fighting to be outdated, childish practices compared to Mechakung Fu. He then watches on as Miranda and his dancing girls (who are androids disguised as humans) fight the Gekirangers and RenJyuKen Warriors before leaving to deal with a problem he has somehow detected. Said problem turns out to be Jan and Lao Fan (a guest he invited to the party who was actually an agent of Interpol) and sends them flying with powerful punches to the gut. Jan and Jao team-up against him but his skills are too much for them and he quickly punches them down again. Luckily, Jan manages to tackle Yang to the ground which allows Jao to arrest him.

Unfortunately, even as Rio kills Miranda with his Brave Roar Wave, she manages to drain his Qi and transfer it to Yang who blows down Jan and Jao with a shockwave before assuming a Beast-Man like form. Immediately after proclaiming his imminent victory, he creates a hole in the floor which sucks in Jao who he quickly knocks unconscious. Enraged, Jao transforms and takes on Yang but is easily overwhelmed and choked before being shockwave stabbed away. Yang then unleashed his full power, turning night to day and stealing the Qi out of everyone in Hong Kong and desires to steal the Qi from everyone on Earth and become the ultimate being. Yang goes to the quarry to absorb even more power but the Gekirangers confront him and transform before do battle whilst Yang turns his hands into pincers. Together, they very temporarily gain the upperhand against Yang but he then blows them away and takes them all down once they try to make a comeback. However, as a now recovered Jao watches from the cliff, the Gekirangers gain the upperhand against Yang and energy punch him back but he lands upright. Retsu tries to use his GekiTonfa but is batted away but Ran impales him with her GekiTonfa Long Baton and Jan beats him down with his GekiNunchuks. The attacks knock Yang off a cliff but he quickly recovers and fires missiles at them and they go down as Yang forms another sinkhole. However, the Gekirangers dodge back and knock him out of it and finish him with the Geki Beast Jab. All Yang can do is act surprised as he falls on his back and explodes.

However, Yang survives and unveils his mecha, the Mechannon to the immensely surprised Gekirangers before entering its cockpit. Taking command, he uses it to fly into the city and decides to use its raw power to conquer the world instead of his own power which has proven inadequate. The Gekirangers summon GekiTohja and jump kick Mechannon back as Rio and Mele watch on and ponder whether to return to Japan or help. The two mecha start wrestling but Mechannon almost immediately gets the upper-hand with its extra arms and force it back before crushing it with its arms. It then starts comically slamming GekiTohja up and down into the ground with significant force before tossing it down with enough force to completely take it out of the battle.

Unfortunately for Yang, his follow-up comment about JyuKen being useless riles up Rio and Mele enough for them to join the battle if only to show the power of JyuKen to an arrogant idiot like Yang. As Mechannon stamps on GekiTouhja and prepares to finish it off, RinLion and RinChameleon arrive and knock it back with energy blasts and tongue lashes. Together, they form GekiRinTohja using the Goetsu Doushuu teqnique which allows their Spirits to combine although they are typically enemies. Yang is astounded to see them working in unison which allows GekiRinTouhja to deliver a beatdown to Mechannon with its sword until the mech manages to knock it back with a strike from its arm. However, Mele restrains it with RinChameleon's tonque whilst Rio blasts it as it breaks free. Overpowered, Yang decides to drain all of the Qi of the inhabitants of Hong Kong and become all powerful so it jumps up and ascends a skyscraper. However, GekiRinTohja follows and they reach the opposite rooftop at the same time so Yang activates Mechannon's signature move, the Mechan Violent Wind Slash, but GekiRinTohja jumps up too and finishes off Mechannon with it's Fierce-Fierce Opposing-Opposing Slash. The single attack tore Mechacannon apart at the seams and Yang arrogantly claimed that he would not die because of his power. However, Mechannon exploded in mid-air, taking Yang down along with it.

Eli: WHOA! Hong Kong Media King Yang! I remember you! You desired to conquer the world by using his Mechung Fu to become the most powerful being on Earth and then take over the universe.

King Yang: That's right Eli! Good memory.

King Yang: Too bad I wasn't adapted in America.

Deadpool: Maybe it was because you don't have an animal spirit

Isabel: That sucks. That would have been cool.

Qin: Yeah.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Nico: Have fun spending eternity in The Xaikora Prison, you bitch!

Me: She'll stay there forever unlike what we did to her fellow sore losers, Heather, Alejandro, Jo, Josee, and Jacques, and what we're going to do to Dark Amy should she show her ugly face next.

Lincoln: And with your curse on her, when we deal the death blow on her, her soul will be your prisoner for good. Now, there's one last thing to do and one last loose end to tie up: G'huun, The Old God of Blood.

?: You shall all pay for what you did to C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth, Team Loud Phoenix Storm!

Lincoln formed a massive indestructible diamond barrier that protected all of us from blasts of blood and the barrier really stood strong against them and Lincoln devoured the blasts of blood as it made him even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you better come out now, G'huun, or we will force you out.

An eldritch parasitic monstrosity came out, it was G'huun, The Old God of Blood.

Lincoln: So, you've come to avenge your fellow Old Gods, G'huun.

Arpina Apollonia: Too bad for you, you're about to join them in death.

Suddenly, Arpina Apollonia's red eyes turned neon red and she was surrounded by a crimson red energy aura with stars, fire, flames, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached G'huun, she left crimson red energy, stars, fire, flames, light, dragons, phoenixes, and angels with every step.

Arpina Apollonia: Your crimes have gone unanswered for eons, G'huun, you and the other Old Gods have caused nothing but pain and suffering to too many innocent people in your never ending quest to destroy Azeroth and turn the worlds into places of darkness and despair. You disgust me to no end, as The Avatar and Gene-Slammer of Hieratic Sun Dragon Overlord of Heliopolis and leader of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Arpina Apollonia was surrounded by a massive vortex of crimson red energy with stars, fire, flames, and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Sun Dragon Overlord of Heliopolis flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at G'huun: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: G'huun has angered Arpina Apollonia, and now, the rage of Hieratic Sun Dragon Overlord of Heliopolis is about to be unleashed.

Then, as the vortex faded, Arpina Apollonia emerged, but she was changed forever.

Arpina Apollonia grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large crimson red planets orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long crimson red hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon red eyes and a crimson red energy aura with stars, fire, flames, light, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Hieratic Sun Dragon Dragon Overlord of Heliopolis emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with red gems for eyes and holding the Star, Fire, Light, and Eternity Kanjis in its claws, she also has Hieratic Sun Dragon Dragon Overlord of Heliopolis with red gems for eyes and holding the Star, Fire, Light, and Eternity Kanjis in its claws for the second pendant on the bottom of her crimson red dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and crimson red gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Arpina Apollonia felt a sharp pain on her back, and then, her massive red angel wings with yellow tips on the large red feathers grew much larger for her new body and medium sized red angel wings with yellow tips grew and sprouted out underneath her massive red angel wings and she also now has eleven massive and long red wolf tails with yellow tips and yellow markings, Arpina Apollonia has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Arpina Apollonia's massive fire greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of red energy, stars, fire, flames, light, dragons, phoenixes, and angels, and when it emerged, it was transformed into Arpina Apollonia's Cosmic Eternal Harmony Egyptian Hieratic Inferno Fire Light Hieratic Sun Dragon Overlord of Heliopolis Phoenix God Angel Greatsword of Cosmic Eternal Harmony Egyptian Hieratic Inferno Fire Light Hieratic Sun Dragon Overlord of Heliopolis Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded crimson red gems and Hieratic Sun Dragon Overlord of Heliopolis Phoenix God Angel and hieroglyphs etched on the 7'9" massive, wide, double-edged gold blade, large gold dragon heads with crimson red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large crimson red gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold dragon heads with crimson red gems for eyes and on the bottom of the large gold dragon heads is a large gold dragon head with crimson red gems for eyes and crimson red gem in its mouth for the pommel, Arpina Apollonia has on her brand-new large gold Bracers of The Champions of The Universe with large crimson red gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hieratic Sun Dragon Overlord of Heliopolis' head with crimson red gems for eyes and crimson red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by

firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Arpina Apollonia also did the same by firing crimson red energy slashes from her massive greatsword, and he, Arpina Apollonia, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it made G'huun even more madder than ever.

Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into G'huun, and then, Lincoln began absorbing G'huun into his body as he and all of us assimilated his Nigh limitless pestilence, Nigh limitless corruption, Godly strength, and Godly durability and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of G'huun, and he banished G'huun to The Black Abyss. Everyone cheered wildly for what Arpina Apollonia, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Arpina Apollonia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large crimson red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive crimson red angel wings and medium sized crimson red angel wings underneath are permanent.

Lincoln: (Smiles Warmly) You're welcome, Arpina.

Me: My pleasure, Arpina.

Suddenly, Arpina Apollonia wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Arpina Apollonia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Sun Dragon Overlord of Heliopolis flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light and fire behind them and we cheered wildly. Then, Lincoln and Arpina Apollonia sucked in and absorbed the elemental forces and light and fire and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Arpina Apollonia and hugged us.

Luna: No kidding dudes, you guys taught that ugly parasitic eldritch abomination a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his black soul to The Black Abyss to join the others. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a Kirin made of black fire pass through the skies.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting tomorrow: Adele Heihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Kirin.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Adele Heihuo is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of black fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Kirin, along with having black angel wings along with having intense black fire powers. She's known as The Powerhouse of The Sisterhood of The Fists of Fire, and she has superhuman strength that can split trees, break boulders, and even bring a fully grown man down with one punch to the stomach. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy

Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of black fire and she also helped in getting him physically stronger through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Adele hates Lynn with a blazing passion because of her bone-headedness, out of control superstitious attitude, her gross manners which included bad table manners, not bathing, belching, and farting at people, her brutish nature especially with The Packing Day Fiasco when she goes nuts, and black-hearted hatred towards Lincoln, and in one incident, Lincoln was badly beaten almost to the point of death by that bitch, Lynn, and that caused Adele to beat Lynn up super badly and sent her to the hospital in a full-body cast for a year, and Adele healed Lincoln by feeding him a blood bag.

Nico: WHAT?!

Me: Oh, I still remembered that. Adele really despised Lynn for what she did to Lincoln that day, and she had to spend a year in the hospital in a full-body cast.

Nicholette Torrington: You said a mouthful. But, angering Adele was almost like angering a Kirin, and when that happens, the consequences are really really painful.

Lynn: I admit I deserved it.

Nico: Yeesh.

Lincoln: Lynn got beaten to a pulp by Adele and we hoped that she learned her lesson, but apparently not. Because of Dark Lynn's stupidity, she didn't stay clear of them, and she'd always gotten beaten up into a pulp and had to spend a month in the hospital.

Eli: Ouch.

Tri-Klops: Serves that bitch right.

Xiao Fung: I hope we kill the rest of the jerks.

Me: Yeah!

Enchantress: I'm sure we will.

Qin: I agree.

Me: There's only a few of them left.

Xenia: Yep.

Multiplex: Let's celebrate!

Red Ghost: But preferably somewhere else

Nico: Yeah this island is a dump. Great job today everyone.

Rarity: (To the viewers) Hope you had a fun time watching this darlings. This was fun.

Nico: Yep.

We went to Lynn's Table for some fun and a party and enjoyed the rest of the day before going to sleep.

Meanwhile at the Xaikora prison, Anna Maria was having her dinner in Solitary Confiinement for her escape.

She had an empty bowl for now.

Anna Maria: CURSES! THAT CURSED TEAM LOUD PHOENIX STORM! I HATE THOSE ASSHOLES SO MUCH!

Chef: DINNER!

She got a big bowl of chum.

LOUD FART!

Anna Marie: I HATE CHUM!

She was going to have all of eternity to think about her crimes. Until then ENJOY YOUR CHUM!

Qin: Boy I can't wait for a good meal.

Nico: Me too.

Xenia: Same here.

Flame Princess: I'm so excited for this.

Camie: Me too.

Tsuyoshi: I am excited for this too.

Lola: Yeah!

Nico: Tsuyoshi, I want to thank you, Quadraxis, and your teams for coming

Tsuyoshi: No problem Nico. This will be so fun.

Lola: It sure will.

Flame Princess: Yeah it sure will be cool.

Nico: Flame Princess, how are things between you and Finn?

Flame Princess: Doing really great Nico. Me and Finn…

She showed an amazing ring on her finger.

Nico: (GASP) You're engaged!

Me: Wow congratulations! Boy you and Finn are gonna be so happy together.

Flame Princess: Yeah we sure are. Just like Jake and Lady Rainicorn.

Me: I know.

Xenia: That is so awesome.

Nico: Good. Honestly, it was complicated who Finn would end up with. No offense.

Flame Princess: None taken. But yeah. I know.

Xenia: The Land of Ooo has come a long way.

Camie: Yeah. Went from a Post-Apocalyptic land to a land on the brink of recovery.

Xenia: Yeah.

Me: Yeah no kidding. I'm glad Finn and Jake are doing their hardest.

Qin: Me too.

Lola: Yeah. Wow! We sure showed Anne Maria what for!

Camie: Yeah that hairspray monster really got what's coming to her.

Nico: But she tried to spray Ed!

Eddy: No kidding! Good thing that Lumpy moved too fast for her.

Xenia: Yeah!

Zarya: Seeing Anne Maria do that reminded me of those frat kids we dealt with in that universe to battle Bertram.

Nico: Don't remind me.

Nicole: Yeah that was crazy.

Carol: It sure was.

Nico: But aside from that, she was easy to anger.

Me: Yeah no kidding. What a hot headed temper.

Varie: She had a really nasty disposition.

Lola: Yeah.

Camie: That monster.

Xenia: Yep.

Laney: Now she's back in the Xaikora Prison forever.

Lana: Yeah!

Lily: I hope she's miserable in Solitary Confinement.

Nico: It's fitting that she'll eat chum considering her Militia troops

WE LAUGHED!

Me: (LAUGHS) Yeah you got that right!

Xenia: Yeah!

Gwen (Total Drama): Now we just have to deal with 2 more sore losers and then the world will be free from them.

Camie: Yeah!

Me: Gwen I can't believe Billy put you and all the contestants of Total Drama through all that shit!

Xenia: Yeah! No kidding!

Lola: What he did makes him a demonic scourge of the Earth!

Gwen: That is for sure. What he did nearly destroyed our lives!

Me: Yeah! Soon Billy and Dark Amy will be long forgotten. We just got to wait for them to make their move.

Nico: Yep and then BAM! We hit them hard.

Maria: Now let's enjoy a good meal.

Camie: Yeah.

Me: It'll take a while for it to be ready. So lets find out what Lincoln has to tell us.

Lincoln: Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: Maria, Horsea, are you familiar with someone by the name of Kendra Corrington?

Maria and Horsea gasped in horror!

Maria and Horsea: WHAT?! KENDRA CORRINGTON'S BACK?!

Nico: Yikes! Do you and Horsea know her?

Horsea: Know her? We hate her!

Maria: Horsea's right, Kendra Corrington is an old enemy of mine from long ago along with Horsea's, she's a heartless, black-hearted, evil, monstrous, sadistic, sick, twisted bitch who hated me and Horsea with a bloodthirsty vengeance. We drove her out of the city long ago, how did she come back?!

Lincoln: You're not going to like it, it appears she's thrown in her lot with Xehanort to finally kill you and Horsea.

Horsea: WHAT?! She made a deal with that monster?! That's it, she's going down!

Maria: And she's heading straight into The Black Abyss for what she's done!

Me: You said it.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: I literally can't believe Kendra's back, and she's thrown in her lot and made a deal with Xehanort, she's going to pay for this!

Nico: I hope that bitch gets torn apart in the nastiest way imaginable.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles

grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Kendra Corrington) AHA! Gotcha! I just spotted Kendra Corrington, she's 20 yards away, but bad news: she's also got an army of Heartless with her, just as I saw, she's thrown in her lot with Xehanort.

Nico: That bitch, let's get her!

Lincoln: And tear her and her army of Heartless apart. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began

sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Kendra Corrington.

Layla heard a Pokemon cry.

Layla Williams: Look there.

We saw a Virizion!

Me: Whoa a Virizion!

Qin: One of the legendary Swords of Justice.

Me: Yep.

Layla Williams: And she's hungry.

Virizion: Yeah I'm hungry.

We got her apples.

Me: There you go.

She was eating them.

Virizion: Ahh thank you.

Me: You're welcome.

Layla Williams: Do you want to come with us?

Virizion: I would be honored.

Nico: You won't regret it.

Me: Yeah.

We arrived at Lynn's Table and went in.

Nico: GOOD MORNING LYNN'S TABLE CREW!

Lynn Sr.: Hey guys! Welcome! Usuals?

Nico: You know it Mr. Lynn. We'll eat in a few. After we take care of something first.

Lynn Sr.: No rush guys! Coming right up!

Nico: Awesome.

I put up force fields to prevent the area and building from being damaged.

Me: There.

Maria: Now where is that bitch?

Me: There!

We saw our target: a girl with wild black hair, red eyes of hate, she has on tattered clothes, and she carved on her arms, "KILL MARIA AND HORSEA!", with a knife, it was Kendra Corrington, and as Lincoln said, she also has an army of Heartless with her.

Lincoln: There's Kendra. Let's take care of the Heartless first, then, we deal with Kendra.

Lincoln summoned a massive horde of Keyblades made of light and he sent them right at The Heartless army, and all of them were slain by them and we absorbed their negative energy and gained a massive power boost, and that pissed Kendra Corrington off when she saw us and we landed.

Maria: I thought I warned you never to show your ugly face in town again, Kendra!

Horsea: You really have lost your sanity! You're even more insane than ever!

Kendra Corrington: SHUT THE FUCK UP! You both have ruined my life! I would've finally killed you both years ago if you hadn't driven me out of town!

Me: You brought all that on yourself you bitch!

William: That was all your doing, bitch! And don't you dare think I'm going to let you hurt my wife and Horsea, I'd rather see you die than let you hurt my family!

Kendra Corrington: THEN, DIE!

Kendra Corrington charged at William with a knife, but Maria and Horsea blasted her with water and ink and sent her crashing into a wall Lincoln made.

Maria: Okay, that crossed it, you bitch!

Finn: There's no way I'm ever going to forgive someone like that, especially someone who's gone and made a deal with Xehanort, what the heck! This is where you're going to die here and now.

Qin: Yeah!

Xenia: And it's going to be painful!

Camie: VERY PAINFUL!

She grabbed Horsea and stabbed her knife into her side.

Maria: HORSEA!

But what she saw was not Horsea but rather a stuffed animal bomb!

Kendra Corrington: Oh crap.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Horsea: Nice try you bitch!

Poliwag: NO ONE DOES THAT TO MY GIRLFRIEND!

He fired bubblebeam blasts at her and smashed her all over.

I grabbed Kendra and kneed her in the face and then threw her into a wall.

She went at me and I threw acid and splashed her in her face and burned her bad!

Virizion charged at her.

She used Secret Sword and slashed Kendra.

Virizion: Take that!

Layla Williams: And this!

She formed a leaf scythe and slashed her all over.

Tracer turned into Water Hazard!

Tracer: WATER HAZARD!

She fired a blast of water and drenched her.

She used the Core Medals for Rojo, Metallo and Man Bat.

Water Hazard and Dudley: FARTS AND WATER BURST!

They fired waves of farts and water and blasted Kendra!

Qin: Take that bitch!

Yumi: WHAMPIRE!

She fired massive blasts of darkness and blasted her all over.

She used the Core Medals for Merman, Count Marzo and Two Bad.

Alister: Lets make this fun.

Whampire and Alister: DARKNESS FLAME STORM!

They fired waves of darkness and fire and blasted Kendra all over.

Xenia: YEAH!

Carol: Try this on! Lincoln supercharge me!

Lincoln: Coming at you Carol!

Carol grabbed Kendra and Lincoln fired a massive blast of lightning and using the powers of King Kong from 1962 she electrocuted her with intense lightning!

ELECTRICITY SURGES!

KENDRA SCREAMED IN EXCRUCIATING PAIN AS SHE WAS ELECTROCUTED WITH BILLIONS OF VOLTS OF ELECTRICITY!

Nico: SHOCKING!

Carol punched and burned her all over with punches and slaps of intense lightning.

She kicked her and knocked her down.

Qin: YEAH!

Vince: Nice one babe!

Nico: That was awesome!

Lola: It sure was!

Lori: That bitch literally had it coming!

Carol: YEAH! Thanks guys

Ben turned into Bloxx!

Ben: BLOXX!

He turned into a club and bashed her.

He used the Core Medals for Billy Numerous, TTG Billy Numerous and TTG Gizmo.

They fired waves of boomerangs and bashed her down.

We were amazed by Princess Bubblegum's Super Angel-Candy Princess-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Kendra Corrington saw it, she went ballistic and charged at Princess Bubblegum, but Princess Bubblegum fired a massive barrage of bubblegum pink energy, stars, light, candy, phoenixes, and angels which hit Kendra Corrington and sent her flying into a tree, she got back up, but now, she was pissed.

Princess Bubblegum: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Solar Light Star Storm Fury Candy Princess Phoenix God Angel and Divine Cosmic Eternal Harmony Solar Light Star Storm Fury Candy Princess Phoenix God Angel Love) Now, it's just Maria that's left to transform.

Maria: And then, we can trash this bitch.

Suddenly, Maria's amber eyes turned neon amber and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, mermaids, sea creatures, phoenixes, and angels, she unholstered her massive Maria Rockell's Egypt Tefnut Oceanic Ocean Maelstrom Mermaid Phoenix Angel Greatsword of Oceanic Ocean Maelstrom Mermaid Phoenix Angel Justice from her back, and as she approached Kendra Corrington, she left aqua blue energy, stars, water, ocean waves, mermaids, sea creatures, phoenixes, and angels with every step.

Maria: I thought we'd never have to see your ugly face ever again, Kendra. Horsea and I made sure we drove you out of town especially after we told your parents everything about all of the bullshit you pulled in the past. But, now we find out you've come back for more and you even made a deal with Xehanort, that's the last straw, this time, I'm going to make sure you never come back, you're going to die here and now.

Suddenly, Maria was surrounded by a massive vortex of aqua blue energy with stars, water, and ocean waves surrounding the vortex, there are mermaids, sea creatures, phoenixes, and angels flying and swimming around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Kendra Corrington: the red eyes of eternal death. Then, as the vortex faded, Maria emerged, but she was changed forever.

Maria grew from 7'9" to 8'3" in height, she has metal gold braces on her biceps and thighs, and she now has twelve large aqua blue planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon amber eyes and an aqua blue energy aura with stars, water, ocean waves, mermaids, sea creatures, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a mermaid, water horse, phoenix, and angel emblazoned on her forehead and Third Eye with aqua blue iris, she has on mermaid earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in her hands, she also has a mermaid with aqua blue gems for eyes and holding the Water and Eternity Kanjis in her hands on the bottom of her aqua blue mermaid-shaped Element of Harmony with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold water drop links and she has on a white and gold accented choker on her neck. Maria has on an aqua blue dress, aqua blue stockings, aqua blue sneakers, and long sleeveless white trenchcoat with stars, water, ocean waves, mermaids, sea creatures, phoenixes, and angels on the coattails, and on the back is a mermaid, phoenix, angel, and water horse surrounded by water and stars and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding an aqua blue gem with neon glowing aqua blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Maria felt a sharp pain on her back, and then, her massive brown angel wings with aqua blue tips on the large brown feathers grew much larger for her new body and medium sized brown angel wings with aqua blue tips grew and sprouted out underneath her massive brown angel wings and she now has eleven massive and long brown wolf tails with aqua blue tips and aqua blue markings. Maria has on her Ring of the Phoenix with large aqua blue gem and heart-shaped gem embedded in it on her right ring finger and wedding ring on her left pinkie finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on aqua blue fingerless gloves with gold armor and gold claws on her fingers and smaller planets orbiting around her fingers like rings.

Suddenly, Maria's massive Maria Rockell's Egypt Tefnut Oceanic Ocean Maelstrom Mermaid Phoenix Angel Greatsword of Oceanic Ocean Maelstrom Mermaid Phoenix Angel Justice and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of aqua blue energy, stars, water, ocean waves, mermaids, sea creatures, phoenixes, and angels, and when it emerged, it transformed into Maria Dunbar-Rockell's Cosmic Eternal Harmony Egyptian Almighty Tefnut Oceanic Ocean Maelstrom True Immortal Mermaid Phoenix God Angel Greatsword of Cosmic Eternal Harmony Egyptian Almighty Tefnut Oceanic Ocean Maelstrom True Immortal Mermaid Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded aqua blue gems and a mermaid, phoenix, angel, and The Egyptian Goddess of Water, Tefnut, etched on the 7'9" massive, wide, double-edged gold blade, large gold water horse heads with aqua blue gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large aqua blue gems embedded in the foreheads and surrounding the angel faces are The Elements of Harmony and The Unity Stones on top of The Element of The Magic of Friendship, longer midnight black handle, four large gold water horse heads with aqua blue gems for eyes and large gold phoenix head with aqua blue gems for eyes and large aqua blue gem in its mouth on the bottom of the gold water horse heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with aqua blue gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold water horse head with aqua blue gems for eyes and large aqua blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Maria's Super Angel-Water Horse-Mermaid-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when William saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Kendra Corrington saw it, she went omega level mad with rage and charged at her to kill her, but Maria fired a massive barrage of aqua blue energy, stars, water, ocean waves, mermaids, sea creatures, phoenixes, and angels which hit Kendra Corrington and drenched her and sent her flying into a tree, she got back out, but then, we saw her eyes turn yellow and she was surrounded by darkness and she turned into a black dragon-themed Heartless with dark fire coming from her mouth called THE BLACK DRAGON OF ETERNAL HATRED!

Love) So, Xehanort had no intentions of honoring any deal you made with him and turned you into a Heartless. Figures since you've been willing to double-cross anyone who got in your way.

?: I've also got something to settle with that bitch!

Suddenly, a blast of fire and magic came out of nowhere and hit the Heartless, and then, we saw a girl with long crimson red hair, crimson red eyes, black hairband, massive red angel wings, black coat, red clothes, and she has a fire greatsword in hand.

Lincoln: (GASPS) Helena Winchester, California's Wizard of Fire, awesome. We're gonna need a lot of hands to bring Kendra down.

Nico: Let's do this.

Lincoln, Finn, Flame Princess, Princess Bubblegum, Maria, and I went after The Black Dragon of Eternal Hatred, and we fired extremely powerful blasts of rainbow energy, light blue energy, orange and yellow energy, bubblegum pink energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs,

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Finn, Flame Princess, Princess Bubblegum, Maria, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving The Black Dragon of Eternal Hatred even more madder than ever and she exploded even more with extreme rage.

The Black Dragon of Eternal Hatred fired blasts of fire and negative energy and darkness at us, but we absorbed the blasts, and it was making us even stronger than ever. Then, Lincoln fired many energy beams from the tips of his fingers and the planets orbiting around his fingers, and they shattered the Dark Orb in The Black Dragon of Eternal Hatred's chest and it shattered and we gained a massive power boost and our rainbow auras protected us from the fragments which also shattered, and it caused The Black Dragon of Eternal Hatred to change back into Kendra Corrington.

Kendra Corrington: YOU FUCKING LOSERS! I'M NOT DONE YET!

YOUR TIME IS UP!

Suddenly, the bell of judgement rang as she was suddenly confronted by the spirits of her victims who grabbed Kendra Corrington.

Spirits: GUILTY!

They found her guilty, and then, the kanji Black Abyss 黒深淵 appeared on her forehead, and she was suddenly being consumed by the black flames of The Black Abyss: she was finally being erased from existence!

Kendra Corrington: NO! NO! DAMN YOU, TEAM LOUD PHOENIX STORM! DAMN YOU ALL! (LETS OUT ONE LAST ENRAGED SCREAM BEFORE SHE FADES AWAY FOREVER!)

GOOD RIDDANCE FOREVER, YOU SPAWN OF SATAN, AND NEVER COME BACK!

Everyone cheered as we holstered our weapons and powered down, and the new bodies, clothes, jewelry, eleven massive and long wolf tails, 28th Century silver Miracle Box backpacks, Third Eyes, large gold halos with four orbiting gold rings on each corner behind their heads, twelve large planets orbiting around their legs, smaller planets orbiting around their fingers, and massive angel wings and medium angel wings of Finn, Princess Bubblegum, Flame Princess, and Maria Dunbar-Rockell are permanent.

Maria: Hah, serves you right, you monster bitch. Never show your damn face here again.

Nico: That's for sure. So, Lincoln, are you going to introduce us?

Lincoln: Sure. Everyone, this is Helena Winchester, Wizard of Fire, she's my Guardian Angel from California and she's a very powerful wizard who was born with the powers of magic, cosmic pyrokinesis, mastery over powerful fire magic along with being born with red angel wings. Helena has mastered all forms of magic and that also included spellcasting, and she has used her talent with magic and fire in defending the innocent and punish the guilty. She is also the leader of a clan of wizards from California who are descendants of powerful wizards and their order has fought against the dark forces and the dark wizards and witches who plague mankind. She moved to Royal Woods where she met me, and she really helped me in mastering magic and the elemental force of fire, and over time, I became a master of using magic, fire, and fire magic. I made her a powerful fire greatsword and necklace, and to show thanks, she kissed me on the lips, and as a result, when I come of age, I will marry her along with the rest of my harem, and Helena hated Lori with a blazing passion because she tried to ruin a magic show she, Luan, and I were doing at a birthday party.

Luan: I still remembered that day all too well, Helena and Lincoln used their magic to tie Lori up in a straitjacket, and then, they threw a cloth over her, and they made her vanish, and she reappeared back in the house, but inside a metal container and she wound up grounded for a month after Lincoln and I told the rest of the family on a phone call of what Lori did.

Luna: Ever since then, you and Lincoln put up signs saying to warn you two if Lori, Lynn, Lola, Lisa, or the other hecklers showed up to cause trouble.

Nico: If there's one thing a performer can't stand, it's a heckler and troublemaker.

Lincoln: You said a mouthful, and it's so good to see you again, Helena.

Helena Winchester: You too, Lincoln, and whoa, you've really really grown into quite a man.

Lincoln then went up to Helena Winchester and he wrapped his massive and muscular arms around her, and then, he leaned his head down to the right side of her trapezius and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Helena Winchester with red gems on the gold lightning bolt links with red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Chokers of Eternal Love appeared on her neck.

Helena Winchester saw them and she knew she became part of his harem and is among his many future wives, and she kissed him on his pecs and lips.

Me: Awesome

Maria: Horsea, are you okay?!

Horsea: I'm okay Maria. I'm okay.

Maria: Good.

Qin: Thank goodness.

Me: That bitch got what was coming to her.

Camie: Yeah!

Horsea: Good riddance.

Nico: Nice job Virizion!

Virizion: Thanks Nico. That was fun.

Poromon: Want some beer?

Virizion: Oh no thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Poliwag: Okay.

Maria kissed Horsea on the forehead

Maria: Thank goodness.

Horsea: I know.

Nico: J.D. how did you learn how to do that with your sword?

Me: Oh I invented that power out of the blue as Luan was preparing for her mission.

Nico: That is genius!

Xenia: Yeah!

Lynn Sr.: ORDER UP!

Me: Oh time to eat.

We got our tables and got to eating.

Poliwag kissed Horsea.

Horsea: Aw thanks.

Me: (Slurping Spaghetti)

Nico: (Eating chicken wings and legs)

Vegeta: (Eating Sausages)

Goku: (Slurping Ramen) Ahh this is good stuff.

Me: You said it Master Goku.

We were eating everything.

Me: (Eating hot dogs and Lasagna)

Krillin: Man Goku you still sure eat a lot huh?

Goku: You know that's exactly what King Kai always told me. But what can I say. I just love to eat.

Nico: You're telling me Kakarot. I like to eat too.

Nico was eating chicken wings by the truckload.

Eli had Ultimeatum burgers.

Laney and Lola were eating Chili Dogs with Sonic and Sonic Sisters and Tails.

The dishes were REALLY piling up.

Piccolo: Uch you know I don't think I'll ever get used to this.

Krillin: Me neither. Good grief guys. You Saiyans are like bottomless pits. I swear.

Varie: Yeah. They may like fighting but they love to eat.

Me: Yep.

Nikiya: That's part of who we are. (Eating Dumplings and noodles) Mmm!

Luan: That was a good warmup for my missions!

Me: It sure was Luan.

Camie: (Eating Salad) I'll say.

Jared: (Eating fruit salad) It was awesome.

Me: I agree there.

I was eating nachos and fries.

Varie had salmon.

Nico: Okay, remember. That other world might have people who look like our friends. But if they're evil, don't hold back.

Me: Right. My spell is complete. So it's ready.

Nico: Good.

Lola: Yeah.

Luan: We're ready.

We had a great meal and MAN WE WERE STUFFED!

Me: Oh boy!

Goku: Ahh that was incredible! What a feast!

Nico: Boy I'm stuffed!

Camie: Me too!

Me: Yeah. (BELCH) Oh pardon.

Syrus: At least the students there are equal in rank.

Chazz: Yeah. Equally evil!

Me: And we're ready for them.

Camie: Yeah.

Qin: Now it's personal.

Dark Magician Girl: That is for sure.

Jaden Yuki: Yeah no kidding!

Alexis: I can't wait to make those monsters pay.

Nico: Oh, and let's collect the cards of the ones we kill.

Me: Good idea. To the victors go the spoils of war. Also we'll free any carded duelists we come across.

Lola: Good idea.

Camie: Yeah!

Xenia: Yeah.

Kairi: Those carded duelists didn't deserve their fate.

Qin: Yeah! I agree!

Lola: They will be free!

Camie: I agree!

Luan: Yeah that is for sure!

Nico: Brittney, it's fitting since a Dark Signer is your archenemy.

Brittney: It sure is.

Carly Atlas: We can't wait to go too.

Misty Tredwell: Yeah.

Carly Atlas: Although my counterpart probably suffered the same fate

Misty Tredwell: Same here.

Nico: We'll free them.

Maria: Makes me wonder if there are other heroes besides us and

Yuya using Duel Monsters for good

Qin: Yeah.

Eli: I feel the same way.

Xenia: Yeah.

May: I'm sure we'll find out in the future.

Qin: I agree.

Xenia: Yeah.

Camie: Someday.

Yugi: Back then, I didn't think I would even have successors.

Pharaoh Atem: Neither did I. But that is really amazing though.

Eli: It sure is father.

Laney: Yeah. But we got a renegade Duel Academy to stop.

Brittney: And we're going to REALLY Hit them hard.

Nico: I agree.

Xenia: And it's going to hurt bad.

Qin: Yeah.

Nico: Now time for the next part of business.

Lola: The Anothers.

Nico: Yep.

Eli: Lets see. (CONCENTRATES) Whoa! We got Another Quadraxis, Infernotron, Bugbear, Cerberus (MLP), Ghost Bride and Riff Raff Sam

Qin: Whoa!

Nico: Tsuyoshi, Flame Princess, Ghost Princess, Bee Princess, Light Princess and Muscle Princess are up.

Eli: Yep and I sense that the Anothers minus Quadraxis are 1 person.

Me: Nice.

Camie: This will be fun.

Nico: After they're taken care of, we'll make that Duel Academy what it's meant to be

Jaden: A place where Duelists can have fun.

Qin: Yep.

Lola: And be happy.

Alexis Yuki: That's right!

Camie: Yeah.

Me: Yeah. Now to take care of the Anothers.

Nico: Yep.

Me: Stand ready.

Maria: There they are!

We saw Another Infernotron, Bugbear, Cerberus (MLP), Ghost Bride and Riff Raff Sam!

Me: Whoa! This will be awesome.

Another Bugbear: (In a girls voice) (Norwegian Accent) Yeah it sure will.

Nico: (GASP) That voice.

They merged and she reverted back and was the gene-slammer of Preciomon!

Me: WHOA! Preciomon's gene-slammer.

Nico: (GASP) Pamela Precio!? Whoa!

Pamela Precio: Awesome to see you again Nico and you too Qin.

Qin: You are looking good Pamela

Pamela Precio: I know.

Me: Can you tell us more about yourself?

Pamela Precio: I sure can. I'm from Norway and I'm Nico's friend from weather class and I love the aurora.

Me: It sure is beautiful up there.

Pamela Precio: Yeah it sure is.

Me: Is the Another Quadraxis friendly or hostile?

Pamela Precio: Friendly but she is really funny.

Me: Ooh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Maria: (TURNS DIAL) ORICHALCOS MUTANT BRIGADE!

She summoned Dartz, Bane (The Batman), The Riddler (The Batman), GrandGeneramon, Nezbitt and Mutant Tortoise!

Qin: YEAH!

Dartz: Best of luck with Yuya and the rest

Brittney: I'll tell him that Dartz. Thank you.

Dartz: You're welcome.

Camie: They'll be begging for the Orichalcos when we're done!

Me: Yeah!

Qin: You said it!

?: (TARZAN YELL)

Nico: I know that yell.

We saw a girl swing in on a vine and it was the gene-slammer of JungleMojyamon!

Nico: Jane Jungle Mojya!?

She swung right by us.

Nico: Watch out for that!

Jane screamed and then…

CRASH!

SHE CRASHED HEAD ON INTO A SUPPORT PILLER IN THE RESTAURANT!

Me: OOH That's gonna leave a mark!

George: George like this another!

Pamela Precio: She's Another Quadraxis. But she's very much like George.

She fell and crashed to the floor.

CRASH!

Me: OOH!

We helped her up.

Nico: Nice entrance.

Jane Jungle Mojya: Yeah sorry about that.

Nico: Boy that must've hurt.

Jane Jungle Mojya: I'm used to it.

Nico: You alright?

Jane Jungle Mojya: Yeah I'm okay.

Me: Can you tell us about yourself?

Jane Jungle Mojya: Sure. I am Nico's friend from Africa that got stranded in the jungle.

Nico: She was a baby that got stranded in the jungle and got raised by an ape like Ape here. And she survived in the jungle her entire life.

Ape: Boy I say. She is really strong to do all that.

Jane Jungle Mojya: Yeah and I built my own treehouse and defended the jungle from all threats around it.

Nico: Yep.

George: Wow like female version of George.

Jane Jungle Mojya: Exactly.

Me: At least we know the connection with Quadraxis. Quadraxis was built to destroy all threats against the Aether Sanctuary Fortress. Just like you are the protector of the Jungle.

Jane Jungle Mojya: Exactly.

Nico: Cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Jane Jungle Mojya: No he didn't. I pelted him with coconuts and knocked him out.

Me: Ouch!

Donkey Kong: I like the way you think!

Xenia: Yeah!

Jane Jungle Mojya: Thanks.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Me: Usually you become the Another first before you show up.

Jane Jungle Mojya: I know but Quadraxis is way too big.

Nicole: She's right. Quadraxis is about 25 feet tall. She wouldn't fit in here at that size.

Nico: Lets go outside then. Mr. Lynn we'll be right back.

Lynn Sr.: Okay guys.

We went outside.

Nico: Okay now we can separate you.

We did so.

Another Quadraxis was out!

Me: YEAH!

Samus: Lets get him!

Nico: (gets out Quadraxis's Ridewatch) Time for this drone to attack!

May: (Gets out Bugbear's ridewatch) This bear is a fright!

Maria: (Gets out Ghost Bride's ridewatch) This Bride is out for blood!

Flame Princess: (Gets out Infernotron's ridewatch) Time to burn!

They used the powers of Quadraxis, Infernotron, Bugbear, Cerberus (MLP), Ghost Bride and Riff Raff Sam and blasted the another all over!

Then Destiny HERO Diamond Dude, Dreadmaster, Dogma, Fear Monger, Evil Bounce Man (Mega Man) and Dread Servant came!

Nico: WHOA! Nice team Diamond Dude!

Diamond Dude: Thanks Nico!

Me: That's right the Destiny HERO monsters are the Antipode of the Elemental HERO monsters. Aster told me so himself. But that is cool!

Nico: Fitting considering what we're doing after this

Diamond Dude: Indeed.

?: I'll say!

SKULLGREYMON CAME!

Tai: SkullGreymon!?

Xenia: Uh oh!

SkullGreymon: (In a girls voice) It's okay guys.

Nico: Laura Skullsmoosher Grey!?

Qin: WHOA!

She reverted back and was a girl with black hair, purple eyes, black angel wings, black clothes and had SkullGreymon on her forehead and skirt and had a fire sword.

Laura Skullsmoosher Grey: Awesome to see you again Nico. I got this. (ECHOING) DARK SHOT!

She fired an energy blast and it hit the Another and exploded with incredible power!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blew him into a million pieces and I caught the Ridewatch and purified it. Also there was a floating item. It was THE

ANNIHILATOR BEAM ITEM!

Qin: Whoa! The Annihilator Beam Item too.

Janeen Aran: I'll take it.

She went and did so and got the powers of light and darkness.

Janeen Aran: Yeah!

Nico: Cool!

Me: Yeah!

We went back inside.

Me: That was so fun!

Nico: How did that get there?

Nicole: It's what happens when you defeat Quadraxis Nico. You get the Annihilator Beam.

Nico: Oh right.

Me: Just like in the game.

Camie: Yep.

Laura Skullsmoosher Grey: That was cool though.

Flame Princess: Yeah. What's your favorite memory of Nico?

Laura Skullsmoosher Grey: Mine is when me and Nico were battling a group of mobsters and we bashed them all over and I crushed their heads and killed them.

Me: WHOA! So that's how you got the nickname the Skullsmoosher.

Laura Skullsmoosher Grey: Yep. I'm what you call a Female version of the Punisher.

Me: I like the way you think.

Nico: Yep.

Nico and Laura hugged.

Nico: I've missed you.

Laura Skullsmooshér Grey: Same here.

We paid for the food and we later went back home. Another awesome rescue done.

The troublemaker's name is Antonio Rodriguez, he's a professional super heavyweight bodybuilder from the bodybuilding competitions Melanie competed in and won in the past, and he was driven by hatred and jealousy over what Melanie's been doing winning the bodybuilding competitions over and over, and he won second place. He disappeared years ago, but now, we got word that Antonio's back, and the bad news: he's used an experimental muscle growth formula that he'd stolen from a lab in Los Angeles, and he suddenly grew into a 12'5" massive hulk and he's causing havoc, we're going to take him down, and Lincoln's going to drain him dry of his newly gained extremely massive muscle mass, excessive virility, excessive testosterone, and excessive massive physical strength and reduce him to skin and bones and throw him in prison forever.

Lincoln: Ah, we're here in the west of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we got trouble: an old enemy of Melanie Martinez's is running loose.

Melanie Martinez: And I think I know who's here: Antonio Rodriguez.

Nico: Who's he?

Kiara Kessler: Someone we hoped never to see again, Antonio Rodriguez is a professional super heavyweight bodybuilder from the bodybuilding competitions Melanie competed in and won in the past, and he was driven by hatred and jealousy because Melanie's won the bodybuilding competitions over and over while he won second place.

Nico: Sore loser.

Me: And it gets worse: we got word that Antonio's back in town, and the bad news is he used an experimental muscle growth formula that he'd stolen from a lab in Los Angeles, and he suddenly grew into a 12'5" massive hulk and he's causing havoc.

Lincoln: We can't let this go on any longer, we're going to take him down, and I'm going to drain him dry of his newly gained extremely massive muscle mass, excessive virility, excessive testosterone, and excessive massive physical strength and reduce him to skin and bones and throw him in prison forever.

Tsuyoshi: We better find him and fast before he causes any damage.

(CHINESE MUSIC PLAYS)

Suddenly, we saw a Kirin made of black flame pass through the skies.

Lincoln: The Kirin made of black flames, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with black streaks and black headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless black crop top, black bridal gloves, crimson red skirt, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, black fire, black flames, Kirins, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Kirin King, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the seven girls.

Lincoln: (GASPS) Adele Heihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Kirin.

Adele Heihuo: That's right, and I got the girls away from that overgrown mega giant sore loser bodybuilder, but he's on his way now.

Suddenly, we felt tremors on the ground.

?: MELANIE, I'M GOING TO SMASH YOU INTO THE GROUND!

We then saw a 12'5" massive hulk with really abnormally massive and powerful upper and lower body muscles and eight-pack abs with black hair, red eyes of hate, and wearing only a pair of tattered black pants: it was Antonio Rodriguez, the professional super heavyweight bodybuilder with a total hatred towards Melanie Martinez.

Sylvester: So, all we got to do is take this overgrown meathead down.

Antonio Rodriguez: Bring it on, I can take anything you all can throw at me!

Then, Lincoln fired a red energy blast at Antonio Rodriguez which hit him, and he had a red barbell tattoo on his really wide and muscular back: Lincoln's given him The Min's Egyptian Virility Drain Curse.

Then, Lincoln sprouted tentacles with suctions from his chest and they latched themselves onto the massive pecs, neck, arms, and legs of Antonio Rodriguez. Then, the tentacles began sucking Antonio Rodriguez dry of his dry of his newly gained extremely massive muscle mass, excessive virility, excessive testosterone, and excessive massive physical strength and he was groaning as he began shrinking in both height and muscle mass.

Then, all of the extremely massive muscle mass, excessive virility, excessive testosterone, and excessive massive physical strength of Antonio Rodriguez began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and medium sized white angel wings spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done, the tentacles detached themselves from the pecs, arms, legs, and neck of Antonio Rodriguez and they went back into him, and Antonio Rodriguez was now thin as a rake and sucked bone dry of his newly gained extremely massive muscle mass, excessive virility, excessive testosterone, and excessive massive physical strength, and the glowing barbell on his back stopped glowing and disappeared.

Antonio Rodriguez: No, no!

Then, Melanie Martinez beamed him to The Uranus Prison forever. We cheered as we holster our weapons and powered down.

Lincoln: Whoa, that was really intense. (Flexes his even more massive muscles) But, it really worked, I sucked Antonio Rodriguez bone dry of his newly gained extremely massive muscle mass, excessive virility, excessive testosterone, and excessive massive physical strength. (To Adele Heihuo) And it's so good to see you again, Adele.

Adele Heihuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Adele Heihuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Adele Heihuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Adele Heihuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Adele

Heihuo and hugged her, and Adele Heihuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adele Heihuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Adele Heihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Kirin, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of black fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Kirin, along with having black angel wings along with having intense black fire powers. She's known as The Powerhouse of The Sisterhood of The Fists of Fire, and she has superhuman strength that can split trees, break boulders, and even bring a fully grown man down with one punch to the stomach. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of black fire and she also helped in getting him physically stronger through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Adele hates Lynn with a blazing passion because of her bone-headedness, out of control superstitious attitude, her gross manners which included bad table manners, not bathing, belching, and farting at people, her brutish nature especially with The Packing Day Fiasco when she goes nuts, and black-hearted hatred towards Lincoln, and in one incident, Lincoln was badly beaten almost to the point of death by that bitch, Lynn, and that caused Adele to beat Lynn up super badly and sent her to the hospital in a full-body cast for a year, and Adele healed Lincoln by feeding him a blood bag.

Nico: That still freaked me out when we heard that yesterday. Lynn really pissed her off when she beat you almost to the point of death.

Lincoln: It freaked everyone else out, and of course, she stepped into trouble by doing that, and she got mauled badly.

Me: Trust me, it was really ugly.

Lincoln: It taught Lynn a really nasty lesson, and now that you're here, Adele.

Lincoln leaned his head down the right side of Adele Heihuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Adele Heihuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adele Heihuo with red gems on the gold lightning bolts and white crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Adele Heihuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adele Heihuo.

Adele Heihuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adele Heihuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adele Heihuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Atria Smith, Hina Myouken, Kanon Inamura, Matsuri Ougi, Sayuki Tenkawa, Shiho Mitarashi, and Tamaki Orime from Houkago⇒Education! ~Sensei to Hajimeru Miwaku no Lesson~

Lincoln: Oh wow, it's Atria Smith, Hina Myouken, Kanon Inamura, Matsuri Ougi, Sayuki Tenkawa, Shiho Mitarashi, and Tamaki Orime from Houkago⇒Education! ~Sensei to Hajimeru Miwaku no Lesson~

Nicole: Thank God Adele got them away from that sore loser bodybuilder, or they would've gotten flattened.

Lincoln: You said a mouthful. Are you girls okay?

Atria Smith: Yes, we're okay, thanks to you.

Then, when Atria Smith and the other six girls saw who it was that saved them from Antonio Rodriguez, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his

Atria Smith: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Atria Smith: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Atria Smith, Hina Myouken, Kanon Inamura, Matsuri Ougi, Sayuki Tenkawa, Shiho Mitarashi, and Tamaki Orime with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the enemy we went after was Antonio Rodriguez, a professional super heavyweight bodybuilder and an old enemy of Melanie Martinez's who disappeared years ago, but came back and he used an experimental muscle growth formula that he'd stolen from a lab in Los Angeles, and suddenly grew into a 12'5" massive hulk and was causing havoc.

But, when Lincoln showed what we all did in beating that musclebound huge hulk into the dirt and Lincoln using the Min's Egyptian Virility Drain Curse and Lincoln sucking Antonio Rodriguez dry of his newly gained extremely massive muscle mass, excessive virility, excessive testosterone, and excessive massive physical strength and reduced him to skin and bones and threw him in prison forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Adele Heihuo have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so those tremors we felt were Melanie's old enemy. Yeesh, and you drained him dry of his newly gained extremely massive muscle mass, excessive virility, excessive testosterone, and excessive massive physical strength.

Lincoln: He was once a symbol in the world of bodybuilding, but he became a disgrace to the world of bodybuilding due to his sore loser attitude. Now, he's nothing but a convict, and a total weakling.

Nico: And of course, what you did in flexing your even more massive and pumped up muscles really drove your harem wild.

Me: Better make sure no other girl was watching, dude, or you're going to get swarmed all over.

---

After Lincoln and all of us beat down Antonio Rodriguez and Lincoln drained him dry of his newly gained extremely massive muscle mass, excessive virility, excessive testosterone, and excessive massive physical strength and reduced him to skin and bones and threw him in prison forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adele Heihuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Adele Heihuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adele, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adele Heihuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Adele Heihuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Panda Faye Ling: And I've got a memory that Adele had with Lincoln while he was training with her, and it led to Lynn getting beaten to a pulp by her brother.

Panda Faye Ling put up a video on the big screen, and it showed Adele Heihuo training with Lincoln at the gym, Adele Heihuo was in a crimson red sports bra, crimson red shorts, and red knee-high boots, and Lincoln was only in crimson red gym shorts and he also had on black knee-high boots, and they were sparring with one another which ended with Lincoln taking her down with a leg sweep causing her to lose her balance and land on the mat, and he pinned her down. He got off, and he helped her up, and they really worked up a sweat.

Past Adele Heihuo: Phew, that was one intense sparring. You've really been improving a lot and practicing on the side without letting that superstitious, super aggressive, belching, farting, sweaty, pit-stained gorilla finding out, Lincoln.

Past Lincoln: Thanks, Adele. But, I don't know how long it'll be before Lynn finds out.

?: MONSTROUSLY LOUD BELCH!

Suddenly, the alarm sounded and the rest of The Guardian Angels came, and to their disgust, Lynn showed up.

Past Riley MacKenzie: Again, Lynn?! That's it, I'm gonna beat you down and throw you in a hospital!

Past Lincoln: No, Riley, I'm taking her down, it's payback time for that beating she gave me that almost got me killed.

Lincoln flew out of the gym, and he proceeded to trash Lynn with his martial arts moves as he punched and kicked her all over the place. Lynn let out another roar and pounded her chest and tried to punch Lincoln, but he dodged it and punched her hard in the stomach and sent her crashing down like a ton of bricks. Then, he grabbed her and threw her into the air as she was sent flying back to the house where she was chained up by me and Varie, and she wound up thrown in a cage again.

Past Adele Heihuo: That was really impressive, Lincoln! You took her down hard, you were like a fierce tiger, and that bitch stood no chance.

Past Lincoln: She unfortunately made me even stronger, and that really led to her getting a nasty dose of karma.

Then, Lincoln wrapped his massive muscular arms around Adele Heihuo and he leaned his head down to her face and they kissed as the video ended.

Nico: Whoa! That was really awesome, Lincoln!

Nicole: I still remembered that incident all too well, but Lynn was basically asking for trouble.

Luna: It found her big time, and Riley was that mad at her, she wanted to beat her down and throw her in a hospital. Lincoln stopped her from doing so, but Lynn was on permanent thin ice with her and all of the Guardian Angels who hated her.

Anna Anyanova: This was the very thing many of us Guardian Angels swore to do to Lori, Lynn, Lola, Lisa, and Luan if they dared to go after Linky one more time.

Lynn Sr.: We knew Junior was at it again when Lincoln sent her flying back to home, she crashed in through the door.

Lance Loud: You told me of all the bad things Lori, Lynn, Lola, Lisa, and Luan did to Lincoln, thank goodness the kids didn't hear about that, but you and Rita took strict action against them.

Sharon Loud: No doubt thanks to the encouragement of his Guardian Angels.

Rita: That's right, and because of it, we broke free from their manipulative control, and with their help, we began taking very strict action against Lori, Lynn, Lola, Lisa, and Luan in order to protect Lincoln.

Me: God wasn't going to let the actions of The Devil go unpunished, and those five wound up getting into huge trouble before we finally got rid of their Dark Sides forever.

We got a shower, and then, Lincoln, Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus are heading to Jolly Roger Bay.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Mariah Mantisblade: Wow, so this is Jolly Roger Bay. It sure is beautiful.

Lincoln: It sure is, Universe 666 Mariah, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus are in your harem, Linky.

Universe 666 Mariah Mantisblade/Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Mariah Mantisblade/ Screaming Mantis, Universe 666 Luna Moonwolf/Crying Wolf, Universe 666 Rachel Nevermoreraven/Raging Raven, and Universe 666 Olivia Octoclown/Laughing Octopus, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Luan, Camie and Kairi's first ever mission.

Nico: Anyone else want to go with Luan, Kairi, and Camie? Besides 3 Rabbids?

Brittney: You know me and the Goths of Darkness will go along with the Dark Signers.

Yugi: And me and all the duelists will go too.

Nico: Boy this is gonna be an awesome duel fest.

Me: Yep.

Hulk: Hulk will go.

Melter: So will I.

Me: Okay then.

Nico: Lets get a move on!

We were off to help Yuya. They were in Maiami City in the Prime Universe.

Camie: He sure does.

Me: Look!

We saw Yuya battling 3 OBELISK FORCE MEMBERS!

Me: There he is.

Brittney: And he's battling 3 Obelisk Force Members. Dad?

Me: On it.

I pulled out all 5 pieces of Exodia!

Me: EXODIA! OBLITERATE!

I summoned Exodia and he fired a massive energy blast and blew the duelists away!

We went over to them.

Me: You three sickos are in REALLY HUGE trouble!

Yuya: Brittney? Is that you?

Brittney: Hey Yuya! Told you we would arrive today.

Yuya: You sure did!

Zuzu: Awesome to see you again Brittney!

Brittney: Same here.

I took the Duelists cards and locked them in cards themselves.

Nico: Those three have failed at duelists.

Yuya: They sure have! But you all arrived just in time.

Nico: We sure did. Awesome to meet you Yuya. Brittney told us so much about you.

Yuya: I can tell.

Luan: It's awesome to meet you Yuya. I'm Luan Loud. And I'm your ambassador.

Me: It's part of a special Diplomatic Mission Program we made.

Yuya: Wow it's a pleasure and Wow! The legendary duelists.

Yugi: Yep All of us are here to help.

Hulk: Hulk honored to meet you. Bruce Banner but he turns into Hulk.

Melter: And my name is Bruno Horgan but everyone calls me Melter.

Everyone introduced themselves.

Yuya: Wow it's truly an honor to meet you all.

Yusei: You too Yuya.

Brittney: We have a lot to talk about.

Yuya: Lets talk at Lancer base.

Me: Okay.

Kairi: (sighs) And these are Rabbids.

Yuya: Wow.

Zuzu: Oh they are so cute.

Lucy Loud: Yeah they sure are.

Me: They may be cute but they are not the brightest lightbulbs in the closet if you know what I mean.

Nico: Yeah.

We followed Yuya and got to his house.

Sylvio: Wow Team Loud Phoenix Storm what an honor and Brittney great to see you again!

Brittney: You too Sylvio.

Me: Pleasure to meet you Sylvio.

Sylvio: An honor.

Declan: It's an honor to meet you too and Brittney it's good to see you again.

Brittney: Same to you Declan.

Me: Pleasure to meet you Declan.

Declan: Same here.

Gong Strong: J.D. it's an honor to meet you!

Me: Same to you Gong. Brittney told us a lot about you.

Brittney: Yep. Awesome to see you again Gong.

Gong Strong: And you too Brittney.

Yuya: I don't think I met most of your counterparts.

Me: That's because these are the prime universe versions of them.

Yuya: Prime universe?

Me: That's the universe where we're from. And the one that we all live in. You too Yuya.

Yuya: Wow that is hard for me to understand.

Me: It's hard for us too.

Carly Atlas: Yeah we get that all the time.

Yuma: It's crazy.

Tori Meadows: But it's amazing to learn about.

Zuzu: We can tell.

One of the Rabbids tried to lick one of Yuya's cards.

Me: Now now don't do that.

Nico: See what I mean?

Zuzu: We believe it.

Me: Yeah.

Eli: But they are funny and make us laugh.

Tea: You wouldn't believe how many funny things they do.

Tristan: Yeah they are funny.

Yuya: We can see that.

Eli: Yeah.

Luan: I should tell you about myself. I'm the jokester and comedian of the Loud Siblings and I do funny jokes.

Me: Yeah. Luan is the 4th born of the Loud Siblings and her jokes crack me up. Even though some people don't find them funny.

Luan: Yeah.

Yuya: Wait. Didn't you make April Fool's Day a hazard before?

Luan: Yeah that's right.

Me: Don't worry Luan doesn't do that anymore.

Zuzu: Really?

Me: Yeah. When I moved into the area in Michigan back in 2016, Luan's brother Lincoln told me all about what Luan did on April Fools Day and it was hellish.

Nico: Yeah. She did the same kinds of dangerous pranks like how my little brother Connor did.

Sylvio: That is very coincidental.

Nico: Yeah. It sure is. Thankfully they doesn't do that anymore.

Zuzu: That's a relief.

Nico: And Luan has Eddy for a boyfriend

Luan: Yeah he is awesome.

Me: And he loves giant jawbreakers.

Zuzu: It's true. Brittney sent me telepathic messages about them and man is it awesome.

Brittney: Zuzu and I kept in touch whenever she has time. Also she visits the team from time to time.

Nico: Wow!

Luan: Neat.

Me: Yep.

Yuya: Are we gonna face Eddy's Dark Counterpart?

Nico: No. Something much worse.

Me: Dark Eddy was given the black gates.

Sylvio: The Black Gates?

Me: It's one of the deadliest techniques in our arsenal.

I told them what it does and they were shocked.

Yuya: WHOA! That is amazing!

Me: I know. Now we have Embodiments of the Omnitrix Aliens that were turned into Blackwing Eatos 12 victims.

Nico: Terrifying story.

We told them about that and it was crazy.

Gong Strong: Oh man! That's awful!

Declan: My goodness!

Me: Yeah.

Eli: Yeah.

Me: They are easily recognizable because they have pitch black angel wings and have piercing red eyes and they are all girls I know.

Nico: Yep.

Eli: Yeah and they are in pain.

Me: Yeah.

Nico: Before we visit that other dimension, we need to find take care of any enemies here.

Me: Like in chess, we have to go through the pawns to get to the king.

Zuzu: That's right.

Yuya: Yuri has been spoted here.

Brittney: Yuri!? Where?

Yuya: He's somewhere.

Eli: (Concentrates) He's in the park and is going after people.

Nico: Oh man.

Me: What can you tell us about him?

Yuya: He's a monster.

He went over his history.

---

Yuri is the central antagonist in the Yu-Gi-Oh! ARC-V anime. He is the Fusion Dimensional counterpart of Yuya Sakaki (Standard Dimension), Yuto (Xyz Dimension) and Yugo (Synchro Dimension), as well as one of the four reincarnations of Z-ARC. He is one of Duel Academy's ace Duelists and the most loyal to the Professor.

He was voiced by Kensho Ono in the original Japanese dub, and by Michael Liscio Jr. in the English dub.

---

When he was done we were shocked!

Eli: Oh man! So he's Yuya's Fusion counterpart.

Nico: That fucking turd! He fucking played you all!

Kairi: Let's get going!

We were off.

---

We arrived in the park.

Me: He's here somewhere.

Kairi: Fan out and look for him!

Me: Wait! Look!

We saw someone and it was YURI!

Me: Target sighted.

Kairi: Nevermind.

Me: Now we'll show you our entrance.

We went at him!

Yuri was about to attack a bunch of kids. But then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and then a Phoenix Cry was heard and we landed.

Yuya: You are through Yuri!

Me: We came here for one thing.

Yuri: Because your going to stop me right?

Me: We don't just intend to stop you. We're going to kill you.

Yuri: Fine, I'd be more than happy to add a brand spanking new card to my collection. And you know what? I'll file you away with my other rare cards, because it's rare that someone would be so stupid as to challenge me.

Me: Ha! Your overconfidence will be your undoing!

Eli: Yeah!

Me: Top this one. I SUMMON NINE-HEADED DRAGON!

I summoned one of my signature monsters: NINE-HEADED DRAGON!

Yuri: What the!?

Yuya: That card has 10,000 ATK on it's own!? Amazing!

Me: I know.

Camie: Your move.

Yuri: Very well! I summon STARVING VENOM FUSION DRAGON!

He summoned his monster.

Me: (Whistle) Nice one.

He was enveloped in a dark aura and then he was laughing.

Me: What's so funny?

But he was LAUGHING LIKE A FUCKED UP LUNATIC!

Yuri: I'M GOING TO KILL YOU ALL! (LAUGHING INSANELY)

Luan got out her Gaia Memory for Vypra.

Luan: My archenemy is for the leader of the M.O.E. And when you mess with her that is your death warrant!

VYPRA!

She slashed Yuri in the chest with a sword of darkness.

Nico kicked him in the face.

Me: Nine-Headed Dragon blast him. Enneagram Element Burst!

He fired waves of the 9 elements from each of its mouths and it hit the Venom Dragon and he was dead!

But that made YURI EVEN MADDER AND INSANE!

Nico: This guy is REALLY FUCKED UP!

Eli: No kidding.

Carly Atlas: He is really out for destruction.

Misty Tredwell: Well we're going to make sure he pays big time.

Camie got out her Gaia Memory for Yodo.

Camie: Not only do I have an amazing power but also this.

YODO!

Camie: LIGHTNING STYLE: THUNDER BALL!

She fired a ball of lightning and it hit Yuri and electrocuted him.

Yuri laughed REALLY INSANELY!

?: This guy has a laugh that needs to go.

A figure flew in and it was a girl with neon green hair and had red eyes and black clothes and black angel wings.

Me: (GASP) Adrienne Atomix!

Nico: The Embodiment of Atomix!? Whoa!

Adrienne Atomix: (GRUNTS) Yep. Awesome to see you again J.D. (GRUNT) I got this.

She punched him in the face and kicked him down.

That knocked off his Duel Disk and I caught it.

Adrienne then grabbed his cards in a pouch and threw them to me. I caught them.

Me: Good job Adrienne.

Adrienne Atomix: (GRUNTS) Thanks.

I looked at them. I found the versions of Yusei, Yugi and all the duelists captured.

Me: Whoa!

Nico: All the captured duelists! Including Yugi!

Adrienne lost control and fired radiation at Melter

He dodged it and Brittney fired the blast back at her.

I fired an electron blast and injected the antidote.

Me: There.

Melter charged at her and knocked her down.

Hulk: HULK SMASH!

He smashed the ground and smashed Yuri down.

Hulk got out his Gaia Memory for the Dark Turtles.

Hulk: Hulk go for pizza after this.

DARK TURTLES!

He fired waves of energy and blasted Yuri.

Kairi got out her Gaia Memory for Dr. Light.

Kairi: Lights on!

DR. LIGHT!

She fired energy blasts and blasted Yuri.

Adrienne was really going at us.

?: (ECHOING) DARK VAPOR

A cloud of black smoke flew in and blocked Adrienne's view.

We saw Ranamon!

Me: Ranamon!?

Eli: Wow!

Ranamon: Looks like y'all had fun without me.

Nico: Sadie Mae Rana!? Whoa!

Melter: Time to melt!

He fired a wave of energy and blasted Yuri down.

Ranamon reverted back and she was a girl with blue hair, blue eyes, Blue angel wings, blue clothes and had Ranamon in the middle of her forehead and on her shorts and had the Water Spirit Kanji on her arm and had a water sword in her hand.

Sadie Mae Rana: Y'all are gonna have a lot of fun today. (ECHOING) AQUA NEEDLE!

She fired waves of waterspouts and blasted Adrienne down and then the antidote took effect and she was cured.

Adrienne Atomix: What? What happened?

Hulk grabbed Yuri!

Yuri laughed.

Hulk: Hulk smash puny kid.

Hulk slammed him to the ground

SMASH SMASH SMASH SMASH SMASH SMASH!

He was really letting him have it!

He smashed him more.

He then threw him and smashed him into a tree.

Nico: Lets finish him!

Yuya: Allow me! I equip myself with Lightning Blade!

He then got said sword and stabbed Yuri and obliterated him!

I banished him to the Black Gates!

Nico: YEAH!

Me: Wow! Yuya that was awesome!

Yuya: Thanks.

Sadie Mae Rana: Y'all did great there!

Hulk roared to the sky in victory

Me: YEAH!

Lucy: That was amazing.

Brittney: It sure was! Well done Yuya!

Yuya: Thanks Brittney. Just like old times huh?

Brittney: It sure was.

Zuzu: Yeah!

Nico: Yep.

Me: By the way Sadie do you have a favorite memory of Nico?

Sadie Mae Rana: I sure do. When me and Nico found out about the history of my ancestors in Louisiana. My family is that of Swamp Pirates.

Me: Wow! Louisiana Swamp Pirates. That is amazing.

Eli: Yeah.

Nico: Yep.

Nico and Sadie Mae hugged.

Nico: I've missed you.

Sadie Mae Rana: I've missed y'all too Nico.

* * *

We later went back home.

May: How did it go guys?

Me: Really epic!

We told everyone everything.

Lola: WOW! That is awesome!

Laney: I'll say.

Nico: Next time, Troy, Tyler Bowman, and Tahu should come

Tyler Bowman: Awesome!

Tahu: Looking forward to it brothers!

Troy: We are too.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep.

Then the alarm went off.

Me: Uh oh.

I went to the computer and the space scanner saw NUMEROUS objects coming.

Me: Uh oh.

Qin: Asteroids?

Me: I don't think so.

Marinette: Guys? You might want to look outside

We looked and to our shock and amazement we saw ALL THE WORLDS THAT SORA AND FRIENDS HAVE VISITED RIGHT IN ORBIT AROUND THE EARTH!

Qin: WHOA!

Eli: Wow! Deep Jungle, Wonderland, Traverse Town, they are all in orbit around us!

Xenia: Whoa!

Me: I wonder how all the worlds Sora and friends have seen are here around Earth.

Dana Owlton: This makes it easier to visit them

Nico: Yeah.

Yen Sid then appeared.

Me: Master Yen Sid. Welcome.

Yen Sid: Thank you. I brought all the worlds here because I figured you all could use the help needed to take down Xehanort.

Me: Wow!

Camie: So all the worlds are here to help us out.

Yen Sid: Yes and to be with you all in case there is trouble and you can help them.

Me: Wow!

Yen Sid: There's also another reason.

Ransack: What's that?

Yen Sid: There is bound to be one more overarching threat after Xehanort is destroyed. This is to ensure that said threat lasts approximately near the end of next year.

Me: Understood. Thanks for the heads up on that.

Xenia: Yeah.

Yen Sid: Speaking of next year, might I suggest visiting worlds that have not been visited yet?

Me: We'll look into that.

Xenia: We just got to decide on that.

Yen Sid: Take your time.

Lola: Okay

?: That will be fun.

We saw a girl with red hair, blue eyes, red clothes and red angel wings and had a tiara with Crush Crawfish on it.

Gabby Crawfish: Gabby Crawfish, Embodiment of Crush Crawfish.

Tommy Oliver: Awesome! Great to see you Gabby.

Andros: You're looking great.

Gabby Crawfish: Same to you Tommy and Andros. Been a while.

Bluestreak: How did you meet Andros and Tommy?

Gabby Crawfish: I met Tommy and he and the rangers were battling Terrorblossom and that was awesome. Helped them destroy that one.

Me: Awesome.

Gsbby Crawfish: And I met Andros when he and the rangers battled Astronema. It was awesome.

Me: Cool.

Gabby Crawfish: Yeah.

Me: Would you like to join us?

Gabby Crawfish: I would be honored.

Nelson: We can still visit these worlds with the simulator.

Me: Good idea.

Qin: Yeah.

Xenia: I agree.

Nico: I approve.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than our old enemies, Dark Amy and Billy McLean, the last two Total Drama Sore Losers, and they're causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you and Dark Amy decided to make your move, Billy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today, the next jerks are none other than our old enemies, Dark Amy and Billy McLean, the last two Total Drama Sore Losers, and they're causing havoc.

WE GASPED!

Adara Nephthys: So, the next two jerks are none other than Billy McLean.

Aithne Nephthys: And Dark Amy. Finally, now their angels of death are coming for them.

Gwen: And it's not just you two who are going to transform.

Samey: That's right, Gwen, myself, Amy, Zoey, and Dawn are going to transform as well, and give you two a helping hand against them.

Courtney: Even though I'd already transformed against Trina, I'm not going to be left out of the action.

Nico: Oh man, this is so going to be one epic fight against those two, and they've had it coming for a long time. Where are they at, Lincoln?

Lincoln: Scans show they're at Pahkitew Island.

Qin: Whoa!

Me: All the way over in British Columbia. Fitting. Then, that's where we're taking them down once and for all and sending them to The Black Abyss.

Nico: And if there are Militia waiting for us there, we'll deal with them. Alright, team, let's load up and get going, the time to slay Billy McLean and Dark Amy has come.

Lincoln: After everything those two have done, the only thing awaiting them is death for all of their crimes.

Me: Yep.

The previous group came.

Billy Numerous: Can me, Rojo, Merman, Captain Boomerang, Tri-Klops, Xiao Fung, Enchantress, Multiplex, Red Ghost and Spymaster go with you guys?

Nico: Yes you all can go.

Qin: Yep.

Me: And I got just the thing for everyone to see Billy and Dark Amy die.

Nico: What is it?

Me: Show and broadcast to everyone all over the world us beating the living shit out of them.

Nico: OOH! That's genius! Adding insult to injury as we show everyone us kicking them into pulp.

Taylor: Nico, which Gene Slammer do you think you'll meet next?

Nico: Kokatorimon next.

Qin: Ooh! That was a really nasty chicken.

Xenia: Yeah.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figures were in the vision: the figures are none other than the Fire Elementals: Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr from World of Warcraft, and they're coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh boy.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figures we sensed belongs to the Fire Elementals: Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr from World of Warcraft, and they're coming here to destroy us.

Lola: The Fire Elementals? Oh man, they are the most dangerous beings in Azeroth, they need to be stopped.

Amaya Nightshade: More than that, they're going to be absorbed by Lincoln.

Lincoln: Right, Amaya.

Nico: So, things just got even more hotter and intense, huh? Well, all we have to say is bring it on. Alright, team, let's go, we're off to Pahtikew Island to kill Billy McLean and Dark Amy.

Lincoln: The suffering you two have caused has left deep scars on your victims, and for that, you will feel their pain infinite-fold as we bring unto you two your eternal damnation, and once we get done with them, you're next, Lord Rhyolith, Baron Geddon, Majordomo

Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr.

Amaya Nightshade: You spent many eons trying to destroy Azeroth by trying to burn everything to the ground, but that ends here and now, none of you will leave here alive.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Pahtikew Island to destroy Billy McLean and Dark Amy, and once we get done with them, Amaya Nightshade and Lincoln along with me are going to destroy Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr.

We were off to Pahkitew Island near British Columbia.

---

We arrived.

Me: Here we are.

Nico: Pahkitew Island.

Rojo: Is there any difference between the two islands?

Nico: One is located in Lake Huron in Ontario and the other is located west of British Columbia.

Rojo: Oh different parts of Canada.

Me: And look here.

I showed a machine part on a tree.

Me: This whole island is a machine.

RD Lana: Okay, I doubt all of the island is mechanical!

Me: Not all of this island is mechanical. Inside it's a fortress.

Qin: Yep.

RD Lana: Wow!

Me: Yep.

Xiao Fung: Do they have edible food?

Samey: They do. But only berries and fruits.

Xiao Fung: Oh. What about Shelter?

Me: A cave and that's about it.

Jasmine: (Australian Accent) I built a treehouse here mates. Me and Samey lived in it.

Me: Cool.

Eddy: Guys, don't yell at me at me for suggesting this. But I was thinking that since Billy McLean is the bigger threat, we can just kill Dark Amy right away.

Grier: That might not be a bad idea.

Samey: Um… J.D. and the others want the whole world to witness their downfall. And Sebastian really wants to-

Eddy: (to Samey) I'll let you be the one to shoot her in the head.

Samey: (changes her mind) We kill Dark Amy right away!

Me: No guys. I'm sorry Eddy but we can't waste a good rant. Sebastian wants to really let it all out. Besides it's funny.

Nico: Yeah.

Samey: You're right.

Qin: Yeah.

Me: Also it's best if we kill them both at once.

Nico: Yeah.

Eddy: Okay then. You're right. Forget I asked anything.

Enchantress: Samey can still shoot her.

Me: Okay.

I gave Samey a powerful 50 Caliber pistol.

Me: This will get a good shot at her.

Samey: Now you're talking!

Xenia: Yep.

I gave her a special bullet. Engraved on the casing was B.I.H. Dark Amy.

Me: This bullet explodes on contact.

Nico: Nice!

Xenia: Cool.

RD Lola: Even if we can't kill her right away, you'll still get a literal shot at her

Samey: Thanks guys.

Qin: You're welcome.

Camie: Yeah.

Lola: This is gonna be good.

Red Ghost: Wait. Wasn't this island closed down?

Me: Yeah why?

Red Ghost: Nothing. Just asking because I heard a news report about it.

Nico: Oh.

Me: Yeah that was because of Billy using this island without a permit.

Nico: Yeah.

Red Ghost: I see.

Deadpool: It's true. The cops WERE coming there at the end

Nico: Oh.

Qin: Wow.

Chris McLean: Yeah Billy got away before they got there.

Me: That little weasel.

Xenia: Yeah.

Takinom: Wait. You guys hear that?

Me: More than hear it.

I fired a wave of energy and blasted a Militia Trooper that was camouflaged as part of the trees.

Nico: The Militia are camouflaged!?

Nicole: Oh boy.

I fired energy blasts and blew many invisible militia apart.

Spymaster: Hey! I'm the only one good at stealth here!

Nico: YEAH!

Qin: Lets get them.

I fired waves of fire and blasted them with energy and blasted them left and right

Camie: Yeah!

RD Lori: They literally can't hide forever!

Kopond: I never thought I'd use this again since the Tribes made peace. Song of Truesight!

It revealed the invisible enemies!

Me: That helps big time!

He fired a wave of energy and blasted the Militia all over.

Xenia fired arrows and blasted them all over.

Camie fired energy blasts and smashed them into dust.

Multiplex: See how they like THIS army!

He made NUMEROUS CLONES and they slashed the militia!

Xenia: Take that! And this.

She fired arrows and blasted the militia.

Tri-Klops: Search every spot of the island for them!

Eli: No need. (Concentrates) Found them! In a clearing that way.

We saw a clearing 600 feet ahead.

Me: Lets get them.

Pump Man: I think Tri Klops was talking about the Militia troops

Eli: I sense that we got them all.

Qin: Good.

Camie: Yeah.

Captain Boomerang: (Australian Accent) Sure about that?

Eli: Positive. The Force confirms it.

Qin: Okay.

Nico: Good.

Glumshanks: Just wanted to make sure

Me: Okay.

Qin: This is gonna be good.

Me: (CRACKS KNUCKLES) Time to kick some butt!

King Dedede: Entrance time!

We went at the clearing.

Billy and Dark Amy were REALLY PISSED!

Then the spirits of the Total Drama contestants came and swirled around them.

Billy McLean: WHAT IS THIS!?

Then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and we appeared.

Me: Your angels of death are here!

Billy McLean: I WILL KILL YOU ALL!

POW!

I punched him in his face and kicked him in his face and sent him crashing into Dark Amy.

Merman: (to Dark Amy) If it were up to me, I would snap your neck!

Dark Amy: That can be arranged with you!

POW!

Samey kicked her in her face and knocked her down.

Samey: That was for all the times you called me Samey! You thumbsucking freak of nature!

Tracer charged at them and picked them both.

Tracer: (British Accent) Timr for you to face the wrath of Overwatch.

Winston (Overwatch): That is for sure.

They fired waves of energy and blasted them both.

I punched Billy and grabbed him and farted in his face at point blank range!

LOUD FART!

Billy McLean: OH YUCK!

Me: You think that's gross? Top this!

I kicked him square in the crotch!

Yumi charged at them and kicked Dark Amy in her face and punched Billy in his mouth.

Odd: Lets show no mercy!

Brynja: (Icelandic Accent) Yeah lets get them!

Yumi, Odd and Brynja: LYOKO LASER BLAST!

They fired a wave of energy and blasted them both!

Ben charged at them and kicked Billy in his chest.

Ben turned into Rath!

Ben: RATH!

Me: Now you're both in for it!

Rath: LEMME TELL YA SOMETHIN BILLY MCLEAN AND DARK AMY! YOU MESS AROUND WITH THE RIGHTS OF HUMANITY YOU MESS WITH RATH!

Then he went and bashed and smashed and pulverized them both!

Bender: Time to Bite Some Big fat fucking ass!

Rath and Bender: ASSBITING BUTTKICKING BLAST!

They fired waves of energy and blasted them all over!

Julie charged at them and blasted them both with energy blasts.

Me: Take that!

Nico: All good things get rewarded with patience.

Eddy: Oh right.

I kicked Billy.

Me: Less talking and more fighting!

Nico: YOU HEARD HIM!

Eddy fired at Dark Amy And blasted her legs.

Eddy: How do you like that!

Qin fired blasts of fire and blasted Billy.

Camie fired waves of energy and blasted them both.

?: Awesome.

A figure came and it was EMPRESS MAKI from the Go-Ongers movie Boom Boom! Bang Bang! GekijōBang!.

---

Empress Maki is the main antagonist in this 2008 movie called Engine Sentai Go-Onger: Boom Boom! Bang Bang! GekijōBang!.

She is portrayed by Sonim.

She rules the world of the Samurai from a Maken Castle and she has her two servants to terrorized the place which they're names are Raiken and Gokumaru.

She makes her first appearance in the throne room of her palace where her servants present the engine cast that they stole from the Go-Ongers. From they're they even report about engines comrade are here in the Samurai World as well along with the Wandering Engines, so she sent the Go-On Wings to deal them personally.

During the flashback that's been told by the Wandering Engines Maki was the main reason that she'd tricked the Wandering Engines out of their Engine Casts, using them to erect her empire by purging Samurai World's denizens of all feelings but rage and violence.

A while later she appeared at the balcony when she noticed that the Go-On Wings has brought back the Engine cast to the Go-Ongers turns out they don't work with her at all. So when they asked her if she'd is Maki to which reply "yes" so the team transformed into their Go-Onger form and after she also said that she holds the cast of Retsu-Taka is indeed within her as shown she creates a ball of fire and tossed it at the team.

A while later Sosuke was in the castle trying to find Maki as she sensed the feeling of Sosukes heart as she sneaked attack him with her abilities. As this goes on she revealed that she used a secret technique that'll erase her own heart to which she could become more powerful. But turns out she is just plainly weak without the heart in her.

She was so mad that she'd brought out her own sword and was about eliminate Saki, but the souls of the wandering engines intervened and freed Sosuke. A while later she began to fight the wandering engines and Sosuke in her palace. After that she was then defeated by Retsu-Taka and Sosuke.

However that was only her human form because she still has Retsu-Taka's body within her as she gigantify/transformed herself into a Hydra-like monster with centipedes for heads. So the team brought out Engine-O to take on Maki and get back Retsu-Taka's body from her. However Maki managed to destroy the Megazord with just one gigantic fire blast, but Sosuke managed to cling onto one of the heads. So she began to swat Sosuke off of her, but he managed to fend off her heads. After Sosuke used Speedor soul in the Mantan Gun and open fired on Maki and got back Retsu-Taka's body.

However with the samurai's cast out of her body it revealed her true form which is a flame-headed warrior as she'd began to open fired on the samurai's village. However with the body's back to their original owner they began to combine themselves (with Sosuke as the pilot) to form Engine Daishogun and battle Maki. After that the Engine Daishogun used the Engine-O's sword and pinned Maki to her own castle where she was then destroyed by this finisher called Roaring Crimson Slash thus ending her reign on the Samurai World.

---

Eli: Empress Maki! I remember you! You went to Earth to get rid of all things good so rage and Violence can only reign.

Empress Maki: That's right Eli. Good memory.

Me: This will be awesome.

We were amazed by the transformations of Adara Nephthys and Aithne Nephthys, and when Lincoln saw them, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

But, when Dark Amy and Billy McLean saw it, they went absolutely mad and charged at them to kill them, but Adara Nephthys fired a massive barrage of crimson red and yellow energy, stars, fire, flames, phoenixes, and angels and Aithne Nephthys fired a massive barrage of crimson red and yellow energy, stars, fire, flames, phoenixes, and angels which exploded as they hit Billy McLean and Dark Amy and they both got badly burned by the Sacred Flames of Nephthys, and we saw their eyes turn yellow: they were going to turn into Heartless.

Adara Nephthys: (Divine Echoing Godly Voice of the Cosmic Eternal Harmony Sacred Phoenix Flame Firestorm Nephthys Phoenix Hand Phoenix God Angel and Divine Cosmic Eternal Harmony Sacred Phoenix Flame Firestorm Nephthys Phoenix Hand Phoenix God Angel Love) So, it is true: Xehanort infected you two with his darkness.

Aithne Nephthys: (Divine Echoing Godly Voice of the Cosmic Eternal Harmony Sacred Phoenix Flame Firestorm Nephthys Phoenix Matriarch Phoenix God Angel and Divine Cosmic Eternal Harmony Sacred Phoenix Flame Firestorm Nephthys Phoenix Matriarch Phoenix God Angel Love) But, we need a huge push to finally send them down and get them to turn into Heartless.

Gwen, Samey, Amy, Zoey, and Dawn: Leave that to us.

Suddenly, the eyes of Gwen, Samey, Amy, Zoey, and Dawn turned neon, and they were surrounded by colored energy auras with stars, elemental forces, animals, phoenixes, and angels and as they approached Billy McLean, they left colored energy, stars, elemental forces, animals, phoenixes, and angels with every step.

Suddenly, Gwen, Samey, Amy, Zoey, and Dawn were surrounded by massive vortexes of colored energy with stars and elemental forces surrounding the vortexes, there are animals, phoenixes, and angels flying around the vortexes, and in the vortexes are colored phoenixes glaring at Billy McLean and Dark Amy: the red eyes of eternal death.

Courtney: Uh oh, this is going to end badly.

Then, as the vortexes faded, Gwen, Samey, Amy, Zoey, and Dawn emerged, but they were changed forever.

Samey fired at Dark Amy's head.

BANG!

SHE BLASTED DARK AMY'S HEAD CLEAR OFF! KILLING HER INSTANTLY!

Suddenly, the timers on Billy McLean and Dark Amy's arms finally reached zero, and the bell of judgement rang as they were suddenly confronted by the spirits of their victims who grab them.

Spirits: GUILTY!

They found them guilty, and then, the kanji Black Abyss 黒深淵 appeared on their foreheads, and they were suddenly being consumed by the black flames of The Black Abyss: they were finally being erased from existence!

Billy McLean and Dark Amy: NO! NO! DAMN YOU, TEAM LOUD PHOENIX STORM! DAMN YOU ALL! (LETS OUT ONE LAST ENRAGED SCREAM BEFORE THEY FADES AWAY FOREVER!)

GOOD RIDDANCE FOREVER, YOU DISGUSTING PILES OF GARBAGE, AND NEVER COME BACK!

Everyone cheered as we holstered our weapons and powered down, and the new bodies, clothes, jewelry, eleven massive and long wolf tails, 28th Century silver Miracle Box backpacks, Third Eyes, large gold halos with four large orbiting gold rings on each corner behind their heads, twelve large planets orbiting around their legs, smaller planets orbiting around their fingers, and massive angel wings and medium angel wings of Adara Nephthys, Aithne Nephthys, Gwen, Samey, Amy, Zoey, and Dawn are permanent.

Nico and me: GOOD RIDDANCE YOU DISGUSTING PILES OF GARBAGE, AND NEVER EVER COME BACK!

Lincoln: And now, we are finally finally rid of The Total Drama Sore Losers forever. Now, there's one last thing to do and one last loose end to tie up: The Fire Elementals: Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr.

?: EVERY LIVING THING IN THIS WORLD SHALL BE BURNED IO THE GROUND!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from blasts of fire and the barrier really stood strong against them and we absorbed the massive blasts of fire and they made us even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of fire from anywhere, come out now,: Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, or we will force you out.

Eight figures of fire came out, and they were none other than Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, the Fire Elementals and servants of Ragnaros the Firelord.

Lincoln: So, Ragnaros decided to send you eight to kill us after what I did absorbing The Old Gods.

That angered Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr.

Amaya Nightshade: You just hit the bullseye, Lincoln. Well, we know who's going to get absorbed by you tomorrow.

Suddenly, Amaya Nightshade's yellow eyes turned neon yellow and she was surrounded by a purple and yellow energy aura with stars, darkness, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, she left purple and yellow energy, stars, darkness, light, dragons, phoenixes, and angels with every step.

Amaya Nightshade: Your crimes have gone unanswered for eons, Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, you and your master, Ragnaros, have caused nothing but pain and suffering to too many innocent people in your never ending quest to consume the world in everlasting flame and serve those parasitic Old Gods. You disgust me to no end, as The Avatar and Gene-

Slammer of Hieratic Dragon King of Atum and second-in-command of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Amaya Nightshade was surrounded by a massive vortex of purple and yellow energy with stars, darkness, and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Dragon King of Atum flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr has angered Amaya Nightshade, and now, the rage of Hieratic Dragon King of Atum is about to be unleashed.

Then, as the vortex faded, Amaya Nightshade emerged, but she was changed forever.

Amaya Nightshade grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large purple planets orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long purple hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon yellow eyes and a purple and yellow energy aura with stars, darkness, light, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Hieratic Dragon King of Atum emblazoned on her forehead and Third Eye with yellow iris, she has on dragon earrings with purple gems for eyes and holding the Star, Dark, Light, and Eternity Kanjis in its claws, she also has Hieratic Dragon King of Atum with purple gems for eyes and holding the Star, Dark, Light, and Eternity Kanjis in its claws for the second pendant on the bottom of her purple dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with yellow crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and purple gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Amaya Nightshade felt a sharp pain on her back, and then, her massive purple angel wings with yellow tips on the large red feathers grew much larger for her new body and medium sized purple angel wings with yellow tips grew and sprouted out underneath her massive purple angel wings and she also now has eleven massive and long purple wolf tails with yellow tips and yellow markings, Amaya Nightshade has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Amaya Nightshade's massive dark greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple and yellow energy, stars, darkness, light, dragons, phoenixes, and angels, and when it emerged, it was transformed into Amaya Nightshade's Cosmic Eternal Harmony Egyptian Hieratic Ecliptic Darkness Light Hieratic Dragon King of Atum Phoenix God Angel Greatsword of Cosmic Eternal Harmony Egyptian Hieratic Ecliptic Darkness Light Hieratic Dragon King of Atum Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded purple gems and

We were amazed by Amaya Nightshade's Super Angel-Hieratic Dragon King of Atum Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr saw it, they went ballistic and fired blasts of fire at her to kill her, but Amaya Nightshade absorbed them and it made her even stronger, and she fired a massive barrage of purple and yellow energy, stars, darkness, light, dragons, phoenixes, and angels which hit Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr and sent them flying into another wall, they got back up, but now, they were enraged.

Me: No way, did Amaya just transform?

Lincoln: She did, now, we can tear Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface apart and make them pay for everything.

Amaya Nightshade, Lincoln, and I went after Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, who continued firing blasts of fire at us, but we continued absorbing them and we continued growing even stronger, and we fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, and they exploded with incredible power as they hit them.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Amaya Nightshade also did the same by firing purple and yellow energy slashes from her massive greatsword, and he, Amaya Nightshade, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it made Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr even more madder than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal

Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, and then, Lincoln began absorbing Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr into his body as he and all of us assimilated their strength, durability, endurance, and control over fire and lava, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron

Charr, and he banished Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr to The Black Abyss. Everyone cheered wildly for what Arpina Apollonia, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Amaya Nightshade's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large purple planets orbiting around her legs, smaller planets orbiting around her fingers, and massive purple angel wings and medium sized purple angel wings underneath are permanent.

Amaya Nightshade: Reap what you have sown, you walking wildfires. Thanks for helping me take down Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Amaya.

Me: My pleasure, Amaya.

Suddenly, Amaya Nightshade wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Amaya Nightshade's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Dragon King of Atum flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light and darkness behind them and we cheered wildly. Then, Lincoln and Amaya Nightshade sucked in and absorbed the elemental forces and light and darkness and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Amaya Nightshade and hugged us.

Luna: No kidding dudes, you guys taught those monstrous fire elementals a lesson.

Luan: And Lincoln absorbed them and acquired all of their powers and abilities.

Me: And sent their black souls to The Black Abyss. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a coyote made of green fire pass through the sky.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting tomorrow: Anala Luhuo, Gene-Slammer and Avatar of The Brotherhood of The Fire Fist - Coyote.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Anala Luhuo is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of black fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Coyote, along with having green angel wings along with having intense green fire powers. She's known as The Genius of The Sisterhood of The Fists of Fire, and she has superhuman intelligence and she's capable of outsmarting musclebound thugs who use only brute force and she's even capable of outsmarting even intelligent and extremely devious evil criminal masterminds. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of green fire and she also helped in getting him even smarter by taking him to the libraries all over the world where he read every book there along with helping him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Anala hates Lisa with a blazing passion because of her immoral experiments on living people, her emotionless nature, and viewing people as her test subjects, and that also included her black-hearted hatred towards Lincoln, and in one incident, Lincoln was almost subjected to all sorts of very horrible psychological pain and horror by Lisa in yet another experiment that she had formed in order to kill Lincoln again, and the sight of what she put Lincoln through filled her with inhuman rage, Anala outsmarted Lisa, freed Lincoln, and beat Lisa up super badly and sent her to the hospital in a full-body cast for a month, and even though Lincoln was okay physically, he was suffering emotionally and psychologically and Anala healed Lincoln emotionally by staying with him because he'd suffered from so many horrible nightmares.

Nico: SHE DID WHAT?!

Me: Oh, I still remembered that. Anala really despised Lisa for what she did to Lincoln that day, and I still remembered the tears he cried from the nightmares Lisa put him through with that stupid experiment.

Nicholette Torrington: What Lisa did really angered all of us big time, and we were almost that close to going down and killing Lisa.

Nico: Yeesh.

Lincoln: Lisa got beaten to a pulp by Anala and we hoped that she learned her lesson, but apparently not. Because of Dark Lisa's heartless desire for revenge, she didn't stay clear of them, and she'd always get beaten up into a pulp and had to spend a month in the hospital.

Eli: Ouch.

Fireor: And so ends the legacy of Billy McLean.

Chillyfish: And Dark Amy.

Whirlin: Her too.

Titania: Now that was a good way to end two jerks.

Me: That is for sure.

Grodd: Hope the viewers at home enjoyed it.

EVERYONE ALL OVER THE WORLD CHEERED WILDLY! THEY WERE FREE OF THE HORRORS AND TERRORS OF BILLY!

Nico: That is for sure. I'm sure they all did.

Qin: Yeah.

Nico: But great job everyone.

Lola: (To the viewers) No one will ever remember Billy McLean and Dark Amy again.

Xenia: Yep.

We later went back home and then went to Lynn's Table and enjoyed the rest of the day and went to sleep.

She's known as The Genius of The Sisterhood of The Fists of Fire, and she has superhuman intelligence and she's capable of outsmarting musclebound thugs who use only brute force and she's even capable of outsmarting even intelligent and extremely devious evil criminal masterminds. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of green fire and she also helped in getting him even smarter by taking him to the libraries all over the world where he read every book there along with helping him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Anala hates Lisa with a blazing passion because of her immoral experiments on living people, her emotionless nature, and viewing people as her test subjects, and that also included her black-hearted hatred towards Lincoln, and in one incident, Lincoln was almost subjected to all sorts of very horrible psychological pain and horror by Lisa in yet another experiment that she had formed in order to kill Lincoln again, and the sight of what she put Lincoln through filled her with inhuman rage, Anala outsmarted Lisa, freed Lincoln, and beat Lisa up super badly and sent her to the hospital in a full-body cast for a month, and even though Lincoln was okay physically, he was suffering emotionally and psychologically and Anala healed Lincoln emotionally by staying with him because he'd suffered from so many horrible nightmares.

Part 10 is next and we're going to Max's college and we're going to battle Bradley Uppercrust III and make that cheating jerk pay.

see you next time.

Me: Ahh. Nothing like some fun and relaxation.

Nico: You said it.

Alice: This is always fun.

Nico: Yeah.

Eli: I agree too.

Camie: You got that right.

Varie: This is awesome.

Alice: It sure is.

Nico: Alice, I want to thank you, Diamond Dude, and your teams for coming

Alice: Oh it's my pleasure Nico.

Pooh: This is a most fun adventure for all of us.

Nico: Pooh, are you glad we sued the creators of Blood and Honey?

Pooh: I sure am and so is the rest of my friends in the Hundred Acre Wood.

Christopher Robin: I am too guys.

Qin: We all are.

Me: The Mascots especially.

Lola: Yeah.

Nico: And cue them freaking out about Blood and Honey right now.

Mascots: LOOK AT IT!

Nico: Yep.

Maria: Hey, guys. Glad you could join us.

Nico: Yeah.

Poromon: We were in the area.

Me: Cool.

Nico: Yeah.

Gwen: But life is now much better now that Billy and Dark Amy are gone.

Me: Boy ain't that the truth.

Eddy: I still think Billy was the bigger threat.

Me: Yeah me too.

Luan: But thank goodness they are gone.

Nico: Yeah.

Me: Billy McLean and the Sore Losers were all stains that needed to be wiped out.

Xenia: Good riddance.

Me: Yeah. Nico in my opinion Billy should have been executed for his crimes instead of sentenced to all that.

Nico: I know. But what's done is done.

Me: If Canada had the death penalty again then he would gladly be executed.

Eddy: I offered Samey a chance to shoot Dark Amy in the head before Billy

Me: Yep you sure did. And Samey did shoot her. Blew her entire head off.

Camie: Yeah that was cool.

Lola: Yeah.

Xenia: Good riddance.

Eddy: She sure did.

Me: Perfect bullseye.

Varie: Yeah. And she also avenged her father and herself.

Eddy: She sure did.

Qin: Yeah. I bet Samey and Amy's mom is very pissed in prison right now.

Nico: I know she is.

Lola: Yeah. She can stay pissed for all we care.

Alice: She deserves prison.

Camie: Big time.

Me: That heartless snake got what was coming to her.

Camie: What did Amy and Samey's mother do again?

Me: She left their father to die from Cancer.

Camie: That is pure evil!

Nico: Yeah. But she didn't care. She was after his money probably.

Qin: Yeah.

Nico: What a heartless sociopathic golddigger.

Varie: Yeah.

Nico: You should have seen what Canada was doing last night. They were partying like you wouldn't believe and they blew up all of Billy's houses and burned a massive effigy of him and danced and shitted and peed on its ashes!

Me: That is intense hatred towards him.

Nico: That's not all. They also made effigies of the sore losers and did the same to them.

Qin: GEEZ!

Laney: The Total Drama Sore Losers as well as Billy McLean REALLY DID become the most hated people in the world.

Lincoln: ANd now nobody misses them one bit.

Nico: Nope.

Maria: (to the mascots) You guys want anything?

Mascots: BURGERS AND M&MS!

Maria: Coming right up!

She went and got some.

Maria: I'll have burgers and M&Ms please.

Vendor: Coming right up.

She got a bunch of burgers and M&Ms and gave jim the money and came back with them.

Me: Oh boy.

Maria: Lunch is served.

We got to eating.

Me: (Eating) Delicious!

Qin: (Eating) Yeah!

Nico: (Eating) Yep.

Poromon ate some M&M's.

Poromon: Yummy!

Xenia: Yep.

But then I smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! What is that horrible smell!? Nico!?

Nico: Sorry! Still farting from eatiing Brussel Sprouts and broccoli salad for dinner.

Me: Oh! Jared's salad.

Poliwag ate a burger.

Poliwag: Delicious!

Me: Look on the bright side though. At least it wasn't Roger when he had okra farts.

American Dad Roger Smith: (Offscreen) I HEARD THAT!

Horsea ate a burger.

Horsea: Yummy!

Nico: Are Roger's farts that bad when he eats okra?

Me: UCH! His farts smell worse than Lori's times a hundred.

Lori: (Offscreen) I HEARD THAT!

Nico: Boy that is awful.

Manaphy ate some M&Ms

Manaphy: Yummy!

Nico: Good.

Qin: Boy if Roger and Lori farted that bad it would smell horrible like a toxic waste dump!

Lori and Roger: (OFFSCREEN) WE HEARD THAT TOO!

Nico: If that happens, the Estate would stink for 1 day

Me: Maybe a week. Stan told me it was a week before they were allowed to return home.

Xenia: Geez!

Lola: Yeah.

Me: Roger should have farted in Peter Griffin's face.

Nico: (LAUGHS) Yeah.

Maria: That would have killed him instantly!

WE LAUGHED!

Nico:(LAUGHS) YEAH!

Xenia: That would be funny.

Me: Roger's farts are equal to Sarin Nerve Gas.

WE LAUGHED MORE!

Poromon:Yeah!

Nico: YEAH! (LOUD FART!) Oh man! Sorry.

Lola: WHEW MAN! That is rank!

Nico: Sorry!

Lincoln: That was good. Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: we got word that a clone of Dr. Angus Bumby is here and he's going to try and finish Alice once and for all!

WE GASPED!

Nico: WHAT?!

Me: I don't believe it! I thought we were finally rid of him, but now, that clone intends to finish what that fucked-up monster started!

Eli: How did this monster come to life?!

Lincoln: I checked and found out that a Dark Orb was planted right near the spot where we'd spilled some of Bumby's blood when he came back from the dead last year, and it led to the creation of that clone.

Laney: Not good.

Me: No, it's not. But, I've got a powerful surprise that'll make him suffer a MASSIVE KURATA STYLE MELTDOWN BREAKDOWN! I'm going to resurrect Alice's entire family and he is going to explode in rage and that's what'll trigger Alice's transformation.

Nico: Ooh, now that's awesome!

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: I literally can't believe a clone of that madman was created with the planting of a Dark Orb. This wasn't Xehanort's doing, someone else had a hand in this.

Nico: I agree there too!

Lori: And J.D.?

Me: Yes? (GASP)

I ducked and she punched at me and ended up punching Nico square in the nose!

POW!

Nico: OUCH!

Lori: Oh my god! Sorry Nico!

Me: Sorry I reacted on instinct.

Eli: Boy Nico she socked you hard!

Nico: Don't worry I heal quick.

He did so.

Me: Good.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we

saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the Dr. Bumby clone) AHA! Gotcha! I just spotted the clone of that mad lunatic, he's 20 yards away, but he's heading straight for Alice to finally kill her once and for all.

Me: Let's head on over immediately, and unleash my surprise on that fucker.

Lincoln: I can't wait to see him lose it big time. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Dr. Bumby clone.

Keiko heard a Pokemon cry

Keiko: Look!

We saw a Mega Venusaur!

Qin: Whoa a Mega Venusaur!

Xenia: Wow!

Me: Big one. And the poor think is hungry.

We gave it lots of apples.

Mega Venusaur: Ah thank you.

He ate them.

Mega Venusaur: Ahh thank you. That was great.

Me: You're welcome.

Keiko: You want to come with us?

Mega Venusaur: Sure!

Me: Awesome.

Keiko: You won't regret it.

Nico: Lets get a move on.

We were flying in the air, and we saw our target: the clone of Dr. Bumby, and he was out for Alice Liddell's blood.

Lincoln: There's that psycho, now to give him a few scars before we let J.D. do his surprise.

Lincoln fired orbs of light that blinded the Dr. Bumby clone, and then, he fired blades made of ice that slashed at that madman, and it angered him greatly as we landed in front of him.

Me: I thought we were finally rid of you, now we find out that you, a lowlife clone as fucked up as the real one, has been created to finish what the original started

Nico: We'll find out who it was that created you by destroying you.

Bumby: You wretch monsters! I will kill you if it is the last thing I do.

Me: Come and try it you madman!

Camie: YEAH! YOU MAKE ME SICK!

Varie: I HATE YOU MORE THAN LIFE ITSELF BUMBY! YOU GIVE ALL PSYCHOLOGISTS EVERYWHERE A BAD NAME!

Qin: YEAH!

Lincoln: But, first, J.D., if you would.

Me: Right. Alice it's time for your heart and mind to be healed. (SNAPS FINGERS)

I then snapped my fingers, and then, rays of heavenly light shined down from the heavens

(THE MYSTICS DREAM BY LOREENA MCKENNITT PLAYS AT 6:02 TO 7:14)

Alice Liddell saw three familiar figures descend from the heavens: it was her father, Arthur Liddell, her mom, Mrs. Liddell, and her younger sister, Lizzie Liddell.

Alice Liddell: (British Accent) (Stunned) Mom, Dad, Lizzie?

Arthur Liddell: (British Accent) Yes, sweetheart, it's us.

Lorina Liddell: (British Accent) We're so sorry that our deaths had left you with so much trauma and you fell into the care of this… madman!

Lizzie Liddell: (British Accent) We're so sorry for what happened, Alice.

Alice Liddell: (British Accent) This isn't your fault nor my fault, it was all his. He's not a psychologist, this man is a killer, a murderer and he tried to make me forget the memories I had with all of you and tried to sell me to a prostitution ring, and I will never ever forgive a cold-blooded bastard like him.

Me: That's right. He killed you all. Burned your house to the ground and scarred Alice for life.

This really really really made the Dr. Bumby clone super mad, and what I did in bringing back Alice's family caused his eyes to shrink, and then, he finally lost it!

Dr. Bumby Clone: DAMN YOU! DAMN YOU! DAMN YOU! YOU

AND YOUR STUPID IDIOTIC MEMORIES OF YOUR FOOL OF A FAMILY! YOU RUINED MY WORK, I COULD'VE FINALLY GOTTEN RID OF ALL YOUR MEMORIES OF YOUR FAMILY AND TURNED YOU INTO NOTHING MORE THAN A CHILD PROSTITUTE FOR ME TO SELL TO THE HIGHEST BIDDER, THAT'S ALL YOU WERE SUPPOSED TO BE: USED, ABUSED, AND MURDERED! BUT, YOU! THOSE GODDAMN MEMORIES OF YOUR STUPID FAMILY, YOU RUINED EVERYTHING THAT I HAD WORKED FOR! I ABSOLUTELY HATE YOU, ALICE LIDDELL, I WISHED FOR SO LONG THAT YOU HAD ALSO DIED WITH YOUR STUPID FAMILY IN THAT FIRE I CAUSED! THAT'S HOW MUCH I HATE YOU! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HHHHHHAAAAAAAAAAAAAAAAAAAAAAAAAAAAAATTTTTTTTTTTTTTEEE

AND THAT'S THE TRIGGER! SUDDENLY, ALICE LIDDEL'S EMERALD GREEN EYES TURNED NEON EMERALD GREEN AND SHE WAS SURROUNDED BY A NAVY BLUE ENERGY AURA WITH STARS, CARD SUITS, BLOOD, DARKNESS, PHOENIXES, AND ANGELS!

Alice Liddell: And those are indeed your final words, Bumby, now the one thing that awaits you is death for everything you've done, you were nothing more than a black-hearted evil twisted old man in life, and now, the consequences of your misdeeds have finally come back to claim your life.

Arthur Liddell: We trusted you Bumby! And how did you thank us? You killed us by burning our entire house to the ground and you hurt Alice!

Lorina Liddell: Now you're going to pay for it!

Suddenly, Alice Liddell was surrounded by a massive vortex of navy blue energy with stars, card suits, blood, and darkness surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at the Dr. Bumby clone: the red eyes of eternal death.

Me: WHOA!

Nico: J.D., your surprise really not only pissed off that clone of that madman, but it also triggered Alice's transformation.

Lincoln: She's been wanting to get another shot at him, and this time, it's to end the demons that haunted her forever.

Then, as the vortex faded, Alice Liddell emerged, but she was changed forever.

Alice Liddell grew to 8'3" in height, she has metal gold braces on her biceps and thighs, and she now has twelve large navy blue planets orbiting around her legs, she has the body of a goddess, she has emerald green highlights on the bangs of her long dark auburn hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon emerald green eyes and a navy blue energy aura with stars, card suits, blood, darkness, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a cat emblazoned on her forehead and Third Eye with emerald green iris, she has on cat earrings with green gems for eyes and holding the Star, Suit, Dark, and Eternity Kanjis in its paws, she has on her Crystal Necklace of The Buddha with navy blue gems on the gold star links and navy blue links and navy blue cat-shaped Element of Harmony and on the bottom of The Element of Harmony is a cat with green gems for eyes and holding the Star, Suit, Dark, and Eternity Kanjis in its paws for the pendant and she has on a white and gold accented choker on her neck. Alice Liddell has on her signature navy blue dress with fanned out navy blue skirt, white apron over the dress with the astronomical symbols of her other dresses on the pockets, black-and-white stockings underneath, black knee-high boots which are secured with silver buckles, and long white sleeveless trenchcoat with stars, card suits, blood, darkness, phoenixes, and angels on the coattails and on the back is a phoenix and angel surrounded by stars, blood, and darkness and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a navy blue gem with neon glowing navy blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Alice Liddell felt a sharp pain on her back, and then, massive dark auburn angel wings with navy blue tips on the large dark auburn feathers grew and sprouted out of her back and medium sized bubblegum dark auburn angel wings with navy blue tips grew and sprouted out underneath her massive dark auburn angel wings and she now has eleven massive and long dark auburn wolf tails with navy blue tips and navy blue markings. Alice Liddell has on her Ring of the Phoenix with large navy blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on fingerless white gloves with golden armored dragon claws on her fingers and smaller planets orbiting her fingers like rings.

I am as God made me,

I have no desire for a mouth at my breast or a pot on the fire

I heed the high voices, I go where I'm sent

To mow down the men who refuse to repent

I'm a scythe in a field full of briars

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

The courage of Catherine, the flames of the forge

The sword of St. Michael, the blood of St. George

I take what I'm given, I follow my truth

I gladly abandon the bloom of my youth

I'm the lashing that falls from the scourge

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

I fight where God tells me, I never ask why

I've bloodied the Devil with steel from on high

I kill without consequence, heed no man's law

I sift out the righteous like grain from the straw

I am judgment and heaven is nigh

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They won't call me Mother or Sister or Wife

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Since you refuse to free my people

All through the land of Egypt

I send a pestilence and plague

Into your house, into your bed

Into your streams, into your streets

Into your drink, into your bread

Upon your cattle, on your sheep

Upon your oxen in your field

Into your dreams, into your sleep
Until you break, until you yield
I send the swarm, I send the horde
Thus saith the Lord
Once I called you brother
Once I thought the chance
To make you laugh
Was all I ever wanted
I send the thunder from the sky
I send the fire raining down
And even now I wish that God
Had chose another
Serving as your foe on his behalf
Is the last thing that I wanted
I send a hail of burning ice
On every field, on every town
This was my home
All this pain and devastation
How it tortures me inside
All the innocent who suffer
From your stubbornness and pride
I send the locusts on a wind

Such as the world has never seen
On every leaf, on every stalk
Until there's nothing left of green
I send my scourge, I send my sword
Thus saith the Lord
You who I called brother
Why must you call down another blow?
I send my scourge, I send my sword
Let my people go
Thus saith the Lord
Thus saith the Lord
You who I called brother
How could you have come to hate me so?
Is this what you wanted?
I send the swarm, I send the horde
Then let my heart be hardened
And never mind how high the cost may grow
This will still be so
I will never let your people go
Thus saith the Lord
Thus saith the Lord
I will not

Let your (my) people go

Raunend nach den Sternen greifen

Gutes und auch böses Wort

Tragen wir heut' fort und fort

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Ungestüm im Spiel der Geigen

Dreht sich unser nächtlich' Reigen

Und wir treten wild und frei

Diesem alten Zauber bei

Einmal nur im großen Kreise

Tanzen wir auf jene Weise

Bis das erste Morgenlicht

Unser Traumgewebe bricht

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lincoln, Alice Liddell, and I went after the Dr. Bumby clone, and we fired extremely powerful blasts of rainbow energy, navy blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Dr. Bumby clone and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and he, Alice Liddell, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Dr. Bumby clone even more madder than ever and he exploded even more with extreme rage.

Then, Lincoln slashed at him with his massive greatsword forming a rune on his stomach, and the rune glowed as it created a vision orb right in front of us, and we saw who the clone of Dr. Bumby was created: it was none other than Bradley Uppercrust III who used a Dark Orb he'd stolen from Xehanort and went to the spot where we finally got rid of Dr. Bumby and placed it into the spilled blood and it created the clone of Dr. Bumby.

Eli: So, that's how the clone was created?!

Nico: It was Bradley Uppercrust III, that selfish prick! Well, he's just shot himself in the foot!

Dr. Bumby Clone: YOU! YOU! I'M NOT DONE YET!The last thing he saw was Astrotrain stepping on him.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

YOUR TIME IS UP!

Suddenly, the bell of judgement rang as the Dr. Bumby Clone was suddenly confronted by the spirits of his victims who grabbed him.

Spirits: GUILTY!

They found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on his forehead, and he was suddenly being consumed by the black flames of The Black Abyss: he was finally being erased from existence!

Dr. Bumby Clone: NO! NO! DAMN YOU, TEAM LOUD PHOENIX STORM! DAMN YOU, ALICE LIDDELL! DAMN YOU ALL! (LETS OUT ONE LAST ENRAGED SCREAM BEFORE HE FADES AWAY FOREVER!)

GOOD RIDDANCE FOREVER, YOU FUCKED UP MADMAN, AND NEVER COME BACK!

Everyone cheered as we holstered our weapons and powered down, and Alice Liddell's new body, clothes, jewelry, eleven massive and long dark auburn wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large navy blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive dark auburn angel wings and medium dark auburn angel wings are permanent.

Nico: That's it for Dr. Bumby forever!

Me: Good riddance forever!

Lincoln: But, now we know who did the deed in creating him. Well, that settles it, the next jerk that's going to die is Bradley Uppercrust III.

Max Goof: I've got a few surprises in store for him once he makes his move, and despite the radiation poisoning Cuprosklodowskite gave him, the curse you gave him will keep him alive just enough for us to kick the tar out of him.

Me: YEAH!

Qin: This will be good.

Me: Yep.

Lola: Yeah.

Nico: Yeah.

Alice then went over to her mom and dad and hugged them and her sister for the first time in 10 years.

Nico: Are you happy, Alice?

Alice Liddell: Yes. I am.

Nico: Awesome.

Me: Yeah. Arthur I'm sorry about everything that Bumby did.

Arthur Liddell: It's all right J.D. He got what he deserved.

Lizzie Liddell: I can never forgive him.

Camie: Neither can we.

Nico: Nice job Mega Venusaur!

Mega Venusaur: Thanks Nico and it was awesome.

Lola: Yeah!

Qin: It sure was.

Poromon: Want a beer?

Mega Venusaur: No thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Qin: Now we've seen the last of Bumby

Nico: Qin, none of us ever asked if you mutter in Chinese when you're angry.

Qin: Sorry. I didn't mention it.

Me: No worries. But Qin I didn't know that you were capable of doing that.

Qin: It's an ancient power that is passed on in my family to the first child of every 10th generation.

Me: So it only comes once every 200 to 300 years? Wow!

Qin: Yep. It's called the Atavism of the Elemental Maiden.

Nicole: The Elemental Maiden? I've heard of this kind of power. Legends say that over 3,000 years ago in the Shang Dynasty, the first elemental Maiden was En Ying Xiao and she was the bringer of peace and can master all the powers of the creatures of the elements and the Elemental Forces themselves.

Qin: That's right.

Nico: Wow!

Me: That's incredible.

Qin: Yes and this power is part of my family. It's a very powerful ancient secret. And the power showed itself in my ancestor The Dragon Emperor.

WE GASPED!

Me: WOW!

Nico: So the Dragon Emperor, Emperor Han has this power too!?

Xenia: Wow!

Laney: That's incredible!

Qin: Yeah it sure is.

Nico: Yeah.

Deadpool: That muttering in Chinese thing was brought up in a different universe

Qin: Oh.

Me: Yeah.

Deadpool: Don't ask which universe.

Me: We won't Wade.

Nico: Tell us more about this Qin?

Qin: Sure. I have the powers over the Fires of the Phoenix, the Waters of the Mermaid, the Lightning the Thunderbird, The Winds of the Sylph, The Earth of the Golem, The Light of the Fairies and the Darkness of the Shadow Wisps.

Me: Wow so every element governs a creature of myth.

Qin: Yeah.

Sheila: You seem to prefer using fire though.

Qin: Yeah I do.

Me: That is cool though.

Lola: Yeah I'll say.

Qin: Yep.

Juran: You guys fought Han before, right?

Me: Yes we did.

Carly Atlas: I was there when it happened and it was amazing.

Me: Yep.

Qin: That was an awesome battle.

Nico: I don't think he demonstrated those abilities when we fought him

Qin: No he didn't. After death those abilities are gone for good.

Nico: Wow.

Camie: Transmigration.

Qin: Yep.

Patrick: Transmigration?

Me: Where it moves from one person to another.

Patrick: Oh.

Qin: Yeah that's how it works.

Horsea: So, Alice. What do you plan to do with your family back?

Alice Liddell: I got a lot of catching up to do.

Qin: I can tell.

Lola: Me too.

Poliwag: Cammy, we have a surprise for you later

Cammy Bolton: Looking forward to it.

Poliwag; Awesome.

Nico: Now it's time for the Anothers.

Xenia: Okay.

Me: Lets see what we got.

Eli: (Concentrates) WHOA! We got Another Destiny HERO Diamond Dude, Dreadmaster, Dogma, Fear Monger, Evil Bounce Man (Mega Man) and Dread Servant

Qin: WHOA!

Xenia: This will be interesting.

Lola: Yep. So Alice, Pooh, Christopher Robin, Piglet, Tigger and Rabbit for this one.

Qin: Yep.

Eli: And I sense that the 5 Anothers minus Diamond Dude are 5 people.

Me: 1 each. Wow.

Nico: There they are!

We saw THE ANOTHERS! It was Another Dreadmaster, Dogma, Fear Monger, Evil Bounce Man (Mega Man) and Dread Servant

Me: WHOA!

Lola: This will be good.

Another Diamond Dude: (In a girls voice) It sure will be fun.

Another Dogma: (In a girls voice) Yeah.

Nico: (GASP) Those voices.

They reverted back and were the gene-slammers of Ornismon, D'Arcmon, Hippogriffomon, Gryphonmon and Phoenixmon!

Nico: (GASP) Olivia Ornis, Jeanne D'Arc, Hallia Hippogriff, Gabriella Gryphon and Halinor Honou!

Olivia Ornis: Awesome to see you again Nico.

Jeanne D'Arc: Yeah you're looking good.

Nico: Thanks.

Me: Now this brings back memories. The gene-slammers of Ornismon, D'arcmon and Hippogriffomon. Wow. I went to an island that was in the middle of a battle between Human and Beast Digimon.

Takuya: I remember that! That whole war was planned by an evil Digimon.

Me: Yep. His name was Murmukusmon and he was disguising himself as D'arcmon and Hippogriffomon and playing both sides for fucking fools! He got them to battle each other so he could revive Ornismon and take over the Digital World!

Nico: WHOA!

Qin: That is crazy!

Nico: YEAH!

Me: I killed Murmukusmon and destroyed Ornismon too.

Xenia: That is amazing!

Nico: WOW!

Me: Tell us more about yourselves though.

Olivia Ornis: Sure. I'm one of Nico's friends from space camp and we discovered lots of planets.

Jeanne D'Arc: I'm one of Nico's church buddies and I am also one of the descendants of Joan of Arc.

Marinette: Wow! So we're cousins in a way?

Jeanne D'Arc: Since we don't know the full extent of the family tree lets go with that.

Hallia Hippogriff: I'm Nico's friend from Iraq in history class. We studied about the history of Iraq.

Gabriella Gryphon: (British Accent) I'm Nico's friend from England and I went to Hogwarts. Wizard of Ravenclaw.

Halinor Honou: And I'm Nico's friend from Martial Arts classes and I am a master of fire.

Me: Wow! That is cool!

Nico: Yep.

Qin: Yeah.

Me: By the way is the Another Diamond Dude friendly or hostile?

Olivia Ornis: Friendly and she is a cool one.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They all glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

May: And now, we wait.

But then a woodpecker flew in and it landed on Nico's head and pecked him hard like a jackhammer.

JACKHAMMER DRILLING!

Nico: HEY! OW!

Me: Wait Vikka?

I held out my finger and she perched on it.

Me: Awesome to see you.

I pulled out some bird seed. She ate it.

Woody Woodpecker: You know a fellow woodpecker. Cool.

Me: Yep. If Vikka is here then.

We saw Another Diamond Dude!

Nico: Another Diamond Dude!

Qin: Ooh pretty.

Another Diamond Dude: (In a girls voice) Nice to see that Vikka remembers you J.D.

Me: I knew it was you Winry.

She reverted back and it was the Embodiment of the Woodpecker Dopant, Winry Woodpecker.

Winry Woodpecker: Awesome to see you again J.D.

Me: Same here. Winry is the Embodiment of the Woodpecker Dopant and she is a master of woodpeckers. She can even use powers to peck through solid diamond.

Diamond Dude: Wow! That is one awesome power on diamonds.

Nico: It sure is.

Woody Woodpecker: Awesome to meet the embodiment of us woodpeckers.

Winry Woodpecker: Same here Woody.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Winry Woodpecker: No he didn't. We found out that he has a terrible phobia of woodpeckers.

Me: WHOA! That's unusual.

Laney: He had what's called Yafflephobia! That's the Fear of Woodpeckers.

Me: I've never heard of anyone that's afraid of woodpeckers.

Winry Woodpecker: Yeah it's not very common.

Me: No kidding.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Lincoln: Lets separate you first.

We did so.

Me: Lets get him!

Nico: (Gets out Diamond Dude's ridewatch) Shine like diamonds!

May: (Gets out Dogma's ridewatch) Fear the Dogma!

Maria: (Gets out Evil Bounce Man's Ridewatch) BOUNCY BOUNCY BOUNCY!

Pooh: (Gets out Dreadmaster's Ridewatch) This is ones destiny.

They used the powers of Destiny HERO Diamond Dude, Dreadmaster, Dogma, Fear Monger, Evil Bounce Man (Mega Man) and Dread Servant and blasted the Another.

Nico: YEAH!

Then Another Ex-Aid, Etherious Natsu Dragneel, Universe 666 Doomsday (Justice League Unlimited), Flip (Little Nemo), Toilet Mandy and Fighting Flea came.

Me: COOL!

Nico: Nice team Another Ex-Aid!

Another Ex-Aid: Thanks Nico.

Sougo: So we're going to fight an Another version of Another Ex Aid

Me: Yeah. Sounds a little redundant doesn't it?

Qin: Yeah.

?: Boy howdy that is crazy.

Kokatorimon came!

Me: Whoa Kokatorimon!

Nico: Wow!

Ed: CHICKEN!

He hugged it.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Ed hugged it tightly.

Ed: PET THE CHICKEN! PET THE CHICKEN! PET THE CHICKEN!

Kokatorimon: (In a girls voice) Okay Ed I know I'm a big chicken but can you let me go?

Nico: Kira Kokatoria? Whoa!

She reverted back and was a girl with red hair, purple eyes, red angel wings and red clothes and had Kokatorimon on her forehead and on her overalls and had a Giant Egg Magisword in her hand.

Kira Kokatoria: Awesome to see you Nico. I can tell Ed loves chickens.

Eddy: (LAUGHS) Yeah he does.

Kira Kokatoria: I got this. (ECHOING) PETRIFIER!

She fired a blast of green energy and it hit the Another and turned him to stone!

Me: WHOA! Nice garden ornament!

I jumped and smashed the another to dust!

I caught the ridewatch and purified it.

Ed: Turn into a chicken again!

She turned into Kokatorimon.

Kokatorimon: How's this?

He hugged her again.

Eddy: (LAUGHS) You make Lumpy happy.

Ed: Hug a chicken! Hug a Chicken! Hug a Chicken! Hug a Chicken!

Pooh: Do you have a favorite memory of Nico?

She reverted back.

Kira Kokatoria: I sure do. When me and Nico were on my family's farm and we made a lot of eggs. Piles and piles of them.

Nico: Yep. And it was awesome.

Qin: Yep.

Nico and Kira hugged.

Nico: I've missed you.

Kira Kokatoria: Same here.

We later went back home.

Nicole: So, we're going after the powerful Jujutsu Sorcerer from 1,000 years ago. Be careful with him, Lincoln, this isn't like The Disaster Curses whom you'd face off against, Sukuna is a very powerful sorcerer from 1,000 years ago and he's a very skilled combatant.

Lincoln: I know. But, we can't let him run loose any longer.

Me: That's right.

Nico: Taking down the most powerful Curse User is going to be quite a huge challenge, but we dealt with a lot worse.

Alice (Disney): I just hope that no one has been hurt by him.

Lincoln: Which is why we need to stop him and fast.

(CHINESE MUSIC PLAYS)

Suddenly, we saw a coyote made of green flame pass through the skies.

Lincoln: The coyote made of green flames, she's here.

Lincoln: (GASPS) Anala Luhuo, Gene-Slammer and Avatar of The Brotherhood of The Fire Fist - Coyote.

Anala Luhuo: That's right, and I got the girls away from that evil sorcerer, and he's inside the body of Yuji Itadori. Lincoln, you need to remove Sukuna from him at once.

?: You will all die!

We then saw our target, Ryomen Sukuna, The King of Curses, in the body of Yuji Itadori, and he's heading right for us. Then, Lincoln fired a beam of light that separated Yuji from Sukuna who changed back into his true form.

Sylvester: So, all we got to do is take this monster down.

When Lincoln was done and the stingers changed back, nothing's left of Ryomen Sukuna, and he banished the Curse User to The Black Abyss. We cheered as we holster our weapons and powered down, and Lincoln sent Yuji Itadori to our infirmary to heal.

Lincoln: Your 1,000 year genocide spree ends here, you sadist. (To Anala Luhuo) And it's so good to see you again, Anala.

Anala Luhuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Anala Luhuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Anala Luhuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Anala Luhuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Anala Luhuo and hugged her, and Anala Luhuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Anala Luhuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Anala Luhuo, Gene-Slammer and Avatar of The Brotherhood of The Fire Fist - Coyote, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of green fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Coyote, along with having green angel wings along with having intense green fire powers. She's known as The Genius of The Sisterhood of The Fists of Fire, and she has superhuman intelligence and she's capable of outsmarting musclebound thugs who use only brute force and she's even capable of outsmarting even intelligent and extremely devious evil criminal masterminds. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of green fire and she also helped in getting him even smarter by taking him to the libraries all over the world where he read every book there along with helping him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Anala hates Lisa with a blazing passion because of her immoral experiments on living people, her emotionless nature, and viewing people as her test subjects, and that also included her black-hearted hatred towards Lincoln, and in one incident, Lincoln was almost subjected to all sorts of very horrible psychological pain and horror by Lisa in yet another experiment that she had formed in order to kill Lincoln again, and the sight of what she put Lincoln through filled her with inhuman rage, Anala outsmarted Lisa, freed Lincoln, and beat Lisa up super badly and sent her to the hospital in a full-body cast for a month, and even though Lincoln was okay physically, he was suffering emotionally and psychologically and Anala healed Lincoln emotionally by staying with him because he'd suffered from so many horrible nightmares.

Nico: I was quite stunned that she took you the libraries all over the world and you read all those books, Lincoln.

Lincoln: I know, right? But, it worked, reading all those books all over the United States and the world expanded my knowledge.

Arpina Huoqiang: We were really stunned. Next time, we'll get you to read the libraries of the many planets all over the universe.

Me: Oh boy.

Me 2: (Through the Ebonwu Crest) If that happens, his brain's knowledge will expand even more, and I think I can help out with that one.

Lincoln: We'll see what you got for me, and now that you're here, Anala.

Lincoln leaned his head down the right side of Anala Luhuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Anala Luhuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anala Luhuo with red gems on the gold lightning bolts and white crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Anala Luhuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Anala Luhuo.

Anala Luhuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Anala Luhuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Anala Luhuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Aina Sorimachi, Christina Goldlay, Kunon Namiki, Misaki Takashima, and Sae Myorenji from Colorful Education.

Lincoln: Oh wow, it's Aina Sorimachi, Christina Goldlay, Kunon Namiki, Misaki Takashima, and Sae Myorenji from Colorful Education.

Nicole: So, those were the girls who were here. Anala did great getting them away.

Lincoln: She did. Are you girls okay?

Aina Sorimachi: Yes, we're okay, thanks to you.

Then, when Aina Sorimachi and the other four girls saw who it was that saved them from Ryomen Sukuna, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center Aina Sorimachi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aina Sorimachi: (Seductive Voice and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aina Sorimachi, Christina Goldlay, Kunon Namiki, Misaki Takashima, and Sae Myorenji with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the enemy we went after was Ryomen Sukuna, The King of Curses, from the anime/manga series, Jujutsu Kaisen.

But, when Lincoln showed what he did first by freeing Yuji Itadori from Ryomen Sukuna and all of us beating him down and Lincoln absorbing him and assimilating his powers and abilities and sending him to The Black Abyss, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Anala Luhuo have a lot of catching up to do, now that she's back in town.

Maria: Man, I can't believe you guys faced off against that bastard, Sukuna. And Yuji's doing okay in the infirmary.

Lincoln: That's good to hear.

Nico: Lincoln fought that bastard and won easily, and he did a good thing freeing Yuji from that bastard first. But, it'll take time for Yuji to recover after what Sukuna put him through.

Me: That's true, we just need to give him time.

---

After Lincoln freed Yuji Itadori from Ryomen Sukuna and all of us beat Sukuna down and Lincoln absorbed him and sent him to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Anala Luhuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Anala Luhuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for

a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Anala, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Anala Luhuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Anala Luhuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Me 2: (Through the Ebonwu Crest on my forehead) Oh, before you show the memory Anala had with Lincoln, Panda, I've got something to give to Lincoln.

My Ebonwu crest on my forehead fired a beam of rainbow light, and we saw a glass bottle shaped like a phoenix and inside it was a powerful rainbow liquid.

Lincoln 2: (Through the Ebonwu Crest on Lincoln's forehead) I know what that is. That's The Liquid Ambrosia of Knowledge, it's a very powerful rainbow liquid that's filled with all of the knowledge of all the books throughout the universe. J.D., you still had that?

Me 2: (Through the Ebonwu Crest on my forehead) You know it. Okay, Lincoln, just take one drop of it, it's very powerful.

Lincoln: Okay.

Lincoln made a tear dropper, he dipped it into the bottle, squeezed the dropper, and filled up the tear dropper. Then, he administered one drop into his mouth, and then, he felt his mind and brain expand even more as he gained a massive knowledge boost.

Lincoln: WHOA! I feel like all of the knowledge from the many libraries in the universe from ages past are in my brain.

Me: Holy cow!

Nico: Damn, that stuff's really powerful.

Then, the bottle vanished.

Panda Faye Ling: I knew Arpina had to say that. Okay, now I've got a memory that Anala had with Lincoln while he was training with her, and it led to Lisa getting beaten to a pulp by her brother.

Panda Faye Ling put up a video on the big screen, and it showed Anala Luhuo training with Lincoln at the gym, Anala Luhuo was in a crimson red sports bra, crimson red shorts, and red knee-high boots, and Lincoln was only in crimson red gym shorts and he also had on black knee-high boots, and they were sparring with one another which ended with Lincoln taking her down with a leg sweep causing her to lose her balance and land on the mat, and he pinned her down. He got off, and he helped her up, and they really worked up a sweat.

Past Anala Luhuo: Phew, that was one intense sparring. You've really been improving a lot and practicing on the side without letting that cold-hearted emotionless psychopathic monster finding out, Lincoln.

Past Lincoln: Thanks, Anala. But, I don't know how long it'll be before Lisa finds out.

?: YOU HAIRLESS APES! I WILL DESTROY ALL OF YOU!

Suddenly, the alarm sounded and the rest of The Guardian Angels came, and to their disgust, Lisa showed up with an army of robots.

Past Becky Long: Again, Lynn?! That's it, I'm gonna beat you down and throw you in a hospital!

Past Hailey Timaeus: And turn your robots into scrap metal!

Past Lincoln: No, Becky, Hailey, I'm taking her down, it's payback time for what she did with that miserable experiment!

Lincoln flew out of the gym, and he fired lightning blasts at Lisa's robots and they exploded and turned into scrap metal, and then, he proceeded to trash Lisa with his martial arts moves as he punched and kicked her all over the place. Lisa let out another shriek of rage and ran at Lincoln with a scalpel, but he dodged her and kicked her in the stomach and she fell down like a ton of bricks. Then, he grabbed her and threw her into the air as she was sent flying back to the house where she was chained up by me and Varie, and she wound up thrown in a cage again.

Past Anala Luhuo: That was really impressive, Lincoln! You took her down hard, you were like a fierce tiger, and that heartless madwoman stood no chance.

Past Lincoln: She unfortunately made me even stronger, and that really led to her getting a nasty dose of karma.

Then, Lincoln wrapped his massive muscular arms around Anala Luhuo and he leaned his head down to her face and they kissed as the video ended.

Nico: Whoa! That was really awesome, Lincoln!

Nicole: I still remembered that incident all too well, but Lisa was basically asking for trouble.

Luna: It found her big time, and Hailey and Becky were that mad at her, they wanted to beat her down and throw her in a hospital. Lincoln stopped them from doing so, but Lisa was on permanent thin ice with her and all of the Guardian Angels who hated her.

Anna Anyanova: This was the very thing many of us Guardian Angels swore to do to Lori, Lynn, Lola, Lisa, and Luan if they dared to go after Linky one more time.

Lynn Sr.: We knew Lisa was at it again when Lincoln sent her flying back to home, she crashed in through the door and saw her robots completely in pieces.

Me: And Lincoln decided to keep the scrap metal pieces and use them for his forge.

We got a shower, and then, Lincoln, Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon are heading to an Italian restaurant.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man was in a large black tuxedo that really showed off his massive upper and lower body muscles and dress shoes, he had on Thunderbird Juniper cologne, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon were dressed in fancy dresses The Musiqidandi Sisters and Zoey Tsukino made for them and dress shoes, perfume, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Medusa: Wow, this place is truly fancy and amazing.

Lincoln: It sure is, Universe 666 Medusa, I've been here before on many dates, and the place is really amazing. Shall we?

Lincoln, Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon went to a table, and they placed their order with the waiter. Then, a few minutes later, their meal arrived, but Lincoln caught a weird scent, and he found out that it was poison!

Lincoln: That stupid mutant!

Suddenly, they saw saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Eventually, they got fresh meals, and they enjoyed their food and paid as the waiter and owner both apologized, but they soon found out it wasn't the chef who did it, one of Flip's musclebound goons murdered the chef and he took his place. The police were called in, and more of Flip's thugs were arrested, but they refused to be taken in as they went after Lincoln again, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Then, Lincoln, Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon came back home.

Nico: Lincoln, are you Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon okay? We just heard from Sheila that… !

Lincoln: We know, Nico, and we're okay. I can't believe Flip tried to poison me and Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon, but he knows I'm immune to poison, but Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon weren't.

Me: That fucking mutant's really pissing me off.

Lincoln: Same here. Now, to finish off the final part of our date.

Suddenly, Lincoln changed back to his original outfit, and then, he made clones of himself and he and his clones went up to Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Universe 666 Shaula Gorgon: (In Heaven) What… a… hunk of a man!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon are in your harem, Linky.

Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Medusa, Universe 666 Arachne Gorgon, and Universe 666 Shaula Gorgon with that stunt, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Next is Snow Kingdom for round 1

Me: Ooh! Better bundle up. It's gonna be cold.

Qin: Yeah.

Nico: Good idea.

Maximum Ride: Me and Hawkgirl will go next.

Nico: Okay.

They went and got their fur parkas.

Then they went into the simulator and it activated and they were in SNOW KINGDOM!

---

The Snow Kingdom is a region featured in Super Mario Odyssey, and can either be the ninth or tenth location visited, depending on if the player selects to go here or to the Seaside Kingdom after leaving the Metro Kingdom. It is the greater location of Shiveria, a snowy area containing a small town under the surface. When Mario first visits this kingdom, there is a blizzard occurring outside the town area, and the entrance to the Bound Bowl Grand Prix race area is blocked off by four barriers. Mario must help the Shiverians open the entrance to the race area by collecting the four Power Moons located in the rooms around the race area's entrance. Once Mario collects all four of these Power Moons, the race area opens up, allowing Mario and the Shiverians to enter. Upon entering the race area, the player discovers that one of the racers is still in the waiting room. Mario goes to find the racer and captures him, allowing the player themselves to participate in the Bound Bowl Grand Prix race. If Mario successfully gets first place in the race, he will receive a Multi Moon, which (when collected) restores the Snow Kingdom to its former glory, getting rid of the blizzard outside the town, allowing the Shiverians to race on their race course peacefully and granting access to more Power Moons. Once Mario collects enough Power Moons, he can access the next kingdom - either the Seaside Kingdom (if the player has not visited it yet) or the Luncheon Kingdom (if both the Seaside and Snow Kingdoms have been visited).

This location is based off of Russia, specifically the icy cold areas of Siberia. This is evidenced by the name (Shiveria), the nesting dolls on sale at the local Crazy Cap, and by the locals performing the Hopak. The town of Shiveria also seems to draw inspiration from Scandinavia, as the locals here resemble harp seals in knitwear and live in wooden Scandinavian-style housing.

Nico: WHOA! Snow Kingdom!

Maximum Ride: Man is it cold!

Hawkgirl: It sure is.

Nico: Good thing J.D. told us to bundle up.

Maximum Ride: No kidding.

Pinkie Pie and Rango came.

Rango: I'm coming too!

Pinkie Pie: Me too!

Nico: Okay.

Nicole: You know it's funny because Rango you are going to like who you're going to face there for round one.

Rango: Really?

Nicole: Yep. Head for that tower up there.

Nico: Okay then.

They went to the tallest ice pillar and they saw RANGO OF MARIO!

Nico: Rango of the Broodals again!?

Nicole: Yep for another round.

Rango (Broodals): Howdy lookalike!

Rango: Well howdy there amigo!

Me: Boy that is awesome. They both share the exact same name. Except one is a bunny and the other is a chameleon.

Nicole: That is awesome huh?

Nico: Yep.

Rango: And I have a gun.

Rango (Broodals): Too bad I don't. But that's okay y'all.

Nico: Yeah.

Pinkie Pie: Ooh this is gonna be amazing!

Nico: Yep. Shall we dance the Square Dance Jig?

Rango (Broodals): (Confused) What?

Nico: Just a little Squaredancing humor.

Nicole: Okay just do what you did before in round one.

Nico: All right then.

Rango: How about we just fight right now?

Nico: Lets get it on then!

Maximum Ride: Time to spread our wings!

Hawkgirl: Yeah lets do it!

Hawkgirl got out her mace and smashed Rango's face in!

KRABLANG!

Rango of the Broodals really felt that one!

?: (ECHOING) VOLCANIC FLARE!

Scorching hot flames blasted Rango of the Broodals all over.

Then Volcanicdramon and a girl with purple hair and yellow eyes and purple clothes and purple wings and a tiara with Neon Tiger on it came.

Nira Tiger: Nira Tiger, Embodiment of Neon Tiger at your service.

Maximum Ride: Nira! Wow!

Hawkgirl: Looking good.

Nira Tiger: You too Max and Shayera. Been a while.

Volcanicdramon: (In a girls voice) This is gonna be fun.

Nico: Nyamuragira Volcanicdra. Wow!

Nico: (gets out Quadraxis and Diamond Dude's Ridewatches) Time for this drone to shoot diamonds!

He activated them and fired waves of energy and diamonds and blasted Rango of the Broodals.

Rango fired and blasted his Name double all over.

Max and Hawkgirl kicked him and Pickie blasted him with her confetti cannons.

Nira Tiger slashed him all over.

Pinkie Shoved a cupcake in his mouth.

And then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

IT EXPLODED! Covering him with soot and ash!

Nico: Exploding cupcakes. Nice!

Pinkie Pie: The secret is in the frosting. But I can't tell you all that silly. (Exaggerated Whisper) It's a secret.

Nyamuragira reverted back and was a girl with red hair, red eyes and fire clothes and had fire angel wings and Volcanicdramon on her forehead and skirt and had a lava sword.

Nyamuragira Volcanicdra: Eat lava! VOLCANIC FLARE!

She fired more flare blasts and the blasts hit Rango and sent him flying!

Nico: OH YEAH!

They got 30 power moons as a result of their victory!

Nico: Take that!

They all high five.

Nico: How did you meet Hawkgirl and Max?

Nira Tiger: I met Hawkgirl when she and Wonder Woman were fighting Arisia who was tryiing to poison the world and kill all the men. We killed her and stopped her.

Nico: WOW! That is amazing.

Nira Tiger: Yep. And I met Max when she and the flock were battling the School members and I killed all the School members.

Nico: WHOA! That is cool.

Pinkie Pie: Amazing!

Rango: (To Nyamuragira) What's your favorite memory of Nico?

Nyamuragira Volcanicdra: Mine is where me and Nico were over in the Congo and we went into my namesake volcano and found an awesome lava sword.

Nico: Yep. It was awesome.

Nyamuragira Volcanicdra: Yep.

Nico and Nyamuragira hugged.

Nico: I've missed you.

Nyamuragira Volcanicdra: Same here.

Nico: Would you two like to join us?

Nira Tiger: We woule be honored.

They left and we cheered wildly.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Then after we got done with our workouts everyone was getting ready for the surprise for Cammy.

Nico: Awesome. J.D. you want to help us?

Me: Oh sorry Nico I can't.

I showed my Cutie Mark glowing.

Nico: (GASP) Friendship problem. Okay then. Good luck.

Me: Won't need it.

I went to the map.

Later Nico and Varie and everyone was taking Cammy and Ragna on a special surprise.

Max Goof: You two are going to love this

Ragna: Looking forward to it.

Varie: It's gonna be awesome.

They arrived at the movie theater.

Poromon: Here we are.

They took off their blindfolds and saw that they were at the theater.

Cammy Bolton: Awesome!

They saw each other and gasped!

Ragna: Cammy!

Cammy: Ragna!

Both: YOU'RE MY BLIND DATE!?

Poromon: Yep.

Chi Lan Xing: You'll love this movie.

Nico: Tickets for Wish please.

They were all going to see the movie Wish from 2023.

They got tickets and got snacks and went to the theater and got seated.

Cammy: This will be fun.

The movie started.

***SPOILER ALERT***

---

King Magnifico and his wife Queen Amaya establish the kingdom of Rosas on an island in the Mediterranean Sea. Having studied sorcery, Magnifico is able to grant the greatest desires of his subjects; each of them give up the memory of their wishes to be sealed and protected by the king until he can grant them. Once a month, as a ceremonial event, Magnifico chooses one wish to be granted.

17-year-old Asha prepares to interview for the job of Magnifico's apprentice on the day of her grandfather Sabino's 100th birthday, hoping that Magnifico will grant Sabino's wish to inspire people. The interview goes well until Asha requests for Sabino's wish to be granted, which Magnifico declines, seeing the wish's elusiveness as a potential threat to his power. Asha realizes Magnifico never intends to return the ungranted wishes to their owners, and when she questions his methods, Magnifico refuses to accept her apprenticeship or grant any of her family members' wishes.

Asha tries but fails to convince Sabino and her mother Sakina that Magnifico is deceiving them. Distraught, she makes her own wish on a star. To her surprise, the star descends from the sky in the form of an anthropomorphic ball of light, which Asha names Star. Star's magic gives the forest animals, including Asha's pet goat Valentino, the ability to talk, prompting Asha to enlist Star's help in retrieving her family's wishes. Everyone in the kingdom senses Star's presence, and Magnifico feels threatened by it. Despite Amaya's pleas, he turns to forbidden dark magic to maintain his position of power as his subjects begin to doubt his way of ruling.

Asha retrieves Sabino's wish and he is overjoyed to be able to remember it, but Magnifico arrives to arrest them, having been informed that Asha was responsible for Star's summoning. Corrupted by the dark magic, Magnifico intends to use Star's magic and Rosas' wishes to increase his own power, forcing Sabino and Sakina to flee to a nearby island while Asha, Star, and Valentino stay behind to free the citizens' wishes. One of Asha's friends, Simon, is revealed to be the one who sold Asha out to Magnifico in hopes that his wish to become a knight would be granted. Magnifico grants the wish, but additionally bewitches Simon into being his henchman in capturing Asha.

Asha rallies her other friends Dahlia, Bazeema, Dario, Gabo, Hal, and Safi. Amaya also joins them, having discovered Magnifico's corruption. While her friends infiltrate Magnifico's study and open up the ceiling to free the wishes, Asha tries to distract Magnifico, only to be tricked by a disguised Simon, whom she defeats with the animals' help. Magnifico ascends the castle's tower, absorbing the power of every wish and trapping Star. Asha attempts to stop him but is easily overpowered as Magnifico blocks out the sky and immobilizes the citizens, preventing them from wishing on stars.

Unwilling to give up, Asha encourages the citizens to make a wish about changing Rosas' future. The strength of their collective desire eventually overpowers Magnifico, whose magic turns against him by trapping him inside his staff's mirror, while the citizens regain their sealed wishes with a newfound appreciation of pursuing them.

Amaya becomes the sole ruler of Rosas, helping the citizens make their wishes come true on their own. A regretful Simon is forgiven by Asha and her friends. Star gifts Asha with a magic wand so that she can inspire people to keep dreaming before returning to the sky among the other stars.

When the movie was done it was a really awesome performance!

Nico: ENCORE! ENCORE!

Cammy Bolton: What a movie!

Ragna: That was fun!

Xenia: And we were talking about this yesterday.

Nico: We sure were.

Cammy: Awesome movie! Thanks Poromon. Anytime.

The mascots used the transporter to teleport out

Poromon: See ya!

ZAP!

They teleported.

Nico: And the chase begins!

Eli: (Concentrates) They are on Petropia.

Nico: Diamondhead's home planet! Wow!

Lola: Lets go then.

(BENNY HILL CHASE MUSIC PLAYS)

On Petropia, the mascots were hiding in a house.

Tetrax: Hey what are you doing here.

Poromon: Hey, Tetrax!

Tetrax: Another blind date chase?

Poliwag: Yep.

Everyone arrived.

Camie: Wow! So this is Petropia!

Rarity: This is an amazing place! It's full of gems! All for me!

Tetrax: They're right here!

Nico: Gotcha!

Poromon: BYE!

The mascots teleported to Ghostly Galaxy

Eli: They went to Ghostly Galaxy!

Brittney: Ooh I know that place!

Nico: Lets go then!

They teleported.

Poliwag: This place never stops being spooky!

Poromon: No it doesn't!

Manaphy: Scary!

GHOSTLY WAILING!

THEY SCREAMED!

THEN NUMEROUS RED EYES APPEARED AROUND THEM! Then…

Everyone: BOO!

They scared the mascots and they teleported!

BOY THAT WAS QUITE A JUMPSCARE!

Eli: They went to Perim in Underworld City.

Kaz: Wow! A place I'm familiar with.

Nico: Yep. Lets go!

They teleported there.

Now, they were at Underworld City.

Ooloo: Hey, guys!

Manaphy: Hey Ooloo!

Poromon: Awesome to see you.

Ooloo: Why are you guys hiding?

Poromon: Well…

Ooloo: Let me guess… Blind date chase?

Poromon: Yep.

Everyone came.

Eli: There!

Ooloo: Hey guys! They are hiding here.

Manaphy: HEY!

Nico: GOTCHA NOW!

They teleported away again

Nico: OH COME ON!

Eli: They went to Arendelle now.

Nico: Anna and Elsa's home. Nice.

Eli: Lets go.

They teleported.

Everyone arrived.

Nico: Wow!

They looked and saw Earth from there.

Nico: Wow! The view of Earth is amazing from here.

Eli: It sure is.

They went into the castle.

Elsa: It's only a matter of time before you're spotted

Laney: Like right now!

Poromon: NOT AGAIN!

Elsa: Better run guys!

Poromon: ON IT!

ZAP!

Elsa: Hey guys.

Nico: Hey Elsa. How do you and all the worlds like being in orbit around Earth?

Elsa: It's amazing. The view of the planet is amazing.

Nico: It sure is.

Kickback: Where'd they go now?!

Eli: (CONCENTRATES) OH NO! They went to a Marzipan City.

Nico: In Mung's neck of the woods. Nice. Lets get moving! See you soon for the fall of Xehanort Elsa.

Elsa: You got it.

They teleported back to Marzipan City.

Chowder was getting piles of food for a snack.

Chowder: (Humming)

He saw the mascots hiding by the fridge.

Chowder: Hey, guys!

Poromon: Hiya Chowder.

Chowder: I was just getting a snack.

Poliwag: You are always hungry Chowder.

Chowder: I know.

Nico: Hey Chowder.

Chowder: Hey guys!

Poromon: WHY CAN'T WE LOSE THEM!?

They teleported away again!

Kickback: Where'd they go this time?!

Eli: (CONCENTRATES) OH NO! They went to a drug house in the slums of the city!

THEY GASPED!

Nico: Lets get moving! Sorry to interrupt your lunch Chowder.

Chowder: No worries. Go get those guys!

Nico: With pleasure!

They teleported again!

I finished my friendship problem.

Me: That was too easy. Boy not every day we have one in the Leaf. (SENSES SOMETHING) UH OH! The Mascots are in trouble!

I went to where they were.

Horsea: Wait. Where are we now?

Poromon: Beats me. I just set it to random!

Horsea: (looks around) Wait. Are we in a drug house?!

They saw drug dealers making drugs like cocaine as well as a bunch of hookers.

Hooker: Look! Stuffed toys!

One of the hookers hopped on Manaphy.

Manaphy: NOT THIS TIME YOU WHORE!

KICK!

She kicked her in her face and knocked her down.

Me: HIYAH!

I kicked the door down.

Me: Someone call for a hero?

Poromon: J.D.!

Me: WHOA! I've been after these guys for a while!

I kicked and bashed the drug makers all over.

KICK KROW BASH SMASH!

I punched and bashed them.

I punched a Drug maker off of Poromon and kicked one in the face.

Poromon got squeezed in between a hooker's boobs

Poromon: Take this you bimbo!

He bashed her face in.

I grabbed a drug maker and threw him.

Poliwag: YEAH!

Then Nico and everyone came.

A hooker puked on Poliwag.

Poliwag: OH YUCK! You need stomach flu medicine!

I kicked the hooker and threw her into a drug maker.

Poliwag slapped a bunch of drug makers with his tail.

Nico: Looks like you got here just in time J.D.

Me: Yeah I was in the area.

I headbutt a hooker and threw her to Nico and he kicked her down.

Hooker: I need to pee.

The hooker peed on Horsea.

But Horsea dodged her and kicked her down.

Me: Hey bathroom's over there bitch!

I kicked her and we tied up the gang of hookers and drug makers.

Sheila: Well I'll be! We've been trying to find all these guys for a while. Now you all are going to the stony lonesome.

Nico: Yeah!

American Dad Roger Smith: Yay! Cocaine!

He started tasting the cocaine bricks.

But I substituted the cocaine bricks with soap and he was burping out bubbles.

Me: Nice try Roger.

We put all the stuff in bags to be destroyed.

Cliffjumper: We still caught up to you guys!

We tickled all 4 of them!

They laughed hysterically.

Nico: How did the friendship problem go?

Me: Went really well. It was over in the Hidden Leaf. Turns out Ichiraku Ramen and a Fruit Ramen dessert restaurant that was built across the street from them were having problems being friends. So I told them that the best way for them to work is to work together and that they can make a difference working with each other and not against each other.

Twilight Sparkle: Wow J.D. good work. And that's a first having a friendship problem in the Leaf.

Me: Not every day we have a problem in a shinobi village.

Rin Nohara: Boy no kidding there.

Me: Sorry I missed the movie and the chase.

Laney: No worries. We watched the movie Wish and we had the chase on Petropia, Ghostly Galaxy, Underworld City, Arendelle, Marzipan City and now here.

Me: Boy looks like I finished just in time to help round up these clods here.

Qin: You sure did.

Nico: Yep.

The mascots were being tickled all over.

Nico: Say Uncle!

Mascots: (LAUGHING) NEVER!

Nico: SAY IT!

Mascots: (LAUGHING) NEVER!

Me: FOR GODS SAKE! IN THE NAME OF HUMANITY SAY IT ALREADY!

Horsea: UNCLE!

Mascots: UNCLE! UNCLE! UNCLE!

Tyrone: SAY WHAT!?

Mascots: UNCLE! UNCLE! UNCLE!

Nico: Very good.

They stopped.

Me: That was funny. But these clods are looking at hard time in the slammer.

Lola: That is for sure!

Xenia: Yep.

Me: Glad you guys all had fun though.

Gru: Do you 4 need a shower?

Poromon: Yes! Badly!

Me: Lets get moving.

We went back home and they went into the shower immediately.

Nico: Boy that was a crazy chase!

Qin: No kidding.

Me: Yeah.

Cammy: But I had fun on my first date. Just like Chloe.

Nico: You sure did.

Me: Glad you had fun.

The mascots came back later squeaky clean.

Camie: Feel better?

Poromon: Yes we do.

Xenia: Aweome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than our old enemy, Bradley Uppercrust III, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you've finally made your move, Brad.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today, the next jerk are none other than our old enemy, Bradley Uppercrust III, and he's causing havoc.

WE GASPED!

Savannah Nephthys: That bastard prick whom you all met when you met Max and his friends?! Too bad none of us have a claim to his life.

Max Goof: But, I do. Brad's lived for far too long and caused us nothing but trouble, I think it's time we end this once and for all.

Nico: After everything that fucking prick has done in the past, it's high-time we got rid of him once and for all.

Max Goof: And I called his parents, they're coming over along with Brad's younger brother, Seymour, and they're going to disown him in front of the entire school.

Eli: Wait, how did you meet his parents?

---

Max Goof: (Narrating) It was after we trounced Brad and sent him back to Lynn's Table during our missions against Slappy and the other Goosebumps monsters, after you guys headed home, I along with P.J. Bobby, Tank, Roxanne, Jessica, Sora, Riku, Kairi, Dad, Ventus, Terra, Aqua, Lea, Xion, Elena, and all of Team Light Key headed to their mansion and we met them, and they're wealthy and good people, and when we told them of everything that Brad had done from when we first met to now, they were horrified to know what kind of monster their former son has become, and they swore if he's not repented, they're going to come and disown him in front of the entire school.

Goofy: (Narrating) But, after what happened, he hadn't repented at all, and Brad's younger brother, Seymour, knew of what kind of person his older brother's become, and when he found out from our conversation concerning that Brad's not changed at all.

P.J.: (Narrating) And when he found out that he was also a pervert, he was even more disgusted by him.

FLASHBACK ENDS!

Nico: So, before you transform, Brad's parents and younger brother are coming over to disown him in front of the school. That's the perfect final nail in his coffin. Where's he at, Lincoln?

Lincoln: Scans show he's at Max's college!

Max Goof: Where it all began.

Me: Perfect. Just like we anticipated. And where it'll all end once and for all.

Nico: And if there are Militia waiting for us there, we'll deal with them. Alright, team, let's load up and get going, the time to slay Bradley Uppercrust III has finally come.

Lincoln: After everything that prick has done, he deserves to die.

The previous group came.

Marluxia: Can me, Xigbar, White Lightning, Dodgeball Wizard, Mortal Kombat Scorpion, Fireor, Chillyfish, Whirlin, Titania and Grodd go with you guys?

Nico: Yes you all can come with.

Xigbar: We saw the chase. Are you all okay?

Poromon: We're okay.

Xigbar: Good.

Me: Brad Uppercrust III has made his move.

Fireor: This will be good.

Larry Koopa: Nico, which Gene Slammer do you think you'll meet next?

Nico: Tyrannomon next.

Qin: Prehistoric.

Xenia: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figures were in the vision: the figures are none other than Ragnaros the Firelord and Al'Akir the Windlord from World of Warcraft, and they're coming to get revenge on Lincoln for the deaths of their masters, The Old Gods. When we saw it, we knew it meant trouble.

Lincoln: Oh boy.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figures we sensed belongs to Ragnaros the Firelord and Al'Akir the Windlord from World of Warcraft, and they're coming to get revenge on me for the deaths of their masters, The Old Gods.

Lola: So, Ragnaros and Al'Akir were the ones who sent Lord Rhyolith, Baron Geddon, Majordomo Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr after us yesterday. Those two evil elementals are going to get it.

Ausra Valencia: More than that, they're going to be absorbed by Lincoln.

Lincoln: Right, Ausra.

Nico: So, things just got even more hotter and intense, huh? Well, all we have to say is bring it on. Alright, team, let's go, we're off to Max's college to slay Bradley Uppercrust III.

Lincoln: The crimes you've committed will never be forgiven, and for that, you will answer for all of them as we bring unto you your eternal damnation, Brad, and once we get done with him, you're next, Ragnaros the Firelord and Al'Akir the Windlord.

Ausra Valencia: You and Al'Akir spent many eons trying to destroy Azeroth by trying to burn everything to the ground and serve the parasitic Old Gods, but that ends here and now, none of you will leave here alive.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Max's college to slay Bradley Uppercrust III, and once we got done with him, Lincoln and Ausra Valencia along with me are going to destroy Ragnaros the Firelord and Al'Akir the Windlord.

We were off to Spoonerville University!

---

We arrived.

Qin: Here we are.

We saw a party going on at the ΓMM frat house.

Nico: Are Tank and the others having a party?

Xigbar: They're in a fraternity. What did you expect?

We arrived at the house and went in.

Tank: HEY GUYS! Come on in! Welcome to the party.

Me: Hey Tank! Rockin party dude!

Qin: YEAH!

Me: Hello Ladies!

Ladies: HI J.D.

I gave them a wink.

Tank: Yeah, I know Brad's coming. But we might as welll have fun while waiting.

Majar: I like it!

Borth: (sighs) Can't argue with that logic

Nico: Me too.

Xenia: But you guys are having a lot of fun.

Nico: Better than what we saw in the college fraternity universe.

Poromon: After what happened earlier, me and the mascots could go for a little partying.

White Lightning: Maybe even drink some beer

Tank: We got root beer! Help yourselves.

Me: Thanks.

We had some.

Me: Ahh.

Tank: How come you aren't in college J.D.?

Me: Oh I take online college classes. With going to college being unaffordable this day and age it's hard. But online college is easy.

Camie: It sure is.

Me: I use shadow clones to take my online college courses and do superhero duties all together.

Lori: I literally do the same thing. I use my golf classes at home in the simulator and online.

Nico: That's very smart thinking.

Tank: It sure is.

Max: I'll say.

May: There was also the school shootings

Tank: Oh yeah! Those have been causing tons of problems.

Xenia: Yeah no kidding.

Camie: Yeah.

Me: Yeah.

Tank: I'll stand outside to keep watch in case something happens

Me: Okay.

Girl 1: By the way what was that Frat universe like?

Me: I wasn't there when it happened.

Nico: But the rest of us were. It was a crazy hellhole. It was total anarchy.

He told everyone what happened during part one of 2021's Ridonculous Race with the Frat Universe

Girl 1: That is crazy!

Sophie Casterwill: (British Accent) It was like a scene from an anarchy movie.

Girl 1: That universe must've been crazy!

Nico: It was. But I'm glad we made it out.

Me: Yeah that was nuts.

As the party went on, the mascots got drunk because of a drinking contest.

Overbite: Well, that's one way to forget about almost being used as sex toys

Nico: Oh boy.

Poromon: (Slurred Speech) Hey baby watch this. (BURPING) ABCDEFGHIJKLMNOPQRSTUVWXYZ!

WE LAUGHED!

Tank: (LAUGHS) Good burp!

Poliwag: (Slurred speech) Oh yeah? Watch this! (FARTS SMOKE THAT LOOKS LIKE THE ABC'S!)

WE LAUGHED!

Me: Okay that's new but hilarious!

Xenia: YEAH!

Dodgeball Wizard: Lena Mack and the Bolton Girls are drunk too!

Lena Mack: (Groans) THat hurt.

Me: Sorry girls. Don't want to have you drunk.

Nico: Yeah.

We went and faced the Militia!

Me: Lets get them!

Mortal Kombat Scorpion: GET OVER HERE!

He threw his whip and pulled them over and we slashed and bashed and cut and mangled up numerous militia.

Kumiko: My turn!

She kicked and smashed and bashed them.

She fired blasts of fire and blasted them.

He fired ice blasts and they froze and shattered.

Xenia: YEAH!

Eli: That's the lat of them.

Me: You sure?

Eli: Yes the Force confirms it.

Xenia: Great.

Edward: Should we tell Brad's parents about this?

Me: They already know. Max said they already know and are on their way now.

Edward: Oh then nevermind.

Xenia: They must be really mad.

Me: Understatement. They are pissed.

Xenia: Yeah.

Whirlin: Can you blame them?

Me: Not at all.

Eli: I sense Brad is 750 yards ahead on the football field.

Me: Lets get him.

Marie: Wanna come with us, Tank?

Tank: You bet! I got a score to settle with Brad.

Me: Lets go get him!

Xenia: Yeah!

Qin: Lets get him!

We went to the football field. We then saw our target.

Me: Target sighted.

Titania: Is he alone?

Eli sensed for anyone.

Eli: Nope. Just him.

Me: Perfect.

Nico: Entrance time!

We went at him.

Brad was infuriated.

Then the spirits of colleges came and they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a Phoenix Cry was heard and we came out.

Me: Brad Uppercrust III you are EXPELLED!

Ground Man: You're in for a pounding!

Brad: YOU MADE A TOTAL FOOL OF ME!

Max Goof: You did all that yourself. You cheated and lied to everyone and made everyone fools to get what you want!

POW!

Tank punched him square in the face and knocked him down.

Grodd: And you were even willing to sacrifice your own teammates for victory!

Brad: I don't care! EVERYONE IN THIS WORLD IS BENEATH ME! I ALWAYS GET WHAT I WANT!

Me: Not anymore.

Xenia: You're nothing but a loser now!

Layla Williams charged at him And kicked him in his face.

A figure came out and it was GENERAL GUT from the movie CLASH OF THE RED RANGERS!

---

He was a Nighlok general who was one of Master Xandred's best warriors. After Sharkjaw's attack, Master Xandred prepares to have General Gut lead his largest army of Moogers to attack the city. After Professor Cog sends the other Samurai Rangers into his time, Master Xandred tells General Gut to prepare his army of Moogers for invasion. Following Sergeant Tread and Professor Cog's defeat, General Gut and his army attacked the Samurai Rangers and Scott Truman.

The Samurai Rangers called in their War Horses to fight General Gut's Mooger army. While the others fight the Moogers, Jayden ends up dueling General Gut. When General Gut managed to knock down Jayden and move in to finish him off, Jayden makes a combat effort and changes his Spin Sword to the Shark Sword and himself into Shark Attack Mode which also takes out the entire Mooger army.

The Rangers used their Spin Swords to defeat General Gut. General Gut then grows and the Rangers form the Battlewing Megazord which does its sky attack on them. General Gut then assumes his second form and breaks the Battlewing Megazord back into the

Samurai Megazord. Jayden then summons the SharkZord which destroys General Gut's Super Serpent. The Samurai Megazord and the SharkZord form the Samurai Shark Megazord which uses it's SharkZord Slash to defeat General Gut.

---

We regrouped.

Just then, Max fired chains of light and chained Brad Uppercrust III and prevented him from attacking even more.

Me: I'd suggest not moving any longer, prick.

Max Goof: Because there's a few people who have more than a few words to say to you.

Suddenly, we saw a limo arrive at Max's college, and then, we saw two adults come out, one was a man with the same brown hair as Brad and he was dressed in a business suit, the man's name was Brad Uppercrust II, Brad's father, and the other was a woman with long lighter brown hair and in a navy blue dress and high-heels, it was Carmen Uppercrust, Brad's mother, and another person came out, he was younger than Brad, but he was well-built and more muscular than him, it was his younger brother, Seymour.

Brad Uppercrust II: I cannot believe you. So, everything Max and the others told us was true, and what we heard from the Dean, that was also…?! I can't believe you're even my son!

Carmen Uppercrust: You have no idea of how disgusted we all were after everything we'd heard from Max and the others!

Seymour Uppercrust: I always knew you were nothing but scum, Brad, you've always been a cheat, and everyone at school told me of what you've done, and you've also done some pretty low things in the past. I wasn't made into an outcast neither has Mom and Dad, they knew us for the people we are, and they despised your guts. Plus, to also find out you're also a disgusting pervert after everything you did peeking at Lincoln's Guardian Angels and future wives, you disgust me, you pig!

Brad Uppercrust II: Your mother and I tried to raise you right, but it looks like we were wrong, you were born evil, and as years passed, you just became worse and worse. Plus, to also find out you've done some truly irredeemable and horrendous acts that almost cost innocent people their lives and all for your own sick desire for glory, you will never be forgiven!

Carmen Uppercrust: I agree, honey. Bradley Uppercrust III, we are hereby disowning you and cutting all ties with you forever, our money and our estate will be passed down to Seymour.

Seymour Uppercrust: And don't you dare blame me for it, I worked harder than you in school and had more talent, but I didn't act like a show-off like you, nor used underhanded tactics. Plus, I've already gotten a girlfriend all on my own, I'm achieving success on my own just like Mom and Dad, while you, heh, you've fallen down into Loserville, and soon, you're going to die from the curse.

Brad Uppercrust III: (GROWLS) You! You bastards! You can't do this to me!

Max Goof: They did, and now, your time is up.

Suddenly, Max Goof's deep blue eyes turned neon deep blue and he was surrounded by a white, gold, and red energy aura with stars, crosses, angels, swords, light, keys, phoenixes, and angels, he unholstered his Max Goof's Cosmic Eternal Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Phoenix God Angel Keyblade of Cosmic Eternal Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Phoenix God Angel Justice from his back, and as he approached Brad Uppercrust III, he left white, gold, and red energy, stars, crosses, angels, swords, light, keys, phoenixes, and angels with every step.

Max Goof: This has been a long time coming. For too long, you've caused me and my friends nothing but trouble, Brad, but it's not just me, but you've caused trouble for Lincoln and his Guardian Angels in Michigan and tried to kill them in your stupid desire for glory, this has gone on for far too long, today, this is the day you die once and for all, and with your ties cut from your family and disowned forever, now no one's going to mourn your death, not even your benefactor, Xehanort.

Suddenly, Max Goof was surrounded by a massive vortex of white, gold, and red energy with swords, light, crosses, stars, and keys surrounding the vortex, there's a massive army of archangels, phoenixes, and angels flying around the vortex, and inside the vortex is a gold phoenix with blood red eyes glaring at Brad Uppercrust III: the red eyes of eternal death, as lights shined down from the Heavens and a divine choir of Angels sang.

Nico: Whoa!

Me: Oh man! Heaven's Rage has been unleashed!

Then, as the vortex faded, Max Goof emerged, but he was changed forever.

Max Goof grew from 8'5" to 9'3" in height, his massive and powerful muscles grew much bigger and he now has ten-pack abs, he has large gold metal braces on his massive biceps and thighs and he now has twelve large white, gold, and red planets orbiting around his legs, he has red highlights in the bangs of his long black hair and he has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon deep blue eyes and a white, gold, and red energy aura with stars, crosses, angels, swords, light, keys, Keyblades, phoenixes, and angels surrounding him and immense rainbow protective aura with the elements swirling around it, he has an Angel holding a Keyblade in its right hand and the Light and Eternity Kanjis in its left hand surrounded by a phoenix and angel emblazoned on his forehead and Third Eye with deep blue iris, he has on his Crystal Necklace of The Buddha with red gems embedded in the gold sun links and deep blue crystal links and a red angel-shaped Element of Harmony and on the bottom of the angel-shaped Element of Harmony is an Angel with deep blue gems for eyes and holding the Light and Eternity Kanjis in its hands for the pendant and he has on a white and gold-accented choker on his neck, Max Goof has on a crimson red shirt with gold phoenix on it, long dark blue jeans, black knee-high boots, white gloves with gold armor on the joints and gold dragon claws on the fingers, and long long-sleeved white trenchcoat with stars, crosses, angels, swords, light, keys, Keyblades, phoenixes, and angels on the coattails and on the back of the coat is The Disney Castle and above one of the towers is an Archangel with a Keyblade in its right hand and sword in left hand surrounded by Keyblades and above the Archangel is a Hidden Mickey icon, Crown pendant, Keyblade, and the symbol of Kingdom Hearts and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a crimson red gem with neon crimson red lights equipped with recognition of him and fits an infinite number of items and component for his Miraculous, Familiars, and Bakugan to rest in. Suddenly, Max Goof felt a sharp pain on his now wider and more muscular back, and then, his massive white angel wings with golden tips on the large white feathers grew much larger for his new body and medium sized white angel wings with golden tips grew and sprouted out underneath his massive white angel wings, Max Goof has on his Ring of The Phoenix with large deep red gem with heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand and smaller planets orbiting around his fingers like rings.

Suddenly, Max Goof's massive Max Goof's Cosmic Eternal Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Phoenix God Angel Keyblade of Cosmic Eternal Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Phoenix God Angel Justice and all the greatswords and swords he'd gotten began merging together and they're surrounded by a kaleidoscope of white, gold, and red energy, stars, crosses, angels, swords, light, keys, Keyblades, phoenixes, and angels, and when it emerged, it was transformed into Max Goof's Cosmic Eternal Harmony

We were amazed by Max Goof's Super Angel-Disney Knight-Archangel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Roxanne saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding, but when Brad Uppercrust III saw it, he tried to break out of the chains, but Max Goof fired a massive barrage of white, gold, and red energy, stars, crosses, angels, swords, light, keys, Keyblades, phoenixes, and angels which hits Brad and sent him flying into a tree, he got back up, but he was so pissed off, his eyes turned yellow, and he was enveloped in darkness, and he transformed into a demonic skateboarding Heartless called THE INFERNAL SKATEBOARDER OF PRIDE AND MALICE!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from blasts of fire and lightning and air and the barrier really stood strong against them and we absorbed the massive blasts of fire and lightning and air and they made us even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of fire from anywhere, come out now, Ragnaros the Firelord and Al'Akir the Windlord, or we will force you out.

Two massive figures of fire and air came out, they were none other than Ragnaros the Firelord and Al'Akir the Windlord.

Lincoln: So, you've finally come at long last, Ragnaros and Al'Akir.

Ausra Valencia: But, now, your lives are about to come to a brutal end.

Suddenly, Ausra Valencia's red eyes turned neon red and she was surrounded by a green energy aura with stars, plants, leaves, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Ragnaros the Firelord and Al'Akir the Windlord, she left green energy, stars, plants, leaves, light, dragons, phoenixes, and angels with every step.

Asura Valencia: Your crimes have gone unanswered for eons, Ragnaros the Firelord and Al'Akir the Windlord, you two have caused nothing but pain and suffering to too many innocent people in your never ending quest to consume the world in everlasting flame and serve those parasitic Old Gods. You disgust me to no end, as The Avatar and Gene-Slammer of Hieratic Dragon of Asar and member of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Ausra Valencia was surrounded by a massive vortex of green energy with stars, plants, leaves, and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Dragon of Asar flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Ragnaros the Firelord and Al'Akir the Windlord: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: Ragnaros the Firelord and Al'Akir the Windlord have angered Ausra Valencia, and now, the rage of Hieratic Dragon of Asar is about to be unleashed.

Then, as the vortex faded, Ausra Valencia emerged, but she was changed forever.

Ausra Valencia grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large green planets orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long green hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon red eyes and a green energy aura with stars, plants, leaves, light, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Hieratic Dragon of Asar emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with red gems for eyes and holding the Star, Nature, Light, and Eternity Kanjis in its claws, she also has Hieratic Dragon of Asar with red gems for eyes and holding the Star, Nature, Light, and Eternity Kanjis in its claws for the second pendant on the bottom of her green dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and green gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Ausra Valencia felt a sharp pain on her back, and then, her massive green angel wings with red tips on the large green feathers grew much larger for her new body and medium sized green angel wings with red tips grew and sprouted out underneath her massive green angel wings and she also now has eleven massive and long green wolf tails with red tips and red markings, Ausra Valencia has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Ausra Valencia's massive nature greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of green energy, stars, plants, leaves, light, dragons, phoenixes, and angels, and when it emerged, it was transformed into Ausra Valencia's Cosmic Eternal Harmony Egyptian Hieratic Nature Fury Light Hieratic Dragon of Asar Phoenix God Angel Greatsword of Cosmic Eternal Harmony Egyptian Hieratic Nature Fury Light Hieratic Dragon of Asar Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded green gems and Hieratic Dragon of Asar and hieroglyphs etched on the 7'9" massive, wide, double-edged gold blade, large gold dragon heads with green gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold dragon heads with green gems for eyes and on the bottom of the large gold dragon heads is a large gold dragon head with green gems for eyes and green gem in its mouth for the pommel, Ausra Valencia has on her brand-new large gold Bracers of The Champions of The Universe with large green gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hieratic Dragon of Asar's head with red gems for eyes and green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. FURY HIERATIC DRAGON OF ASAR DRAGON PHOENIX GOD ANGEL LOVE!

We were amazed by Ausra Valencia's Super Angel-Hieratic Dragon of Asar Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Ragnaros the Firelord and Al'Akir the Windlord saw it, they went ballistic and fired blasts of fire, wind, and lightning at her to kill her, but Lincoln absorbed them and it made him even stronger, and she fired a massive barrage of green energy, stars, plants, leaves, light, dragons, phoenixes, and angels which hit Ragnaros the Firelord and Al'Akir the Windlord and sent them flying into another wall, they got back up, but now, they were enraged.

Me: No way, did Ausra just transform?

Lincoln: She did, now, we can tear Ragnaros the Firelord and Al'Akir the Windlord apart and make them pay for everything.

Ausra Valencia: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Egyptian Solar Nature Fury Hieratic Dragon of Asar Dragon Phoenix God Angel and Divine Cosmic Eternal Harmony Egyptian Solar Nature Fury Hieratic Dragon of Asar Dragon Phoenix God Angel Love) You said it, Lincoln. Ausra Valencia, Lincoln, and I went after Ragnaros the Firelord and Al'Akir the Windlord, who continued firing blasts of fire, wind, and lightning at us, but we continued absorbing them and we continued growing even stronger, and we fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Ragnaros the Firelord and Al'Akir the Windlord, and they exploded with incredible power as they hit them.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Ausra Valencia also did the same by firing green energy slashes from her massive greatsword, and he, Ausra Valencia, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it made Ragnaros the Firelord and Al'Akir the Windlord even more madder than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship

Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Ragnaros the Firelord and Al'Akir the Windlord, and then, Lincoln began absorbing Ragnaros the Firelord and Al'Akir the Windlord into his body as he and all of us assimilated Ragnaros' Godlike strength, Godlike durability, Pyromancy, Immortality, Vast armies, Minion creation, and Corrupting Influence and Al'Akir's total control over the sky, air, and storms, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Ragnaros the Firelord and Al'Akir the Windlord, and he banished Ragnaros the Firelord and Al'Akir the Windlord to The Black Abyss. Everyone cheered wildly for what Ausra Valencia, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Ausra Valencia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large green planets orbiting around her legs, smaller planets orbiting around her fingers, and massive green angel wings and medium sized green angel wings underneath are permanent.

Ausra Valencia: Reap what you have sown, you evil primordial elementals. Thanks for helping me take down Ragnaros the Firelord and Al'Akir the Windlord, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Ausra.

Me: My pleasure, Ausra.

Suddenly, Ausra Valencia wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ausra Valencia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Dragon of Asar flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light and plants and leaves behind them and we cheered wildly. Then, Lincoln and Ausra Valencia sucked in and absorbed the elemental forces and light and plants and leaves and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Ausra Valencia and hugged us.

Luna: No kidding dudes, you guys taught those monstrous fire elementals a lesson.

Luan: And Lincoln absorbed them and acquired all of their powers and abilities.

Me: And sent their black souls to The Black Abyss. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a cardinal made of light blue and red fire pass through the sky.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting tomorrow: Ashley Huoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Cardinal.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Ashley Huoyan is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of light blue and red fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Cardinal, along with having red angel wings along with having intense light blue and red fire powers. She's known as The Leisurely of The Sisterhood of The Fists of Fire, and she's known to be very calm and cool under pressure. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of light blue and red fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Ashley hates Luan with a blazing passion, because of all of the brutal pranks that she's pulled on Lincoln in the past and for all of her April Fools Day rampages, and in one incident on one April Fools Day years ago, she and Lincoln teamed up and they cut down all of Luan's pranks, and then, Ashley beat Luan up and that prankster was grounded for two months, and Luan earned

Ashley's hatred.

Nico: Oh boy, using pranks on a trained martial artist, that was a fatal mistake.

Me: Oh, I still remembered that. Ashley really despised Luan for what she put Lincoln through with all of her pranks.

Nicholette Torrington: What Luan did really angered all of us big time, and we were almost that close to going down and killing Luan.

Nico: Yeesh.

Lincoln: Luan got beaten to a pulp by Ashley and we hoped that she learned her lesson, but apparently not. Because of Dark Luan's desire for revenge, she didn't stay clear of them, and she'd always get beaten up into a pulp and had to spend a month in the hospital.

Eli: Ouch.

Me: No kidding.

Nico: Yeah. Great job today everyone.

Max Goof: (To the viewers) This was such an awesome adventure.

Me: Yeah it was.

We went back home and enjoyed the rest of the day and went to sleep.

Camie: Yeah I agree.

Lola: Yeah.

Xenia: That is for sure.

Qin: No kidding.

Me: Yeah I agree.

Nico: Yep. Hiryuu, I want to thank you, Another Ex Aid, and your teams for coming.

Hiryuu: No problem Nico. This is gonna be awesome.

Camie: Yeah.

Nico: Aura, remember when we first met?

Aura: How can I forget. It was when I went with you guys on that field trip camping in the Sawtooth Wolf Sanctuary in Idaho.

Nico: Yeah that was fun.

Me: That is cool that you got to go there. Wolves are my favorites because it's not only my spirit animal but also they are so beautiful.

Zarya: Yeah they sure are.

Sakura Knudson: I agree there.

Aura: Yeah. Wolves are awesome. But I'm more a deer person myself.

Xenia: That's cool.

Nico: Yeah. But that was still fun.

Maria: Wow that is cool.

Nico: We even took pictures.

He showed us pictures on his phone of what that was like. We saw them with wolves, their classmates sleeping in Yurts like those in Kazakhstan and having fun making s'mores and more.

Me: Boy you guys had a lot of fun.

Camie: I'll say.

Nico: Yeah it sure was.

Qin: Good times there.

Lola: Wow.

Me: Yeah. Man yesterday was cool though.

Varie: It sure was.

Nico: Yep. And we've seen the last of Brad Uppercrust III.

Eddy: (laughs) I like what Naruto did!

Nicole: (LAUGHS) Yeah that was funny.

Me: Yeah.

Nico: That was funny!

Nicole: No harm using pervert jutsus like that on bad guys.

Nico: True. But that was awesome.

Fu: It sure was.

Lola: Yeah.

Nicole: Besides we already knew about Brad being a pervert anyway and that was used to our advantage.

Nico: It sure was. Thank goodness Jiraiya wasn't there.

Maria: Before that we partied hard.

Me: We sure did. Colleges are known for having some of the most wildest parties.

Nico: That is true. Especially with the Fraternity and Sorority houses.

Qin: Yeah. And those can get nasty.

Me: But the houses the Frat clubs live in are cool.

Lola: Yeah.

Qin: They sure are.

Camie: Yeah. But it was funny seeing the mascots get drunk there.

May: (LAUGHS) Yeah and how Poliwag farted smoke.

WE LAUGHED!

Qin: Yeah that was funny.

Nico: The Bolton girls got drunk too

Me: They sure did.

Lola: Boy no kidding.

Me: But the Fraternity and Sorority houses don't have wild parties like they did back in the old days. Now you can get in big trouble for parties like that.

Nico: Really? What did they do?

Me: Pretty much like what you saw in the Frat Universe. Drugs, beer, alcohol, pretty much anything. Now we don't do that anymore.

Nico: Good.

Me: Thank goodness I am doing my college courses online.

Lisa Loud: Indeed.

Xenia: It's much safer and cheaper.

Nico: Yep. Thank goodness.

Maria: What do you guys wanna eat?

Nico: Oh I'm having Lincoln make barbecue.

Lincoln was cooking at the barbecue in the park and he was making burgers, hot dogs and barbecue chicken.

Lola: Awesome.

Lincoln: Almost ready guys.

Camie: Okay.

Qin: Yeah.

May: I can't wait to eat them.

Nico: I know.

Lola: It'll be awesome.

Qin: It sure will.

Me: By the way Qin that is so cool that you are the next Elemental Maiden. We never even heard about this kind of power.

Nico: Yeah that is awesome.

Qin: It sure is. You'll see more of it in action soon.

Me: Looking forward to it.

Nicole: It's really amazing.

Xenia: Wow.

Lincoln: It's ready!

We got burgers, sandwiches and hot dogs.

Me: (Eating hot dogs) Mmm! Delicious Lincoln.

Nico: (eating Burgers) Mmm! Yummy! Good job Lincoln.

Lincoln: Thanks Nico.

May ate some

May: (Eating Chicken Sandwiches) Mmm! Yummy.

Lola: (Eating Burgers) Yummy.

Twilight Sparkle: (Eating Burgers) Delicious Lincoln.

Lincoln: Thanks guys. This was fun.

Qin: Yeah.

Maria: (Eating Hot dogs) Yummy and good.

Nico: Yeah.

Maria ate some.

Maria: (eating) Lincoln did a great job.

Nico: He sure did.

Me: Yep. Don't give him a swollen head guys.

Nico: Sorry.

May: Let's give these to the mascots.

Me: Good idea.

Qin: I agree.

Me: Yeah.

Lincoln: Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: May, Manaphy, are you familiar with someone by the name of Laura Phantas?

May and Manaphy gasped in shock!

May: LAURA PHANTAS?! Oh no, not that vengeful madwoman!

Manaphy: She's back?!

Nico: Oh man. May, who is she?

May: Someone I thought I'd never see again. Laura Phantas is a Pokemon trainer like me, and she hates us with a vengeance. The reason is she lost to me and Manaphy in the past and she vowed revenge.

WE GASPED!

Nico: WHAT?! Oh, if that bitch thinks she's going to hurt you and Manaphy, she's got another thing coming! If she's here to kill you, I'm gonna make her… !

May: Whoa, take it easy, honey. She's not here to kill me, she wants a Pokemon battle.

Me: OOH! This will be interesting.

Nico: (Cools down) Oh, well, that's different. But, she's still way too dangerous and obsessed with getting revenge on you, after we defeat her in a Pokemon battle, we're slapping the cuffs on her and throwing her in The Uranus Prison in Solitary Confinement where she'll spend eternity there.

Me: Good idea.

Lincoln: Too bad for her we all came prepared with our Pokemon.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: So, instead of our usual beatdown and thrashing, it's going to be a Pokemon battle, but we got to still stay alert with the Heartless loose along with any Militia troops.

Lincoln: We'll keep an eye out for them, and I also picked up on some leftover grunts of Team Rocket still out to destroy us, so they're definitely going to be absorbed.

Me: Yeah.

Qin: Been a while since we battled Team Rocket Grunts.

Me: Looks like more of them came out.

Varie: They sure did.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Laura Phantas) AHA! Gotcha! I just spotted Laura Phantas, she's 20 yards away, and she's heading towards May and Manaphy in a fit of rage.

Nico: Oh shit. Let's head there right now and teach her a lesson!

Lincoln: We'll be sure to leave our mark on her after we defeat her. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Laura Phantas.

Captain Marvel heard a Pokémon cry

Captain Marvel: Hey guys look!

We saw a Mega Aurorus!

Me: WHOA! A Mega Aurorus!

Xenia: Beautiful.

Me: Oh and the poor thing is hungry.

Captain Marvel: Yeah.

We gave it some apples.

Mega Aurorus: Thank you so much.

She ate them.

Me: Wow she was hungry.

Nico: Yeah. Feel better.

She nodded.

Captain Marvel: Good. Want to come with us?

Mega Aurorus: I would be honored.

Me: Awesome.

Captain Marvel: You won't regret it.

Me: Luckily I came prepared for this. Watch.

I pressed a button on a remote and the park opened and out came a POKEMON BATTLE ARENA!

Xenia: WHOA!

Nico: You installed a Pokemon Battle arena for this!?

Me: Yep. I've had a lot of free time lately. This will come in handy for this.

Nico: Nice.

Eddy: We're still doing combos.

Nico: Yep.

Me: Only after the battle is done.

Ash: Boy just like old times huh?

May: It sure is. Nico would you like to be referee?

Nico: I would be honored.

Laura came out and she was a girl with blond hair and blue eyes and black clothes.

Lincoln: There's Laura Phantas. (Sees Heartless emerging) Oh boy, and now, we got Heartless crashing the fight. Better take care of them.

Lincoln summoned a massive horde of Keyblades made of light and he sent them right at The Heartless army, and all of them were slain by them and we absorbed their negative energy and gained a massive power boost, and when Laura Phantas saw May and Manaphy with us, she let out a scream of rage as we landed.

May: Laura. I should've known you'd show up, I almost thought that you were a forgotten memory.

Manaphy: But, your hatred towards me and Mama is still as dangerous as ever.

Laura Phantas: And I swore I would get my revenge on the both of you!

Me: So you are Laura Phantas.

Laura Phantas: That's right. An honor to meet you J.D.

Me: Same here. What kind of Pokemon do you like to use?

Laura Phantas: I'm a Ghost Pokemon master.

Me: Wow.

Xenia: This is gonna be a challenge.

Sebastian Mendez: How petty and pathetic. Just because you lost against them, you desired revenge on them and hated them with a vengeance, you're just a damn sore loser bitch! (Midnight blue eyes turn demonic red)

Laura Phantas: YOU LITTLE!

Sebastian summoned an army of ghosts from the darkness and that got her to back off.

May: I already know how we're going to settle it: a Pokemon battle just like before, but we're not the same back then.

Manaphy: That's right, we'd continued to grow stronger. Oh, and if you even think of trying to use any dirty tactics, Sebastian will send much worse after you, and he takes no prisoners!

Poromon: And he never ever shows mercy to people like you.

Laura Phantas: (GROWLS)

Suddenly, an army of Team Rocket grunts came out to attack us, and Sebastian charged out with his dark greatsword in hand and slain every last one of them as he cut them all down and wound up drenched in blood.

Qin: That was just to prove Poromon and Manaphy's warning, bitch.

Me: Okay lets get it on.

May and Laura got ready.

Me: Ash this is gonna be cool.

Ash: It sure is.

May: Beautifly I chose you!

She called out Beautifly!

Laura: Now this! DHELMISE!

She called out Dhelmise!

Me: Whoa she called out a Dhelmise! Nice.

Admiral Eleanor Logan: Aye matey. Good choice for the lass.

Mega Aurorus Charged at her. But then grunts came. Mega Aurorus blasted them.

Me: Can't have the grunts get in the way.

Nico: AND BEGIN!

May: Beautifly SOLAR BEAM!

She fired a Solar Beam blast and blasted down!

IT'S SUPER EFFECTIVE!

Dhelmise fainted!

Nico: DHELMISE IS UNABLE TO BATTLE! BEAUTIFLY WINS!

Me: Way to go May!

Nico: YEAH!

May sent out Glaceon next!

May: GLACEON I CHOOSE YOU!

Glaceon was ready!

Glaceon: I'm ready now!

Laura: Wait all Pokemon can talk?

May: Only those with us now.

Me: Turns out Meowth on Team Rocket is now not the only Pokemon that can talk.

Meowth: He's right. Now many of us can talk. As you can see Manaphy can too.

Laura: Wow. GENGAR I CHOOSE YOU!

She called out GENGAR!

Me: WHOA! Gengar now!

Selena Vega: This one is gonna be a challenge.

Glaceon: Bring it on!

Nico: GENGAR VS GLACEON BEGIN!

Laura: GENGAR USE SHADOW BALL!

He formed a ball of darkness and fired it!

May: Dodge and use FREEZE TACKLE!

Glaceon ran fast and was enveloped in a vortex of ice and she ran and smashed Gengar down with devastating force!

IT'S SUPER EFFECTIVE!

GENGAR FAINTED!

Me: WHOA! That's a new move!

Nico: GENGAR IS UNABLE TO BATTLE! GLACEON WINS!

Me: WAY TO GO MAY!

Nico: Freeze Tackle? That's new.

Glaceon: I learned that move a while back.

Nico: Wow!

Laura: Impressive. But how about this one. TREVENANT!

She called out TREVENANT!

Me: WHOA! Trevenant!

Abigail Arborea: This is gonna be cool!

Qin: YEAH!

May: BLAZIKEN LETS GO!

She called out her Blaziken!

Blaziken: I'm ready!

Nico: BLAZIKEN VS TREVENANT BEGIN!

May: Time for the grand finale!

She flared up a red aura and activated her Z-CRYSTAL!

WE GASPED!

Me: WHOA! What power!

FIRE!

May: INFERNO OVERDRIVE!

She and Blaziken fired a massive fireball and it hit Trevenant and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Trevenant was down and out!

Me: WHOA! WAS THAT A Z-MOVE!?

Ash: Yeah it sure was!

Qin: WOW! That was powerful!

Nico: TREVENANT IS UNABLE TO BATTLE! MAY WINS!

WE CHEERED FOR HER!

Eddy: Is it done?

May: Yeah it is!

Me: Wow! That was incredible!

Nico: Awesome job May!

May and Manaphy won the battle and Laura Phantas was defeated.

May: It's over, Laura, you've lost again.

Laura Phantas: I don't care, I will have my revenge on you!

?: (New York Accent) (Nasally Voice) Ah, go stick your head in a bucket full of glue!

Lincoln: Uh oh, I'd recognize that voice from anywhere!

Suddenly, we saw a girl with long crimson red hair, red eyes, massive red angel wings with red aura surrounding her, she has the Changeman symbol on her forehead and red sleeveless dress, and she's dressed in red clothes and has a light greatsword in hand.

Lincoln: Fran Anderson, Avatar of The Changeman, I knew it was you. Now, then, you've lost fair and square, Laura.

Laura Phantas: Damn it, I hope Flip, his brother, and his cousin tear you all apart! I still will make sure you all pay! Time for a fist fight!

Me: Now that is something we can do!

Xenia: Lets get her!

Mega Aurorus charged at her and fired an Aurora Beam.

Nico: YEAH!

Qin: Take that.

Nico: OH YEAH!

Lincoln: Aha, I knew we'd be facing that mutant cheapskate, his brother, and his cousin! Well, we've got a few surprises for that mutant, and as for you.

Manaphy: Lets get her!

May: Right! Top this!

FAIRY!

She flared up a pink aura.

She fell to the ground with Manaphy still on her face.

Lincoln slapped handcuffs on Laura Phantas' wrists and beamed her to The Uranus Prison and to her cell in Solitary Confinement, and Lincoln even used a heated branding iron and branded the word, Loser, on her forehead: symbol of her eternal damnation.

Nico: That'll teach her. So, Lincoln, you going to introduce us?

Lincoln: Sure. Everyone, this is Fran Anderson, Avatar of The Changeman, she's my Guardian Angel from the neighborhood of Flushing in Queens, New York, she's a street smart young girl who's an amazing fashionista and she's also an expert in cosmetics, and she comes from a very huge family and she gets into trouble with whatever shenanigans arise. But, she's also a master of light and auras, and when some punk tries to cause trouble, she knocks them down and out. She and her family moved to Royal Woods and she met me, and immediately, it was love at first sight. I met her family and extended family, and even i was stunned at just huge her family was, it was just like my family, and whenever she's not getting out of trouble from whatever shenanigans arise, she's spending time with me and training me on how to use the auras and mastering the power of light.

Nico: Wow!

Lincoln: And I made her a light greatsword, and to show thanks, she kissed me on the lips, but that of course, didn't go unnoticed by her mother who blabbed to the entire family, and I promised that when he comes of age, he'll marry her along with the rest of his harem, Fran's also really good friends with Leni and they worked together when it comes to fashion, and she should know because before Fran moved to Royal Woods, she worked at a clothing store in New York, and Fran really hates Lori with a blazing passion because of her heartlessness, her attitude, and her hatred towards me, and Fran's used her loud voice and big mouth to drive Lori away and send her running for the hills!

Qin: Yikes!

Me: Mess with a girl from Queens, New York, and you won't like what's going to happen to you!

Nicole: She's sent Lori running for the hills, or in this case, running back to her room.

Fran Anderson: Honey, when I raise my voice, I send the moron running for the hills. Oh, that reminds me, now that I'm back, Ma's going to tell the rest of the family, so you all might want to get the place ready.

Nico: It's like she's got a built in radar to find out if you're back in town.

Lincoln: I've seen it for myself, and it's so good to see you again, Fran.

Fran wraps her arms around Lincoln's neck and she gave him a long kiss on the lips which he returns as he wraps his arms around her.

Luna: Well, that's one way to say, "You too", to Lincoln.

Me: Yeah.

Nico: No transformations this time?

Me: Nope. We only do that when there's a major threat.

Nico: Okay then.

Qin: Yeah but it was cool though.

May: It sure was. Just like old times huh Ash?

Ash: You said it May.

Pikachu: Pika!

Nico: Nice job Mega Aurorus!

Mega Aurorus: Thanks Nico. It was fun.

Lola: Yeah!

Poromon: Want some beer?

Mega Aurorus: Oh no thanks I don't drink.

Poromon: Okay then.

Poliwag: (Does puppy eyes.) Pwetty Pwease?

Nico: Poliwag that's enough.

Mega Aurorus: Besides the Puppy Eyes don't work on me pipsqueak.

Poliwag: HEY!

Nico: She's just being friendly.

Qin: Yeah.

Bebe: I should've spent more time drunk yesterday

Nico: That was a fun party though.

Lola: Yeah.

Joan: Not that I'm complaining but we should've been drunk longer

Qin: Yeah.

Xenia: But that was a good time.

Lola: It was.

Nico: Yeah.

Bebe: Can you remind me why we couldn't be drunk for long?

Nico: Because of our powers.

Bebe: Oh right.

Qin: Yeah.

Nico: Most of the time it's J.D. snapping his fingers.

I whistled innocently and I had a halo over my head.

Joan: You're right.

Nico: There was also the fact that you girls don't have boyfriends yet.

Bebe: You're right on that.

Joan: That is true.

Stacy: Too true.

Lola: Yeah.

Nico: Yep. (LOUD FART) Oops sorry.

Qin: Nico you silly.

Maria: Not you, Stacy. You have Roy as a boyfriend

Stacy: I know. Just adding to the fun.

Maria: Oh.

Nico: Okay.

Me: We'll find them boyfriends later.

Eli: Yep. Now for the fun part.

Me: The Anothers.

Nico: Another Ex-Aid?

Eli: Yep. (Concentrates) Whoa not just him but also Etherious Natsu Dragneel, Universe 666 Doomsday (Justice League Unlimited), Flip (Little Nemo), Toilet Mandy and Fighting Flea

Nico: Cool!

Qin: Yeah!

Me: So Hiryuu Tsurugi, Aura Stag Flame, Aura Borealis, Nala Nal, Hannah Knightly and Mulan Zhengyldoushi are up.

Nico: Yep.

Eli: And I sense that the anothers minus Another Ex-Aid are one person. But the Another Ex-Aid is actually 11 PEOPLE!

WE GASPED!

Me: 11 people in 1 Another!?

Nico: That is REALLY Unhealthy!

Qin: Yeah no kidding!

Nico: There they are!

Out came ANOTHER Etherious Natsu Dragneel, Universe 666 Doomsday (Justice League Unlimited), Flip (Little Nemo), Toilet Mandy and Fighting Flea!

Me: This will be awesome.

Another Flip: (In a girls voice) It sure will.

Me: (GASP) That voice.

They merged and she reverted back and it was a girl with green hair, green eyes, green clothes and green wings and had a tiara with the symbol of the Willow Dopant on it and on her skirt and a wood sword in her hand.

Me: Winona Willow! Awesome!

Winona Willow: Awesome to see you again J.D.

Me: You too. Boy normally the Dopant Embodiment appears last. But not this time.

Winona Willow: I know. But this time is different.

Nico: I can tell.

Maria: Because there are 11 people

Winona Willow: That's right. And you're going to be in for a surprise seeing them.

Nico: Are they friendly or hostile?

Winona Willow: Friendly and you're going to be really amazed.

Nico: Wow.

Qin: This will be interesting.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Maria: Time for backup. (TURNS DIAL) DESTINY BRIGADE 6!

She summoned Destiny HERO Diamond Dude, Dreadmaster, Dogma, Fear Monger, Evil Bounce Man (Mega Man) and Dread Servant.

Nico: And now, we wait.

Me: We don't have to wait long!

We saw ANOTHER EX-AID 2!

Qin: WHOA!

Me: This is gonna be good.

Another Ex-Aid 2: (In 11 Girls voices) It sure will be.

Nico: (GASP) THOSE VOICES!

They split into 11 people and they were the gene-slammers of THE DARK GENERALS OF THE BAGRA ARMY!

Nico: (GASP!) Geneva Grand Genera, Diana Dorbick, Nadia Neo Myotis, Sallia Splash, Olga Oleg, Zahlia Zamiel, Gianna Gravi, Adara Apollo, Layla Lilith, Marle Mermaid, and Kilauea Volcdra!

Me: WHOA! The gene-slammers of GrandGeneramon, Dorbickmon, NeoMyotismon, Splashmon, Olegmon, Zamielmon, Gravimon, Apollomon, Lilithmon, Mermaidmon and Volcdramon. Volcdramon is not part of them though.

Geneva Grand Genera: That's true. But Nico it's awesome to see you again.

Diana Dorbick: It sure is.

Nico: Boy you girls are looking great.

Nadia Neo Myotis: You too Nico.

Me: This is amazing. And we battled each of the Dark Generals in the Digital World during Piper's missions in 2021.

Piper Willowbrook: Yeah it was part of a strategy we had before we faced MegaDarknessBagramon.

Nico: Yeah.

Sallia Splash: We heard all about that and that was very amazingly well planned.

Zahlia Zamiel: It sure was. Well done.

Piper: Thanks. It was awesome.

Me: Can you girls tell us more about yourselves?

Geneva Grand Genera: Sure. I'm Nico's friend from history class and we studied a lot on various topics.

Diana Dorbick: I'm Nico's friend from Augusta, Maine and a great lobster chef.

Me: Maine is known for having awesome seaside lobsters to eat.

Nadia Neo Myotis: I'm Nico's friend from Bowling Club and a good bowler.

Sallia Splash: I met Nico in a waterpark and we have a lot of fun.

Olga Oleg: I'm Nico's friend that's a great treasure hunter.

Nicole: Welcome to the Treasure hunting party.

Zahlia Zamiel: I'm Nico's friend that's an Archaeologist and I know a lot about the forest and history of the world.

Gianna Gravi: I'm Nico's friend from space camp that knows about the gravity of planets.

Adara Apollo: I'm Nico's friend from Science class and I know a lot about the sun.

Layla Lilith: I'm Nico's friend from chess club and I'm a goth girl.

Brittney: You would make an awesome addition to the Goths of Darkness.

Marle Mermaid: I'm an undersea treasure hunter and know a lot about fish in marine biology.

Kilauea Volcdra: And I'm Nico's friend from Hawaii and a master of Earth Science.

Me: Wow! You all have amazing fields in all that.

Xenia: Yeah.

Geneva Grand Genera: We sure do. We're also experienced in Digimon Video Games.

Nicole: Awesome! Welcome to the video game club too.

Nico: Yep.

Me: I wonder if there's a gene-slammer of MegaDarknessBagramon himself.

Nico: Don't jinx it.

Me: Sorry.

Maxxine Smythe: You know what's cool is that GrandGeneramon is my archenemy and that is awesome.

Geneva Grand Genera: That is awesome.

Kaito: (gets out Go Busters' gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger gear) Because we can grant it instead.

Kaito got a Beast X Blaster and Zocks got a Super Megaforce Cannon.

Zahlia Zamiel: No he didn't. Because he was really scared of all of us.

Kilauea Volcdra: Yeah because we were the gene-slammers of the Dark Generals he knew that the gene-slammer of MegaDarknessBagramon was not far behind. So he let us go.

Nico: Yikes.

Me: I'm not surprised.

Mikey Kudo: Yeah MegaDarknessBagramon gave me and the fusion fighters a nightmarish challenge.

Me: With the power of 20 Super Ultimate Level Digimon it was incomprehensible and impossible for him to top that. Minus our power.

Marle Mermaid: That is too true.

Sougo: (Gets out Beast Morphers' Ridewatch) Those missions were one of the best ones JD and the others went on.

Geiz: (Gets out Super Megaforce Ridewatch) And me and Sougo didn't even join the team back then.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor.

Me: Yeah and it was all done on Christmas of that year. That was so much fun.

Kilauea Volcdra: That must've been fun for you all.

Zahlia Zamiel: We also heard about how Officer X was giving the mascots a REALLY hard time too. We're sorry you guys had to go through all that.

Poromon: It's all right Zahlia.

Poliwag: But now he's locked up in the Saturn Nuthouse.

Geneva Grand Genera: Good he can stay there.

Piper: No kidding.

Lincoln: Lets separate you girls first.

Lincoln did so.

Me: Time to face Another Ex-Aid 2!

Qin: YEAH!

Maxxine: Lets get him bro!

Maxxine and the Zi-O Riders: HENSHIN!

They transformed and were ready!

Nico: (gets out Another Ex Aid's Ridewatch) I'll clear this with no continues!

Nicole: With the power of the help of the goddess of Video Gaming.

Kopaka: Lets make this icy and fun!

May: (Gets out Universe 666 Doomsday (JLU) Ridewatch) I'm here to kill you. Is this a bad time?

Maria: (Gets out Toilet Mandy's ridewatch) I may not be a potty mouth but this is fucked up crazy!

Aura Flame Stag: (Gets out Etherious Natsu Dragneel's Ridewatch) Time to burn!

They used the powers of Another Ex-Aid, Etherious Natsu Dragneel, Universe 666 Doomsday (Justice League Unlimited), Flip (Little Nemo), Toilet Mandy and Fighting Flea and blasted the Another.

Then Lorelai, Thunderclap, Garudostorm, The Monolith Monsters, Mantis Malgam and Gynakamakil came.

Me: WHOA!

Nico: Nice team Lorelai.

Lorelai: Thanks Nico.

Me: Mai Valentine and her team are next.

Lorelai: They sure are.

Mai Valentine: Looking forward to it

Me: Awesome.

Gynakamakil: Yep and I chose Zuzu as my archenemy.

Luan: Hey wow! Looks like Zuzu is getting her legend items early.

Me: She sure is.

?: Awesome

Then Tyrannomon came!

Me: WHOA! Tyrannomon!

Nico: Wow!

Tyrannomon: (In a girls voice) This is gonna be hot.

Nico: Tina Tyranno!? Whoa!

She reverted back and was a girl with red hair, red eyes and had red clothes and red fire angel wings and had Tyrannomon on her forehead and skirt and a lava sword.

Tina Tyranno: It's awesome to see you again Nico. Lets finish this Ex-Aid imposter!

Maxxine: You got it!

The Zi-O riders slashed him!

Tina Tyranno: (ECHOING) BLAZE BLAST!

She fired a massive blast of fire and blasted the Another and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead! I caught the ridewatch and it shattered into a million pieces.

Me: Well that's okay we already have an Another Ex-Aid ridewatch.

Nico: Yeah. I'll fix that.

Nico did so and I purified it.

Me: Thanks.

Qin: That was awesome!

Xenia: It sure was!

Lola: Yeah! Tina do you have a favorite memory of Nico?

Tina Tyranno: I sure do. I'm a paleontologist and my favorite memory is when me and Nico dug up this.

She showed a photo of a small dinosaur.

Nicole: WHOA! That's a Meraxes gigas! This lived in Cretaceous Patagonia, Argentina back over 95 million years ago.

Me: I've never seen a dinosaur like that before.

Tina Tyranno: It's a fairly new fossil. But yeah.

Nico: That was cool.

Lola: I'll say.

Nico and Tina hugged.

Nico: I've missed you.

Tina Tyranno: Same here.

We went back home.

That couldn't go on, so we're going to destroy him for good and send him to The Black Gates.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got bad news. Mathias, would you explain?

Mathias Ravenclaw: Right. It appears that another old enemy of my past has returned, a dangerous dark wizard by the name of Matthew Shadowthorn, and he's just as dangerous as Alecto Slytherin, but he's not a follower of that racist or his racist ancestor, Salazar Slytherin.

Me: If not, then, why is he that dangerous?

Mathias Ravenclaw: He's the most dangerous and bloodthirsty serial killer in New York and the world of wizards and witches, he killed a lot of people during his murderous rampages that he went on and I despised him big time.

We gasped.

Nico: So, we're going to kill him and make him pay for everything he's done, right?

Mathias Ravenclaw: That's right.

Hiryyu Tsurugi: We better find him and fast before he kills again.

(CHINESE MUSIC PLAYS)

Suddenly, we saw a cardinal made of light blue and red flame pass through the skies.

Lincoln: The cardinal made of light blue and red flames, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with light blue streaks and light blue headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless light blue crop top, white bridal gloves, crimson red skirt, light blue stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, light blue fire, red flames, cardinals, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Cardinal, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the eight girls.

Lincoln: (GASPS) Ashley Huoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Cardinal.

Ashley Huoyan: That's right, and I got the girls away from Matthew Shadowthorn before he could kill them, but he's heading here right now.

?: YOU BITCH, HOW DARE YOU RUIN MY LATEST MASTERPIECE!

We then saw our target: a man with black hair, red eyes of hate, and dressed in a black version of Mathias Ravenclaw's clothes, it was Matthew Shadowthorn, Mathias Ravenclaw's hated old enemy.

Mathias Ravenclaw: You stupid bastard, I should've known you'd come back! Time to die!

Mathias Ravenclaw jumped Matthew Shadowthorn, and almost immediately, Mathias threw a ton of punches and kicks, and it led to them being enveloped in a massive fight cloud. Then, Mathias kicked him out of the fight cloud, and into a tree, and that got him pissed.

Sylvester: Okay, we better take care of this loser before Mathias tries to pummel him again!

Mathias Ravenclaw: I've had it up to hear with you! PETRIFICUS TOTALIS!

Mathias Ravenclaw fired a beam of magic from his staff that hit Matthew Shadowthorn and froze him stiff as a board, but then, Lincoln grabbed him by the face and he sucked out all of his energy and magic, and that caused him to turn to dust and he was sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: That's one less dark wizard running loose and another enemy from your past taken care of, Mathias. (To Ashley Huoyan) And it's so good to see you again, Ashley.

Ashley Huoyan: You too, Lincoln, it's been seven years since we last met.

Suddenly, Ashley Huoyan perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Ashley Huoyan were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Ashley Huoyan: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Ashley Huoyan and hugged her, and Ashley Huoyan is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you

were seventeen, and as you can see, I really grew a lot since then.

Ashley Huoyan: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Ashley Huoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Cardinal, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of light blue and red fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of

Brotherhood of The Fire Fist - Cardinal, along with having red angel wings along with having intense light blue and red fire powers. She's known as The Leisurely of The Sisterhood of The Fists of Fire, and she's known to be very calm and cool under pressure. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of light blue and red fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Ashley hates Luan with a blazing passion, because of all of the brutal pranks that she's pulled on Lincoln in the past and for all of her April Fools Day rampages, and in one incident on one April Fools Day years ago, she and Lincoln teamed up and they cut down all of Luan's pranks, and then, Ashley beat Luan up and that prankster was grounded for two months, and Luan earned Ashley's hatred.

Nico: Sheesh, so Luan's dangerous prank pulling got her beaten up by Ashley after you guys put an end to her pranks.

Fran Anderson: Along with getting grounded, but Mrs. Loud didn't hand her a punishment, I consulted The High Priestess of Punishment for that clown.

Lincoln: Fran told her mom, and she decided on a more cruel and unusual punishment for Luan, she was sent to the retirement home to spend time with her Grandma Greta, and when she came home, Luan got to her knees and apologized.

Eli: Yikes!

Me: I was still stunned myself.

Lincoln: Luan didn't expect Fran to consult her mom in terms of her punishment, and now that you're here, Ashley.

Lincoln leaned his head down the right side of Ashley Huoyan's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Ashley Huoyan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ashley Huoyan with red gems on the gold lightning bolts and white crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Ashley Huoyan: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ashley Huoyan.

Ashley Huoyan had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ashley Huoyan's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ashley Huoyan had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Rinka Nonomiya, Sora Nonomiya, Ayaka Nonomiya, Minori Nonomiya, Himari Nonomiya, and Momoko from Sister Lesson and the Simulator versions of Emma Sano and Hinata Tachibana from Tokyo Revengers.

Lincoln: Oh wow, it's Rinka Nonomiya, Sora Nonomiya, Ayaka Nonomiya, Minori Nonomiya, Himari Nonomiya, and Momoko from Sister Lesson and the Simulator versions of Emma Sano and Hinata Tachibana from Tokyo Revengers.

Nicole: So, those were the girls who were here. Ashley did great getting them away.

Lincoln: She did. Are you girls okay?

Rinka Nonomiya: Yes, we're okay, thanks to you.

Then, when Rinka Nonomiya and the other seven girls saw who it was that saved them from Matthew Shadowthorn, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with Rinka Nonomiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Rinka Nonomiya: (Seductive Voice and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rinka Nonomiya, Sora Nonomiya, Ayaka Nonomiya, Minori Nonomiya, Himari Nonomiya, Momoko, and the Simulator versions of Emma Sano and Hinata Tachibana with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the enemy we went after was another of Mathias Ravenclaw's dangerous enemies, a dangerous dark wizard by the name of Matthew Shadowthorn.

But, when Lincoln showed what we all did in viciously beating that dark wizard down and Lincoln grabbing him by the face and sucking out all his energy and magic and sent him to The Black Gates, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Ashley Huoyan have a lot of catching up to do, now that she's back in town.

Maria: Yeesh, so you had to deal with another dangerous dark wizard from Mathias' past, just how many enemies did Renee's brother make?

Lincoln: We probably don't want to know.

Nico: If anything, I think he's made a lot of enemies that don't compare to the number of enemies you, J.D., or I have, Lincoln.

Me: He's right, the enemies we have are numerous, but they're just as dangerous and really insane.

---

After Lincoln and all of us beat Matthew Shadowthorn down and Lincoln sucked out his energy and magic and sent him to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ashley Huoyan saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ashley Huoyan: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ashley, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Ashley Huoyan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Ashley Huoyan: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Panda Faye Ling: Now, I've got a memory that Ashley had with Lincoln while he was training with her, and it led to Luan's pranks getting foiled and getting beaten to a pulp by her brother.

Panda Faye Ling put up a video on the big screen, and it showed Ashley Huoyan training with Lincoln at the gym, Ashley Huoyan was in a crimson red sports bra, crimson red shorts, and red knee-high boots, and Lincoln was only in crimson red gym shorts and he also had on black knee-high boots, and they were sparring with one another which ended with Lincoln taking her down with a leg sweep causing her to lose her balance and land on the mat, and he pinned her down. He got off, and he helped her up, and they really worked up a sweat.

Past Ashley Huoyan: Phew, that was one intense sparring. You've really been improving a lot and practicing on the side without letting that deranged homicidal prankster clown finding out, Lincoln.

Past Lincoln: Thanks, Anala. But, I don't know how long it'll be before Luan finds out.

?: YOU ARE ALL GOING TO DIE LAUGHING! (LAUGHING LIKE A PSYCHOPATHIC MADMAN)

Suddenly, the alarm sounded and the rest of The Guardian Angels came, and to their disgust, Luan showed up and littered the entire outside area of the gym with lethal pranks!

Past Emily Lane: Again, Luan?! That's it, I'm gonna beat you down and have you hanging with your panties tied to a tree branch again!

Past Lincoln: No, Emily, I'm taking her down, it's payback time for what she did for all her pranks that April Fools Day!

Lincoln flew out to the roof of the gym, and he fired energy blasts that dismantled all of Luan's pranks, and then, he proceeded to trash Luan with his martial arts moves as he punched and kicked her all over the place. Luan let out another insane laugh and ran at Lincoln with a knife, but he dodged her and punched her in the stomach and she fell down like a ton of bricks. Then, he grabbed her and threw her into the air as she was sent flying back to the house where she was chained up by me and Varie, and she wound up thrown in a cage again.

Past Ashley Huoyan: That was really impressive, Lincoln! You dismantled all of her pranks on the roof, and then, you swooped in and took her down hard, you were like a fierce tiger, and that heartless madwoman stood no chance.

Past Lincoln: She unfortunately made me even stronger, and that really led to her getting a nasty dose of karma.

Then, Lincoln wrapped his massive muscular arms around Ashley Huoyan and he leaned his head down to her face and they kissed as the video ended.

Nico: Whoa! That was really awesome, Lincoln!

Nicole: I still remembered that incident all too well, but Luan was basically asking for trouble.

Luna: It found her big time, and Emily was that mad at her, she wanted to beat her down and have her hanging by her panties tied to a tree branch again. Lincoln stopped her from doing so, but Luan was on permanent thin ice with her and all of the Guardian Angels who hated her.

Anna Anyanova: This was the very thing many of us Guardian Angels swore to do to Lori, Lynn, Lola, Lisa, and Luan if they dared to go after Linky one more time.

Lynn Sr.: We knew Luan was at it again when Lincoln sent her flying back to home, she came flying in through the open door and we saw the remains of her ruined pranks.

Me: Lincoln underwent training with Laney on how to ruin her pranks one by one, and that succeeded in every way imaginable.

We got a shower, and then, Lincoln, Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa are heading to Lake Lamode.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Daki: Wow, so this is Lake Lamode. It sure is beautiful.

Lincoln: It sure is, Universe 666 Daki, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking

Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa are in your harem, Linky.

Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Daki, Universe 666 Nakime, and Universe 666 Sedusa, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Luan, Camie and Kairi's second mission.

Nico: Anyone else want to go with Camie, Luan, and Kairi? Besides Troy, Tyler Bowman, and Tahu?

Pyrrha: I'll go.

Radioactive Man: So will I.

Nico: All right.

Me: Anyone else?

Lincoln: Me and my siblings will go too.

Nico: Okay then.

Me: And don't forget Cheese?

Cheese: Yes.

Nico: Right can't forget our favorite idiotic Imaginary friend.

Me: Yep.

We were off.

Eli: And this little guy here is Leo.

Leo: Uwa.

Yuya: Wow! Awesome to meet you all.

Me: Yeah and their mom and dad all thought it would be cute if their names all started with the Letter L.

Yuya: Boy Luan you have a lot of siblings.

Luan: I know.

Me: (Whispers to Yuya) Their family has never believed in condoms either.

He snickered.

Nico: Actually, Tyler, an alternative title for your team is Supernoobs.

Tyler: Yeah I know.

Nico: Okay.

Cheese: I like cereal.

Me: Oh and this little guy is Cheese.

Yuya: The idiotic imaginary friend?

Me: Yeah and he is really funny.

Nico: Yep.

Cheese tried to grab a few Duel Monster cards.

Cheese: I use the things! I use the things!

Yuya: Don't take this the wrong way. But I don't think you can duel.

Me: (LAUGHS) No Cheese doesn't know how to do anything. He has a brain the size of an amoeba. But he does know how to drive the bad guys bonkers.

Zuzu: (LAUGHS) Yeah he sure does. And it's so funny.

Lola: Yeah we get a good laugh out of him.

Camie: We sure do.

Zuzu: I've seen him do all kinds of crazy things when I'm with the team from time to time and it's funny.

Yuya: That is amazing. By the way guys I heard you all have been killing the jerks because of Xehanort.

Me: Yeah they have been running around and we were either sending them back to Lynn's Table, sending them to prison or killing them off with the Black Abyss.

Lincoln: The Black Abyss is worse than the Black Gates and it's only reserved for the most evil and irredeemable of souls.

Me: Yeah.

Zuzu: I've seen it in action and it's amazing.

Yuya: Tyler, what enemies did you and your team fight in the past?

Tyler: Would you believe it was a virus?

Me: It's actually a virus from another planet. It was made by an alien monster.

Yuya: What did it look like?

Nico: Well we have no idea. All we could make out was that it had 3 pairs of evil glowing red eyes and that's it.

Yuya: Wow.

Me: We blew the creator of the virus into oblivion with the superlaser enhanced with a tachyon particle cannon. It was in another universe.

Yuya: That is complex.

Me: Very.

Nico: Yeah.

Tyler: The monsters the virus turned people into were ugly. Especially that jerk Jock Jockerson.

Me: I heard one time he was turned into a living pile of mashed potatoes.

Yuya: So, have you guys decided if we're gonna make our first move in that other dimension?

Me: Actually yes. We're going to strike now.

Nico: Yep.

Me: My spell is ready and we're going to attack.

The Dark Signers then came.

Roman Goodwin: We're ready too.

Carly Atlas: Count us in too.

Devack: Yeah.

Yuya: So you guys are the rest of the Dark Signers?

Roman Goodwin: That's right. I'm Roman Goodwin, Dark Signer of the Spider.

Bertrand: He's my archenemy.

Devack: I'm Devack, Dark Signer of the Monkey.

Dante: He is my archenemy.

Kalin: Name's Kalin Kessler, Dark Signer of the Giant.

Morpheus: He's my archenemy.

Greiger: I'm Greiger, Dark Signer of the Whale.

Boris: He's my archenemy.

Rex: And I'm Rex Goodwin, Dark Signer of the Condor.

Brittney: Rex is my Archenemy and you already met Misty and Carly earlier.

Yuya: We sure did and it's awesome to meet you all.

Devack: Same here.

Carly Atlas: Sorry we're late. We had to talk about some stuff earlier.

Me: Okay no worries.

Yuya: What kind of stuff?

Carly Atlas: Personal stuff. I won't bore you with the details.

Yuya: Okay.

Misty Tredwell: Yeah.

Nico: Lets get ready shall we?

Kairi: Let me get my jumpsuit on

Yuya: Okay?

She snapped her fingers and then was in a pink and green jumpsuit.

Yuya: That's a nice jumpsuit. But why do you need that?

Me: She's a gene-slammer too.

Yuya: Really? For what?

Me: Rayquaza.

Yuya: Cool!

Nico: You'll see soon.

Me: Yep.

Camie: Wait. How do we get there?

Brittney: Allow me.

She formed a scythe and cut open a portal and it lead to Neo Domino City in the Fusion Dimension!

Me: Nice!

Nico: Here we go!

We went through the portal and we were in THE FUSION DIMENSION!

Brittney: Welcome to the Fusion Dimension everyone.

Me: Looks like Neo Domino City back home.

Brittney: It may look the same but it's different.

Pyrrha: VERY different.

Brittney: And I know who we're going to face here. The Spirits of the Netherworld told me that we're going after this guy.

She pulled out a wanted poster of SERGEY VOLKOV!

Sergey Volkov (in Japanese: セルゲイ・ヴォルコフ, Serugei Vorukofu) is an antagonist in the second season of the Yu-Gi-Oh! ARC-V anime series. He is an infamous criminal known as The Duelist Crusher who was cybernetically enhanced as one of Jean-Michel Roger's key enforcers and pawns in his takeover of the City, essentially functioning as his right-hand man in the words of the Executive Council.

As a part of his final mission for Jean-Michel Roger's ultimate overturn of power, Sergey dueled Jack Atlas where his former personality regained control and he lost, going out with a bang and his humanity intact as he fell from the platform. Once below he was attacked by the rioting commons eliminating him as a pawn and Jean Michel Roger's most valuable servant.

---

Me: Sergey Volkov! Whoa! I've heard of this guy! He is one rotten to the core son of a bitch!

Yuya: Yeah he sure is!

Nico: SHIT!

Lola: This guy sounds like he is bad news!

Kalin: Reminds me of how crazy I was before

Me: Except he's 10,000 times worse. You weren't cybernetically enhanced Kalin.

Kalin: True.

Me: Lets show him no mercy Duel Runner Style.

Nico: I like it.

Me: He's definitely getting the black gates for his crimes.

Lincoln: Yeah what a jerk.

Me: I got this too.

I used my spell and released a massive blue fire shockwave and it spread out over the Dimensions and revealed their hearts.

Nico: Nice!

Some Students saw us!

Student: KILL THEM!

Me: Their hearts are black!

Nico: TAKE NO PRISONERS!

We went at them and I slashed them and knocked them down.

Me: At least my spell works.

Nico: It sure does!

They summoned their monsters and they were Dark Grepher, Geminize Lord Golknight and Zubaba Knight!

Me: Dark Grepher, Geminize Lord Golknight and Zubaba Knight. Awesome monster choices.

Carly fired waves of orange fire and blasted them and banished them to the Fires of Hell! All that was left of them were their clothes and duel disks and decks.

I picked their cards up and collected them.

I found cards with prisoners in them.

Nico: Prisoners.

I released them.

Me: Carly lets bring the path.

Carly Atlas: Coming right up.

She summoned the Duel Track and it was in the shape of the Hummingbird Nazca Line and we went up and had our Duel

Runners ready and I whistled and my Rapidash came and we were running along the track.

Kairi concentrated and groaned as her legs started to move together.

She growled and her clothes ripped and turned into RAYQUAZA!

Nico: YEAH!

Yuya: WOW! That is cool!

Then our target came and we saw SERGEY VOLKOV!

Me: Sergey Volkov!

Nico: You heartless son of a fucking bitch! Time for you to die!

Sergey Volkov: (Russian Accent) I'll kill you all first!

Kairi growled.

Me: I don't think so!

I fired a blast of energy and it hit him and exploded all over.

KRABBBBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMM!

Sergey Volkov: YOU MONSTER! I summon my monsters!

He summoned Earthbound Prisoner Stone Sweeper, Earthbound Prisoner Ground Keeper, Earthbound Prisoner Line Walker. Earthbound Servant Geo Grasha, Earthbound Servant Geo Gremlina, Earthbound Servant Geo Kraken, Earthbound Servant Geo Gremlin and Earthbound Servant Geo Gryphon!

Me: WHOA!

Carly Atlas: You have Earthbound Immortals too!?

Sergey Volkov: These are Earthbound Servants.

Me: Much different. He's not a dark signer though.

Kalin: That is interesting.

Me: The Satellites didn't find Nazca Lines for these monsters unfortunately.

Nico: That's a shame! It would be cool if they did!

Eli: Yeah.

Sergey Volkov: All 7 of you are supposed to be in cards. That being said, I can't leave you alive, can I?

Me: Go ahead and try jerkwad!

Carly Atlas: So you killed the seven of us! Well news flash for you pal, we're not going to die that easily. The only one going into the fires of Hell is you!

Misty Tredwell: That's right!

Roman Goodwin: I summon EARTHBOUND IMMORTAL URU!

Carly Atlas: I summon EARTHBOUND IMMORTAL ASLLA PISCU!

Devack: I summon EARTHBOUND IMMORTAL CUSILLU!

Misty Tredwell: I summon EARTHBOUND IMMORTAL CCARAYHUA!

Kalin: I summon EARTHBOUND IMMORTAL CCAPAC APU!

Greiger: I summon EARTHBOUND IMMORTAL CHACU CHALLHUA!

Rex Goodwin: And I summon EARTHBOUND IMMORTAL WIRAQOCHA RASCA!

They summoned all seven of their EARTHBOUND IMMORTALS!

Me: Now you face the real Dark Signers!

Eli: That's right!

Me: We're going to show you no mercy pal!

Sergey: You fool! You talk of mercy, but tell me this: What if I don't want it? What if I don't need it? What if it's you who's in danger? Sure, I may be injured, and yes down on life points too. But that's just how I like it.

Zuzu: Say what?

Sergey: Mercy, worry, concern, all signs of weakness and like all who are weak… THEY MUST BE DESTROYED!

Me: (SMIRKS) You're the one that's weak! You gave up your humanity to become this monster!

Nico: Now you're going to die like the rest!

Sergey Volkov: I said your counterparts were already captured in cards, not killed. But if you kill me, you'll never find out where they are!

Me: Oh we don't have to kill you.

Lincoln teleported and put his hand on his head and probed his mind.

Lincoln: AHA!

Lincoln grabbed the back containing their counterparts in cards and teleported and gave them to me.

Me: Thanks Lincoln.

Sergey Volkov: YOU BRAT! What did you do!?

Lincoln: I probed your mind and got the cards from you.

Nico: Nice work Lincoln!

Zuzu: Way to go Linky!

Luan: YAY BRO!

Laney: That's our brother!

I used my power and released their counterparts.

Me: There!

Sergey Volkov: NO!

Me: Now you're next!

Nico: Time to taste the fire of hell!

Kairi growled at him and fired a blast of energy and blasted his arm off!

HE SCREAMED IN PAIN!

Yuya: That must've hurt!

Zuzu: Ouch!

Me: That's some of the pain you dealt to your victims!

Sergey: WHY YOU!

?: YOU'LL WHAT!

A figure flew in and blasted his monsters.

We saw that it was a girl with neon orange hair and had red eyes and black clothes and black angel wings and a tiara with NRG on it.

Me: (GASP!) Sonia Prypiat!

Nico: The embodiment of NRG!? Whoa!

Sonia Prypiat: (Russian Accent) (GRUNTS) I got this guys.

She fired a wave of energy and blasted Sergey and his cards went flying and I caught them.

Me: WHOA! Nice one Sonia!

I looked at them.

Me: Wow! Makes me wonder if there are ANY Nazca Lines for these hidden somewhere.

Sonia lost control and fired Radiation at Radioactive Man

He deflected the blasts and they hit Sergey.

I fired an electron beam and it injected the antidote.

Troy Burrows: GO GO MEGAFORCE!

He turned into the red ranger!

Me: Oh Zuzu! Your legend items!

I gave them to her.

Zuzu: Thanks J.D.

Troy got out his Gaia Memory For Blizzard!

BLIZZARD!

He fired waves of ice and blasted Sergey all over!

Zuzu: Lets see what this can do.

GYNAKAMAKIL!

She fired Mantis energy and blasted down Sergey!

Pyrrha charged at Sonia

She kicked her down.

Pyrrha: Time to go atomic!

She got out Radioactive Man's Gaia Memory.

RADIOACTIVE MAN!

She fired atomic blasts and blasted Sergey and Sonia down.

Circe reverted back and was a girl with blue hair, blue eyes, blue clothes, blue angel wings and had Calamaramon on her forehead and skirt and the Water Spirit Kanji on her arm and had a cool trident.

Circe Calamara: Lets show some water power!

She fired a wave of water and blasted down Sonia and she was cured as the Antidote took effect.

Sonia Prypiat: (GROANS) What happened?

Eli: Ugly story.

Tyler Bowman got out his Gaia Memory

Tyler Bowman: Lets make this cybernetically fun!

TOUCH AND GO!

He fired energy blasts and blasted Sergey all over.

Tahu got out his Gaia Memory.

Tahu: I'm radioactive too brothers!

P'ANDOR!

He fired waves of fire and blasted Sergey!

Nico: Lets finish this monster!

Circe Calamara: Allow me Nico. ACID INK!

She fired a wave of acidic ink and it hit him and was MELTING HIM!

Sergey: I'M MELTING! I'M MELTING! OH WHAT A WORLD! OH WHAT A WORLD!

Tahu: Let me add to that!

He fired waves of fire and burned him.

Then he fell through the track and then acidic ink landed on more duelist students and melted them too leaving only their severed arms and duel disks.

Me: YUCK!

Eli: Gross!

We went down and landed and I picked up their cards.

Me: Laval, Ice Barrier and Gusto monsters. Very cool.

Nico: I hope those were evil students?

Me: They were. The spell shows that their hearts were black as night.

Nico: Good.

We banished Sergey to the black gates.

Kairi came down and reverted back and was in her clothes too.

Kairi: Those were accidental kills.

Me: Well still they were evil students regardless.

Laney: Yeah.

Yuya: That was funny though. I'd like to see Jean-Michel Roger try to put him back together after that.

Brittney: Good luck trying to put together a pile of poison slop.

Misty Tredwell: I agree there.

Circe Calamara: Yeah no kidding.

Me: By the way Circe do you have a favorite memory of Nico?

Circe Calamara: I sure do. When me and Nico were in Seattle and we were fishing for crabs on my boat and we caught a treasure chest full of diamonds. Made me and my family rich.

Nico: That was awesome and fun.

Camie: Boy that is cool.

Me: Yeah.

Nico and Circe hugged.

Nico: I've missed you.

Circe Calamara: Same here.

Me: On the plus side that's one of Yuya's enemies down and more counterparts free.

Carly Atlas: That is true.

---

We later came back home.

May: How did it go guys?

Me: REALLY awesome!

We told everyone what happened.

May: WHOA! That is cool!

Xenia: No kidding!

Nico: Next time, Vypra, Yodo, Dr. Light, Tyson, Eli Shane, and Nuju should come with

Me: Awesome!

Qin: Yeah!

Xenia: That will be awesome.

Camie: Yeah!

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep.

We were watching TV and then we saw the news.

Natasha Crogon: Wonder what's on the news.

Me: Lets find out.

We saw A MASSIVE ANGRY MOB DESTROYING ALL THE PLACES THAT FLIP HAS TOUCHED!

Me: Look at this!

Qin: GEEZ!

Xenia: That angry mob is REALLY tearing the places Flip went to apart.

Lincoln: No kidding and that means only one thing. So, you and your no account relatives have finally made your move, you mutant.

Nico: He's finally on the move, took that mutant long enough!

Me: Finally, now we can finally go after his mutated butt and end him!

Savannah Nephthys: That mutant's finally made his move! Finally, at long last, now I can get finally get revenge on him for what he did in murdering Selena. Where's he at, Lincoln?

Lincoln: Scans show he's at an old hideout in the north of the city, and he's got Flop and Slip with him. And he's soon going to be heading for Lynn's Table.

Me: Then, that's where he will take his final breath.

Lincoln: Right, but first.

Lincoln contacted Katherine Mulligan and the cameras were rolling.

Katherine Mulligan: Good afternoon, Gotham Royal York, this is Katherine Mulligan, we're here with Lincoln Loud, and he's got something to tell us. Lincoln?

Lincoln: Thanks, Katherine. Citizens of Gotham Royal York, we've got news that local pariah and hated mutant cheapskate, Phillip "Flip" Phillipini along with his equally cheapskate brother, Flop, and his cheapskate cousin, Slip, have finally made their move. For years, we've suffered at the hands of that mutant, he's conned and cheated the people of our town of all their money and many of them were made homeless and many have either gone insane and got locked up in a nuthouse forever or killed themselves out of depression, he even tried to kill my family and our friends in his attempts at revenge numerous times, and he even did many things that warranted him getting called a traitor to the US and all for his stupid greed, but even worse, he took the lives of Carly Chronomaly and Selene Nephthys, the sisters of my Guardian Angels, Caylee Chronomaly and Savannah Nephthys. I ask you this, are we going to let that mutant get away once again?!

Citizens: NO!

Lincoln: The time has come, everyone. Grab some pitchforks and torches and makeshift weapons and meet us at The World Tree Estate, for tonight, we hunt down Flip, Flop, and Slip, and by the time the sun sets on the city, Phillip "Flip" Phillipini shall be no more!

THE CITIZENS CHEERED AS THEY WENT OUT TO GRAB PITCHFORKS AND TORCHES!

Then, Lincoln came back home!

Nico: Dude, you got the citizens really riled up and ready! Take a look!

We then saw an ANGRY MOB OF ALL OF GOTHAM ROYAL YORK'S CITIZENS GETTING THEIR TORCHES AND PITCHFORKS READY AND OUTSIDE THE WORLD TREE ESTATE WAITING FOR US!

Me: WOW! What an Angry Mob!

Homer: That's much bigger than the one in the Trappuchino incident times 100,000.

Me: This is why you're known as The Man With a Plan, awesome work, Lincoln. Gang, grab some weapons from the weapons room!

We grabbed weapons from the weapons room and we were all ready for battle against that mutant cheapskate!

We got ready.

Me: We still got time to wait before we head out.

Xenia: Yeah.

Sally Arachnas: When was the mob formed?!

Me: According to this over the course of the last few days when Xehanort released the jerks.

Nico: Wow! They must've had a lot of time to prepare for this.

Xenia: I agree.

Exhaust: They were very busy!

Me: They sure were.

Lola: Wow! No kidding!

?: I'll say!

We saw a girl with purple hair, purple eyes, blue clothes, brown angel wings and had a tiara with Storm Owl on it.

Olivia Storm Owl: Olivia Storm Owl, Embodiment of Storm Owl.

Beast Boy: Wow Olivia looking great.

Kevin Reynolds: You sure are.

Olivia Storm Owl: Thanks Beast Boy and you too Kevin. Been a while.

Trailbreaker: How did you meet Beast Boy and Kevin?

Olivia Storm Owl: I met Beast Boy when he and the Titans were battling the HIVE in Titans East and I helped them defeat Brother Blood.

Me: Cool! We killed Brother Blood long ago.

Olivia Storm Owl: I know. And I met Kevin when he and the Supernoobs were battling Jock as a Mashed Potatoes monster.

Me: That's funny! We were talking about that just a few minutes ago.

Nico: Yeah.

Olivia Storm Owl: Wow.

Me: Yeah. Would you like to join us?

Olivia Storm Owl: I would be honored.

Komba: I got a bazooka from the weapons vault!

Harpus: Don't blow your own head off with that, Komba.

Komba: I won't.

Nico: We're going to need LOTS of weapons for this.

Xenia: Yeah.

Camie: This is gonna be good.

Me: We got an angry mob ready to strike.

Nico: Alright, everyone, let's go, the time to punish Flip and his no good brother and cousin has come at last!

Lincoln: Finally, you've asking for death for a very very long time, Flip, now your angels of death have come to take your pathetic life at long last!

Me: Yeah!

The Previous Group came.

Gator Ghoul: Can me, Iceage, Killer Croc, Biowulf, Juggernaut, Scorpion, Count Vertigo, Doctor Octopus, Sportsmaster and Pied Piper go with you guys?

Nico: Yes you all can come with.

Iceage: We saw a huge angry mob outside. So the time has come for us to kill that cheapskate.

Xenia: Yep.

Qin: Good.

Camie: Yeah this will be good!

Octopunch: Boss, which Gene Slammer do you think you'll meet next?

Nico: Piximon next.

Qin: Ooh cool!

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow

fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Herrscher of the Ocean from Guns Girl Z, and she's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh boy.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to Herrscher of the Ocean from Guns Girl Z, and she's coming to destroy us

Nicole: Not good, she needs to be destroyed here and now.

Alina Anwar: More than that, she's going to be absorbed by Lincoln.

Lincoln: Right, Alina.

Nico: She won't survive for much longer. Alright, team, let's go, the time to slay Flip and make him suffer for everything he's done has finally arrived!

Lincoln: The crimes you've committed so long ago will never ever be forgiven, you've already set yourself on a road to eternal damnation, you mutant, and soon, the world will finally be rid of you once and for all, and once we get done with him, you're next, Herrscher of the Ocean.

Alina Anwar: You spent eons trying to turn all living beings in the universe into insane organisms, expand her image to the entire Earth to crush the concept of sanity, and rewrite Earth to make it in her own image, but that ends here and now, you will be destroyed once we get rid of that stupid mutant cheapskate and hogtie his no account brother and cousin and send them back to Lynn's Table.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went outside followed by the angry citizens of Gotham Royal York as we head out to finally slay Flip and make him pay for everything he's done, and once we got rid of that mutant cheapskate once and for all, Lincoln and Alina Anwar along with me are going to destroy Herrscher of the Ocean.

We were off to Lynn's Table.

---

We arrived at Lynn's Table.

Iceage: Here we are at Lynn's table!

Nico: Yep. Perfect place for our trap.

Qin: And fitting too.

Lola: We're going to rip that jerk apart!

Xenia: Yeah!

Me: Okay here's my plan. We're going to lure him in here with a fake bag of money made by Yakumo's genjutsu and we're going to ambush him and beat the living shit out of him.

Nico: I like it. His greed will be and always will be his downfall.

G1 Venom: How about we use some rotten cheese for the trap?

Me: Good idea.

Qin: Yeah.

Xenia: Perfect.

I brought out a huge bag of rotten cheese.

LIGHTHOUSE FOGHORN!

Nico: OH GOOD GOD!

Me: I know. But it's perfect. Because it sticks and smells as bad as his heart and his three-cheeked butt

Juggernaut: Where did you get that?

Me: Don't fucking ask.

Juggernaut: Oh.

Spinister: All we can do now is wait.

Me: It'll be at least of couple of hours.

Eli: I sense him coming though. It'll be 1 hour and a half.

Xenia: Okay.

Nico: Might as well set everything up and get some food in our systems.

Xenia: Good idea.

Count Vertigo: Can I have some burgers?

Me: Sure.

Lynn Sr.: I'll go get us your usuals.

Me: Okay.

Nico: Lets go set up everything.

We got the trap ready.

We got to eating later.

Kaede (Elfen Lied): (Eating Ramen) Mmm! Delicious.

Me: It sure is Kaede.

Nico: Yeah. (Eating burgers)

Kaede: (Slurp) Mmm! Oh guys I need your help with something on Christmas Eve.

Nico: What is it Kaede?

Kaede: For the next rescue on Christmas Eve I need you guys to help me destroy the organization that wanted to turn me into a weapon.

Me: Now that we can do.

Bludgeon: They never should've experimented on you.

Nico: I agree.

Me: Yeah they all need to pay.

Eli: We'll gladly kill ALL of them.

Kaede: Thank you guys. Thank you.

Nico: Anytime.

Me: We'll leave NONE of them alive.

Sportsmaster: Can we have a location?

Kaede: Sure.

She pulled out her phone and on a map she showed an island off the coast of Kamakura.

Me: I know where that is. That's the Diclonius Research Institute. It's very secretive and they do all kinds of inhumane experiments.

Nico: Yeah I know that place too. That is a place I've been after for years.

Kaede: Yes. They need to be destroyed.

Nico: Okay. Vince I need you to tell the world leaders about everything they did.

Vince: On it.

Vince went to the President to do so.

Me: We'll pull the plug on them and then kill them all.

We finished our meal.

Poromon fell asleep

Me: Aww he's sleeping.

Vince came back.

Vince: I told the world leaders. They destroyed their funding.

Me: Excellent. Good job partner.

Nico: Well we got 36 hours to kill them.

Me: Good.

Nico bopped Poromon on the head, waking him up.

BOP!

Poromon: HUH WHAT!? I'm awake!

Nico: Stay awake, Poromon! We have a mutant to kill!

Poromon: Okay okay. Sorry.

Eli: He's not far away. 10 minutes and closing. His cousin and brother are close too.

Me: Time to set out the bait.

We did so.

Poromon was about to fall asleep again but Nico once again bopped him.

BOP!

Poromon: OUCH!

Sid Arkale: I think there's something we have to deal with first.

Nico: Like what?

Rubanoid: Like those Militia tanks heading towards us!

Me: Don't worry. Watch.

We saw them go over something and then we saw the militia all get sucked into a black hole!

Nico: WHOA!

It vanished and all the militia was gone!

Nico: What was that!?

Me: A black hole bomb. Lisa made it for this.

Pied Piper: Aw! Now how are we gonna keep ourselves busy while waiting?!

Me: We could play some board games.

Pied Piper: That works.

I brought out The Flying Dutchman's Treasure Hunt.

SpongeBob: Ooh this is my favorite.

Me: Mine too.

Qin: Nice.

Me: Here we go. (Rolls dice) 6.

I pushed my piece and drew a card.

Me: (Reading) "Pirates booty ahoy. Ye found 10 gold doubloons." All right!

Xenia: YEAH!

Patrick: My turn. [rolls the dice] 5. [makes a raspberry noise while moving piece, then reads a card] One of your shipmates has been a bad pirate! Send him to the brig! Hmmm. [SpongeBob turns his eyes toward Mr. Krabs] It's off to jail for you, Mr. Krabs.

Mr. Krabs: Patrick, you're fired!

Patrick: But I don't even work at the Krusty Krab!

Mr. Krabs: Would you like a job, startin' now? [puts a hat on Patrick's head]

Patrick: Boy, would I?!

Mr. Krabs: [takes the hat off Patrick's head] You're fired!

Later, Gyōten'ō & Deinbaruto are greeted by Buredoran who assumes his Warstar guise and offers his services before Gyōten'ō gives Deinbaruto the Horn to begin the end of the world. Assuring Rasil that he and the other Gosei Angels will stop it, Alata is joined his allies before they all ambushed by revived phantoms of Warstar aliens who subject them through a series of illusions before Gosei knight arrives and defeats the phantoms.

The Gosei Angels arrive to where Gyōten'ō & Deinbaruto are, transforming into their Goseiger forms to fight them and Buredoran after Gyōten'ō swallows the Horn of Ragnarok. Fighting in both his Warstar and Yummajuu guises, Buredoran uses his Bibi bugs to enlarge Gyōten'ō after Deinbaruto is destroyed. But with the Dragon header damaged during the fight, Gosei Red is unable to form Gosei great. However, Rasil's praying gives the Goseigers the Gosei Wonder Card. We regrouped.

Me: How do you like us now you douchebag!?

Flip: (GROANS IN PAIN!)

Lincoln fired chains of golden light that chained up Flop and Slip before they could try to run.

Lincoln: It's over, Flip, you, your no account brother, and your no account cousin have nowhere left to run!

Flip: (BELLOWING ANGRILY) THIS WON'T STOP ME! AFTER I KILL ALL OF YOU, I'LL SCAM ALL OF THE SUCKERS IN THE TOWN AND BE RICH!

Lincoln: Like Hell am I or the rest of the team are going to let that happen! Everyone, tear him apart!

Suddenly, the ANGRY MOB OF ALL OF GOTHAM ROYAL YORK'S CITIZENS came charging in and they tore Flip apart! They and all of us began to stab him and rip him apart all over with weapons and burn him all over after drenching him with rocket fuel and kerosene! Then, Lincoln threw a fireball at him which exploded!

Citizen: BURN IN HELL, YOU FUCKING MUTANT!

Suddenly, Flip came out of the flames, and he was brutally mutilated but he survived!

Nico: Damn, he's tough as a cockroach!

Flip: (ENRAGED BELLOW) YOU'VE RUINED EVERYTHING FOR ME, YOU PUT ME OUT OF BUSINESS, TURN ME INTO A PARIAH, AND GET ME SENT TO PRISON, AND I WIND UP GETTING TURNED INTO A DUMMY FOR ALL OF YOU TO BEAT

UP ON! IF NONE OF YOU HADN'T GOTTEN IN MY WAY, I'D HAVE FINALLY BEEN RICH AND FINALLY SENT ALL OF YOU INTO THE GRAVE! I HATE ALL OF YOU!

Suddenly, Savannah Nephthys was surrounded by a massive vortex of orange, red, and yellow energy with stars, fire, and flames surrounding the vortex, there are phoenixes, angels, and Sacred Phoenix of Nephthys flying around the vortex, and in the vortex is an orange phoenix with the symbol of The Sacred Order of The Flames of The Phoenix of Nephthys on its stomach and red eyes glaring at Flip: the red eyes of eternal death!

Nico: WHAT THE?!

Me: SHE REALLY MEANT IT, RIGHT?!

Lincoln: SHE DID! SHE REALLY DID! NOW, IT'S HIGH-TIME THAT MISERABLE MUTANT CHEAPSKATE RECEIVE HIS WELL-DESERVED DEATH SENTENCE!

We were amazed by Savannah Nephthys Super Angel-Sacred Phoenix of Nephthys-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Flip saw it, he went absolutely ballistic and got out a knife and ran at her to kill her, but Savannah Nephthys fired a massive barrage of orange, red, and yellow energy, stars, fire, flames, phoenixes, and angels which hit Flip, melted his knife, and sent him, Flop, and Slip flying into a wall, Flip got back up, but that was the final straw for him!

Suddenly, we saw Flip's eyes turn yellow and was shrouded by darkness, and he transformed into a monstrous money-themed Heartless THE INFERNAL GREED MONSTER OF MURDEROUS GREED!

Savannah Nephthys: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Sacred Phoenix Flame Inferno Firestorm Sacred Phoenix of Nephthys Phoenix God Angel and Divine Cosmic Eternal Harmony Sacred Phoenix Flame Inferno Firestorm Sacred Phoenix of Nephthys Phoenix God Angel Love) So, Xehanort infected you with darkness after he freed you, and you've transformed into a Heartless that fits you well, but that will not save you or your damn relatives, Flop and Slip.

Lincoln: That's right, Savannah, and we'll let Flop and Slip see the death of Flip, and we'll be keeping them alive, just to brag to them of what we did to him.

Adara Nephthys: He deserves to die, and Flop and Slip will be kept alive so we can brag about it to them.

Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've had this coming for so many years, Flip, we've absolutely had it up to hear with you for the final time. For years, you conned and cheated a lot of people out of all their money and many of them were made homeless and many have either gone insane and got locked up in a nuthouse forever or killed themselves out of depression, you also tried to us and our friends in your attempts at revenge, and you even did many things that warranted you getting called a traitor to the US and all for your stupid greed, but what you also did in killing Selena Nephthys and Carly Chronomaly, that is the final straw that broke the camel's back.

Lincoln, Savannah Nephthys, Adara Nephthys, Aithne Nephthys, Alinta Nephthys, Anala Nephthys, Calida Nephthys, Aalish Nephthys, and Enya Nephthys: Prepare yourself, Phillip "Flip" Phillipini, death is coming for you, you greedy bastard!

Suddenly, a huge phoenix of pure fire flew high above the Earth as a huge ball of fire and it is a signal that The Fire of the Sacred Phoenix is coming: to take Flip's life, and the bravery and determination of Lincoln and The Sacred Order of the Flames of The Phoenix of Nephthys caused The Infernal Greed Monster of Murderous Greed to let out a distorted bellow of rage.

Lincoln, Savannah Nephthys, Adara Nephthys, Aithne Nephthys, Alinta Nephthys, Anala Nephthys, Calida Nephthys, Aalish Nephthys, and Enya Nephthys went after The Infernal Greed Monster of Murderous Greed, and they fired extremely powerful blasts of rainbow energy, orange, red, and yellow energy, crimson red and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Infernal Greed Monster of Murderous Greed, and they exploded with incredible power as they hit him.

Then, they attacked him with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and Savannah Nephthys, Adara Nephthys, Aithne Nephthys, Alinta Nephthys, Anala Nephthys, Calida Nephthys, Aalish Nephthys, and Enya Nephthys also did the same by firing orange, red, and yellow energy slashes from their massive greatswords, and he, Savannah Nephthys, Adara Nephthys, Aithne Nephthys, Alinta Nephthys, Anala Nephthys, Calida Nephthys, Aalish Nephthys, and Enya Nephthys attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was driving The Infernal Greed Monster of Murderous Greed mad.

The The Infernal Greed Monster of Murderous Greed fired blasts of fire and negative energy and darkness at us, but we absorbed the blasts, and it was making us even stronger than ever. Then, Lincoln fired many energy beams from the tips of his fingers and the planets orbiting around his fingers, and they hit the Dark Orb in the chest of The Infernal Greed Monster of Murderous Greed and it shattered and we gained a massive power boost and our rainbow auras protected us from the fragments which also shattered, and it caused The Infernal Greed Monster of Murderous Greed to change back into Flip.

Lincoln: So, you've finally come at long last, Herrscher of the Ocean.

Alina Anwar: Only to die at our hands.

Suddenly, Alina Anwar's dark purple eyes turned neon dark purple and she was surrounded by a purple energy aura with stars, suns, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Herrscher of the Ocean, she left purple energy, stars, suns, light, dragons, phoenixes, and angels with every step.

Alina Anwar: Your crimes have gone unanswered for eons, Herrscher of the Ocean, you've caused nothing but pain and suffering to too many innocent people in your never ending quest to turn all living beings in the universe into insane organisms, expand her image to the entire Earth to crush the concept of sanity, and rewrite Earth to make it in her own image. You disgust me to no end, as The Avatar and Gene-Slammer of Hieratic Dragon of Eset and member of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Alina Anwar was surrounded by a massive vortex of purple energy with stars, suns, and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Dragon of Eset flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Herrscher of the Ocean: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: Herrscher of The Ocean has angered Alina Anwar, and now, the rage of Hieratic Dragon of Eset is about to be unleashed.

Then, as the vortex faded, Alina Anwar emerged, but she was changed forever.

Alina Anwar grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large purple planets orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long purple hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon dark purple eyes and a purple energy aura with stars, suns, light, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Hieratic Dragon of Eset emblazoned on her forehead and Third Eye with yellow iris, she has on dragon earrings with purple gems for eyes and holding the Star, Sun, Light, and Eternity Kanjis in its claws, she also has Hieratic Dragon of Eset with purple gems for eyes and holding the Star, Sun, Light, and Eternity Kanjis in its claws for the second pendant on the bottom of her purple dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and purple gems embedded on the gold lightning bolt links, and she also has on her white and gold accented

Suddenly, Alina Anwar felt a sharp pain on her back, and then, her massive purple angel wings with yellow tips on the large purple feathers grew much larger for her new body and medium sized purple angel wings with yellow tips grew and sprouted out underneath her massive purple angel wings and she also now has eleven massive and long purple wolf tails with yellow tips and yellow markings, Alina Anwar has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Alina Anwar's massive nature greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, suns, light, dragons, phoenixes, and angels, and when it emerged, it was transformed into Alina Anwar's Cosmic Eternal Harmony Egyptian Hieratic Solar Fury Light Hieratic Dragon of Eset Phoenix God Angel Greatsword of Cosmic Eternal Harmony Egyptian Hieratic Solar Fury Light Hieratic Dragon of Eset Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Hieratic Dragon of Eset and hieroglyphs etched on the 7'9" massive, wide, double-edged gold blade, large gold dragon heads with purple gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold dragon heads with purple gems for eyes and on the bottom of the large gold dragon heads is a large gold dragon head with purple gems for eyes and purple gem in its mouth for the pommel, Alina Anwar has on her brand-new large gold Bracers of The Champions of The Universe with large purple gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hieratic Dragon of Eset's head with purple gems for eyes and purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Alina Anwar's Super Angel-Hieratic Dragon of Eset Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Herrscher of The Ocean saw it, she fired blasts of wind at her to kill her, but Lincoln absorbed them and it made him even stronger, and she fired a massive barrage of purple energy, stars, suns, light, dragons, phoenixes, and angels which hit Herrscher of The Ocean and sent her flying into another wall, she got back up, but now, she was enraged.

Me: No way, did Alina just transform?

Lincoln: She did, now, we can tear Herrscher of The Ocean apart and make them pay for everything.

Alina Anwar: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Egyptian Solar Light Sun Fury Hieratic Dragon of Eset Dragon Phoenix God Angel and Cosmic Eternal Harmony Egyptian Solar Light Sun Fury Hieratic Dragon of Eset Dragon Phoenix God Angel Love) You said it, Lincoln. Alina Anwar, Lincoln, and I went after Herrscher of the Ocean, who continued firing blasts of wind at us, but we continued absorbing them and we continued growing even stronger, and we fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs,

Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Herrscher of the Ocean, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Alina Anwar also did the same by firing purple energy slashes from her massive greatsword, and he, Alina Anwar, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it made Herrscher of the Ocean even more madder than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Herrscher of the Ocean, and then, Lincoln began absorbing Herrscher of the Ocean into his body as he and all of us assimilated Herrscher of the Ocean's Immortality, Nigh-Omnipotence, Madness inducement, Shapeshifting, Aerokinesis, Reality-warping, Brainwashing, Telepathy, Telekinesis, and Teleportation, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Herrscher of the Ocean, and he banished Herrscher of the Ocean to The Black Abyss. Everyone cheered wildly for what Alina Anwar, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Alina Anwar's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large purple planets orbiting around her legs, smaller planets orbiting around her fingers, and massive purple angel wings and medium sized purple angel wings underneath are permanent.

Alina Anwar: Reap what you have sown, you deity of madness. Thanks for helping me take down Herrscher of the Ocean, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Alina.

Me: My pleasure, Alina.

Suddenly, Alina Anwar wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alina Anwar's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Dragon of Eset flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light behind them and we cheered wildly. Then, Lincoln and Alina Anwar sucked in and absorbed the elemental forces and light and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Alina Anwar and hugged us.

Luna: No kidding dudes, you guys taught that mad queen a lesson.

Luan: And Lincoln absorbed her and acquired all of her powers and abilities.

Me: And sent her black soul to The Black Abyss. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a gorilla made of red fire pass through the sky.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting tomorrow: Bedelia Honghuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Gorilla.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Bedelia Honghuo is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of red fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Gorilla, along with having red angel wings along with having intense red fire powers. She's known as The Courageous Warrior of The Sisterhood of The Fists of Fire, and she's considered the bravest of the group and she charges into a fight and beats the morons up. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of red fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Bedelia hates Chandler with a blazing passion, because of him being a coward and a bastard to everyone in his path and she despised him badly for trying to kill Lincoln, and in one incident, she and Lincoln exposed that bastard's plan to kill Lincoln again and kill everyone in the school and blow it up, and after he was exposed, he was then beaten up by Bedelia and tossed into a police car that took him to prison for a month.

Nico: Man, talk about some serious bravery.

Me: I remembered that day all too well. Bedelia was really a brave warrior and she and Lincoln exposed that sewage slop's plan and not only did he get exposed, but he also got beaten up and taken to prison for a month.

Lincoln: Served him right. But, that didn't stop him not in the slightest.

Varie: So, we kept an eye out in case he tried anything to get revenge.

Nico: Yeah.

Trapster: There. It's done.

Batroc the Leaper: Flip's finally finished for good!

Me: Good riddance to bad fucking rubbish!

Shade: It was a long time coming.

Lincoln: Oh, you think?!

Ragdoll: But now, we've seen the last of him.

Lincoln: Good fucking riddance!

Trumbipular: Lincoln, you know we still have to kill Xehanort tomorrow.

Lincoln: Who cares about that? Me and my family have finally seen the last of Flip after everything he's done to us. So right now, I'm fucking happy!

Me: We all are.

Lori: We literally are.

Lynn Sr.: That monster had it coming.

Nico: Good riddance.

Me: Yep.

Nico: Great job today everyone!

Lincoln: (To the viewers) Flip is now a forgotten memory. Everyone all over the city is happy now that Flip is gone. That menace is never going to hurt me or my guardian angels ever again.

Xenia: That is for sure.

I went over and looked out the window and saw the Keyblade Graveyard in orbit around the Earth. And I knew instantly that's where Xehanort will be fought.

Me: I killed you before Xehanort and now I'm going to finish it. I've waited 7 years for this. (Eyes glow red) You better be ready Xehanort, because it's time to end this. ONCE AND FOR ALL! I'm coming for you Xehanort!

With that we enjoyed the rest of the day and went to sleep.

THE FINAL BATTLE BEGINS NEXT TIME!

TO BE CONTINUED!

Number 21: Frozen Justice: Same here.

Nico: Rio, remember when we met you and your brother back in 2020?

Rio: I sure do and you guys were starting in finding the Numbers.

Eli: Yeah that was cool. And I was starting out on the team too.

Twilight Sparkle: Many of us were.

Nico: Yep.

Rio: That was so cool and fun.

Camie: Wow that must've been fun.

Me: It was.

Nico: But when we first met your brother, he was stalking us!

Qin: Yeah he was!

Rio: And I apologize for that that.

Me: Number 17 did that to him.

Lola: Yeah.

Number 21: ANd I apologize for that.

Me: No worries. Besides we saved him and many of our friends from the Numbers. And destroyed Don Thousand later on.

Xenia: Yep.

Lola: Yeah.

Me: Lincoln are you nnow OFFICIALLY happy that Flip is dead?

Lincoln: YOU BET I AM!

Nico: You should be.

Qin: Yeah.

Me: Besides that's one less jerk we have to worry about.

Camie: Good riddance.

Lola: Yep.

Lincoln: Yep.

Nico: And his businesses are gone for good

Nico: Yep.

Qin: Yeah.

Laney: That jerk deserved it.

Camie: He sure did.

Maria: I wonder what good restaurants are around here

Zuzu: He'll be fine. Beside, we've been apart a few times before.

Brittney: Trust us on this Nico.

Nico: Okay.

Qin: Good.

we finished our pizza and paid for it and walked around.

Lincoln: Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: we just got word that a clone of Yami Marik has been sighted here in Domino City!

WE GASPED IN HORROR!

Me and Eli: WHAT?!

Nico: What the Hell?!

?: We already know one person behind it.

Suddenly, we saw five girls arrive: the first girl has long green hair, green eyes, dark blue clothes, angel wings, she has the symbol of Superman on her forehead and skirt, and she has a Keyblade in her right hand and Kryptonite spear in her left hand, the second girl has long purple hair, green eyes, purple clothes, green and purple angel wings, she has the symbol of Brainiac on her forehead and skirt, and she has a Keyblade in her right hand, the third girl has golden yellow hair, golden yellow eyes, rainbow angel wings, golden yellow clothes, she has the symbol of the Lightsworn on her forehead and skirt, and she has a rapier in hand, the fourth girl has golden yellow hair, pink eyes, rainbow angel wings, rainbow clothes, and she has a Keyblade in hand, and the fifth girl has long red hair, red eyes, rainbow angel wings, red short-sleeved blouse, sleeveless blue crop top, red skirt, yellow headband, green stockings, and black knee-high high-heeled boots with butterfly buckles and she has a light greatsword.

Lincoln: (GASPS) Hor-El Krypton, Keyblade Knight of Krypton, Cali Colu, Keyblade Knight of Colu, Neria Lightsworn, Avatar of The Lightsworn, Melanie Mertens, Keyblade Knight of The Land of Ooo, and Maria Ying Xiao, Ambassador of The Eight Demon Sorcerers and Descendant of En Ying Xiao.

Me: Whoa, The Keyblade Knights of Krypton, Colu, and The Land of Ooo?!

Nico: And The Avatar of The Lightsworn?!

Qin: And did you say there's another Ambassador of The Eight Demon Sorcerers and she's the descendant of En Ying Xiao?!

Maria Ying Xiao: That's correct, and we came to tell you that the clone of Yami Marik was created by Xehanort. He's already lost it big time.

Lincoln: So, our systematic takedown of the non-cursed jerks and the slaying of the cursed jerks has finally caused Xehanort to finally lose it. Perfect, but now, we know whom we're going to face today.

Me: The time has finally come, Xehanort's time is finally up.

Nico: By the time the sun sets, his reign of terror finally comes to an end for good. Let's take down that clone of Yami Marik and make that fucker pay.

Me: Yeah!

Xenia: This will be good.

Camie: Yeah this will be fun!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the Yami Marik clone) AHA! Gotcha, you bastard. I just spotted the clone of Yami Marik, he's 20 yards away and he's already on his rampage.

Nico: Let's tear that fucker apart and piss Xehanort off even more.

Lincoln: This should be good. (Sensed massive armies of musclebound thugs) Uh oh, heads up, I've spotted massive armies of musclebound thugs heading for us, and you're not going to like this bit of news: these thugs were hired by some old enemies of mine.

Me: WHAT?!

Nico: Even though Flip's finally out of the picture, there's always some dumb ass still wanting to kill us.

Suddenly, we saw ten massive armies of musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of one massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of the other massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the other massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Yami Marik clone.

Lisa Simpson heard a Pokemon cry.

Lisa Simpson: Wow look here!

We saw a Mega Celebi!

Me: Whoa a Mega Celebi!

Qin: Wow!

Mega Celebi: Yeah and man I'm hungry.

Me: Oh here. We gave it apples.

Nico: There you go.

She was eating them.

Mega Celebi: Thank you.

Me: Feel better?

Mega Celebi: I sure am.

Lisa Simpson: Do you want to come with us?

Mega Celebi: Sure!

Me: Awesome.

Lisa Simpson: You won't regret it.

Nico: With Flip dead, his thugs are probably extinct by now

Me: Yeah no kidding.

Qin: They will soon stop coming.

Xenia: Lets go get that monster.

We were flying around, and there we saw our target: the clone of Yami Marik attacking people and laughing malevolently.

Lincoln: Laugh while you still can, you psycho. (Sees Heartless emerging) Oh boy, and now, we got Heartless crashing the fight. Better take care of them.

Lincoln summoned a massive horde of Keyblades made of light and he sent them right at The Heartless army, and all of them were slain by them and we absorbed their negative energy and gained a massive power boost, and when the Yami Marik clone saw us, he let out a scream of rage as we landed.

Me: Of all the low down stunts Xehanort pulled on this, his last day alive, creating you is by far the lowest.

Nico: I thought we wouldn't have to see your face here again, well, no skin off our noses, if you want to go another round, fine by us.

Yami Marik: YOU… ARROGANT APE! I WILL KILL EVERY LAST ONE OF YOU!

Me: NOT IF I KILL YOU FIRST!

Suddenly, an army of Rare Hunters came charging out at us.

Alastor: Oh dear. I think it's time I remind everyone why I am (Red Eyes turn into radio dials) here.

Then, the skies turned blood red.

Alastor: A reminder to all. (Deer horns grew larger and black tentacles sprouted out) Not to mess with (Demonic Voice) The Radio Demon.

Then, the black tentacles skewered the Rare Hunters as Alastor was laughing malevolently and many of them were violently being torn apart limb from limb.

Nico: Damn!

Then, Alastor transformed into his full demon form, and that's where it really got ugly as he then butchered every last one of them, and he turned back and this horrified the Yami Marik clone, and Lincoln took their souls and made them his prisoners in his massive white angel wings.

Eli: Okay, now that was just plain terrifying.

Lincoln: But, that was indeed a wonderful performance, Alastor.

We all gave a round of applause.

Alastor: (Bows) Thank you.

Then, we turned our attention to the Yami Marik clone.

Moondancer: Now, you have nowhere left to run, Yami Marik, your minions are all dead, and you're all alone.

Mai Valentine, Serenity Wheeler, Rebecca Hawkins, and Vivian Wong: IT'S PAYBACK TIME!

Me: Lets get him!

I went at him and kicked him in his face and smashed him in his chest and kicked him in his chin.

He went at me and I punched him in his face and sent him flying into the sky.

Nico: YEAH!

I flew after him and punched him all over the place with incredible force!

(RAGE - NARUTO SHIPPUDEN MOVIE 2 OST PLAYS AT 2:18 TO 2:56)

We were falling to the ground.

Me: THIS CITY ISN'T BIG ENOUGH FOR THE BOTH OF US!

Yami Marik: I agree!

WE FIRED ENERGY AND LASER BLASTS AT EACH OTHER!

MASSIVE FIERY EXPLOSIONS BLASTED OFF ALL OVER US!

KRABBBBBBBOOOOOOOOOOMMMM!

Nico: UH OH! HIT THE DIRT!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion detonated in the middle of the city square and a massive wall of fire exploded out and lit everything on fire.

Nico: WHOA!

Eli: That was intense!

Me: Had enough?

Yami Marik: Never!

Me: That was just for starters!

Yami Marik: (sees Zuzu) Ah, and you brought another new duelist. Pity she came here just to die!

Zuzu: You're the one that's going to die!

She fired an energy beam and it hit his leg and blasted it.

Nico: Nice shot.

I punched him in his face and legswept him and kicked him in his back and jumped and dealt a powerful spinning axe kick and bashed him into the ground.

Nico: YEAH! Take that!

Me: You are nothing more than a bloodthirsty monster Marik! You only kill and torture and maim! You just want to kill as many people as you can and see people suffer!

Yami Marik: Yes and I am glad too! I should have killed that pathetic Mai and Joey back then!

Me: You're going to pay for that back then!

I punched him in his face and kicked him in the face and knocked him down!

Me: I'm going to torture you slowly and painfully and make you suffer before I kill you and leave you here to die!

Zuzu: I know I'm not Yuya. But I'll defeat you all the same!

I grabbed Yami Marik and grabbed his arm and broke it like a twig and he screamed and I punched him in his face and broke his nose and then I kneed him in his chin and punched him in his chest!

I knocked him down.

Me: That was for turning Tea and Joey into your little fucktoy puppets!

I grabbed his head and headbutt him!

He screamed in pain!

Me: You motherfucking pissant douchebag! That was for trying to kill Tea by squishing her with a metal crate!

Nico: HE DID WHAT!?

I punched him in his face and kicked him in his crotch and in his neck!

Nico: (WINCES) OOOH!

Me: That was for playing with Arkana's feelings with the promise of bringing him back together with his girlfriend. I just figured out something! You killed his girlfriend didn't you! YOU MURDERED

HER and made it look like she was alive! You messed with his mind and almost killed him too! YOU DON'T GIVE A FLYING FUCK ABOUT ANYONE!

I punched him!

Nico: OKAY THAT DOES IT! I'm going to rip this motherfucker apart!

Nico went at him and kneed him in his back and punched him in the back of the head!

Mega Celebi charged at him and blasted him with an energy blast.

Me: You make me fucking sick Marik! Using people as nothing but pawns to do your dirty work! You treat life like it's nothing but a fucking game! All you do is use people and then kill them when you're finished! How many people died by your hands!? How many people suffered because of you!? You don't care!

I kicked him in his face!

Yami Marik belched up a huge amount of blood!

Suddenly, the eyes of Moondancer, Mai Valentine, Serenity Wheeler, Rebecca Hawkins, and Vivian Wong turned neon and they were surrounded by colored energy auras with stars, elemental forces, mythical animals, animals, phoenixes, and angels, and as they approached the Yami Marik clone, they left colored energy, stars, elemental forces, mythical animals, animals, phoenixes, and angels with every step.

Suddenly, Moondancer, Mai Valentine, Serenity Wheeler, Rebecca Hawkins, and Vivian Wong were surrounded by massive vortexes of colored energy with stars and elemental forces surrounding the vortexes, there are mythical animals, animals, phoenixes, and angels flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at the Yami Marik clone: the red eyes of eternal death.

Me: WHOA!

Nico: Oh man, I knew payback was coming for that despicable clone, but this is payback times infinity.

Lincoln: After what Yami Marik had done, I believe this is a case of well-deserved payback.

Then, as the vortexes fade, Moondancer, Mai Valentine, Serenity Wheeler, Rebecca Hawkins, and Vivian Wong emerge, but they were changed forever.

We were really amazed at the transformations of Moondancer, Mai Valentine, Serenity Wheeler, Rebecca Hawkins, and Vivian Wong, but when the Yami Marik clone saw it, he cruelly fired a blast of darkness at them to kill them with sadistic madness, but they deflected it, and they fired massive barrages of colored energy, stars, elemental forces, mythical animals, animals, phoenixes, and angels at the Yami Marik clone which sent him flying into a wall, he got back up, but now, he was beyond pissed off.

Moondancer: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Moonlight Moon Fire Miracle Star Magic Firestorm Alicorn Phoenix God Angel and Divine Cosmic Eternal Harmony Moonlight Moon Fire Miracle Star Magic Firestorm Alicorn Phoenix God Angel Love) I shouldn't be so surprised that you tried to do that sort of attack on us, you piece of crap.

Lincoln, Moondancer, Mai Valentine, Serenity Wheeler, Rebecca Hawkins, Vivian Wong, and I went after the Yami Marik clone, and we fired extremely powerful blasts of rainbow energy, reddish-pink energy, purple and yellow energy, pink energy, yellow and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the clone of Yami Marik and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Moondancer, Mai Valentine, Serenity Wheeler, Rebecca Hawkins, Vivian Wong, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the clone of Yami Marik even more madder than ever and he exploded even more with extreme rage.

Yami Marik Clone: You… ! You! I don't care how powerful all of you are, or that you're immortal and invincible, I will destroy you all if it's the last thing I ever do.

Sebastian Mendez: Oh, it is going to be the last thing you ever do.

Sebastian ran up to and grabbed the clone of Yami Marik and was choking him with such utter malice and madness.

Sebastian Mendez: (Demonic Voice) Time to die!

Lincoln knew this had to end: the clone of Yami Marik was already struggling to fight back against someone who had utter malice and madness and was absolutely murderous towards bastards like him, he charged out with incredible superhuman speed, and Sebastian turned as he glared at Lincoln and snarled. Then… !

POW! SHEEN!

LINCOLN PUNCHED SEBASTIAN HARD IN THE STOMACH AND FORCED OFF THE CLONE OF YAMI MARIK WHO WOUND UP GETTING CUT DOWN BY LINCOLN AND HE EXPLODED IN A VORTEX OF RAINBOW FIRE AND HIS SPIRIT WAS SENT TO THE BLACK ABYSS FOR GOOD! GOOD RIDDANCE!

Everyone cheered as we holstered our weapons and powered down, and the new bodies, clothes, jewelry, eleven massive and long wolf tails, 28th Century silver Miracle Box backpacks, Third Eyes, Longer reddish-pink tail and eleven massive and long wolf tails, large gold halos with four orbiting gold rings on each corner behind their heads, twelve large planets orbiting around their legs, smaller planets orbiting around their fingers, and massive angel wings and medium angel wings of Moondancer, Mai Valentine, Serenity Wheeler, Rebecca Hawkins, and Vivian Wong are permanent.

Nico: Whoa! Lincoln, that was one awesome finisher!

Eli: No fooling, that clone of Yami Marik exploded in a vortex of rainbow fire after he cut him down after punching Sebastian in the stomach and forced him off.

Me: You said it. (Thinking) I just know Sebastian's going to try and swipe the detonator from Lori and trigger it on Nico, we better restrain him before he does so.

Lincoln: (Thinking) I was just thinking the same thing, J.D.

Nico: (Thinking) Same here. But, we better keep it a secret, can't have that monster knowing about it. (Out Loud) So, Lincoln, you going to introduce us?

Lincoln: Sure. Everyone, this is Hor-El Krypton, Keyblade Knight of Krypton, she's my Guardian Angel from Krypton and she's a powerful force of epic power to be reckoned with. She was born and raised on Krypton, and she's a powerful and deadly warrior and she's a powerful force of good and she has ALL of Superman's powers and more and she is intensely powerful and she's immune to Kryptonite. She is the Keyblade Knight of Krypton, and she's the younger sister of Kal-El A.K.A. Superman, and she got along with all of her older brother's friends. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot in everything that she knows in mastering the powers of Kryptonians, and she's an amazing crimefighter like Superman. Her Earth name is Hayley Kent, but her Krypton name is Hor-El, and she hates Lynn with a vengeance.

Me: Lynn tried to hurt Lincoln, but she wound up getting frozen in ice by Hor-El's ice breath.

Nico: Cold justice, nice.

Lincoln: The second girl is Cali Colu, Keyblade Knight of Colu, she's my Guardian Angel from Colu and she's a powerful force of epic power to be reckoned with. She was born and raised on Colu, and she's a powerful and deadly warrior and she's a powerful force of good and she is as smart as Brainiac times 100,000. She is the

Keyblade Knight of Colu, and she's as powerful as Brainiac times 10,000,000. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot in everything that she knows in mastering the powers of the race of Colu, and she hates Lisa with a vengeance.

Nico: Let me guess, she compared her to Brainiac?

Lincoln: You guessed it.

Me: We had to restrain her before she got too wild.

Lincoln: For the third girl, we know the story about the Lightsworn, but legends say there is an Avatar that is home to all the powers of the Lightsworn, and that person is Neria Lightsworn, Avatar of The Lightsworn, she's my Guardian Angel from Michigan and a close powerful friend of Kira Gutierrez, Hayley Gutierrez, Natalie Gutierrez, Joan Gutierrez, Naomi Gutierrez, Luna Gutierrez, Gina Gutierrez, Reggie Gutierrez, Janet Gutierrez, Celeste Gutierrez, Tammy Gutierrez, Violet Gutierrez, and Rachel Gutierrez, and she is the strongest out of all of the Lightsworn Monsters. The Lightsworn view her as the all-powerful god of The Lightsworn and she's a mighty force of light. She came to Royal Woods and she met me and not only did she fall in love with me, but she swore to protect me with all her might, and she also heard of what Kira and her sisters who were not only born with light powers, but they also Gene-Slammed themselves into The Lightsworn Monsters on purpose to help me out, and were also chosen to be their champions. I made her a powerful light rapier, and to show thanks, she kissed me on the lips, and as a result, I promised that when I came of age, I'll marry her along with the rest of my harem, and she loathes and despises Flip with a vengeance.

Neria Lightsworn: And I heard of what you did in gathering an angry mob on that mutant yesterday, Lincoln, that was really impressive.

Me: Now, that mutant's a forgotten memory.

Lincoln: Now, for the fourth girl, you're going to be in for a shock, this is Melanie Mertens, Keyblade Knight of The Land of Ooo, she's my Guardian Angel from the Land of Ooo and a powerful warrior of love and honor. After the nuclear holocaust destroyed much of the human race, she was frozen in crystal and laid dormant for over 1,000 years. But, then, after the events of the Elemental Crisis, she was released from her crystal slumber. However, after the world was reverted back, she got imbued with the powers of Candy, Slime, Fire and Ice times 500,000,000 and even gained rainbow Angel Wings. And here's the ultimate shocker: she's also the biological elder sister of Finn Mertens and she hates the Lich and all of Finn's enemies with a vengeance. But, she's also very good friends with the Princesses and strongly supports Finn and Flame Princess being a couple regardless of her instability, and she also doesn't like her father the Flame King, and she also hates ALL of my enemies with a vengeance!

WE GASPED!

Nico: What the?! You're Finn's biological elder sister?!

Finn: Hey, what's with the. (Sees Melanie) M-Melanie?

Melanie Mertins: Finn?

Finn and Melanie hugged each other.

Finn: Mel, is what Lincoln said true?

Melanie Mertins: It is.

Jake: Looks like you've got 1,000 years of catching up to do.

Lincoln: And then some. And the fifth girl is Maria Ying Xiao, Ambassador of The Eight Demon Sorcerers and Descendant of En

Ying Xiao, she's my Guardian Angel from China and the eldest of nine sisters as her eight sisters happen to be separate Ambassadors of the Eight Demon Sorcerers, and she's also a very powerful master over the forces of light and dark chi and she was also born the eight powers of the Demon Sorcerers, Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, Bai Tza, and Tchang Zu, along with rainbow angel wings, and she also has full fledge mastery over the powers of Fire, Earth, Moon, Sky, Water, Mountain, Thunder and Wind. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of all the powers of the creatures of the elements and the Elemental Forces themselves: The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps.

Qin: Whoa! That's really awesome!

Lincoln: She moved to Royal Woods from China and she met me, and it was love at first sight. She heard from me of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach me how to master the powers of Fire, Earth, Moon, Sky, Water, Mountain, Thunder, and Wind, and after I got stabbed by Lisa when she went ballistic, Maria punched Lisa hard in the face and she cut her hand and placed it on my wound on my chest and she let her blood to enter my body and I gained the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and I wound up getting tattoos of The Phoenix, Mermaid, Golem, Fairy, Thunderbird, and Shadow Wisp on the back of my left forearm. Take a look.

Lincoln showed the tattoos of The Phoenix, Mermaid, Golem, Fairy, Thunderbird, and Shadow Wisp on the back his left forearm.

Qin: Wow.

Lincoln: And I made her a light greatsword, and to show thanks, she kissed me on the lips, and as a result, when I come of age, I'll marry her along with the rest of my harem, and because of the incident, she hated Lisa with a passion.

Nico: And I remembered that incident all too well, it was a week after we took down Dark Lori and Dark Lola, Lori and Lola grabbed Lisa and pried her off and tied her up.

Me: Lisa got a severe punishment of getting grounded for a month due to it.

Lincoln: That's right, and it's so good to see you all again.

Maria Ying Xiao: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then marked Hor-El Krypton, Cali Colu, Neria Lightsworn, Melanie Mertens, and Maria Ying Xiao by slowly biting them on the right trapezius and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit them.

Then, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hor-El Krypton, Cali Colu, Neria Lightsworn, Melanie Mertens, and Maria Ying Xiao with colored gems on the gold lightning bolt links with colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi and six white and gold accented Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Hor-El Krypton, Cali Colu, Neria Lightsworn, Melanie Mertens, and Maria Ying Xiao saw them and they knew they became part of his harem and are among his many future wives, and they kissed him on his pecs and lips.

Nico: Lets get his cards.

Me: Already got them. Got them before we banished his ass to the Black Abyss.

I showed the deck he had.

Me: To quote Burt Gummer, Broke into The Wrong Goddamn City didn't you, you bastard!?

WE LAUGHED!

Nico: YEAH!

Eli: Nice!

Nico: Boy that was cool. But man J.D. you were REALLY PISSED with him. How did you learn about all the stuff he did?

Me: Yugi, Joey and Tea and Mai told me everything he did and how it really affected them. It REALLY pissed me off to the Nth degree. It's why I HATE him. Yami Marik doing all that really makes my BLOOD BOIL!

Qin: I don't blame you!

Nico: Nice job, Mega Celebi!

Mega Celebi: Thanks Nico! It was fun.

Lisa Simpson: Boy that was cool!

Poromon: Want a beer?

Mega Celebi: Oh no thanks. I don't drink.

Poromon: Okay.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Mega Celebi: Nice try pipsqueak but the puppy eyes don't work on me.

Poliwag: HEY! I drink milk!

Nico: Poliwag, she was just kidding.

Poliwag: Oh.

Zuzu: I still can't believe I'm in the ACTUAL Domino city.

Nico: I know.

Qin: It's an amazing place too.

Me: This was also where the legendary battles with Marik and the Battle City Finals took place too.

Xenia: Yeah.

Lola: Really amazing story.

Zuzu: It sure is.

Me: Yeah.

Nico: You did a good job against Marik, Zuzu.

Zuzu: That was awesome.

Lola: Yeah it was.

Zuzu: I just can't believe that Marik was that ruthless! He did all those terrible things to so many people like J.D. said?

Me: I'm not shitting you there Zuzu. What he did really makes me want too. (GROWLS)

POW!

I punched Nico in his face!

Me: (GASP) Oh my god! Sorry Nico!

Nico: OUCH!

Me: Oh man! Sorry guys. I'm just pissed about Marik. Also we have Xehanort to face today so I'm also pissed off about him too.

Laney: I don't blame you J.D.

Qin: Yeah he really pissed you all off since uhh… when exactly?

Me: I think it was 2018 or 17 but I'm not sure.

Zuzu: I can tell that he did a lot of terrible things to you all.

Me: That's an understatement. But you did great against Marik.

Nico: You should be proud of yourself. Marik isn't a pushover.

Me: No he isn't. He used a Torture Device Deck.

Nico: Yeah.

Zuzu: GEEZ!

Zuzu: If there's anything I can do to help…

Nico: Help by staying with Yuya and the others. I already have an idea for backup should we need it

Zuzu: Okay. I will.

Lola: Okay.

Poromon: Can we have some of that pizza too?

Maria: Sure. I bought us extras just in case.

Poromon: YAY!

They got to eating.

Kisara: I just can't believe that Marik did all that to you.

Joey Wheeler: Yeah he did a number on us.

Tristan: What he did landed most of us in the hospital and on death's door.

Serenity Wheeler: I was there when it happened. It was awful.

Me: Wait Serenity didn't you have an eye operation before the Battle City tournament began?

Serenity Wheeler: I sure did.

Nico: Yeah I remember that.

Joey Wheeler: That was a tough time for me and Serenity.

Lola: But at least you made it through.

Serenity Wheeler: I had a friend in the hospital tell me what was going on as my eyes were healing.

Me: Wow.

Poromon: Speaking of which. Later, the four of us are gonna visit someone.

Nico: Okay. Who is it?

Poromon: Someone who is having problems.

Me: Okay.

Nico: OUCH! GEEZ! J.D. did you have to hit me so hard!?

Me: I said sorry Nico. I didn't know it was that strong!

Nico: Wait. Could it be?

Me: I think we're going to ascend Nico. We'll find out.

Maria: What kind of problems?

Horsea: Maria, it's very serious. You'll have to find out later, okay?

Me: Must be serious.

Xenia: Yeah.

Horsea: It is.

Nico: Also, is it possible for there to be Fullbottles of us?

Me: Hmm. Now that you mention it… Sento what do you think?

Sento: It's definitely possible.

Nico: Sorry if it sounds like a stupid question.

Sento: No worries. But that is an awesome idea though.

Nico: Good.

Me: Eli if Yami Marik was really the spirit of a Tomb Keeper, what do you think Pharaoh would have done to him back then should his crimes come to light?

Eli: Father would have him executed for his crimes.

Nico: That is a good assumption.

Me: The punishment for murder back 5,000 years ago being mummified alive.

Nico: Any other punishments back then?

Me: Well Exile into the Sahara desert for one.

Nico: Ooh.

Me: Beheading too.

Lola: Yikes!

We then saw two men

Man 1: You got the stuff?

Man 2: Yeah I got it, where's the money, huh? I want to see the money!

Man 1: No, no, no, you don't see the money till I see the stuff!

Me: Wonder what they are after.

I went over.

Me: Hey you two! What stuff are you after huh? I would suggest you hand over the goods now!

The second man sighed and revealed a wire

Me: Oh you're wearing a wire.

I teleported and grabbed the first man.

Me: Okay you ignoramus lets see what you're hiding!

I grabbed the case he had.

I had him tied up with my octopus tentacles.

I opened the case and in it was a bunch of stuff. It was new ULTRAMAN LEGEND ITEMS!

Me: Whoa look at this guys!

Nico: Whoa! Ultraman Legend Items!?

Me: Ultraman weapons imbued with the powers of the M.O.E.! Where did you get these!?

Man 1: I don't know. I was just delivering them!

Me: For who?

Man 1: I don't know!

Me: Ino?

Ino then went over and probed his mind and she found out that they were being given to Reggie Mandell.

Ino: He was going to give these to a man named Reggie Mandell!

Me: Reggie Mandell? Hey Ollie, isn't he one of your enemies?

Green Arrow: Yep. But he's a pushover

Me: Lets see.

I pulled up his info.

---

Reggie Mandell is a crime boss and an enemy of Green Arrow. He is the second person on the left side of the Green Arrow comic book since that is the only known image of him.

Reggie Mandell is the leader of a criminal organization called the Warhogs. In the sixth issue of the second volume in the Green Arrow comics, Reggie arrived in Seattle where his associate Kebo was running things for him. Business was booming, with recruitment, drugs, prostitution, and protection all doing well. Reggie provided his people with cocaine, but he abstained because it gave him an edge over them.

Suddenly, an arrow shoots through the couch beside, and a surprised Reggie finds that Green Arrow had his bow trained on him. Oliver revealed that Kebo has been drawing negative attention to the Warhogs by coordinating the recent attacks against homosexuals. Oliver added that Kebo had a personal vendetta against homosexuals because he was twice a victim of gang rape while in prison. Despite this, Reggie stated that Oliver won't have earned the right to be heard until he himself went through the Warhogs' initiation process.

Oliver agreed, taking a heavy beating, and eventually having to drag himself to the end of the line. While successful, he was badly hurt. When asked what he wanted, Oliver explained that it was only a matter of time before the police follow the same trail he did to find Kebo. With the pressure on, a desperate Kebo revealed that he developed AIDS as a result of his rape, which he felt justified the murder of homosexuals. Reggie killed Kebo and claimed that the Warhogs take care of their own. Before leaving, Oliver stated that he ws going to make himself a problem for the Warhogs in Seattle.

Me: WHOA! The Warhogs gang. I remember them.

Green Arrow: Yeah but like I said. He's a pushover.

Me: He must not be worth our time.

Nico: We'll deal with him in the future

Eli: But he has Ultraman Orb Orbcalibur Swords imbued with the powers of the M.O.E Members in here. Must've been trying to sell them onto the black market.

Me: Maybe.

The cops came and we arrested him.

Me: That's it for him. But you know these could be very useful.

Qin: I agree. It'll be cool to see what they can do.

Me: Yeah.

Ophelia Orb: Now we all have Orbcalibur swords. This will be awesome.

Nico: Yep. It'll be interesting to see.

Qin: Yeah.

Me: That is an awesome bonus to this rescue.

Lola: Now we have not just legend items of the Kamen Riders and Power Rangers and Super Sentai teams.

Lana: But now we have Ultraman legend items.

Lynn: It's going to be cool showing these to the Orb Team.

Nico: We'll have to wait and see

Luan: Yeah and they are next after my missions are done.

Zuzu: They must be amazing.

Me: They are Zuzu. Ultraman Orb is 2016's series and they were made to commemorate 50 years of Ultraman.

Zuzu: Wow! That is amazing.

Me: It sure is. Ultraman has been for over 57 years now.

Nico: Wow.

Kit Taylor: Wow! That's 5 years longer than Kamen Rider in Japan.

Me: Yeah I know.

Ben: Way Big is based off of them.

Me: That is true. Toku'Stars do look like Ultraman. Which is real cool.

Xenia: It sure is.

Qin: Yeah that is awesome.

Me: Yeah it sure is. I have a feeling there's many more of these Ultraman Legend Items out there.

Lola: Yeah.

Nico: Well we'll find them. Now for the next part of our rescue.

Qin: The Anothers.

Me: Yep.

Eli: (CONCENTRATES) Whoa! We got Lorelai, Thunderclap, Garudostorm, The Monolith Monsters, Mantis Malgam and

Gynakamakil.

Qin: Wow!

Lola: This will be interesting.

Camie: Yeah. So Mai Valentine & Harpie Lady, Rio Kastle & Number 21: Frozen Lady Justice, Vivian Wong & Lady Ninja Yae, Kisara & Blue-Eyes White Dragon, Teana & Dark Magician Girl and Zuzu & Sonata the Melodius Diva are up.

Me: Bingo.

Lola: Wow.

Eli: And I sense that the anothers minus Lorelai are 1 person.

Me: Neat.

Eli: Yep.

Qin: But wait now that Yami Marik is dead, what will become of the Rare Hunters?

Me: Well now they are pretty much lost sheep. Without a leader they have no one to lead them. But most of them are dead. We'll worry about them later though.

Nico: Okay. And there they are!

We saw Another Thunderclap, Garudostorm, The Monolith Monsters, Mantis Malgam and Gynakamakil.

Qin: WHOA!

Me: This will be good.

Lana: Yeah!

Another Thunderclap: It sure will.

Nico: (GASP) That voice!

They merged and she reverted back and was a girl with orange hair, blue eyes, orange clothes, brown angel wings and had Brachiomon on her forehead and skirt and had an earth sword.

Nico: Brianna Brachio!

Brianna Brachio: Awesome to see you again Nico.

Nico: Same here.

Me: Can you tell us more about yourself?

Brianna Brachio: I sure can. I'm a Paleontologist and I specialize in the study of the Tendaguru Formation.

Me: That's one of the most famous dinosaur graveyards in all of Africa.

Brianna Brachio: Yep. Me and Nico unearthed lots of new dinosaurs there.

Camie: Wow!

Nico: Yeah that was fun.

Me: Yeah. By the way is the Another Lorelai friendly or hostile?

Brianna Brachio: Friendly and hostile at the same time. She has a very powerful and dangerous power.

Me: WHOA! This will be interesting to see.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Maria: And now, we wait.

Me: Yep. Whoa we don't have to wait long!

We saw ANOTHER LORELAI!

Nico: Another Lorelai!

Eli: I'm sensing lots of anger and rage.

Another Lorelai: And it's because I am hating everything!

Me: (GASP) That voice! Katniss Khorne!?

She reverted back and was a girl with red hair, red eyes, red clothes, fire angel wings and had the emblem of Khorne the Chaos God of Rage on her skirt, arm, shirt and in the middle of her forehead and had a Hellblade sword in her hand.

Katniss Khorne: It's good to see you J.D. Hope you got any bad guys later on for me to splatter their blood and guts all over and rip their intestines out.

Me: Oh there will be plenty of bloodshed later. Katniss is the Avatar and Embodiment of Khorne, the Chaos God of Rage and she is one girl you should NEVER Piss off.

Nico: Why?

Me: Because she killed and mercilessly slaughtered and butchered an entire factory full of methamphetimine makers and mobsters running it and dismembered all of them alive. She's that merciless.

Nico: (GULPS)

Me: And she is a master of the songs of fire.

Nico: Nice.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Katniss Khorne: No he didn't because he was scared of me.

Me: The powers of the Chaos Gods are something never to be trifled with.

Hunter: (German Accent) Ja they sure are.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Lincoln: Lets separate you first.

We did so.

Nico: Lets get it on.

We faced the Another Lorelai!

Nico: (Gets out Lorelai's ridewatch) This is a song that packs a punch.

May: (Gets out Garudostorm's ridewatch) This lion is ready for you.

Maria: (Gets out Mantis Malgam's ridewatch) This mantis will strike.

Rio Kastle: (Gets out Thunderclap's ridewatch) I strike with lightning.

They used the powers of Lorelai, Thunderclap, Garudostorm, The Monolith Monsters, Mantis Malgam and Gynakamakil and blasted the another.

Then Melissa Bergman, Evil Galaxy Man, Hanako, Jack Frost (Marvel), Evil Crystal Man and Velvet Vick then came.

Me: Whoa!

Nico: Nice team Melissa!

Melissa Bergman: Thanks Nico. This is gonna be fun.

Nico: Is that Velvet Vick?

Velvet Vick: Groovy-o daddyo.

Francesca: Yeah it sure is. Grandpa Eustace loves him and his music. We found a record of his music and he was trapped inside that record somehow.

Nico: That is amazing.

Me: Wow! That is something.

Lola: Yeah.

Me: Lets see. Lets see what this can do. LORD DRAKKON ORBCALIBUR!

I spun my Orbcalibur and it formed a green energy blade and I fired waves of green energy and blasted the Another!

Me: COOL!

Xenia: Wow! That is cool!

Nico: NICE!

Me: Yeah!

?: I'll say!

Piximon came!

Me: Whoa Pixiemon!

Maria: Aww that one is so cute!

Piximon: (In a girls voice) I know. I sure look cute.

Nico: Penny Pixie! Wow!

She reverted back and was a girl with pink hair, pink eyes, pink clothes and had pink butterfly wings and had Piximon in the middle of her forehead and on her skirt and she had a spear of nature.

Penny Pixie: Awesome to see you Nico. I got this. (Echoing) PIT BOMB!

She fired a ball of energy and it hit the Another and obliterated it and I caught the ridewatch and purified it.

Me: Awesome!

Nico: Nice job!

Penny Pixie: Thanks. That was awesome.

Me: It sure was.

Rio Kastle: Do you have a favorite memory of Nico?

Penny Pixie: I sure do. When me and Nico were at my Fairy Kingdom and we defended it from pixies that sounded like Ben Stein.

Me: You mean the Pixies of Pixie Land? That is amazing.

Nico: Yeah.

Me: That is funny too. They all sounded so much like famous actor and Economic Commentator Ben Stein.

Penny Pixie: Yeah they sure did.

Nico: Yep.

Nico and Penny hugged.

Nico: I've missed you.

Penny Pixie: Same here.

We later went back home.

Nico: I've heard of him, he is an evil counterpart to Superman made by The Batman Who Laughs. Supposedly, when this version of Kal-

El's home planet blew up, his ship got lost and ended up flying through a thousand suns, which corrupted him into an energy-draining monster.

Me: Like a pyrokinetic version of Parasite.

Lincoln: Of course, I'm not going to let him get out of this alive, I'm going to drain him of all his energy and suck out all his powers and abilities and make them mine and throw him in The Masters of Evil's prison.

Mai Valentine: A perfect fate for someone like him, now we better get going and find him.

(CHINESE MUSIC PLAYS)

Suddenly, we saw a gorilla made of red flame pass through the skies.

Lincoln: The gorilla made of red flames, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with red streaks and red headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless crimson red crop top, crimson red bridal gloves, crimson red skirt, light blue stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, red fire, red flames, gorillas, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Gorilla, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the fifteen girls.

Lincoln: (GASPS) Bedelia Honghuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Gorilla.

Bedelia Honghuo: That's right, and I got the girls away from that pyrokinetic energy sucking parasite.

Then, Lincoln grabbed him by the neck and he began draining Last Sun dry of all the energy he drained from his victims and he also sucked out Last Sun's Energy draining, Superhuman strength, Superhuman durability, Superhuman speed, Superhuman reflexes, Invulnerability, Pyrokinesis, and Flight, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, Last Sun was literally drained and depowered to the point of not being able to do anything, and he threw him into a portal that led to his new cell inside the Master of Evil's Prison. We cheered as we holstered our weapons and powered down.

Lincoln: Enjoy eternity in The Masters of Evil's prison, you parasite. (To Bedelia Honghuo) And it's so good to see you again, Bedelia.

Bedelia Honghuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Bedelia Honghuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Bedelia Honghuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Bedelia Honghuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Bedelia Honghuo and hugged her, and Bedelia Honghuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Bedelia Honghuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Bedelia Honghuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Gorilla, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of red fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Gorilla, along with having red angel wings along with having intense red fire powers. She's known as The Courageous Warrior of The Sisterhood of The Fists of Fire, and she's considered the bravest of the group and she charges into a fight and beats the morons up. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of red fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Bedelia hates Chandler with a blazing passion, because of him being a coward and a bastard to everyone in his path and she despised him badly for trying to kill Lincoln, and in one incident, she and Lincoln exposed that bastard's plan to kill Lincoln again and kill everyone in the school and blow it up, and after he was exposed, he was then beaten up by Bedelia and tossed into a police car that took him to prison for a month.

Me: I was really impressed by her courage when she took Chandler down.

Nico: For her to take down the worst of the worst, she really is brave and courageous.

Lincoln: Yep, and she's always the first to charge out into battle, and now that you're here, Bedelia.

Lincoln leaned his head down the right side of Bedelia Honghuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Bedelia Honghuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Bedelia Honghuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Bedelia Honghuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Bedelia Honghuo.

Bedelia Honghuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Bedelia Honghuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Bedelia Honghuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them. The fifteen girls are Himari Aozora and Mitsuki Hoshikawa from Himitsu no AiPri, Akira Shinonome, Reimi Kuga, Nadeshiko Hoshi, and Shizuru Chikura from Shuumatsu Train Doko e Iku?, Otoha from Eversoul, and Charles Richelieu, Leina de Medeshis, Maiko Kawasaki, Mayu Minami, Miyabi Fujikura, Sarah Tefal, Wakasa Tanegashima, and Yuuna de Medicis from Gun Knight Cutie Bullet.

Lincoln: Oh wow, it's Himari Aozora and Mitsuki Hoshikawa from Himitsu no AiPri, Akira Shinonome, Reimi Kuga, Nadeshiko Hoshi, and Shizuru Chikura from Shuumatsu Train Doko e Iku?, Otoha from Eversoul, and Charles Richelieu, Leina de Medeshis, Maiko Kawasaki, Mayu Minami, Miyabi Fujikura, Sarah Tefal, Wakasa Tanegashima, and Yuuna de Medicis from Gun Knight Cutie Bullet.

Nicole: Thank God Bedelia got them away from that energy draining pyrokinetic parasite.

Lincoln: She sure did. Are you girls okay?

Himari Aozora: Yes, we're okay, thanks to you.

Himari Aozora: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Himari Aozora: (Seductive Voice and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Himari Aozora, Mitsuki Hoshikawa, Akira Shinonome, Reimi Kuga, Nadeshiko Hoshi, Shizuru Chikura, Otoha, Charles Richelieu, Leina de Medeshis, Maiko Kawasaki, Mayu Minami, Miyabi Fujikura, Sarah Tefal, Wakasa Tanegashima, and Yuuna de Medicis with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the enemy we went after was Last Sun, an antagonist in DC Comics and an evil counterpart to Superman made by The Batman Who Laughs.

But, when Lincoln showed what we did in beating that monster down and Lincoln grabbing him by the neck and draining him of his energy and the energy he'd drained from his victims in the past along with sucking out his Energy draining, Superhuman strength, Superhuman durability, Superhuman speed, Superhuman reflexes, Invulnerability, Pyrokinesis, and Flight and made them his own and threw him into the Masters of Evil's prison, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Bedelia Honghuo have a lot of catching up to do, now that she's back in town.

Maria: My God, you guys survived a fight against Last Sun, he was one dangerous energy draining parasite.

Lincoln: He sure was, but I used my own energy draining power against him and drained him of his energy and sucked out his powers and abilities and made them my own.

Nico: Now, he'll be closely monitored by Vypra.

Me: And make sure he never tries to break out.

Here's the second scene

After Lincoln and all of us beat Last Sun down and Lincoln sucked out his energy and powers and abilities and threw him in The Masters of Evil's HQ, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Bedelia Honghuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Bedelia Honghuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Bedelia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Bedelia Honghuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Bedelia Honghuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Panda Faye Ling: Now, I've got a memory that Bedelia had with Lincoln while he was training with her, and it led to Chandler getting beaten to a pulp by Lincoln.

Panda Faye Ling put up a video on the big screen, and it showed Bedelia Honghuo training with Lincoln at the gym, Bedelia Honghuo was in a crimson red sports bra, crimson red shorts, and red knee-high boots, and Lincoln was only in crimson red gym shorts and he also had on black knee-high boots, and they were sparring with one another which ended with Lincoln taking her down with a leg sweep causing her to lose her balance and land on the mat, and he pinned her down. He got off, and he helped her up, and they really worked up a sweat.

Past Bedelia Honghuo: Phew, that was one intense sparring. You've really been improving a lot and practicing on the side without letting that sewage slop finding out, Lincoln.

Past Lincoln: Thanks, Bedelia. But, I don't know how long it'll be before Chandler finds out.

?: YOU ARE ALL GOING TO DIE FOR THIS, LOUD!

Suddenly, the alarm sounded and the rest of The Guardian Angels came, and to their disgust, Chandler showed up along with Artie and Trent to kill Lincoln and his Guardian Angels.

Past Anna Anyanova: Again, Sewage Slop?! That's it, I'm gonna beat you three down and throw you into a cesspool!

Past Lincoln: No, Anna, I'm taking then down.

Lincoln flew out to the roof of the gym, and he proceeded to trash Chandler, Artie, and Trent with his martial arts moves as he punched and kicked them all over the place. Chandler, Artie, and Trent let out another loud yell and ran at Lincoln with a knife, but he dodged them and punched them in the stomach and they fell down like a ton of bricks. Then, he grabbed them and threw them into the air as they were sent flying into a prison cell in the Royal Woods Police Department.

Past Bedelia Honghuo: That was really impressive, Lincoln! You swooped in and took that pile of sewage and his asshole friends down hard, you were like a fierce tiger, and that heartless asshole stood no chance.

Past Lincoln: He unfortunately made me even stronger, and that really led to him and his minions getting a nasty dose of karma.

Then, Lincoln wrapped his massive muscular arms around Bedelia Honghuo and he leaned his head down to her face and they kissed as the video ended.

Nico: Whoa! That was really awesome, Lincoln!

Nicole: I still remembered that incident all too well, but Chandler, Artie, and Trent was basically asking for trouble.

Luna: It found her big time, and Anna was that mad at him, she wanted to end them for good. Lincoln stopped her from doing so, but Chandler, Artie, and Trent were already on permanent thin ice with her and all of the Guardian Angels who hated them.

Anna Anyanova: This was the very thing many of us Guardian Angels swore to do if he dared to go after Linky one more time.

Lynn Sr.: We knew Chandler, Artie, and Trent were at it again when Lincoln sent them flying to the police, we saw the stink lines coming off of them.

Me: It was still disgusting to this very day.

We got a shower, and then, Lincoln, Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins are heading to Aquatic Ruin Zone.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, but they also got to keep their heads up, they got word that more muscle-bound thugs are coming.

Simulator Janet Smith: Wow, so this is Aquatic Ruin Zone. It sure is beautiful.

Lincoln: It sure is, Janet, and it's perfect for our first date. Shall we?

Lincoln, Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.
